Provided that, notwithstanding any provision of law to the contrary, for the 2021-22 school year, eligible school districts shall receive learning loss grants in aid equal to the positive difference, if any, of the base ARPA allocation less 90 percent of the funds from the elementary and secondary school emergency relief fund made available to school districts pursuant to the American rescue plan act of 2021, but not less than \$700,000, and not more than \$10,000,000 or 10 percent of the total expenditures from the district's general fund for the 2020-21 school year, whichever is less. Such grant funds shall remain available for obligation by such school districts until the deadline therefor prescribed in federal law. Provided further that, for purposes of this appropriation:

(3) The "modified EN index" shall be equal to the modified EN percent divided by the statewide average modified EN percent, provided that for the 2021-22 school year, the statewide average modified EN percent shall be equal to 0.5565.

(4) The "modified EN percent" shall be equal to the modified EN count divided by public school district enrollment for the base year computed pursuant to paragraph n of subdivision 1 of section 3602 of education law.

Provided further that districts receiving learning loss grants shall use (a) 14.286 percent of such grants for implementation of evidence-based summer enrichment programs; (b) 14.286 percent for implementation of evidence-based comprehensive after-school programs; and (c) the remaining funds for activities to address learning loss by supporting the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs. A district's block grant allocation, including any funds the office of temporary and disability assistance transfers from a district's flexible fund for family services allocation to the state block grant for child care at the district's request, for a particular federal fiscal year is available only for child care assistance expenditures made during that federal fiscal year and which are claimed by March 31 of the year immediately following the end of that federal fiscal year. OFFICE OF CHILDREN AND FAMILY SERVICES

AID TO LOCALITIES 2024-25

1 Notwithstanding any other provision of law,  
2 a portion of the funds are available to  
3 reimburse social services districts for  
4 the change in the maximum state aid rates  
5 established by the office of children and  
6 family services for the 2024-25 rate year  
7 pursuant to section 398-a of the social  
8 services law and sections 4003 and 4405 of  
9 the education law to reflect the continua-  
10 tion of the cost of living adjustments  
11 that became effective April 1, 2008 for  
12 payments made to foster parents and for  
13 salary and fringe benefit costs and other  
14 critical nonpersonal services costs for  
15 foster care programs as determined by the  
16 office. Social services districts must  
17 adjust the amount of payments made for  
18 care provided by congregate care and  
19 foster boarding home programs and to  
20 foster parents to reflect the cost of  
21 living adjustments in the manner specified  
22 by the office. Each authorized agency  
23 operating a congregate care or foster  
24 boarding home program in New York state  
25 for which the office sets a maximum state  
26 aid rate pursuant to section 398-a of the  
27 social services law or section 4003 or  
28 4405 of the education law shall submit, at  
29 the time and in a manner to be determined  
30 by the office, a written certification,  
31 attesting that the funds received for the  
32 continuation of the cost of living adjust-  
33 ment to the maximum state aid rate that  
34 became effective April 1, 2008 for that  
35 program will be or were used solely in  
36 accordance with the requirements of the  
37 cost of living adjustment established by  
38 the office.

39 Notwithstanding any inconsistent provision  
40 of law including, but not limited to, any  
41 chapter of the laws of 2024 which enacts a  
42 cost of living adjustment for the state  
43 fiscal year beginning on April 1, 2024,  
44 the commissioner shall continue to apply  
45 any cost of living adjustment increase in  
46 effect on March 31, 2024 for the entire  
47 rate year that began when such cost of  
48 living adjustment increase was in effect.  
49 Notwithstanding any inconsistent provision  
50 of law, the commissioner shall apply a 1.5  
51 percent cost of living adjustment for the

1 rate year that begins on July 1, 2024 for  
2 the purposes of establishing rates of  
3 payments, contracts, or any other form of  
4 reimbursement, provided that this shall  
5 not prevent the commissioner from applying  
6 additional trend or staff retention  
7 factors for this program.

8 Within the amounts appropriated herein,  
9 state reimbursement to each social  
10 services district for services identified  
11 herein that are otherwise reimbursable by  
12 the state from April 1, 2024 through March  
13 31, 2025 shall be limited to a district  
14 allocation, hereinafter referred to as the  
15 district's block grant allocation.  
16 Notwithstanding any other provision of  
17 law, such block grant allocation shall be  
18 based, in part, on each district's claims  
19 for such costs, adjusted by the applicable  
20 cost allocation methodology and net of any  
21 retroactive payments for the 12 month  
22 period ending June 30, 2023 that are  
23 submitted on or before January 2, 2024  
24 and, in part, on such other factors as  
25 determined by the office of children and  
26 family services and approved by the direc-  
27 tor of the budget. Any portion of a social  
28 services district's allocation from funds  
29 appropriated herein not claimed by such  
30 district during the state fiscal year may  
31 be used by such district for expenditures  
32 on preventive services provided pursuant  
33 to section 409-a of the social services  
34 law, independent living services and  
35 aftercare services provided pursuant to  
36 regulations of the department of family  
37 assistance, claimed by such district  
38 during the next state fiscal year up to  
39 the amount remaining from the district's  
40 foster care block grant allocation,  
41 provided however, that any claims for such  
42 services during the next state fiscal year  
43 in excess of such amount shall be subject  
44 to 62 percent state reimbursement exclu-  
45 sive of any federal funds made available  
46 for such purposes, in accordance with  
47 directives of the department of family  
48 assistance and subject to the approval of  
49 the director of the budget. Any claims  
50 submitted by a social services district  
51 for reimbursement for a particular state

