## IN SENATE

June 5, 2023

---

Introduced by Sen. MYRIE -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the criminal procedure law, the executive law, the correction law, the judiciary law and the civil rights law, in relation to automatic sealing of certain convictions

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. Almost fifty years ago, New York  
2 enacted anti-discrimination protections for individuals with a prior  
3 criminal conviction. In his approval message, Governor Carey noted that  
4 the expense and time involved in prosecuting and incarcerating an indi-  
5 vidual is largely wasted "if upon the individual's return to society his  
6 willingness to assume a law abiding and productive role is frustrated by  
7 senseless discrimination" and further noted that providing a formerly  
8 incarcerated individual "a fair opportunity for a job is a matter of  
9 basic human fairness as well as one of the surest ways to reduce crime."  
10 He also noted that the legislation in no way required the hiring of  
11 someone with a criminal record but provided reasonable standards to be  
12 applied when considering the employment of such an individual, and that  
13 merely having a criminal record could not be the sole basis for denying  
14 employment. While New York has made great strides in fighting discrimi-  
15 nation - on the basis of many attributes, experiences, and circumstances  
16 of New Yorkers - discrimination on the basis of past convictions still  
17 persists.  
18 Therefore, it is the intent of the legislature to further curb this  
19 discrimination by sealing from public access the conviction records of  
20 individuals for certain state convictions only after an individual has  
21 satisfied their sentence and the required period of time has passed,  
22 within which the individual has remained a law abiding citizen while  
23 ensuring that this otherwise sealed conviction information will remain  
24 accessible for law enforcement and other relevant and necessary

1 purposes. These relevant and necessary purposes include but are not  
2 limited to determining suitability for licensing, employment and similar  
3 activities where federal or state law requires a criminal background  
4 check be performed prior to granting licenses to or employing individ-  
5 uals in certain jobs, such as employment with children, elderly popu-  
6 lations, or other vulnerable populations, as well as where federal or  
7 state law authorizes a criminal background check to be performed prior  
8 to the same type of employment or similar activity.

9 It is further the intent of the legislature that this legislation  
10 shall not have any impact on, nor will it change the access to, informa-  
11 tion regarding out of state or federal conviction information for law  
12 enforcement purposes or any other person or entity, including prospec-  
13 tive employers, accessing an individual's criminal history through crim-  
14 inal background checks or through publicly accessible records.

15 § 2. The criminal procedure law is amended by adding a new section  
16 160.57 to read as follows:

17 § 160.57 Automatic sealing of convictions.

18 1. Convictions for certain traffic infractions or a crime defined in  
19 the laws of this state shall be sealed in accordance with this section  
20 as follows:

21 (a) Convictions for subdivision one of section eleven hundred ninety-  
22 two of the vehicle and traffic law shall be sealed after three years.

23 (b) Criminal convictions shall be sealed upon satisfaction of the  
24 following conditions:

25 (i) for a misdemeanor conviction, at least three years have passed  
26 from the defendant's release from incarceration or the imposition of  
27 sentence if there was no sentence of incarceration. If the defendant is  
28 subsequently convicted of a crime before a prior conviction is sealed  
29 pursuant to this section, the calculation of time for such prior  
30 conviction shall start upon the same date as the time calculation starts  
31 for the subsequent criminal conviction;

32 (ii) for a felony conviction, at least eight years have passed from  
33 the date the defendant was last released from incarceration for the  
34 sentence of the conviction eligible for sealing or from the imposition  
35 of sentence if there was no sentence of incarceration. A defendant's  
36 detention for an alleged violation of parole or post-release supervision  
37 shall not interfere with the time calculation prescribed herein unless  
38 and until supervision is revoked resulting in the defendant's reincar-  
39 ceration. If the defendant is subsequently convicted of a crime before  
40 a prior conviction is sealed pursuant to this section, the calculation  
41 of time for such prior conviction shall start upon the same date as the  
42 time calculation starts for the subsequent criminal conviction;

43 (iii) the defendant does not have a subsequent criminal charge pending  
44 in this state;

45 (iv) the defendant is not currently under the supervision of any  
46 probation or parole department for the conviction eligible for sealing;

