ARTICLE 15

INTERACTIVE GAMING

Section 1500. Legislative intent and findings.

1501. Definitions.

1502. Eligibility to conduct interactive gaming.

1503. Entity licensing.

1504. Individual, enterprise and vendor licensing.

1505. Requirements for conduct and operation of interactive gaming.

1506. Taxation and fees.

1507. Responsible gaming requirements.

§ 1500. Legislative intent and findings. Section nine of article one of the New York state constitution was recently amended and provides "casino gambling at no more than seven facilities as authorized and prescribed by the legislature shall hereafter be authorized or allowed within this state". It has been, and continues to be, the sense of the legislature that this provision is not contravened by a statute that authorizes the acceptance of a wager by an individual located in New York state who is betting by virtual or electronic means and the wager is accepted through equipment located within a licensed gaming facility; provided that any such wager meets other safeguards ensuring that the plain text of this provision is honored in such structure. Interactive gaming is now legal in seven states, including the bordering states of New Jersey, Pennsylvania, and Connecticut, while it is permitted only in person in New York at four upstate commercial gaming facilities and Native American class III gaming facilities. The legislature hereby finds and declares that an interactive gaming wager that is made through virtual or electronic means from a location within New York state and is transmitted to and accepted by electronic equipment located at a licensed gaming facility, including without limitation, a computer server located at such licensed gaming facility, is a wager made at such licensed gaming facility, notwithstanding any provisions of the penal law to the contrary.

§ 1501. Definitions. For the purposes of this article, the following terms shall have the following meanings:

1. "Authorized interactive game" means: (a) any internet-based version or substantial equivalent of a table game, slot machine constituting spinning reels, poker tournament, or any other game as set forth in subdivision four, nineteen, thirty-eight, thirty-nine or forty-one of section thirteen hundred one of this chapter and approved by the commission, including, but not limited to live-dealer games in which individuals wager money or something of monetary value, and which is accessed by a computer or mobile device which is connected to the internet. An authorized interactive game may include gaming tournaments in which players compete against one another in one or more of the games authorized herein or by the commission or in approved variations or composites thereof if such tournaments are authorized; or (b) any video lottery terminal games currently authorized by the commission pursuant to section one thousand six hundred seventeen-a of the tax law.

2. "Authorized participant" means an individual who is physically present in the state of New York when placing an interactive gaming wager, who is at least twenty-one years of age, who is authorized to participate in gaming pursuant to article thirteen of this chapter, and who participates in interactive gaming offered by a casino, video

1 lottery terminal facility or operator. All interactive gaming wagers
2 placed in accordance with this article shall be considered placed or
3 otherwise made when received by the casino or operator at the licensed
4 gaming facility, regardless of the authorized participant's physical
5 location at the time such wager is initiated. The intermediate routing
6 of electronic data in connection with mobile wagering shall not deter-
7 mine the location or locations in which a wager is initiated, received,
8 or otherwise made.

9 3. "Commission" means the New York state gaming commission.

10 4. "Competitive event" means any event in which two or more contes-
11 tants are competing in an event in which a winner is determined at the
12 conclusion of such event.

14 license, which includes a gaming area and any other non-gaming structure
15 related to the gaming area and may include, but shall not be limited to,
16 hotels, restaurants or other amenities.

17 6. "Interactive gaming" means wagering on authorized casino or video
18 lottery terminal games online by any system or method of wagering,
19 including, but not limited to, in-person communication and electronic
20 communication through internet websites accessed via a mobile device or
21 computer, and mobile device applications; provided, however, such term
22 shall not include the internet lottery program as authorized pursuant to
23 section sixteen hundred seventeen-b of the tax law.

24 7. "Interactive gaming licensee" means a qualifying entity that has
25 been authorized by the New York state gaming commission to conduct
26 interactive gaming.

27 8. "Interactive gross gaming revenue" means the amount equal to the
28 total of all interactive gaming wagers that an interactive gaming licen-
29 see collects from all authorized participants, less the total of all
30 sums paid out as winnings to all authorized participants, provided,
31 however, that the total of all sums paid out as winnings to authorized
32 participants shall not include the following: (a) the cash equivalent
33 value of any merchandise or thing of value awarded as a prize; and (b)
34 the value of all bonuses or promotions provided, in the first twelve
35 months after an interactive gaming licensee begins operations, to
36 authorized participants as an incentive to place or as a result of their
37 having placed interactive gaming wagers, not to exceed 1.75 percent of
38 the total amount of all interactive gaming wagers placed with the inter-
39 active gaming licensee during each month.