1 fiscal year for which the social services  
2 district does not receive state or federal  
3 reimbursement during that state fiscal  
4 year may not be claimed against that  
5 district's block grant apportionment for  
6 the next state fiscal year.

7 The office of children and family services,  
8 with the approval of the director of the  
9 budget, may reduce a district's block  
10 grant allocation by the state share  
11 decrease related to federal retroactive  
12 reimbursement for such foster care  
13 services identified herein. The office,  
14 with the approval of the director of the  
15 budget, may reduce a district's block  
16 grant allocation by the state share of  
17 disallowances or sanctions taken against  
18 the district pursuant to the social  
19 services law or federal law.

20 Notwithstanding any other provision of law,  
21 the state shall not be responsible for  
22 reimbursing a social services district and  
23 a district shall not seek state reimburse-  
24 ment for any portion of any state disal-  
25 lowance or sanction taken against the  
26 social services district, or any federal  
27 disallowance attributable to final federal  
28 agency decisions or to settlement made, on  
29 or after July 1, 1995, when such disallow-  
30 ance or sanction results from the failure  
31 of the social services district to comply  
32 with federal or state requirements,  
33 including, but not limited to, failure to  
34 document eligibility for federal or state  
35 funds in the case record; provided, howev-  
36 er, if the office determines that any  
37 federal disallowance for services provided  
38 between January 1, 1999 and May 31, 1999  
39 results solely from the late enactment of  
40 the state legislation implementing the  
41 federal adoption and safe families act,  
42 the state shall be solely responsible for  
43 the full amount of the disallowance or  
44 sanction; provided, further, however, this  
45 provision shall be deemed to apply both  
46 prospectively and retroactively regardless  
47 of whether such sanctions or disallowances  
48 are for services provided or claims made  
49 prior to or after April 1, 2024.

50 Notwithstanding any other provision of law,  
51 any federal disallowance resulting from a

1 federal title IV-E eligibility review or  
2 audit that uses extrapolated statistic  
3 techniques shall be passed along by the  
4 state to any and all social services  
5 districts that the office of children and  
6 family services has determined have not  
7 complied with the title IV-E eligibility  
8 requirements or have not taken the neces-  
9 sary actions to ensure compliance with  
10 such requirements including, but not  
11 limited to, failing to: assess and fully  
12 document all the criteria and have readily  
13 available all the necessary documents to  
14 establish and continue title IV-E eligi-  
15 bility for all title IV-E eligible chil-  
16 dren within the required time frames;  
17 claim title IV-E funding only for cases  
18 that meet all of the title IV-E eligibil-  
19 ity criteria; and fully implement the  
20 social services payment system on or  
21 before April 1, 2005 for all direct and  
22 voluntary agency foster care services.

23 Notwithstanding any law to the contrary, the  
24 office of children and family services  
25 shall impose on social services districts  
26 any federal disallowance issued against  
27 the state as a result of a federal title  
28 IV-E secondary eligibility review regard-  
29 less of the date the children may have  
30 entered foster care, the date the eligi-  
31 bility or payment errors occurred, or the  
32 filing date of any federal claims for  
33 reimbursement; provided, however, that the  
34 state shall be responsible for the disal-  
35 lowed costs and expenditures related to  
36 the placement of children in a facility  
37 operated by the office of children and  
38 family services, which shall be determined  
39 in the same manner as the disallowed costs  
40 and expenditures for social services  
41 districts other than the city of New York.  
42 In order to reimburse the federal govern-  
43 ment for the full amount of any disallow-  
44 ance imposed on the state by the federal  
45 administration for children and families  
46 within the timeframes necessary to avoid  
47 any potential interest payments on such  
48 amount, the office of children and family  
49 services is authorized to immediately  
50 offset funds otherwise due to each  
51 district for a pro rata share of the total