47 (v) the conviction is not for an offense defined as a sex offense or  
48 sexually violent offense under section one hundred sixty-eight-a of the  
49 correction law;

50 (vi) the conviction is not for a class A felony offense defined in the  
51 penal law, other than class A felony offenses defined in article two  
52 hundred twenty of the penal law;

53 (vii) the defendant is a natural person;

54 (viii) the defendant does not have a subsequent felony charge pending  
55 in another jurisdiction that is not a felony charge related to reproduc-  
56 tive or gender affirming care or the possession of cannabis which would

1 not constitute a felony in New York. This subparagraph shall apply if  
2 and when appropriate federal authorities grant access to records neces-  
3 sary to query to effectuate the purposes of this subparagraph in an  
4 automated manner; and

5 (ix) the defendant does not have a subsequent felony conviction in  
6 another jurisdiction in the preceding eight years that is not a felony  
7 conviction related to reproductive or gender affirming care or the  
8 possession of cannabis which would not constitute a felony in New York.  
9 This subparagraph shall apply if and when appropriate federal authori-  
10 ties grant access to records necessary to query to effectuate the  
11 purposes of this subparagraph in an automated manner.

12 (c) If, after the applicable period of time for the sealing of a  
13 conviction has been satisfied, the conviction remains ineligible for  
14 sealing pursuant to subparagraphs (iii), (iv), (viii) or (ix) of para-  
15 graph (b) of this subdivision, the office of court administration shall  
16 subsequently check for eligibility no less than quarterly and upon  
17 subsequent checks, or the receipt of a form in accordance with paragraph  
18 (dd) of subdivision two of section two hundred twelve of the judiciary  
19 law, the conviction shall be sealed if all other conditions for sealing  
20 under this section are satisfied.

21 (d) In accordance with all other applicable laws, rules, and regu-  
22 lations regarding the scope, access, use, disclosure, confidentiality  
23 and retention of criminal history information, records of convictions  
24 sealed pursuant to this section including photographs, photographic  
25 plates or proofs, palmprints, fingerprints or retina scans shall not be  
26 accessed by or made available to any person or public or private agency,  
27 except for:

28 (i) the defendant and such defendant's counsel;

29 (ii) any court, defense counsel or prosecutor for the purposes of a  
30 pending criminal proceeding or proceedings brought in a criminal court  
31 pursuant to article six-C of the correction law;

32 (iii) qualified agencies, as defined in subdivision nine of section  
33 eight hundred thirty-five of the executive law, federal and state law  
34 enforcement agencies, and interstate and international authorities as  
35 defined in subdivision three of section two of the public authorities  
36 law, when acting within the scope of their law enforcement duties;

37 (iv) the court, prosecutor, and defense counsel if the defendant  
38 becomes a witness in a criminal proceeding;

39 (v) the court and parties if the defendant becomes a witness or party  
40 in a civil proceeding;

41 (vi) when an individual is a defendant in a criminal proceeding or  
42 proceedings brought in a criminal court pursuant to article six-C of the  
43 correction law and the sealed records of conviction of a third party are  
44 integral to their defense. In such instances, use of sealed records of  
45 conviction shall be requested upon ex parte motion in any superior  
46 court, or in any district court, city court or the criminal court of the  
47 city of New York provided that such court is where the action is pend-  
48 ing. The applicant must demonstrate to the satisfaction of the court  
49 that the records will be used for the purpose of this subparagraph;

50 (vii) individuals or entities that are required by state law, federal  
51 law or regulation, or a local law in effect one year prior to the chap-  
52 ter of the laws of two thousand twenty-three that added this section, to  
53 request and receive a fingerprint-based check of criminal history infor-  
54 mation. Nothing herein shall prohibit the commissioner of education or

56 or using convictions sealed pursuant to this section for purposes of

1 subdivisions seven, seven-a and seven-b of section three hundred five of  
2 the education law;

3 (viii) pursuant to regulations promulgated by the commissioner of the  
4 division of criminal justice services, individuals or entities author-

7 that added this section to request and receive a fingerprint-based check  
8 of criminal history information. Such regulations shall include enti-  
9 ties authorized to request and receive such information in relation to

