1 or renewed for a period of one year from the date of said statement. Any  
2 municipality may establish a common renewal date for all such licenses.  
3 A license issued by a municipality that has established a common renewal  
4 date shall expire no later than the common renewal date prior to the  
5 expiration date of the rabies certificate for the dog being licensed.

6 (b) Application for a dog license shall be made to the clerk of the  
7 town, city, or county or, in the counties of Nassau and Westchester,  
8 incorporated village in which the dog is harbored or to the village  
9 clerk of those villages in the county of Rockland with a population of  
10 fifteen thousand or more which have elected to accept applications  
11 pursuant to the provisions of this paragraph or to the village clerk of  
12 the village of Newark in the county of Wayne upon the election of the  
13 village of Newark pursuant to the provisions of this paragraph.  
14 Provided, however, that in the counties of Nassau and Westchester, the  
15 board of trustees of any incorporated village may by resolution provide  
16 that applications for licenses shall no longer be made to the village  
17 clerk, but to the clerk of the town in which the village is situated.  
18 Provided further, however, that in the county of Rockland, the board of  
19 trustees of any incorporated village with a population of fifteen thou-  
20 sand or more may by resolution provide that application for licenses  
21 shall be made to the village clerk. Provided further, however, that in  
22 the county of Wayne, the board of trustees of the village of Newark may  
23 by resolution provide that application for licenses shall be made to the  
24 village clerk. Provided further, however, that in the county of Montgom-  
25 ery, the board of trustees of the village of St. Johnsville may by  
26 resolution provide that application for licenses shall be made to the  
27 village clerk. The governing body of any town or city or, in the coun-  
28 ties of Nassau and Westchester, incorporated village or in the county of  
29 Rockland, those villages with a population of fifteen thousand or more  
30 which have so elected to accept applications, in the county of Wayne,  
31 the village of Newark if such village has so elected to accept applica-  
32 tions or, in the county of Montgomery, the village of St. Johnsville if  
33 such village has so elected to accept applications may, on resolution of  
34 such body, authorize that such application be made to one or more named  
35 dog control officers of any such town, city or village. The issuance of  
36 any license by any such officer shall be under the control and super-  
37 vision of the clerk. In the case of a seized dog being redeemed or a dog  
38 being otherwise obtained from a county animal shelter or pound, such  
39 application may be made to the county dog control officer in charge of  
40 such facility. In the case of a dog being redeemed or a dog being  
41 adopted from a shelter or pound established, maintained or contracted  
42 for, pursuant to section one hundred fourteen of this article, such  
43 application may be made to the manager of such facility, provided such  
44 manager has been authorized by the municipality in which the prospective  
45 owner resides to accept such application. Such authorization shall be  
46 requested by the governing body of the pound or shelter and the granting  
47 or denial of such authorization shall be in the discretion of the muni-  
48 cipality in which the prospective owner resides.

49 (c) The application shall state the sex, actual or approximate age,  
50 breed, color, and municipal identification number of the dog, and other  
51 identification marks, if any, and the name, address, telephone number,  
52 county and town, city or village of residence of the owner. The applica-  
53 tion shall include space where an owner may elect to make a contribution  
54 in support of the pound or shelter managed by the municipality where the  
55 owner resides or any organization which is contracted by such muni-  
56 city to provide animal shelter services. The space for contribution

1 shall be clearly marked and distinct with bold lettering or on a sepa-  
2 rate page, to make clear it is a voluntary contribution and not a part  
3 of the license fee. The application shall list the organization in which  
4 the contribution will be sent and may list suggested reasonable contrib-  
5 ution amounts with an option for any amount. Municipalities may also  
6 require additional information on such application as deemed appropri-  
7 ate.

8 (d) The application shall be accompanied by the license fee prescribed  
9 by section one hundred ten of this article, the contribution, if elected  
10 by the owner, and a certificate of rabies vaccination or statement in  
11 lieu thereof, as required by subdivision two of this section. In the  
12 case of a spayed or neutered dog, every application shall also be accom-  
13 panied by a certificate signed by a licensed veterinarian or an affida-  
14 vit signed by the owner, showing that the dog has been spayed or  
15 neutered, provided such certificate or affidavit shall not be required  
16 if the same is already on file with the clerk or authorized dog control  
17 officer. In lieu of the spay or neuter certificate an owner may present  
18 a statement certified by a licensed veterinarian stating that he has  
19 examined the dog and found that because of old age or other reason, the  
20 life of the dog would be endangered by spaying or neutering. In such  
21 case, the license fee for the dog shall be the same as for a spayed or  
22 neutered dog as set forth in subdivision one of section one hundred ten  
23 of this article.

24 (e) Upon validation by the clerk, authorized dog control officer or  
25 authorized pound or shelter manager, the application shall become a  
26 license for the dog described therein.

27 (f) The clerk, authorized dog control officer or authorized pound or  
28 shelter manager shall: (i) provide a copy of the license to the owner;  
29 (ii) retain a record of the license that shall be made available upon  
30 request to the commissioner for purposes of rabies and other animal  
31 disease control efforts and actions. In addition, the authorized pound  
32 or shelter manager shall send, within forty-eight hours of validation, a  
33 copy of the license to the licensing municipality within which the dog  
34 is to be harbored.

35 (g) No license shall be transferable. Upon the transfer of ownership  
36 of any dog, the new owner shall immediately make application for a  
37 license for such dog.

38 (h) Notwithstanding the provisions of any general, special or local  
39 law, or any rule or regulation to the contrary, the clerk, authorized  
40 dog control officer or authorized pound or shelter manager in munici-  
41 palities having a population of less than one hundred thousand shall  
42 within five business days after the license has been validated, send a  
43 copy of the validated license to the licensing municipality in which the  
44 dog is to be harbored.

45 2. The clerk, authorized dog control officer or authorized pound or  
46 shelter manager, at the time of issuing any license pursuant to this  
47 article, shall require the applicant to present a statement certified by  
48 a licensed veterinarian showing that the dog or dogs have been vaccinat-  
49 ed to prevent rabies or, in lieu thereof, a statement certified by a  
50 licensed veterinarian stating that because of old age or another reason,  
51 the life of the dog or dogs would be endangered by the administration of  
52 vaccine. The clerk, authorized dog control officer or authorized pound  
53 or shelter manager shall make or cause to be made from such statement a  
54 record of such information and shall file such record with a copy of the  
55 license. Such records shall be made available to the commissioner upon  
56 request for rabies and other animal disease control efforts.

1 3. Municipalities may provide for the establishment and issuance of  
2 purebred licenses and, in the event they do so, shall provide for the  
3 assessment of a surcharge of at least three dollars for the purposes of  
4 carrying out animal population control efforts as provided in section  
5 one hundred seventeen-a of this article. Municipalities which issue  
6 purebred licenses shall remit such surcharge collected to the commis-  
7 sioner.

8 4. Municipalities shall deposit all monies collected from voluntary  
9 contributions pursuant to paragraph (c) of subdivision one of this  
10 section into a dedicated fund. The proceeds of such fund shall be prop-  
11 erly accounted for and be given to the organization listed on the appli-  
12 cation annually. In no event shall the funds derived from voluntary  
13 contributions replace any existing funding commitments to such organiza-  
14 tions.

15 § 2. This act shall take effect on the thirtieth day after it shall  
16 have become a law.
