2023-2024 Regular Sessions

IN SENATE

December 8, 2023

Introduced by Sen. RHOADS -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the workers' compensation law, in relation to simplifying the procedure by which injured workers obtain treatment for injuries covered by the workers' compensation law

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 5 of section 13-a of the workers' compensation law, as amended by section 8 of part CC of chapter 55 of the laws of 2019, is amended to read as follows:

- (5) No claim for specialist consultations, surgical operations, physiotherapeutic or occupational therapy procedures, x-ray examinations or special diagnostic laboratory tests costing more than one thousand dollars shall be valid and enforceable, as against such employer, unless such special services shall have been authorized by the employer or by the board, or unless such authorization has been unreasonably withheld, 10 or withheld for a period of more than thirty calendar days from receipt 11 of a request for authorization, or unless such special services are required in an emergency, provided, however, that the basis for a denial 13 of such authorization by the employer must be based on a conflicting 14 second opinion rendered by a physician authorized by the board. The board, with the approval of the superintendent of financial services, shall issue and maintain a list of pre-authorized procedures under this 16 section. Such list of pre-authorized procedures shall be issued and 17 maintained solely for the purpose of expediting authorization of treat-18 19 ment of injured workers. Such list of pre-authorized procedures shall 20 not prohibit varied treatment [when the treating provider demonstrates 21 the appropriateness and medical necessity of such treatment], nor shall 22 the list be used as a basis to deny treatment not contained therein. Requests for varied treatment need only comply with the provisions of 24 this subdivision.
 - § 2. This act shall take effect immediately.
