The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 109 of the agriculture and markets law, as amended

5 as follows:

6 § 109. Licensing of dogs required; rabies vaccination required. 1. (a)
7 The owner of any dog reaching the age of four months shall immediately
8 make application for a dog license. No license shall be required for any

1 date shall expire no later than the common renewal date prior to the
2 expiration date of the rabies certificate for the dog being licensed.

3 (b) Application for a dog license shall be made to the clerk of the
4 town, city, or county or, in the counties of Nassau and Westchester,
5 incorporated village in which the dog is harbored or to the village
6 clerk of those villages in the county of Rockland with a population of
7 fifteen thousand or more which have elected to accept applications
8 pursuant to the provisions of this paragraph or to the village clerk of
9 the village of Newark in the county of Wayne upon the election of the
10 village of Newark pursuant to the provisions of this paragraph.
11 Provided, however, that in the counties of Nassau and Westchester, the
12 board of trustees of any incorporated village may by resolution provide
13 that applications for licenses shall no longer be made to the village
14 clerk, but to the clerk of the town in which the village is situated.
15 Provided further, however, that in the county of Rockland, the board of
16 trustees of any incorporated village with a population of fifteen thou-
17 sand or more may by resolution provide that application for licenses
18 shall be made to the village clerk. Provided further, however, that in
19 the county of Wayne, the board of trustees of the village of Newark may
20 by resolution provide that application for licenses shall be made to the
21 village clerk. Provided further, however, that in the county of Montgom-
22 ery, the board of trustees of the village of St. Johnsville may by
23 resolution provide that application for licenses shall be made to the
24 village clerk. The governing body of any town or city or, in the coun-
25 ties of Nassau and Westchester, incorporated village or in the county of
26 Rockland, those villages with a population of fifteen thousand or more
27 which have so elected to accept applications, in the county of Wayne,
28 the village of Newark if such village has so elected to accept applica-
29 tions or, in the county of Montgomery, the village of St. Johnsville if
30 such village has so elected to accept applications may, on resolution of
31 such body, authorize that such application be made to one or more named
32 dog control officers of any such town, city or village. The issuance of
33 any license by any such officer shall be under the control and super-
34 vision of the clerk. In the case of a seized dog being redeemed or a dog
35 being otherwise obtained from a county animal shelter or pound, such
36 application may be made to the county dog control officer in charge of
37 such facility. In the case of a dog being redeemed or a dog being
38 adopted from a shelter or pound established, maintained or contracted
39 for, pursuant to section one hundred fourteen of this article, such
40 application may be made to the manager of such facility, provided such
41 manager has been authorized by the municipality in which the prospective
42 owner resides to accept such application. Such authorization shall be
43 requested by the governing body of the pound or shelter and the granting
44 or denial of such authorization shall be in the discretion of the muni-
45 cipality in which the prospective owner resides.

46 (c) The application shall state the sex, actual or approximate age,
47 breed, color, and municipal identification number of the dog, and other
48 identification marks, if any, and the name, address, telephone number,
49 county and town, city or village of residence of the owner. The applica-
50 tion shall include space where an owner may elect to make a contribution
51 in support of the pound or shelter of the municipality where the owner
52 resides or any organization which is contracted by such municipality to
53 provide animal shelter services. The application shall list the organ-
54 ization in which the contribution will be sent and may list suggested
55 reasonable contribution amounts with an option for any amount. Muni-

1 palities may also require additional information on such application as
2 deemed appropriate.

3 (d) The application shall be accompanied by the license fee prescribed
4 by section one hundred ten of this article, the contribution, if elected
5 by the owner, and a certificate of rabies vaccination or statement in
6 lieu thereof, as required by subdivision two of this section. In the
7 case of a spayed or neutered dog, every application shall also be accom-
8 panied by a certificate signed by a licensed veterinarian or an affida-
9 vit signed by the owner, showing that the dog has been spayed or
10 neutered, provided such certificate or affidavit shall not be required
11 if the same is already on file with the clerk or authorized dog control
12 officer. In lieu of the spay or neuter certificate an owner may present
13 a statement certified by a licensed veterinarian stating that he has
14 examined the dog and found that because of old age or other reason, the
15 life of the dog would be endangered by spaying or neutering. In such
16 case, the license fee for the dog shall be the same as for a spayed or
17 neutered dog as set forth in subdivision one of section one hundred ten
18 of this article.

19 (e) Upon validation by the clerk, authorized dog control officer or
20 authorized pound or shelter manager, the application shall become a
21 license for the dog described therein.

22 (f) The clerk, authorized dog control officer or authorized pound or
23 shelter manager shall: (i) provide a copy of the license to the owner;
24 (ii) retain a record of the license that shall be made available upon
25 request to the commissioner for purposes of rabies and other animal
26 disease control efforts and actions. In addition, the authorized pound
27 or shelter manager shall send, within forty-eight hours of validation, a
28 copy of the license to the licensing municipality within which the dog
29 is to be harbored.

30 (g) No license shall be transferable. Upon the transfer of ownership
31 of any dog, the new owner shall immediately make application for a
32 license for such dog.

33 (h) Notwithstanding the provisions of any general, special or local
34 law, or any rule or regulation to the contrary, the clerk, authorized
35 dog control officer or authorized pound or shelter manager in munici-
36 palities having a population of less than one hundred thousand shall
37 within five business days after the license has been validated, send a
38 copy of the validated license to the licensing municipality in which the
39 dog is to be harbored.

40 2. The clerk, authorized dog control officer or authorized pound or
41 shelter manager, at the time of issuing any license pursuant to this
42 article, shall require the applicant to present a statement certified by
43 a licensed veterinarian showing that the dog or dogs have been vaccinat-
44 ed to prevent rabies or, in lieu thereof, a statement certified by a
45 licensed veterinarian stating that because of old age or another reason,
46 the life of the dog or dogs would be endangered by the administration of
47 vaccine. The clerk, authorized dog control officer or authorized pound
48 or shelter manager shall make or cause to be made from such statement a
49 record of such information and shall file such record with a copy of the
50 license. Such records shall be made available to the commissioner upon
51 request for rabies and other animal disease control efforts.

52 3. Municipalities may provide for the establishment and issuance of
53 purebred licenses and, in the event they do so, shall provide for the
54 assessment of a surcharge of at least three dollars for the purposes of
55 carrying out animal population control efforts as provided in section
56 one hundred seventeen-a of this article. Municipalities which issue

1 purebred licenses shall remit such surcharge collected to the commis-
2 sioner.

3 4. Municipalities shall deposit all monies collected from voluntary
4 contributions pursuant to paragraph (c) of subdivision one of this
5 section into a dedicated fund. The proceeds of such fund shall be prop-
6 erly accounted for and be given to the organization listed on the appli-
7 cation annually. In no event shall the funds derived from voluntary
8 contributions replace any existing funding commitments to such organiza-
9 tions.

10 § 2. This act shall take effect on the thirtieth day after it shall
11 have become a law.