DEPARTMENT OF FAMILY ASSISTANCE

1 disallowed costs based on the percentage  
2 of applicable federal title IV-E claims  
3 made by that district for the relevant  
4 time period as compared to the total  
5 applicable statewide title IV-E claims.  
6 The amount of the offset against each  
7 district will be adjusted, if necessary,  
8 upon completion of the disallowance allo-  
9 cation process. The final allocation of  
10 the amount of any federal disallowance  
11 resulting from a title IV-E secondary  
12 eligibility review shall be allocated  
13 among the districts so that each district  
14 shall be responsible for the amount  
15 attributable to each of the district's  
16 children or cases that are determined by  
17 the federal review to be unallowable. Each  
18 district shall also be responsible for a  
19 portion of the federal extrapolated disal-  
20 lowance amount based on the relative error  
21 rate for the district. The city of New  
22 York's error rate will be based on the  
23 federal sample and federal statistics. For  
24 all social services districts other than  
25 the city of New York, the error rate will  
26 be based on a review conducted by the  
27 district of a sample of children and/or  
28 cases determined by the office of children  
29 and family services and a re-review of a  
30 sub-sample by the office of those children  
31 and/or cases determined by the office. The  
32 office of children and family services  
33 will determine what is reasonable in  
34 establishing the size of the sample and  
35 sub-sample for each district. The office  
36 of children and family services shall  
37 notify each social services district of  
38 the sample of children and/or cases from  
39 the federal audit period that the social  
40 services district must review. Any child  
41 or case from the social services district  
42 that was included in the federal sample  
43 will automatically be included in the  
44 social services district's review sample  
45 and the determination made at the federal  
46 review regarding that child or case will  
47 govern for the purposes of the social  
48 services district's review. The social  
49 services district must complete and submit  
50 the results of its review to the office of  
51 children and family services within 60

DEPARTMENT OF FAMILY ASSISTANCE  
OFFICE OF CHILDREN AND FAMILY SERVICES

AID TO LOCALITIES 2024-25

1 days of receipt of the sample. The error  
2 rate for the district will be based on the  
3 findings of the district's review and the  
4 office of children and family services'  
5 re-review. If a social services district  
6 does not complete its review within 60  
7 days of receiving the sample from the  
8 office of children and family services,  
9 the office of children and family services  
10 shall assign an error rate to the social  
11 services district based on the relative  
12 percentage of the district's applicable  
13 title IV-E claims for the relevant period  
14 as compared to applicable statewide title  
15 IV-E claims for that period and other  
16 circumstances that the office of children  
17 and family services may consider in order  
18 to allocate 100 percent of the federal  
19 disallowance. The office of children and  
20 family services shall apply each social  
21 services district's error rate to the  
22 total amount of the district's applicable  
23 title IV-E claims including associated  
24 administrative expenses. The resulting  
25 dollar amounts for all of the social  
26 services districts will be summed to  
27 derive the total amount of title IV-E  
28 claims deemed to be in error statewide. To  
29 establish a disallowance percentage for  
30 each social services district, the amount  
31 of the district's title IV-E claims deemed  
32 to be in error will be divided by the  
33 amount of statewide title IV-E claims  
34 deemed to be in error. The resulting  
35 disallowance percentage for each district  
36 will be applied to the entire title IV-E  
37 extrapolated disallowance calculated by  
38 the federal review to determine the amount  
39 of the extrapolated disallowance for which  
40 the district is responsible. Each district  
41 will be credited for the amount already  
42 disallowed for any individual children or  
43 cases found to be in error during the  
44 federal review. The exclusive appeal  
45 rights for the review of the amount of the  
46 federal disallowance assigned to each  
47 social services district shall be pursuant  
48 to article 78 of the civil practice law  
49 and rules; provided, however, that in any  
50 such action all of the social services  
51 districts shall be joined as necessary

1 parties and the venue of any such action  
2 shall be in Rensselaer county. Any social  
3 services district that fails to complete  
4 its sample review in the required time  
5 frames shall have no right to appeal and  
6 shall not be a necessary party to any  
7 action brought by another social services  
8 district.

9 The money hereby appropriated is to be  
10 available for payment of state aid hereto-  
11 fore accrued or hereafter to accrue to  
12 municipalities. Subject to the approval of  
13 the director of the budget, such funds  
14 shall be available to the office net of  
15 disallowances, refunds, reimbursements,  
16 and credits.

17 Notwithstanding any inconsistent provision  
18 of law, the amount herein appropriated may  
19 be transferred to any other appropriation  
20 within the office of children and family  
21 services and/or the office of temporary  
22 and disability assistance and/or suballo-  
23 cated to the office of temporary and disa-  
24 bility assistance for the purpose of  
25 paying local social services districts'  
26 costs of the above program and may be  
27 increased or decreased by interchange with  
28 any other appropriation or with any other  
29 item or items within the amounts appropri-  
30 ated within the office of children and  
31 family services general fund - local

33 the director of the budget who shall file  
34 such approval with the department of audit  
35 and control and copies thereof with the  
36 chairman of the senate finance committee  
37 and the chairman of the assembly ways and  
38 means committee.