40 9. "Interactive gaming wager" means cash or cash equivalent that is
41 paid by an authorized participant to a casino or operator to participate
42 in interactive gaming offered by such casino, video lottery terminal
43 facility or operator. Any wager through electronic communication shall
44 be deemed to take place at the physical location of the server or other
45 equipment used by an interactive gaming licensee to accept interactive
46 gaming wagering, regardless of the authorized participant's physical
47 location within the state at the time such wager is initiated.

48 10. "Live dealer games" means authorized casino games conducted by
49 live studio dealers or other physical gaming equipment, such as auto-
50 mated roulette wheels, ball blowers or gaming devices, or both, in a
51 live game environment in which the authorized participants have the
52 ability to participate in game play and communicate game decisions
53 through an authorized interactive gaming wagering platform. Live dealer
54 games include, but are not limited to, live card games, live table games
55 and other live authorized casino games.

11. "Live gaming studio" means a physical location in New York state that utilizes live video streaming technology to provide authorized casino games to a player's interactive gaming device or multi-use computing device.

12. "Live studio dealer" means natural persons, that lead table games, including blackjack, craps, keno, poker, roulette and other authorized casino games while assisting authorized participants with game-related needs, that distribute cards, dice and other equipment to authorized participants according to the table and other authorized games, and that monitor game pace and play.

13. "Prohibited participant" means: (a) any officer or employee of the commission; (b) any principal or key employee of a casino, interactive gaming licensee, and its affiliates, except as may be permitted by the commission; (c) any casino gaming or non-gaming employee at the casino that employs such person and any gaming or non-gaming employee of the interactive gaming licensee that employs such person; (d) any contractor, subcontractor, or consultant, or officer or employee of a contractor, subcontractor, or consultant, of a casino or an interactive gaming licensee if such person is directly involved in the operation or observation of interactive gaming, or the processing of interactive gaming claims or payments; (e) any person subject to a contract with the commission if such contract contains a provision prohibiting such person from participating in interactive gaming; (f) any spouse, child, sibling or parent residing in the principal place of abode of any of the foregoing persons at the same casino or interactive gaming licensee where the foregoing person is prohibited from participating in interactive gaming; (g) any individual placing a wager as an agent or proxy for another person known to be a prohibited participant; or (h) any person under twenty-one years of age.

14. "Qualifying entity" means (a) a destination resort casino licensed under article thirteen of this chapter; (b) a video lottery terminal facility authorized under paragraphs one and two of subdivision a of section sixteen hundred seventeen-a of the tax law, or authorized under paragraph five of subdivision a of section sixteen hundred seventeen-a of the tax law; (c) a federally recognized Indian tribe that has entered into a tribal-state gaming compact in accordance with the Indian Gaming Regulatory Act that is in effect and has been ratified by the state of New York; or (d) a mobile sports wagering platform provider, inclusive of the sports wagering operators the platform utilizes, selected by the commission to conduct mobile sports wagering pursuant to subdivision seven of section thirteen hundred sixty-seven-a of this chapter and section fifteen hundred three of this article. An unlicensed entity offering games or contests that require a license or temporary permit issued by the commission under article thirteen or fourteen of this chapter within the previous three years of the effective date of this article shall be ineligible to receive an interactive gaming license.

§ 1502. Eligibility to conduct interactive gaming. 1. Only a qualifying entity in good standing with the commission or, if the qualifying entity is an Indian tribe, those executive agencies with which it otherwise interacts, shall be eligible to conduct interactive gaming in the state.

2. No qualifying entity shall administer, manage, or otherwise make available an interactive gaming platform to persons located in New York state unless it has provided notice of intent to offer interactive gaming to the commission pursuant to this section. Additionally, no

1 entity shall advertise or promote an unlicensed interactive gaming plat-
2 form to persons located in the state of New York.