12 disabilities, or otherwise vulnerable populations;

13 (ix) any prospective employer of a police officer or peace officer as  
14 those terms are defined in subdivisions thirty-three and thirty-four of  
15 section 1.20 of this chapter, in relation to an application for employ-  
16 ment as a police officer or peace officer, provided, however, that every  
17 person who is an applicant shall be furnished with a copy of all records  
18 obtained under this paragraph and afforded an opportunity to make an  
19 explanation thereto;

20 (x) any federal, state or local officer or agency with responsibility  
21 for the issuance of licenses to possess a firearm, rifle or shotgun or  
22 with responsibility for conducting background checks before transfer or  
23 sale of a firearm or explosive, when the officer or agency is acting  
24 pursuant to such responsibility. This includes the criminal justice  
25 information services division of the federal bureau of investigation,  
26 for the purposes of responding to queries to the national instant back-  
27 ground check system regarding attempts to purchase or otherwise take  
28 possession of firearms, rifles or shotguns, as defined in 18 U.S.C. §  
29 921 (A)(3);

30 (xi) for the purposes of civilian investigation or evaluation of a  
31 civilian complaint or civil action concerning law enforcement or prose-  
32 cution actions, upon ex parte motion in any superior court, or in any  
33 district court, city court or the criminal court of the city of New York  
34 provided that such court sealed the record; the applicant must demon-

52 shall be requested upon ex parte motion in any superior court, or in any  
53 district court, city court, town court, village court, or criminal court

17 hundred fifty-three, one hundred fifty-four, one hundred fifty-five, one  
18 hundred fifty-six, one hundred fifty-seven, one hundred fifty-eight, one  
19 hundred sixty, one hundred sixty-three, one hundred sixty-four, and one  
20 hundred sixty-seven as such professions are defined in title eight of  
21 the education law, provided that the state education department certi-  
22 fies to the division of criminal justice services that it is investigat-

32 determination of the board of regents in a disciplinary proceeding  
33 pursuant to section sixty-five hundred ten of the education law and the  
34 rules and regulations promulgated pursuant thereto in an application for  
35 reconsideration, even if such conviction later becomes sealed pursuant  
36 to this section; and

37 (xvii) the office of mental health and the office for people with  
38 developmental disabilities, where such agencies are statutorily author-  
39 ized to receive such information, provided further, that such informa-  
40 tion may also be made available for case review under section 10.05 of  
41 the mental hygiene law, as well as to providers licensed, funded, desig-

43 or the office for people with developmental disabilities, where such  
44 information is included in the clinical record of any person under the  
45 care of or receiving services from such provider or program.

46 (e) Where the sealing required by this section has not taken place,  
47 including where supporting court records cannot be located or have been  
48 destroyed, and a defendant or their attorney submits a valid form in  
49 accordance with paragraph (dd) of subdivision two of section two hundred  
50 twelve of the judiciary law of such fact to the office of court admin-  
51 istration, such conviction shall be sealed as set forth in this subdivi-  
52 sion within thirty days of the receipt of such form.

53 (f) The department of corrections and community supervision, in coor-  
54 dination with the division of criminal justice services, shall provide  
55 the office of court administration with the data necessary to determine  
56 appropriate records to be sealed pursuant to this section, including but

12 criminal justice services, the court of conviction, county clerks and  
13 the heads of all appropriate police and sheriff departments, prosecu-

16 such conviction shall be immediately sealed as follows:

17 (a) Every photograph of the defendant and photographic plates or  
18 proof, and all palmprints, fingerprints and retina scans taken or made  
19 of the defendant in regard to the sealed conviction, and all duplicates,  
20 reproductions, and copies thereof, except a digital fingerprint that is  
21 on file with the division of criminal justice services for a conviction  
22 that has not been sealed pursuant to this section, shall be marked as  
23 sealed by any entity notified under this subdivision having any such  
24 photograph, photographic plate or proof, palmprint, fingerprints or  
25 retina scan in its possession or under its control by conspicuously  
26 indicating on the face of the record or at the beginning of the digi-  
27 tized file of the record that the record has been designated as sealed.