41 the social services law, or payments of  
42 federal funds otherwise due to the local  
43 social services districts for programs

7 pursuant to an estimate provided by the  
8 commissioner of health of each local  
9 social services district's share of  
10 payments made pursuant to section 367-b of  
11 the social services law.

12 Notwithstanding the provisions of any other  
13 law to the contrary, the office of chil-  
14 dren and family services may, on behalf of  
15 social services districts, make payments  
16 to foster boarding homes paid directly by  
17 social services districts by direct depos-  
18 it or debit card. Local social services  
19 districts shall reimburse the office for  
20 the costs of administering such direct  
21 deposit or debit card payments.

22 Notwithstanding any inconsistent provision  
23 of the social services law or the state  
24 finance law, the office of children and  
25 family services shall, on a quarterly  
26 basis, request that the office of tempo-

30 administering such direct deposit or debit  
31 card payments to capture the local share  
32 of such costs.

33 Notwithstanding any other provision of law  
34 to the contrary, amounts due and owing to  
35 a social services district under this  
36 appropriation, may be reduced up to such

FAMILY AND CHILDREN'S SERVICES PROGRAM

General Fund

Local Assistance Account - 10000

By chapter 53, section 1, of the laws of 2023:

Notwithstanding any inconsistent provision of law, the amount appropriated herein, shall be available under a foster care block grant for state reimbursement of eligible social services district expenditures for the provision and administration of foster care services including care, maintenance, supervision, and tuition; for supervision of foster children placed in federally funded job corps programs; for care, maintenance, supervision, and tuition for adjudicated juvenile delinquents placed in residential programs operated by authorized agencies and in out-of-state residential programs; for the provision and administration of the kinship guardian assistance program including kinship guardianship assistance payments and payments for non-recurring guardianship expenses and eligible expenditures associated with local compliance with the federal Family First Prevention Services Act (P.L. 115-123); except that, reimbursement from the amount appropriated herein shall not be available for tuition expenditures for foster children, including persons in need of supervision and adjudicated juvenile delinquents, made by a social services district located within a city having a population of one million or more.

Notwithstanding any other provision of law, a portion of the funds are available to reimburse social services districts for the change in the maximum state aid rates established by the office of children and family services for the 2023-24 rate year pursuant to section 398-a of the social services law and sections 4003 and 4405 of the education law to reflect the continuation of the cost of living adjustments that became effective April 1, 2008 for payments made to

1 foster parents and for salary and fringe benefit costs and other  
2 critical nonpersonal services costs for foster care programs as  
3 determined by the office. Social services districts must adjust the  
4 amount of payments made for care provided by congregate care and  
5 foster boarding home programs and to foster parents to reflect the  
6 cost of living adjustments in the manner specified by the office.  
7 Each authorized agency operating a congregate care or foster board-  
8 ing home program in New York state for which the office sets a maxi-  
9 mum state aid rate pursuant to section 398-a of the social services  
10 law or section 4003 or 4405 of the education law shall submit, at  
11 the time and in a manner to be determined by the office, a written  
12 certification, attesting that the funds received for the continua-  
13 tion of the cost of living adjustment to the maximum state aid rate  
14 that became effective April 1, 2008 for that program will be or were  
15 used solely in accordance with the requirements of the cost of  
16 living adjustment established by the office.

17 Notwithstanding any inconsistent provision of law except a chapter of  
18 the laws of 2023 authorizing a 4.0 percent cost of living adjustment  
19 increase for the period commencing on April 1, 2023 and ending March  
20 31, 2024, the commissioner shall not apply any other cost of living  
21 adjustment for the purpose of establishing rates of payments,  
22 contracts or any other form of reimbursement, provided that this  
23 shall not prevent the commissioner from applying additional trend or  
24 staff retention factors for this program.

25 Within the amounts appropriated herein, state reimbursement to each  
26 social services district for services identified herein that are  
27 otherwise reimbursable by the state from April 1, 2023 through March  
28 31, 2024 shall be limited to a district allocation, hereinafter  
29 referred to as the district's block grant allocation. Notwithstand-  
30 ing any other provision of law, such block grant allocation shall be  
31 based, in part, on each district's claims for such costs, adjusted  
32 by the applicable cost allocation methodology and net of any retro-  
33 active payments for the 12 month period ending June 30, 2022 that  
34 are submitted on or before January 2, 2023 and, in part, on such  
35 other factors as determined by the office of children and family  
36 services and approved by the director of the budget. Any portion of  
37 a social services district's allocation from funds appropriated  
38 herein not claimed by such district during the state fiscal year may  
39 be used by such district for expenditures on preventive services  
40 provided pursuant to section 409-a of the social services law, inde-  
41 pendent living services and aftercare services provided pursuant to  
42 regulations of the department of family assistance, claimed by such  
43 district during the next state fiscal year up to the amount remain-  
44 ing from the district's foster care block grant allocation, provided  
45 however, that any claims for such services during the next state  
46 fiscal year in excess of such amount shall be subject to 62 percent  
47 state reimbursement exclusive of any federal funds made available  
48 for such purposes, in accordance with directives of the department  
49 of family assistance and subject to the approval of the director of  
50 the budget. Any claims submitted by a social services district for  
51 reimbursement for a particular state fiscal year for which the

