2023-2024 Regular Sessions

## IN SENATE

October 18, 2023

Introduced by Sen. ORTT -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the education law, in relation to adopting the PA licensure compact

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The education law is amended by adding a new section 6546-a  
2 to read as follows:

3 § 6546-a. PA licensure compact. The PA licensure compact is hereby  
4 entered into and enacted into law with all jurisdictions legal joining  
5 therein, in the form substantially as follows:

### PA LICENSURE COMPACT

6  
7 Section 1. Purpose. In order to strengthen access to medical services,  
8 and in recognition of the advances in the delivery of medical services,  
9 the participating states of the PA licensure compact have allied in  
10 common purpose to develop a comprehensive process that complements the  
11 existing authority of state licensing boards to license and discipline  
12 PAs and seeks to enhance the portability of a License to practice as a  
13 PA while safeguarding the safety of patients. This compact allows  
14 medical services to be provided by PAs, via the mutual recognition of  
15 the licensee's qualifying license by other compact participating states.  
16 This compact also adopts the prevailing standard for PA licensure and  
17 affirms that the practice and delivery of medical services by the PA  
18 occurs where the patient is located at the time of the patient encount-  
19 er, and therefore requires the PA to be under the jurisdiction of the  
20 state licensing board where the patient is located. State licensing  
21 boards that participate in this compact retain the jurisdiction to  
22 impose adverse action against a compact privilege in that state issued  
23 to a PA through the procedures of this compact. The PA licensure compact  
24 will alleviate burdens for military families by allowing active duty  
25 military personnel and their spouses to obtain a compact privilege based

55 from the date on which the license or compact privilege is no longer  
56 limited or restricted due to the adverse action.

1 9. If a compact privilege has been revoked or is limited or restricted  
2 in a participating state for conduct that would not be a basis for  
3 disciplinary action in a participating state in which the licensee is  
4 practicing or applying to practice under a compact privilege, that  
5 participating state shall have the discretion not to consider such  
6 action as an adverse action requiring the denial or removal of a compact  
7 privilege in that state.

8 10. Notify the compact commission that the licensee is seeking the  
9 compact privilege in a remote state.

18 subsection A above to maintain the compact privilege in a remote state.  
19 If the participating state takes adverse action against a qualifying  
20 license, the licensee shall lose the compact privilege in any remote  
21 state in which the licensee has a compact privilege until all of the  
22 following occur:

23 1. The license is no longer limited or restricted; and

24 2. Two (2) years have elapsed from the date on which the license is no  
25 longer limited or restricted due to the adverse action.

46 ing a subpoena, with respect to any action brought or investigation  
47 conducted by the commission or a participating state.

48 Section 6. Adverse actions.

49 A. A participating state in which a licensee is licensed shall have  
50 exclusive power to impose adverse action against the qualifying license  
51 issued by that participating state.

52 B. In addition to the other powers conferred by state law, a remote  
53 state shall have the authority, in accordance with existing state due  
54 process law, to do all of the following:

56 state to remove a licensee's compact privilege or take other action

1 necessary under applicable law to protect the health and safety of its  
2 citizens.

3 2. Issue subpoenas for both hearings and investigations that require  
4 the attendance and testimony of witnesses as well as the production of  
5 evidence. Subpoenas issued by a licensing board in a participating state  
6 for the attendance and testimony of witnesses or the production of  
7 evidence from another participating state shall be enforced in the  
8 latter state by any court of competent jurisdiction, according to the  
9 practice and procedure of that court applicable to subpoenas issued in  
10 proceedings pending before it. The issuing authority shall pay any  
11 witness fees, travel expenses, mileage and other fees required by the  
12 service statutes of the state in which the witnesses or evidence are  
13 located.

14 3. Notwithstanding paragraph 2, subpoenas may not be issued by a  
15 participating state to gather evidence of conduct in another state that  
16 is lawful in that other state for the purpose of taking adverse action  
17 against a licensee's compact privilege or application for a compact  
18 privilege in that participating state.

19 4. Nothing in this compact authorizes a participating state to impose  
20 discipline against a PA's compact privilege or to deny an application  
21 for a compact privilege in that participating state for the individual's  
22 otherwise lawful practice in another state.

