2023-2024 Regular Sessions

IN SENATE

December 1, 2023

Introduced by Sen. BROUK -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the public health law, in relation to the creation of a community doula expansion grant program; and to amend the state finance law, in relation to the community doula expansion grant program fund

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature hereby declares that
2 poor maternal and infant health outcomes, especially when it comes to
3 racial disparities, are a public health crisis that pose a threat to the
4 health, welfare, and quality of life of child bearing people, infants
5 and their families. The legislature hereby acknowledges that community-
6 based doula care is one solution in addressing this public health
7 crisis. The legislature also acknowledges imbalances in how doula care
8 is accessed in different communities. The legislature also acknowledges
9 how doulas in the BIPOC community are integrated, or lack integration
10 into the maternal health continuum. The legislature acknowledges that
11 those seeking to become community-based doulas face a multitude of
12 barriers, including institutional barriers, within the healthcare
13 continuum. The legislature hereby finds the importance in establishing a
14 dedicated fund to support community-based doulas and community-based
15 doula organizations. This fund would be assisting those trying to navi-
16 gate the Federal and State Medicaid frameworks for doula care to become
17 community-based doulas. Which would be one step in solving the existing
18 barriers to those seeking equitable prenatal, intranatal, and postpartum
19 care services.

20 § 2. Article 25 of the public health law is amended by adding a new
21 title 3-A to read as follows:

22 TITLE III-A
23 COMMUNITY DOULA EXPANSION PROGRAM

EXPLANATION--Matter in italics (underscored) is new; matter in brackets

11 on or before such effective date.