3 3. (a) Prior to the commission approving an interactive gaming licen-
4 see under section fifteen hundred three of this article to commence
5 operations, the commission shall conduct a comprehensive investigation
6 of the applicant to determine whether the applicant or any of its affil-
7 iates, including entities under common control, is knowingly (i) accept-
8 ing revenue, directly or indirectly, derived from any jurisdiction on
9 the "Black List of Money Laundering Countries" as established by the
10 Financial Action Task Force (FATF), or (ii) any jurisdiction designated
11 as a state sponsor of terrorism by the United States; provided, however,
12 that this shall not affect the commission's existing statutory authority
13 to evaluate an applicant's suitability.

14 (b) The commission shall not approve an interactive gaming licensee to
15 commence operations if the commission determines that the applicant or
16 any of its affiliates, including entities under common control, is know-
17 ingly (i) accepting revenue, directly or indirectly, derived from any
18 jurisdiction on the "Black List of Money Laundering Countries" as estab-
19 lished by the Financial Action Task Force (FATF), or (ii) any jurisdic-
20 tion designated as a state sponsor of terrorism by the United States.

21 (c) If at any time during licensure the commission determines that the
22 licensee or any of its affiliates, including entities under common
23 control, is knowingly accepting revenue, directly or indirectly, derived
24 from any jurisdiction on the "Black List of Money Laundering Countries"
25 as established by the Financial Action Task Force (FATF), or any juris-
26 isdiction designated as a state sponsor of terrorism by the United States,
27 the commission shall impose a penalty of license revocation if the
28 commission determines, after notice and an opportunity for hearing, that
29 it would further the public interest to discontinue such operations of
30 the interactive gaming licensee.

31 (d) Prior to the commission approving an interactive gaming licensee
32 under section fifteen hundred three of this article to commence oper-
33 ations, and upon each license renewal, the commission shall require each
34 applicant to supply a disclosure of all jurisdictions within which it or
35 its affiliates knowingly conduct operations. Such disclosure shall
36 pertain to any jurisdiction within which an applicant or its affiliates
37 knowingly accepted revenue for the supply of interactive gaming, includ-
38 ing but not limited to online wagers or other consideration related to
39 online wagering, directly or indirectly, within the twelve-month period
40 preceding the license application or renewal. A material misrepresen-
41 tation or omission on the disclosure shall, in the discretion of the
42 commission, result in denial of an application for an interactive gaming
43 license and/or disciplinary action, including, but not limited to
44 suspension or revocation of the license and penalties for officers
45 and/or board members of the licensee; provided however, that for exist-
46 ing licensees, if the commission determines that it would further the
47 public interest to discontinue such operations of the interactive gaming
48 licensee and issue a penalty of license revocation, such licensee shall
49 be entitled to a notice and opportunity for hearing.

50 4. Licenses authorized under this article shall remain in effect for
51 up to ten years from the date issued. The commission shall establish a
52 process for renewal.

53 5. The commission shall publish a list of all licensees authorized to
54 offer interactive gaming in New York state pursuant to this section on
55 the commission's website for public use.

1 6. Each interactive gaming licensee shall offer no more than one indi-
2 vidually branded skin.

3 7. Notices of intent to offer interactive gaming sent to the commis-
4 sion by a qualified entity shall be acted upon by the commission prompt-
5 ly, with authorization to commence operations being issued or denied no
6 more than ninety days after receipt of the petition.

7 8. To meet the definition of a qualifying entity, an Indian Tribe
8 shall enter into an agreement with the commission with respect to inter-
9 active gaming:

10 (a) to follow the requirements imposed on interactive gaming licensees
11 under this section and section thirteen hundred sixty-seven-a of this
12 chapter with respect to the Indian Tribe's interactive gaming; to adhere
13 to the regulations promulgated by the commission pursuant to this
14 section with respect to interactive gaming, and to submit to the commis-
15 sion's enforcement of this section and section thirteen hundred sixty-
16 seven-a of this chapter and regulations promulgated thereunder with
17 respect to interactive gaming, including by waiving tribal sovereign
18 immunity for the sole and limited purpose of such enforcement. Nothing
19 herein shall be construed as requiring an Indian Tribe's agreement to
20 adhere to the requirements of section thirteen hundred sixty-seven of
21 this chapter for gaming conducted on tribal lands as a condition of
22 offering interactive gaming under this section;

23 (b) to waive the Indian Tribe's exclusive geographic right to offer
24 and conduct interactive gaming, but not otherwise;