23 C. For purposes of taking adverse action, the participating state  
24 which issued the qualifying license shall give the same priority and  
25 effect to reported conduct received from any other participating state  
26 as it would if the conduct had occurred within the participating state  
27 which issued the qualifying license. In so doing, that participating  
28 state shall apply its own state laws to determine appropriate action.

29 D. A participating state, if otherwise permitted by state law, may  
30 recover from the affected PA the costs of investigations and disposition  
31 of cases resulting from any adverse action taken against that PA.

35 F. Joint investigations:

36 1. In addition to the authority granted to a participating state by  
37 its respective state PA laws and regulations or other applicable state  
38 law, any participating state may participate with other participating  
39 states in joint investigations of licensees.

40 2. Participating states shall share any investigative, litigation, or  
41 compliance materials in furtherance of any joint or individual investi-  
42 gation initiated under this compact.

43 G. If an adverse action is taken against a PA's qualifying license,  
44 the PA's compact privilege in all remote states shall be deactivated  
45 until two (2) years have elapsed after all restrictions have been  
46 removed from the state license. All disciplinary orders by the partic-  
47 ipating state which issued the qualifying license that impose adverse  
48 action against a PA's license shall include a statement that the PA's  
49 compact privilege is deactivated in all participating states during the  
50 pendency of the order.

52 notify the administrator of the data system.

53 Section 7. Establishment of the PA licensure compact commission.

54 A. The participating states hereby create and establish a joint  
55 government agency and national administrative body known as the PA  
56 licensure compact commission. The commission is an instrumentality of

1 the compact states acting jointly and not an instrumentality of any one  
2 state. The commission shall come into existence on or after the effec-  
3 tive date of the compact as set forth in section 11.A.

4 B. Membership, voting, and meetings:

5 1. Each participating state shall have and be limited to one (1) dele-

17 5. Each delegate shall be entitled to one (1) vote on all matters  
18 voted on by the commission and shall otherwise have an opportunity to  
19 participate in the business and affairs of the commission. A delegate  
20 shall vote in person or by such other means as provided in the bylaws.  
21 The bylaws may provide for delegates' participation in meetings by tele-  
22 communications, video conference, or other means of communication.

23 6. The commission shall meet at least once during each calendar year.

50 matters;

51 12. Accept any and all appropriate donations and grants of money,

35 bylaws.

37 to vote on matters in exercising the powers and duties of the commission  
38 shall be open to the public and public notice of such meetings shall be  
39 given as public meetings of the commission are given.

41 for the same reasons that the commission may convene in a non-public  
42 meeting as set forth in section 7.D.3 and shall announce the closed  
43 meeting as the commission is required to under section 7.D.4 and keep  
44 minutes of the closed meeting as the commission is required to under  
45 section 7.D.5.

46 G. Qualified immunity, defense, and indemnification:

47 1. The members, officers, executive director, employees and represen-  
48 tatives of the commission shall be immune from suit and liability, both  
49 personally and in their official capacity, for any claim for damage to  
50 or loss of property or personal injury or other civil liability caused  
51 by or arising out of any actual or alleged act, error, or omission that  
52 occurred, or that the person against whom the claim is made had a  
53 reasonable basis for believing occurred within the scope of commission  
54 employment, duties or responsibilities; provided that nothing in this  
55 paragraph shall be construed to protect any such person from suit or  
56 liability for any damage, loss, injury, or liability caused by the

1 intentional or willful or wanton misconduct of that person. The procure-  
2 ment of insurance of any type by the commission shall not in any way  
3 compromise or limit the immunity granted hereunder.

4 2. The commission shall defend any member, officer, executive direc-  
5 tor, employee, and representative of the commission in any civil action  
6 seeking to impose liability arising out of any actual or alleged act,  
7 error, or omission that occurred within the scope of commission employ-  
8 ment, duties, or responsibilities, or as determined by the commission  
9 that the person against whom the claim is made had a reasonable basis  
10 for believing occurred within the scope of commission employment,  
11 duties, or responsibilities; provided that nothing herein shall be  
12 construed to prohibit that person from retaining their own counsel at  
13 their own expense; and provided further, that the actual or alleged act,  
14 error, or omission did not result from that person's intentional or  
15 willful or wanton misconduct.

