STATE OF NEW YORK

8171

IN SENATE

January 10, 2024

Introduced by Sen. HARCKHAM -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation

AN ACT to amend the environmental conservation law, in relation to requiring for construction activities that require a state pollutant discharge elimination system permit owners and operators to submit a copy of the required public notice

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 1 of section 17-0805 of the environmental conservation law is amended by adding a new paragraph a-1 to read as follows:

a-1. (i) For storm water from construction activities that requires a SPDES permit, the owner or operator shall provide a copy of the public notice required by paragraph a of this subdivision to the county or counties in which such construction activities take place, and all other counties, the waters of which may be affected.

(ii) Each county receiving such notice shall make such notice publicly available on its website in a manner prescribed by the department.

§ 2. This act shall take effect on the one hundred eightieth day after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