25 (c) to remit payment to the state equal to tax on interactive gaming
26 revenue imposed under section fifteen hundred six of this article with
27 respect to interactive gaming;

28 (d) not to offer or to conduct mobile gaming other than interactive
29 gaming pursuant to this section unless such mobile gaming is otherwise
30 authorized by state or federal law; and

31 (e) to locate the server or other equipment used by the Indian Tribe
32 or its agent to accept interactive gaming at a casino that has applied
33 for and is eligible to register as an interactive gaming licensee and to
34 pay the actual cost of hosting the server or other equipment as deter-
35 mined by the commission.

36 9. No interactive gaming may be conducted within an Indian Tribe's
37 exclusive geographic area unless such Indian Tribe with exclusive
38 geographic right to that area is registered as an interactive gaming
39 licensee. Interactive gaming licensees shall use geo-location and geo-
40 fencing technology to ensure that interactive gaming is not available to
41 persons who are physically located in an Indian Tribe's exclusive
42 geographic area, unless such Indian Tribe with exclusive geographic
43 right to that area is registered as an interactive gaming licensee under
44 this section.

45 § 1503. Entity licensing. 1. A qualifying entity shall receive an
46 interactive gaming license upon commission approval. An interactive
47 gaming licensee shall not commence interactive gaming until such time
48 that the commission has promulgated rules and regulations and provided
49 approval to an interactive gaming licensee to commence operations. Such
50 rules and regulations shall be promulgated, and approval issued in a
51 timely manner, but no later than one hundred twenty days following the
52 effective date of this article.

53 2. A qualifying entity shall not incur any additional licensing or
54 administrative fees, or additional expenses related to interactive
55 gaming outside of those set forth in this section.

3. As a condition of licensing, the commission shall require that each casino, video lottery terminal facility or operator authorized to conduct mobile interactive gaming wagering pay a one-time fee of two million dollars. As a condition of approval of any independent contractor to provide an operator's mobile interactive gaming wagering platform and display its brand, the commission shall require that such independent contractor pay a one-time fee of ten million dollars.

4. A qualifying entity may immediately and indefinitely conduct interactive gaming upon the effective date of this article. Interactive gaming may be conducted by the means prescribed in this article pursuant to regulations governing game rules and operation for sports wagering, slot machines, poker, table games, or any other game as defined in subdivision four, nineteen, thirty-eight, thirty-nine, or forty-one of section thirteen hundred one of this chapter until such time that the commission has adopted rules related to the conduct and operation of interactive games.

§ 1504. Individual, enterprise and vendor licensing. Each interactive gaming licensee may contract with an entity to conduct interactive gaming, in accordance with the regulations of the commission. Such entity shall obtain a license as a casino vendor enterprise prior to execution of any such contract, and such license shall be issued pursuant to the provisions of sections thirteen hundred twenty-six and thirteen hundred twenty-seven of this chapter and in accordance with the regulations promulgated by the commission.

§ 1505. Requirements for conduct and operation of interactive gaming. 1. The live gaming studio used to conduct live dealer games shall not be required to be located within the premises of a gaming facility, as defined in subdivision twenty-three of section thirteen hundred one of this chapter, but must be located within the state of New York.

2. An applicant for an interactive gaming license shall produce an affidavit stating it shall enter into a labor peace agreement with labor organizations that are actively engaged in representing or attempting to represent gaming or hospitality industry workers in the state as a mandatory component of its application for an interactive gaming license; provided however, that if such applicant already has a labor peace agreement pertaining to its existing operations, such labor peace agreement may satisfy the requirements of this subdivision so long as such labor peace agreement is updated to pertain to interactive gaming operations authorized under this article. In order for the commission to issue an interactive gaming license and for any operations involving live studio dealers to commence, the applicant for an interactive gaming license must produce documentation that it has entered into a labor peace agreement with each labor organization that is actively engaged in representing and attempting to represent gaming and hospitality industry workers in the state. The commission shall make the maintenance of such a labor peace agreement an ongoing material condition of licensure as long as the interactive gaming licensee makes use of live studio dealers. A license holder shall, as a condition of its license, ensure that operations at a live gaming studio that involve gaming or hospitality industry employees or are conducted by contractors, subcontractors, licensees, assignees, tenants or subtenants shall be done under a labor peace agreement containing the same provisions as specified in this subdivision.