16 3. The commission shall indemnify and hold harmless any member, offi-  
17 cer, executive director, employee, and representative of the commission  
18 for the amount of any settlement or judgment obtained against that  
19 person arising out of any actual or alleged act, error, or omission that  
20 occurred within the scope of commission employment, duties, or responsi-  
21 bilities, or that such person had a reasonable basis for believing  
22 occurred within the scope of commission employment, duties, or responsi-  
23 bilities, provided that the actual or alleged act, error, or omission  
24 did not result from the intentional or willful or wanton misconduct of  
25 that person.

26 4. Venue is proper and judicial proceedings by or against the commis-  
27 sion shall be brought solely and exclusively in a court of competent  
28 jurisdiction where the principal office of the commission is located.  
29 The commission may waive venue and jurisdictional defenses in any  
30 proceedings as authorized by commission rules.

31 5. Nothing herein shall be construed as a limitation on the liability  
32 of any Licensee for professional malpractice or misconduct, which shall  
33 be governed solely by any other applicable state laws.

34 6. Nothing herein shall be construed to designate the venue or juris-  
35 isdiction to bring actions for alleged acts of malpractice, professional  
36 misconduct, negligence, or other such civil action pertaining to the  
37 practice of a PA. All such matters shall be determined exclusively by  
38 state law other than this compact.

39 7. Nothing in this compact shall be interpreted to waive or otherwise  
40 abrogate a participating state's state action immunity or state action  
41 affirmative defense with respect to antitrust claims under the Sherman  
42 Act, Clayton Act, or any other state or federal antitrust or anticompet-  
43 itive law or regulation.

44 8. Nothing in this compact shall be construed to be a waiver of sover-  
45 eign immunity by the participating states or by the commission.

46 Section 8. Data system.

47 A. The commission shall provide for the development, maintenance,  
48 operation, and utilization of a coordinated data and reporting system  
49 containing licensure, adverse action, and the reporting of the existence  
50 of significant investigative information on all licensed PAs and appli-  
51 cants denied a license in participating states.

52 B. Notwithstanding any other state law to the contrary, a participat-  
53 ing state shall submit a uniform data set to the data system on all PAs  
54 to whom this compact is applicable (utilizing a unique identifier) as  
55 required by the rules of the commission, including:

56 1. Identifying information;

1 2. Licensure data;

2 3. Adverse actions against a license or compact privilege;

3 4. Any denial of application for licensure, and the reason(s) for such  
4 denial (excluding the reporting of any criminal history record informa-  
5 tion where prohibited by law);

6 5. The existence of significant investigative information; and

7 6. Other information that may facilitate the administration of this  
8 compact, as determined by the rules of the commission.

9 C. Significant investigative information pertaining to a licensee in  
10 any participating state shall only be available to other participating  
11 states.

12 D. The commission shall promptly notify all participating states of  
13 any adverse action taken against a licensee or an individual applying  
14 for a license that has been reported to it. This adverse action informa-  
15 tion shall be available to any other participating state.

16 E. Participating states contributing information to the data system  
17 may, in accordance with state or federal law, designate information that  
18 may not be shared with the public without the express permission of the  
19 contributing state. Notwithstanding any such designation, such informa-  
20 tion shall be reported to the commission through the data system.

21 F. Any information submitted to the data system that is subsequently  
22 expunged pursuant to federal law or the laws of the participating state  
23 contributing the information shall be removed from the data system upon  
24 reporting of such by the participating state to the commission.

25 G. The records and information provided to a participating state  
26 pursuant to this compact or through the data system, when certified by  
27 the commission or an agent thereof, shall constitute the authenticated  
28 business records of the commission, and shall be entitled to any associ-  
29 ated hearsay exception in any relevant judicial, quasi-judicial or  
30 administrative proceedings in a participating state.

31 Section 9. Rulemaking.

32 A. The commission shall exercise its rulemaking powers pursuant to the  
33 criteria set forth in this section and the rules adopted thereunder.  
34 Commission rules shall become binding as of the date specified by the  
35 commission for each rule.