DEPARTMENT OF FAMILY ASSISTANCE  
OFFICE OF CHILDREN AND FAMILY SERVICES

1 social services district does not receive state or federal  
2 reimbursement during that state fiscal year may not be claimed  
3 against that district's block grant apportionment for the next state  
4 fiscal year.

5 The office of children and family services, with the approval of the  
6 director of the budget, may reduce a district's block grant allo-  
7 cation by the state share decrease related to federal retroactive  
8 reimbursement for such foster care services identified herein. The  
9 office, with the approval of the director of the budget, may reduce  
10 a district's block grant allocation by the state share of disallow-  
11 ances or sanctions taken against the district pursuant to the social  
12 services law or federal law.

13 Notwithstanding any other provision of law, the state shall not be  
14 responsible for reimbursing a social services district and a  
15 district shall not seek state reimbursement for any portion of any  
16 state disallowance or sanction taken against the social services  
17 district, or any federal disallowance attributable to final federal  
18 agency decisions or to settlement made, on or after July 1, 1995,  
19 when such disallowance or sanction results from the failure of the  
20 social services district to comply with federal or state require-  
21 ments, including, but not limited to, failure to document eligibil-  
22 ity for federal or state funds in the case record; provided, howev-  
23 er, if the office determines that any federal disallowance for  
24 services provided between January 1, 1999 and May 31, 1999 results  
25 solely from the late enactment of the state legislation implementing  
26 the federal adoption and safe families act, the state shall be sole-  
27 ly responsible for the full amount of the disallowance or sanction;  
28 provided, further, however, this provision shall be deemed to apply  
29 both prospectively and retroactively regardless of whether such  
30 sanctions or disallowances are for services provided or claims made  
31 prior to or after April 1, 2023.

32 Notwithstanding any other provision of law, any federal disallowance  
33 resulting from a federal title IV-E eligibility review or audit that  
34 uses extrapolated statistic techniques shall be passed along by the  
35 state to any and all social services districts that the office of  
36 children and family services has determined have not complied with  
37 the title IV-E eligibility requirements or have not taken the neces-  
38 sary actions to ensure compliance with such requirements including,  
39 but not limited to, failing to: assess and fully document all the  
40 criteria and have readily available all the necessary documents to  
41 establish and continue title IV-E eligibility for all title IV-E  
42 eligible children within the required time frames; claim title IV-E  
43 funding only for cases that meet all of the title IV-E eligibility  
44 criteria; and fully implement the social services payment system on  
45 or before April 1, 2005 for all direct and voluntary agency foster  
46 care services.

47 Notwithstanding any law to the contrary, the office of children and  
48 family services shall impose on social services districts any feder-  
49 al disallowance issued against the state as a result of a federal  
50 title IV-E secondary eligibility review regardless of the date the  
51 children may have entered foster care, the date the eligibility or

1 payment errors occurred, or the filing date of any federal claims  
2 for reimbursement; provided, however, that the state shall be  
3 responsible for the disallowed costs and expenditures related to the  
4 placement of children in a facility operated by the office of chil-  
5 dren and family services, which shall be determined in the same  
6 manner as the disallowed costs and expenditures for social services  
7 districts other than the city of New York. In order to reimburse the  
8 federal government for the full amount of any disallowance imposed  
9 on the state by the federal administration for children and families  
10 within the timeframes necessary to avoid any potential interest  
11 payments on such amount, the office of children and family services  
12 is authorized to immediately offset funds otherwise due to each  
13 district for a pro rata share of the total disallowed costs based on  
14 the percentage of applicable federal title IV-E claims made by that  
15 district for the relevant time period as compared to the total  
16 applicable statewide title IV-E claims. The amount of the offset  
17 against each district will be adjusted, if necessary, upon  
18 completion of the disallowance allocation process. The final allo-  
19 cation of the amount of any federal disallowance resulting from a  
20 title IV-E secondary eligibility review shall be allocated among the  
21 districts so that each district shall be responsible for the amount  
22 attributable to each of the district's children or cases that are  
23 determined by the federal review to be unallowable. Each district  
24 shall also be responsible for a portion of the federal extrapolated  
25 disallowance amount based on the relative error rate for the  
26 district. The city of New York's error rate will be based on the  
27 federal sample and federal statistics. For all social services  
28 districts other than the city of New York, the error rate will be  
29 based on a review conducted by the district of a sample of children  
30 and/or cases determined by the office of children and family  
31 services and a re-review of a sub-sample by the office of those  
32 children and/or cases determined by the office. The office of chil-  
33 dren and family services will determine what is reasonable in estab-  
34 lishing the size of the sample and sub-sample for each district. The  
35 office of children and family services shall notify each social  
36 services district of the sample of children and/or cases from the  
37 federal audit period that the social services district must review.  
38 Any child or case from the social services district that was  
39 included in the federal sample will automatically be included in the  
40 social services district's review sample and the determination made  
41 at the federal review regarding that child or case will govern for  
42 the purposes of the social services district's review. The social  
43 services district must complete and submit the results of its review  
44 to the office of children and family services within 60 days of  
45 receipt of the sample. The error rate for the district will be based  
46 on the findings of the district's review and the office of children  
47 and family services' re-review. If a social services district does  
48 not complete its review within 60 days of receiving the sample from  
49 the office of children and family services, the office of children  
50 and family services shall assign an error rate to the social  
51 services district based on the relative percentage of the district's

