AN ACT establishing a commission to study the European Union's general
protection data regulation and the current state of cyber security in
the state

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

- 1 Section 1. a. The office of information technology services, in
2 consultation with, and using data collected by, the state board of
3 elections, shall establish a commission to study the European Union's
4 general protection data regulation and the current state of cyber secu-
5 rity in the state, to develop legislation to protect people's online
6 personal information.
- 7 b. Such commission shall consist of eleven members to be appointed by
8 the director of the office of information technology services. Such
9 members shall have knowledge of and expertise in cyber security, tele-
10 communications, internet service delivery, public protection, computer
11 systems and/or computer networks.
- 12 c. Such commission shall investigate, discuss and make recommendations
13 concerning cyber security issues using the European Union's general
14 protection data regulation as a model involving both the public and
15 private sectors and the necessary steps New York state should take to
16 protect:
- 17 i. critical cyber infrastructure;
18 ii. financial systems;
19 iii. telecommunications networks;
20 iv. electrical grids;
21 v. security systems;
22 vi. first responder systems and infrastructure;
23 vii. physical infrastructure systems;
24 viii. transportation systems; and
25 ix. any additional sectors of state government and the private sector
26 as the commission deems necessary.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