36 B. The commission shall promulgate reasonable rules in order to effec-  
37 tively and efficiently implement and administer this compact and achieve  
38 its purposes. A commission rule shall be invalid and have not force or  
39 effect only if a court of competent jurisdiction holds that the rule is  
40 invalid because the commission exercised its rulemaking authority in a  
41 manner that is beyond the scope of the purposes of this compact, or the  
42 powers granted hereunder, or based upon another applicable standard of  
43 review.

44 C. The rules of the commission shall have the force of law in each  
45 participating state, provided however that where the rules of the  
46 commission conflict with the laws of the participating state that estab-  
47 lish the medical services a PA may perform in the participating state,  
48 as held by a court of competent jurisdiction, the rules of the commis-  
49 sion shall be ineffective in that state to the extent of the conflict.

50 D. If a majority of the legislatures of the participating states  
51 rejects a commission rule, by enactment of a statute or resolution in  
52 the same manner used to adopt this compact within four (4) years of the  
53 date of adoption of the rule, then such rule shall have no further force  
54 and effect in any participating state or to any state applying to  
55 participate in the compact.

1 E. Commission rules shall be adopted at a regular or special meeting  
2 of the commission.

3 F. Prior to promulgation and adoption of a final rule or rules by the  
4 commission, and at least thirty (30) days in advance of the meeting at  
5 which the rule will be considered and voted upon, the commission shall  
6 file a notice of proposed rulemaking:

7 1. On the website of the commission or other publicly accessible plat-  
8 form; and

9 2. To persons who have requested notice of the commission's notices of  
10 proposed rulemaking, and

11 3. In such other way(s) as the commission may by rule specify.

12 G. The notice of proposed rulemaking shall include:

13 1. The time, date, and location of the public hearing on the proposed  
14 rule and the proposed time, date and location of the meeting in which  
15 the proposed rule will be considered and voted upon;

16 2. The text of the proposed rule and the reason for the proposed rule;

17 3. A request for comments on the proposed rule from any interested  
18 person and the date by which written comments must be received; and

19 4. The manner in which interested persons may submit notice to the  
20 commission of their intention to attend the public hearing or provide  
21 any written comments.

22 H. Prior to adoption of a proposed rule, the commission shall allow  
23 persons to submit written data, facts, opinions, and arguments, which  
24 shall be made available to the public.

25 I. If the hearing is to be held via electronic means, the commission  
26 shall publish the mechanism for access to the electronic hearing.

27 1. All persons wishing to be heard at the hearing shall as directed in  
28 the notice of proposed rulemaking, not less than five (5) business days  
29 before the scheduled date of the hearing, notify the commission of their  
30 desire to appear and testify at the hearing.

31 2. Hearings shall be conducted in a manner providing each person who  
32 wishes to comment a fair and reasonable opportunity to comment orally or  
33 in writing.

34 3. All hearings shall be recorded. A copy of the recording and the  
35 written comments, data, facts, opinions, and arguments received in  
36 response to the proposed rulemaking shall be made available to a person  
37 upon request.

38 4. Nothing in this section shall be construed as requiring a separate  
39 hearing on each proposed rule. Proposed rules may be grouped for the  
40 convenience of the commission at hearings required by this section.

41 J. Following the public hearing the commission shall consider all  
42 written and oral comments timely received.

43 K. The commission shall, by majority vote of all delegates, take final  
44 action on the proposed rule and shall determine the effective date of  
45 the rule, if adopted, based on the rulemaking record and the full text  
46 of the rule.

47 1. If adopted, the rule shall be posted on the commission's website.

48 2. The commission may adopt changes to the proposed rule provided the  
49 changes do not enlarge the original purpose of the proposed rule.

50 3. The commission shall provide on its website an explanation of the  
51 reasons for substantive changes made to the proposed rule as well as  
52 reasons for substantive changes not made that were recommended by  
53 commenters.

54 4. The commission shall determine a reasonable effective date for the  
55 rule. Except for an emergency as provided in subsection L, the effective

1 date of the rule shall be no sooner than thirty (30) days after the  
2 commission issued the notice that it adopted the rule.