3. Advertisements for contests and prizes offered by an interactive gaming licensee shall not target prohibited participants, persons under twenty-one years of age, or self-excluded persons.

1 4. Interactive gaming licensees shall develop and prominently display
2 procedures on the main page of such interactive gaming licensee's plat-
3 form for the filing of a complaint by an authorized participant against
4 such interactive gaming licensee. An initial response shall be given by
5 such interactive gaming licensee to such authorized participant filing
6 the complaint within forty-eight hours of receipt. A complete response
7 shall be given by such interactive gaming licensee to such authorized
8 participant filing the complaint within ten business days of receipt. An
9 authorized participant may file a complaint alleging a violation of the
10 provisions of this article with the commission.

11 5. Interactive gaming licensees shall maintain records of all accounts
12 belonging to authorized participants and retain such records of all
13 transactions in such accounts for the preceding five years, provided,
14 however, that such records belonging to an authorized participant shall
15 be readily accessible and downloadable, without cost, by such authorized
16 participant.

17 6. The server or other equipment which is used by an interactive
18 gaming licensee to accept interactive gaming shall be physically located
19 in the licensed gaming facility and be limited to interactive gaming
20 related activities in accordance with regulations promulgated by the
21 commission.

22 7. All interactive gaming initiated in this state shall be deemed to
23 take place at the licensed gaming facility where the server or other
24 equipment used by an interactive gaming licensee to accept interactive
25 gaming is located, regardless of the authorized participant's physical
26 location within this state.

27 8. Subject to regulations promulgated by the commission, an interac-
28 tive gaming licensee may allow for authorized participants to sign up to
29 create and fund accounts on its interactive gaming platform. An interac-
30 tive gaming licensee shall adopt reasonable procedures to ensure that
31 authorized participants have no more than one interactive gaming account
32 with the interactive gaming licensee. However, nothing in this article
33 shall prohibit the use of a single account for a mobile sports wagering
34 account under section thirteen hundred sixty-seven of this chapter and
35 an interactive gaming account set forth pursuant to this article;
36 provided however, that interactive gaming licensees shall keep separate
37 and distinct records of mobile sports wagering activity and interactive
38 gaming activity on such accounts pursuant to rules and regulations
39 promulgated by the commission.

40 9. Authorized participants may deposit and withdraw funds to and from
41 their account on an interactive gaming platform through electronically
42 recognized payment methods, including but not limited to credit cards
43 and debit cards, or via any other means approved by the commission;
44 provided, however, that in the case of credit card payments, each
45 authorized participant's account per licensee shall be limited to a
46 credit card spending amount of two thousand five hundred dollars per
47 year; and provided further, however, that such limitation shall not
48 apply to other payment methods or to debit cards. No interactive gaming
49 licensee shall be authorized to provide a line of credit to any author-
50 ized participant.

51 10. The commission, by regulation, may authorize and promulgate any
52 rules necessary to implement agreements with other states, or authorized
53 agencies thereof to (a) enable patrons in those states to participate in
54 interactive gaming offered by licensees under this article, or (b)
55 enable patrons in this state to participate in interactive gaming
56 offered by licensees under the laws of those other states, provided that

1 such other state or authorized agency applies suitability standards and
2 review materially consistent with the provisions of this article.

3 11. Any regulations adopted pursuant to subdivision ten of this
4 section must set forth provisions that address (a) any arrangements to
5 share revenue between New York and any other state or agency within
6 another state, and (b) arrangements to ensure the integrity of interac-
7 tive gaming offered pursuant to any such agreement and the protection of
8 patrons located in this state.

9 § 1506. Taxation and fees. 1. For the privilege of conducting interac-
10 tive gaming in the state, interactive gaming licensees shall pay a tax
11 equivalent to thirty and one-half percent of base taxable gross gaming
12 revenue derived from interactive gaming. Interactive gaming tax revenue
13 shall be separately maintained and returned to the state for deposit
14 into the state lottery fund for education aid.

15 2. From the state tax collected, the commission shall distribute, in
16 conjunction with the office of addiction services and supports, eleven
17 million dollars annually for problem gambling education and treatment
18 purposes.