28 (b) Every official record and paper and duplicates and copies thereof,  
29 including, but not limited to, judgments and orders of a court but not  
30 including published court decisions or opinions or records and briefs on  
31 appeal, relating to the sealed conviction, on file with the entity noti-  
32 fied under this subdivision shall be marked as sealed by conspicuously  
33 indicating on the face of the record or at the beginning of the digi-  
34 tized file of the record that the record has been designated as sealed.

35 (c) Entities subject to the requirements of this subdivision shall not  
36 use or access such sealed information unless otherwise authorized pursu-  
37 ant to this section or any other section of law.

38 (d) Nothing in this section shall be construed to interfere with the  
39 applicable laws, rules and regulations requiring the division of crimi-  
40 nal justice services to administer and maintain criminal history records  
41 as set forth in article thirty-five of the executive law.

42 3. (a) Nothing in this section requires the sealing or destruction of  
43 DNA information maintained in the New York state DNA database, in  
44 accordance with article forty-nine-B of the executive law, of an indi-  
45 vidual whose conviction is sealed under this section.

46 (b) Nothing in this section requires the sealing or destruction of  
47 records maintained by the department of motor vehicles, and nothing in  
48 this section shall be construed to contravene the vehicle and traffic  
49 law, the federal driver's privacy protection act (18 U.S.C 2721 et.  
50 seq.), the REAL ID Act of 2005 (Public Law 109-13; 49 U.S.C. 30301  
51 note), section 7209 of the Intelligence Reform and Terrorism Prevention  
52 Act of 1986 (49 U.S.C. 31311), the Commercial Motor Vehicle Safety Act  
53 of 1986 (Public Law 99-570; 49 U.S.C. 313), the Motor Carrier Safety  
54 Improvement Act of 1999 (Public Law 106-159), or regulations promulgated  
55 pursuant to any such chapter or act.

1 (c) The division of criminal justice services is authorized to  
2 disclose a conviction that is sealed pursuant to this section to enti-  
3 ties that are required by federal law, or by rules and regulations  
4 promulgated by a self-regulatory organization created under federal law,  
5 to consider sealed convictions. Such entities must certify to the divi-  
6 sion that they are required by federal law, or by rules and regulations  
7 promulgated by a self-regulatory organization that has been created  
8 under federal law, to make an inquiry about or consider records sealed  
9 pursuant to this section for purposes of employment, licensing, or  
10 clearance. To the extent permitted by federal law, a record sealed  
11 pursuant to this section may not be considered a conviction that would  
12 prohibit the employment, licensing or clearance of the defendant.

13 (d) Nothing in this section shall prohibit entities required by feder-  
14 al law to consider sealed convictions, or by rules and regulations  
15 promulgated by a self-regulatory organization that has been created  
16 under federal law, from making an inquiry about or considering an appli-  
17 cant's criminal history for purposes of employment, licensing, or clear-  
18 ance from inquiring into convictions sealed pursuant to this section.

19 (e) In any civil action, an official record of a conviction that has  
20 been sealed pursuant to this section may not be introduced as evidence  
21 of negligence against a person or entity that provided employment,  
22 contract labor or services, volunteer work, licensing, tenancy, a home  
23 purchase, a mortgage, an education, a loan, or insurance if such record  
24 was sealed and was not provided to the person or entity by or on behalf  
25 of a governmental entity in accordance with this section in response to  
26 such person's or entity's authorized and timely request for conviction  
27 history information.

28 (f) A person or entity described in this subdivision, acting reason-  
29 ably and in good faith, may not have a duty to investigate the fact of a  
30 prior conviction that has been sealed pursuant to this section.

31 4. No defendant shall be required or permitted to waive eligibility  
32 for sealing pursuant to this section as part of a plea of guilty,  
33 sentence or any agreement related to a conviction for a violation of the  
34 laws of this state. Any such waiver is void and unenforceable.

35 5. Sealing as set forth in subdivision two of this section is without  
36 prejudice to a defendant or their attorney seeking further relief pursu-  
37 ant to article four hundred forty of this chapter. Nothing in this  
38 section is intended or shall be interpreted to diminish or abrogate any  
39 rights or remedies otherwise available to the defendant.