3 L. Upon determination that an emergency exists, the commission may  
4 consider and adopt an emergency rule with twenty-four (24) hours prior  
5 notice, without the opportunity for comment, or hearing, provided that  
6 the usual rulemaking procedures provided in this compact and in this  
7 section shall be retroactively applied to the rule as soon as reasonably  
8 possible, in no event later than ninety (90) days after the effective  
9 date of the rule. For the purposes of this provision, an emergency rule  
10 is one that must be adopted immediately by the commission in order to:

11 1. Meet an imminent threat to public health, safety, or welfare;

12 2. Prevent a loss of commission or participating state funds;

13 3. Meet a deadline for the promulgation of a commission rule that is  
14 established by federal law or rule; or

15 4. Protect public health and safety.

16 M. The commission or an authorized committee of the commission may  
17 direct revisions to a previously adopted commission rule for purposes of  
18 correcting typographical errors, errors in format, errors in consisten-  
19 cy, or grammatical errors. Public notice of any revisions shall be post-  
20 ed on the website of the commission. The revision shall be subject to  
21 challenge by any person for a period of thirty (30) days after posting.  
22 The revision may be challenged only on grounds that the revision results  
23 in a material change to a rule. A challenge shall be made as set forth  
24 in the notice of revisions and delivered to the commission prior to the  
25 end of the notice period. If no challenge is made, the revision will  
26 take effect without further action. If the revision is challenged, the  
27 revision may not take effect without the approval of the commission.

28 N. No participating state's rulemaking requirements shall apply under  
29 this compact.

30 Section 10. Oversight, dispute resolution, and enforcement.

31 A. Oversight:

32 1. The executive and judicial branches of state government in each  
33 participating state shall enforce this compact and take all actions  
34 necessary and appropriate to implement the compact.

35 2. Venue is proper and judicial proceedings by or against the commis-  
36 sion shall be brought solely and exclusively in a court of competent  
37 jurisdiction where the principal office of the commission is located.  
38 The commission may waive venue and jurisdictional defenses to the extent  
39 it adopts or consents to participate in alternative dispute resolution  
40 proceedings. Nothing herein shall affect or limit the selection or  
41 propriety of venue in any action against a licensee for professional  
42 malpractice, misconduct or any such similar matter.

43 3. The commission shall be entitled to receive service of process in  
44 any proceeding regarding the enforcement or interpretation of the  
45 compact or the commission's rules and shall have standing to intervene  
46 in such a proceeding for all purposes. Failure to provide the commission  
47 with service of process shall render a judgment or order in such  
48 proceeding void as to the commission, this compact, or commission rules.

49 B. Default, technical assistance, and termination:

50 1. If the commission determines that a participating state has  
51 defaulted in the performance of its obligations or responsibilities  
52 under this compact or the commission rules, the commission shall provide  
53 written notice to the defaulting state and other participating states.  
54 The notice shall describe the default, the proposed means of curing the  
55 default and any other action that the commission may take and shall

1 offer remedial training and specific technical assistance regarding the  
2 default.

3 2. If a state in default fails to cure the default, the defaulting  
4 state may be terminated from this compact upon an affirmative vote of a  
5 majority of the delegates of the participating states, and all rights,  
6 privileges and benefits conferred by this compact upon such state may be  
7 terminated on the effective date of termination. A cure of the default  
8 does not relieve the offending state of obligations or liabilities  
9 incurred during the period of default.

10 3. Termination of participation in this compact shall be imposed only  
11 after all other means of securing compliance have been exhausted. Notice  
12 of intent to suspend or terminate shall be given by the Commission to  
13 the governor, the majority and minority leaders of the defaulting  
14 state's legislature, and to the licensing board(s) of each of the  
15 participating states.

16 4. A state that has been terminated is responsible for all assess-  
17 ments, obligations, and liabilities incurred through the effective date  
18 of termination, including obligations that extend beyond the effective  
19 date of termination.

20 5. The commission shall not bear any costs related to a state that is  
21 found to be in default or that has been terminated from this compact,  
22 unless agreed upon in writing between the commission and the defaulting  
23 state.

24 6. The defaulting state may appeal its termination from the compact by  
25 the commission by petitioning the United States District Court for the  
26 District of Columbia or the federal district where the commission has  
27 its principal offices. The prevailing member shall be awarded all costs  
28 of such litigation, including reasonable attorney's fees.