1 applicable title IV-E claims for the relevant period as compared to  
2 applicable statewide title IV-E claims for that period and other  
3 circumstances that the office of children and family services may  
4 consider in order to allocate 100 percent of the federal disallow-  
5 ance. The office of children and family services shall apply each  
6 social services district's error rate to the total amount of the  
7 district's applicable title IV-E claims including associated admin-  
8 istrative expenses. The resulting dollar amounts for all of the  
9 social services districts will be summed to derive the total amount  
10 of title IV-E claims deemed to be in error statewide. To establish a  
11 disallowance percentage for each social services district, the  
12 amount of the district's title IV-E claims deemed to be in error  
13 will be divided by the amount of statewide title IV-E claims deemed  
14 to be in error. The resulting disallowance percentage for each  
15 district will be applied to the entire title IV-E extrapolated  
16 disallowance calculated by the federal review to determine the  
17 amount of the extrapolated disallowance for which the district is  
18 responsible. Each district will be credited for the amount already  
19 disallowed for any individual children or cases found to be in error  
20 during the federal review. The exclusive appeal rights for the  
21 review of the amount of the federal disallowance assigned to each  
22 social services district shall be pursuant to article 78 of the  
23 civil practice law and rules; provided, however, that in any such  
24 action all of the social services districts shall be joined as  
25 necessary parties and the venue of any such action shall be in Rens-  
26 selaer county. Any social services district that fails to complete  
27 its sample review in the required time frames shall have no right to  
28 appeal and shall not be a necessary party to any action brought by  
29 another social services district.

30 The money hereby appropriated is to be available for payment of state  
31 aid heretofore accrued or hereafter to accrue to municipalities.  
32 Subject to the approval of the director of the budget, such funds  
33 shall be available to the office net of disallowances, refunds,  
34 reimbursements, and credits.

35 Notwithstanding any inconsistent provision of law, the amount herein  
36 appropriated may be transferred to any other appropriation within  
37 the office of children and family services and/or the office of  
38 temporary and disability assistance and/or suballocated to the  
39 office of temporary and disability assistance for the purpose of  
40 paying local social services districts' costs of the above program  
41 and may be increased or decreased by interchange with any other  
42 appropriation or with any other item or items within the amounts  
43 appropriated within the office of children and family services

Notwithstanding the provisions of any other law to the contrary, the office of children and family services may, on behalf of social services districts, make payments to foster boarding homes paid directly by social services districts by direct deposit or debit card. Local social services districts shall reimburse the office for the costs of administering such direct deposit or debit card payments.

Notwithstanding any inconsistent provision of the social services law or the state finance law, the office of children and family services shall, on a quarterly basis, request that the office of temporary and disability assistance reimburse the office of children and family services for the non-federal share of the costs of administering such direct deposit or debit card payments to capture the local share of such costs.

10 that there are sufficient grounds for  
11 non-uniformity, including but not limited  
12 to: the extent to which specific categories of services contributed to department  
13 of health medicaid state funds spending in  
14 excess of the limits specified herein; the  
15 need to maintain safety net services in  
16 underserved communities; or the potential  
17 benefits of pursuing innovative payment  
18 models contemplated by the Affordable Care  
19 Act, in which case such grounds shall be  
20 set forth in the medicaid savings allocation  
21 adjustment; and (5) reductions  
22 shall be made in a manner that does not  
23 unnecessarily create administrative  
24 burdens to medicaid applicants and recipients or providers.

25  
26  
27 The commissioner shall seek the input of the  
28 legislature, as well as organizations  
29 representing health care providers,  
30 consumers, businesses, workers, health  
31 insurers, and others with relevant expertise, in developing such medicaid savings  
32 allocation adjustment, to the extent that  
33 all or part of such adjustment, in the  
34 discretion of the commissioner, is likely  
35 to have a material impact on the overall  
36 medicaid program, particular categories of  
37 service or particular geographic regions  
38 of the state.

