IN SENATE

October 6, 2023

Introduced by Sen. TEDISCO -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the parks, recreation and historic preservation law, in relation to requiring the installation and use of security camera systems at all entrances and exits of state parks

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 3.09 of the parks, recreation and historic preservation law is amended by adding a new subdivision 24 to read as follows:

2
3 24. Require the installation and use of security camera systems at all
4 entrances to and exits from state parks, state historic sites, state
5 campgrounds and state recreational facilities. Such security systems
6 shall be positioned in a manner to allow for the identification of the
7 manufacturer, model and plate number of any vehicle entering and exiting
8 any such state park, historic site, campground or recreational facility.
9 For purposes of this subdivision, "security camera system" shall mean
10 any item, system, camera, technology device, communications device, or
11 process, used alone or in conjunction with a network, for the purpose of
12 gathering, monitoring, recording or storing video, an image or images
13 and shall include, but not be limited to, analog and digital security
14 cameras, closed circuit television, web cameras, and computerized visual
15 monitoring.

16 § 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