29 7. Upon the termination of a state's participation in the compact, the  
30 state shall immediately provide notice to all licensees within that  
31 state of such termination:

32 a. Licensees who have been granted a compact privilege in that state  
33 shall retain the compact privilege for one hundred eighty (180) days  
34 following the effective date of such termination.

35 b. Licensees who are licensed in that state who have been granted a  
36 compact privilege in a participating state shall retain the compact  
37 privilege for one hundred eighty (180) days unless the licensee also has  
38 a qualifying license in a participating state or obtains a qualifying  
39 license in a participating state before the one hundred eighty (180)-day  
40 period ends, in which case the compact privilege shall continue.

41 C. Dispute resolution:

42 1. Upon request by a participating state, the commission shall attempt  
43 to resolve disputes related to this compact that arise among participat-  
44 ing states and between participating and non-participating states.

45 2. The commission shall promulgate a Rule providing for both mediation  
46 and binding dispute resolution for disputes as appropriate.

47 D. Enforcement:

48 1. The commission, in the reasonable exercise of its discretion, shall  
49 enforce the provisions of this compact and rules of the commission.

50 2. If compliance is not secured after all means to secure compliance  
51 have been exhausted, by majority vote, the commission may initiate legal  
52 action in the United States District Court for the District of Columbia  
53 or the federal district where the commission has its principal offices,  
54 against a participating state in default to enforce compliance with the  
55 provisions of this compact and the commission's promulgated rules and  
56 bylaws. The relief sought may include both injunctive relief and

1 damages. In the event judicial enforcement is necessary, the prevailing  
2 party shall be awarded all costs of such litigation, including reason-  
3 able attorney's fees.

4 3. The remedies herein shall not be the exclusive remedies of the  
5 commission. The commission may pursue any other remedies available under  
6 federal or state law.

7 E. Legal action against the commission:

8 1. A participating state may initiate legal action against the commis-  
9 sion in the United States District Court for the District of Columbia or  
10 the federal district where the commission has its principal offices to  
11 enforce compliance with the provisions of the compact and its rules. The  
12 relief sought may include both injunctive relief and damages. In the  
13 event judicial enforcement is necessary, the prevailing party shall be  
14 awarded all costs of such litigation, including reasonable attorney's  
15 fees.

16 2. No person other than a participating state shall enforce this  
17 compact against the commission.

18 Section 11. Date of implementation of the PA licensure compact commis-  
19 sion.

20 A. This compact shall come into effect on the date on which this  
21 compact statute is enacted into law in the seventh participating state.

22 1. On or after the effective date of the compact, the commission shall  
23 convene and review the enactment of each of the states that enacted the  
24 compact prior to the commission convening ("charter participating  
25 states") to determine if the statute enacted by each such charter  
26 participating state is materially different than the model compact.

27 a. A charter participating state whose enactment is found to be mate-  
28 rially different from the model compact shall be entitled to the default  
29 process set forth in section 10.B.

30 b. If any participating state later withdraws from the compact or its  
31 participation is terminated, the commission shall remain in existence  
32 and the compact shall remain in effect even if the number of participat-  
33 ing states should be less than seven. Participating states enacting the  
34 compact subsequent to the commission convening shall be subject to the  
35 process set forth in section 7.C.21 to determine if their enactments are  
36 materially different from the model compact and whether they qualify for  
37 participation in the compact.

38 2. Participating states enacting the compact subsequent to the seven  
39 initial charter participating states shall be subject to the process set  
40 forth in section 7.C.21 to determine if their enactments are materially  
41 different from the model compact and whether they qualify for partic-  
42 ipation in the compact.

43 3. All actions taken for the benefit of the commission or in further-  
44 ance of the purposes of the administration of the compact prior to the  
45 effective date of the compact or the commission coming into existence  
46 shall be considered to be actions of the commission unless specifically  
47 repudiated by the commission.

48 B. Any state that joins this compact shall be subject to the commis-  
49 sion's rules and bylaws as they exist on the date on which this compact  
50 becomes law in that state. Any rule that has been previously adopted by  
51 the commission shall have the full force and effect of law on the day  
52 this compact becomes law in that state.