39  
40 (a) The commissioner shall post the medicaid  
41 savings allocation adjustment on the  
42 department of health's website and shall  
43 provide written copies of such adjustment  
44 to the chairs of the senate finance and  
45 the assembly ways and means committees at  
46 least 30 days before the date on which  
47 implementation is expected to begin.

48 (b) The commissioner may revise the medicaid  
49 savings allocation adjustment subsequent  
50 to the provisions of notice and prior to

5 Notwithstanding the provisions of paragraphs  
6 (a) and (b) of this subdivision, the  
7 commissioner need not seek the input  
8 described in paragraph (a) of this subdivi-

11 discretion of the commissioner, expedited  
12 development and implementation of a medi-  
13 caid savings allocation adjustment is  
14 necessary due to a public health emergen-  
15 cy.

16 For purposes of this section, a public  
17 health emergency is defined as: (i) a  
18 disaster, natural or otherwise, that  
19 significantly increases the immediate need  
20 for health care personnel in an area of  
21 the state; (ii) an event or condition that  
22 creates a widespread risk of exposure to a  
23 serious communicable disease, or the  
24 potential for such widespread risk of  
25 exposure; or (iii) any other event or  
26 condition determined by the commissioner  
27 to constitute an imminent threat to public  
28 health.

29 Nothing in this paragraph shall be deemed to  
30 prevent all or part of such medicaid  
31 savings allocation adjustment from taking  
32 effect retroactively to the extent permit-  
33 ted by the federal centers for medicare  
34 and medicaid services.

35 In accordance with the medicaid savings  
36 allocation adjustment, the commissioner of  
37 the department of health shall reduce

3 defined by the commissioner, incurred both  
4 prior to and subsequent to such assessment  
5 for each such period, and if the director

28 ries of services contributed to department  
29 of health medicaid state funds spending in

4 reduce the expenditures authorized by the appropriations herein in  
5 compliance with the following guidelines: (1) reductions shall be  
6 made in compliance with applicable federal law, including the  
7 provisions of the Patient Protection and Affordable Care Act, Public  
8 Law No. 111-148, and the Health Care and Education Reconciliation

18 reductions shall be made in a manner that maximizes federal finan-  
19 cial participation, to the extent practicable, including any federal  
20 financial participation that is available or is reasonably expected  
21 to become available, in the discretion of the commissioner, under  
22 the Affordable Care Act; (4) reductions shall be made uniformly  
23 among categories of services and geographic regions of the state, to  
24 the extent practicable, and shall be made uniformly within a cate-  
25 gory of service, to the extent practicable, except where the commis-  
26 sioner determines that there are sufficient grounds for non-uniform-  
27 ity, including but not limited to: the extent to which specific  
28 categories of services contributed to department of health medicaid  
29 state funds spending in excess of the limits specified herein; the  
30 need to maintain safety net services in underserved communities; or  
31 the potential benefits of pursuing innovative payment models contem-  
32 plated by the Affordable Care Act, in which case such grounds shall  
33 be set forth in the medicaid savings allocation adjustment; and (5)  
34 reductions shall be made in a manner that does not unnecessarily  
35 create administrative burdens to medicaid applicants and recipients  
36 or providers.

37 The commissioner shall seek the input of the legislature, as well as  
38 organizations representing health care providers, consumers, busi-

3       adjustment.

4       Notwithstanding the provisions of paragraphs (a) and (b) of this  
5       subdivision, the commissioner need not seek the input described in  
6       paragraph (a) of this subdivision or provide notice pursuant to

21      retroactively to the extent permitted by the federal centers for  
22      medicare and medicaid services.

23      In accordance with the medicaid savings allocation adjustment, the  
24      commissioner of the department of health shall reduce department of

29      any provision of law that sets a specific amount or methodology for  
30      any such payments or rates of payment; modifying medicaid program  
31      benefits; seeking all necessary federal approvals, including, but  
32      not limited to waivers, waiver amendments; and suspending time  
33      frames for notice, approval or certification of rate requirements,  
34      notwithstanding any provision of law, rule or regulation to the  
35      contrary, including but not limited to sections 2807 and 3614 of the  
36      public health law, section 18 of chapter 2 of the laws of 1988, and  
37      18 NYCRR 505.14(h).

39      forth: (a) known and projected department of health medicaid expend-

41      that could result in medicaid disbursements for the relevant state  
42      fiscal year to exceed the projected department of health state funds  
43      disbursements in the enacted budget financial plan pursuant to  
44      subdivision 3 of section 23 of the state finance law, including

1 natural or other type of disaster, including a governmental declara-  
2 tion of emergency.