19 3. (a) In each fiscal year in which interactive gaming licensees
20 accept interactive gaming wagers, the commission shall pay, on a quar-
21 terly basis, one-quarter of one-tenth of one percent of that tax imposed
22 on interactive gaming by this section to a fund established for the
23 purpose of employee training, responsible gaming training and education,
24 health, and development; provided however, that the amount budgeted for
25 such a program shall be no less than twenty-five million dollars for
26 each fiscal year.

27 (b) An individual must be an employee of a licensed commercial gaming
28 facility represented by a labor organization having a valid project
29 labor agreement to be an eligible participant in such fund. Such fund
30 shall be administered by the representative labor organization or organ-
31 izations having a valid project labor agreement.

32 § 1507. Responsible gaming requirements. 1. As a condition of licen-
33 sure, each operator shall implement the following measures:

34 (a) limit each authorized participant to one active and continuously
35 used account on their platform, and prevent anyone they know, or should
36 have known to be a prohibited bettor, from maintaining accounts or
37 participating in any interactive gaming wagering offered by such opera-
38 tor;

39 (b) adopt appropriate safeguards to ensure, to a reasonable degree of
40 certainty, that authorized participants are physically located within
41 the state when engaging in mobile interactive gaming wagering;

42 (c) prohibit persons under twenty-one years of age from participating
43 in any mobile interactive gaming wagering;

44 (d) enable authorized participants to exclude themselves from interac-
45 tive gaming wagering and take reasonable steps to prevent such bettors
46 from engaging in wagering from which they have excluded themselves;

47 (e) permit any authorized participant to permanently close an account
48 registered to such bettor, on any and all platforms supported by such
49 operator, at any time and for any reason;

50 (f) implement measures to protect the privacy and online security of
51 authorized participants and their accounts;

52 (g) list on each website, in a prominent place, information concerning
53 assistance for compulsive play in New York state, including a toll-free
54 number directing callers to reputable resources containing further
55 information, which shall be free of charge;

1 (h) permit account holders to establish self-exclusion gaming limits
2 on a daily, weekly, and monthly basis that enable the account holder to
3 identify the maximum amount of money an account holder may deposit
4 during such period of time;

5 (i) maintain a publicly accessible internet page dedicated to respon-
6 sible play, a link to which shall appear on the operator's website and
7 in any mobile application or electronic platform on which an authorized
8 participant may place wagers. Such responsible play page shall include
9 (i) a statement of the interactive gaming licensee's policy and commit-
10 ment to responsible gaming, information regarding, or links to informa-
11 tion regarding, the risks associated with gambling and the potential
12 signs of problem gaming; (ii) the availability of self-imposed responsi-

16 (j) submit annually a responsible gaming plan to the commission. The
17 commission shall publish the requirements for the plan;

18 (k) ensure no wagering shall be based on game types not approved by
19 the commission;

20 (l) when an account holder's lifetime deposits exceed two thousand
21 five hundred dollars, the interactive gaming licensee shall prevent any
22 wagering until the patron acknowledges that the account holder has met
23 the deposit threshold and may elect to establish responsible gaming
24 limits or close the account, and the account holder has received disclo-

27 patron shall annually make the acknowledgement required by this subdivi-
28 sion;

29 (m) submit annually a problem gaming plan that was approved by the
30 commission in consultation with the office of addiction services and
31 supports that includes (i) the objectives of and timetables for imple-

33 implementing and maintaining such plan; (iii) procedures for identifying
34 users with suspected or known problem gaming behavior; (iv) procedures
35 for providing information to users concerning problem gaming identifica-
36 tion and resources; (v) procedures to prevent gaming by persons under
37 twenty-one years of age and self-excluded persons; and (vi) such other
38 problem gaming information as the commission may require by rule;

39 (n) when referencing the chances or likelihood of winning in adver-

42 concerning the chances of winning and the number of winners;

44 shall be prominently displayed on the main page of interactive gaming
45 licensees' websites or applications that explain interactive gaming; and

46 (p) offer all authorized participants access to his or her account

48 2. Interactive gaming licensees shall not offer any interactive gaming
49 wager based on any activity, game, or other event that is deemed prohib-

51 3. All interactive gaming shall be conducted in compliance with this
52 article.

53 4. The commission, in conjunction with the office of addiction