53 C. Any participating state may withdraw from this compact by enacting  
54 a statute repealing the same.

55 1. A participating state's withdrawal shall not take effect until one  
56 hundred eighty (180) days after enactment of the repealing statute.

1 during this one hundred eighty (180)-day period, all compact privileges  
2 that were in effect in the withdrawing state and were granted to licen-  
3 sees licensed in the withdrawing state shall remain in effect. If any  
4 licensee licensed in the withdrawing state is also licensed in another  
5 participating state or obtains a license in another participating state  
6 within the one hundred eighty (180) days, the licensee's compact privi-  
7 leges in other participating states shall not be affected by the passage  
8 of the one hundred eighty (180) days.

9 2. Withdrawal shall not affect the continuing requirement of the state  
10 licensing board(s) of the withdrawing state to comply with the investi-  
11 gative, and adverse action reporting requirements of this compact prior  
12 to the effective date of withdrawal.

13 3. Upon the enactment of a statute withdrawing a state from this  
14 compact, the state shall immediately provide notice of such withdrawal  
15 to all licensees within that state. Such withdrawing state shall contin-  
16 ue to recognize all licenses granted pursuant to this compact for a  
17 minimum of one hundred eighty (180) days after the date of such notice  
18 of withdrawal.

19 D. Nothing contained in this compact shall be construed to invalidate  
20 or prevent any PA licensure agreement or other cooperative arrangement  
21 between participating states and between a participating state and non-  
22 participating state that does not conflict with the provisions of this  
23 compact.

24 E. This compact may be amended by the participating states. No amend-  
25 ment to this compact shall become effective and binding upon any partic-  
26 ipating state until it is enacted materially in the same manner into the  
27 laws of all participating states as determined by the commission.

28 Section 12. Construction and severability.

29 A. This compact and the commission's rulemaking authority shall be  
30 liberally construed so as to effectuate the purposes, and the implemen-  
31 tation and administration of the compact. Provisions of the compact  
32 expressly authorizing or requiring the promulgation of rules shall not  
33 be construed to limit the commission's rulemaking authority solely for  
34 those purposes.

35 B. The provisions of this compact shall be severable and if any  
36 phrase, clause, sentence or provision of this compact is held by a court  
37 of competent jurisdiction to be contrary to the constitution of any  
38 participating state, a state seeking participation in the compact, or of  
39 the United States, or the applicability thereof to any government, agen-  
40 cy, person or circumstance is held to be unconstitutional by a court of  
41 competent jurisdiction, the validity of the remainder of this compact  
42 and the applicability thereof to any other government, agency, person or  
43 circumstance shall not be affected thereby.

44 C. Notwithstanding subsection B or this section, the commission may  
45 deny a state's participation in the compact or, in accordance with the  
46 requirements of section 10.B, terminate a participating state's partic-  
47 ipation in the compact, if it determines that a constitutional require-  
48 ment of a participating state is, or would be with respect to a state  
49 seeking to participate in the compact, a material departure from the  
50 compact. Otherwise, if this compact shall be held to be contrary to the  
51 constitution of any participating state, the compact shall remain in  
52 full force and effect as to the remaining participating states and in  
53 full force and effect as to the participating state affected as to all  
54 severable matters.

55 Section 13. Binding effect of compact.

1 A. Nothing herein prevents the enforcement of any other law of a  
2 participating state that is not inconsistent with this compact.

3 B. Any laws in a participating state in conflict with this compact are  
4 superseded to the extent of the conflict.

5 C. All agreements between the commission and the participating states  
6 are binding in accordance with their terms.

7 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-  
8 sion, section or part of this act shall be adjudged by any court of  
9 competent jurisdiction to be invalid, such judgment shall not affect,  
10 impair, or invalidate the remainder thereof, but shall be confined in  
11 its operation to the clause, sentence, paragraph, subdivision, section  
12 or part thereof directly involved in the controversy in which such judg-  
13 ment shall have been rendered. It is hereby declared to be the intent of  
14 the legislature that this act would have been enacted even if such  
15 invalid provisions had not been included herein.

16 § 3. This act shall take effect immediately.