40 6. The office of court administration shall make diligent efforts to  
41 promptly seal all conviction records eligible for sealing under this  
42 section where such convictions were entered on or before the effective  
43 date of this section and, in any event, shall ensure sealing of such  
44 convictions is complete no later than three years after such effective  
45 date.

46 7. A conviction which is sealed pursuant to this section is included  
47 within the definition of a conviction for the purposes of any criminal  
48 proceeding in which the fact of a prior conviction would enhance a  
49 penalty or is an element of the offense charged.

50 8. Nothing in this section shall be construed to permit sealing of a  
51 conviction before the expiration or termination of a sentence of incar-  
52 ceration, parole, probation, or post-release supervision for such  
53 conviction.

54 9. Nothing in this section shall be construed to affect or invalidate  
55 any active order of protection issued in relation to a conviction sealed  
56 under this section.

1 10. Nothing in this section shall be construed to require or authorize  
2 the discharge of the requirement to pay any restitution, reparation,  
3 finances, surcharges, or fees imposed for a conviction sealed under this  
4 section or the sealing of a criminal or civil proceeding for the  
5 collection of any such amount due, unless such proceeding is otherwise  
6 eligible for sealing under this section or any other provision of law.

7 § 3. Section 845-d of the executive law is amended by adding two new  
8 subdivisions 4 and 5 to read as follows:

9 4. Nothing in this section shall authorize the division to provide  
10 criminal history information that is sealed pursuant to section 160.57  
11 of the criminal procedure law to an entity other than those authorized  
12 by such section to receive such information.

13 5. Except as otherwise required by law, every entity that receives  
14 criminal history information for civil purposes shall provide or ensure  
15 the provision of a copy of such criminal history information to every  
16 individual for whom such information is received with a copy of arti-  
17 cle twenty-three-A of the correction law, and that such individual be  
18 informed of their right to seek correction of any incorrect informa-  
19 tion contained in such information pursuant to the regulations and  
20 procedures established by the division of criminal justice services.

21 § 4. Subdivision 2 of section 212 of the judiciary law is amended by  
22 adding two new paragraphs (dd) and (ee) to read as follows:

23 (dd) Promulgate a standardized form and process for individuals to  
24 notify the office of court administration of convictions subject to  
25 sealing under section 160.57 of the criminal procedure law, but for  
26 which the office has not sealed or taken the requisite action for  
27 related records.

28 (ee) Promulgate a standardized form and process for individuals  
29 authorized to request sealed records pursuant to subparagraph (xiii) of  
30 paragraph (d) of subdivision one of section 160.57 of the criminal  
31 procedure law.

32 § 5. Subdivision 16 of section 296 of the executive law, as amended by  
33 section 2 of subpart O of part II of chapter 55 of the laws of 2019, is  
34 amended to read as follows:

35 16. It shall be an unlawful discriminatory practice, unless specif-  
36 ically required or permitted by statute, for any person, agency, bureau,  
37 corporation or association, including the state and any political subdi-  
38 vision thereof, to make any inquiry about, whether in any form of appli-  
39 cation or otherwise, or to act upon adversely to the individual  
40 involved, any arrest or criminal accusation of such individual not then  
41 pending against that individual which was followed by a termination of  
42 that criminal action or proceeding in favor of such individual, as  
43 defined in subdivision two of section 160.50 of the criminal procedure  
44 law, or by an order adjourning the criminal action in contemplation of  
45 dismissal, pursuant to section 170.55, 170.56, 210.46, 210.47, or 215.10  
46 of the criminal procedure law, or by a youthful offender adjudication,  
47 as defined in subdivision one of section 720.35 of the criminal proce-  
48 dure law, or by a conviction for a violation sealed pursuant to section  
49 160.55 of the criminal procedure law or by a conviction which is sealed  
50 pursuant to section 160.59 or 160.58 of the criminal procedure law, or  
51 by a conviction which is sealed pursuant to section 160.57 of the crimi-  
52 nal procedure law, except where such conviction record is accessed  
53 pursuant to subparagraph (vii), (viii), or (xvi) of paragraph (d) of
