

STATE OF NEW YORK

7854

IN SENATE

January 3, 2024

Introduced by Sen. MAY -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation

AN ACT to amend the environmental conservation law, in relation to establishing the New York state cooperative watershed management program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The environmental conservation law is amended by adding a
2 new section 15-0519 to read as follows:

3 § 15-0519. Cooperative watershed management program.

4 1. There is hereby established within the department a "New York state
5 cooperative watershed management program" for the purpose of providing
6 funding to watershed networks to encourage such watershed networks to
7 form local or regional solutions to address their water and watershed
8 management needs.

9 2. For the purposes of this section the following terms shall have the
10 following meanings:

11 (a) "Program" means the New York state cooperative watershed manage-
12 ment program established pursuant to subdivision one of this section.

13 (b) "Watershed network" means a self-sustaining, non-regulatory,
14 consensus-based network that is composed of a diverse array of stake-
15 holders, which may include but shall not be limited to, lake associ-
16 ations and other watershed-related non-profit organizations, municipi-
17 palities, federal, state, or local agencies, and tribal nations. A
18 "watershed network" may be specific to a defined watershed devoted to
19 one water body or may represent an array of such groups working across
20 connected watersheds in a region. A "watershed network" may be housed
21 within a watershed management council, a lake association, intermunicipal
22 body, or a municipal government, but shall represent a variety of
23 stakeholders in such watershed or region.

24 (c) "Watershed network development" means activities to develop a
25 watershed network, including, but not limited to, development of bylaws
26 or mission statements, performing stakeholder outreach, pursuing recog-
27 nition as a nonprofit, or other similar organization activities.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD13606-02-3

1 (d) "Watershed network professionalization" means activities to
2 professionalize a watershed network, including, but not limited to,
3 hiring professional staff for watershed management or grant writing,
4 developing watershed restoration plans, or designing watershed manage-
5 ment projects.

6 3. (a) The program shall develop a process whereby watershed networks
7 may apply to the program for grants for watershed network development or
8 watershed network professionalization.

9 (b) The program shall develop criteria for a competitive award process
10 for approval or denial of grant applications from watershed networks
11 pursuant to paragraph (a) of this subdivision. Such criteria shall
12 include, but not be limited to, the following for approval of a grant
13 application:

14 (i) The applicant watershed network shall be comprised of two or more
15 public or private stakeholders; and

16 (ii) The applicant watershed network has demonstrated stakeholder
17 buy-in to the watershed network development or watershed network profes-
18 sionalization plan by submitting a complete budget proposal for such
19 plan, and by submitting letters of support from such stakeholders.

20 4. (a) A watershed network selected for a watershed network develop-
21 ment grant pursuant to this section shall be awarded a grant not to
22 exceed twenty thousand dollars. The same watershed network shall be
23 eligible to receive a watershed network development grant pursuant to
24 this section no more frequently than once every five years.

25 (b) A watershed network selected for a watershed network professional-
26 ization grant pursuant to this section shall be awarded a grant not to
27 exceed forty thousand dollars. The same watershed network shall be
28 eligible to receive a watershed network professionalization grant pursu-
29 ant to this section annually for up to three consecutive years.

30 (c) A watershed network shall not be eligible to receive a watershed
31 network development grant and a watershed professionalization grant in
32 the same year.

33 5. Funds awarded by the program pursuant to this section shall be
34 subject to appropriation therefor by the legislature.

35 § 2. This act shall take effect on the sixtieth day after it shall
36 have become a law. Effective immediately, the addition, amendment and/or
37 repeal of any rule or regulation necessary for the implementation of
38 this act on its effective date are authorized to be made and completed
39 on or before such effective date.