3 The director of the budget, in consultation with the commissioner of  
4 health, shall assess on a quarterly basis known and projected medi-  
5 caid expenditures by category of service and by geographic region,  
6 as defined by the commissioner, incurred both prior to and subse-  
7 quent to such assessment for each such period, and if the director  
8 of the budget determines that such expenditures are expected to  
9 cause medicaid spending for such period to exceed the aggregate  
10 limit specified herein for such period, the state medicaid director,  
11 in consultation with the director of the budget and the commissioner  
12 of health, shall develop a medicaid savings allocation adjustment to  
13 limit such spending to the aggregate limit specified herein for such  
14 period.

15 Such medicaid savings allocation adjustment shall be designed, to  
16 reduce the expenditures authorized by the appropriations herein in  
17 compliance with the following guidelines: (1) reductions shall be  
18 made in compliance with applicable federal law, including the  
19 provisions of the Patient Protection and Affordable Care Act, Public  
20 Law No. 111-148, and the Health Care and Education Reconciliation  
21 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care  
22 Act") and any subsequent amendments thereto or regulations promul-  
23 gated thereunder; (2) reductions shall be made in a manner that  
24 complies with the state medicaid plan approved by the federal  
25 centers for medicare and medicaid services, provided, however, that  
26 the commissioner of health is authorized to submit any state plan  
27 amendment or seek other federal approval, including waiver authori-  
28 ty, to implement the provisions of the medicaid savings allocation  
29 adjustment that meets the other criteria set forth herein; (3)  
30 reductions shall be made in a manner that maximizes federal finan-  
31 cial participation, to the extent practicable, including any federal  
32 financial participation that is available or is reasonably expected  
33 to become available, in the discretion of the commissioner, under  
34 the Affordable Care Act; (4) reductions shall be made uniformly  
35 among categories of services and geographic regions of the state, to  
36 the extent practicable, and shall be made uniformly within a cate-  
37 gory of service, to the extent practicable, except where the commis-  
38 sioner determines that there are sufficient grounds for non-uniform-  
39 ity, including but not limited to: the extent to which specific  
40 categories of services contributed to department of health medicaid  
41 state funds spending in excess of the limits specified herein; the  
42 need to maintain safety net services in underserved communities; or  
43 the potential benefits of pursuing innovative payment models contem-  
44 plated by the Affordable Care Act, in which case such grounds shall  
45 be set forth in the medicaid savings allocation adjustment; and (5)  
46 reductions shall be made in a manner that does not unnecessarily  
47 create administrative burdens to medicaid applicants and recipients  
48 or providers.

49 The commissioner shall seek the input of the legislature, as well as  
50 organizations representing health care providers, consumers, busi-  
51 nesses, workers, health insurers, and others with relevant exper-  
52 tise, in developing such medicaid savings allocation adjustment, to

1 the extent that all or part of such adjustment, in the discretion of  
2 the commissioner, is likely to have a material impact on the overall  
3 medicaid program, particular categories of service or particular  
4 geographic regions of the state.

5 (a) The commissioner shall post the medicaid savings allocation  
6 adjustment on the department of health's website and shall provide  
7 written copies of such adjustment to the chairs of the senate  
8 finance and the assembly ways and means committees at least 30 days  
9 before the date on which implementation is expected to begin.

10 (b) The commissioner may revise the medicaid savings allocation  
11 adjustment subsequent to the provisions of notice and prior to  
12 implementation but needs to provide a new notice pursuant to subpar-  
13 agraph (i) of this paragraph only if the commissioner determines, in  
14 his or her discretion, that such revisions materially alter the  
15 adjustment.

16 Notwithstanding the provisions of paragraphs (a) and (b) of this  
17 subdivision, the commissioner need not seek the input described in  
18 paragraph (a) of this subdivision or provide notice pursuant to  
19 paragraph (b) of this subdivision if, in the discretion of the  
20 commissioner, expedited development and implementation of a medicaid  
21 savings allocation adjustment is necessary due to a public health  
22 emergency.

23 For purposes of this section, a public health emergency is defined as:

24 (i) a disaster, natural or otherwise, that significantly increases  
25 the immediate need for health care personnel in an area of the  
26 state; (ii) an event or condition that creates a widespread risk of  
27 exposure to a serious communicable disease, or the potential for  
28 such widespread risk of exposure; or (iii) any other event or condi-  
29 tion determined by the commissioner to constitute an imminent threat  
30 to public health.

31 Nothing in this paragraph shall be deemed to prevent all or part of  
32 such medicaid savings allocation adjustment from taking effect  
33 retroactively to the extent permitted by the federal centers for  
34 medicare and medicaid services.

35 In accordance with the medicaid savings allocation adjustment, the  
36 commissioner of the department of health shall reduce department of  
37 health state funds medicaid spending by the amount of the projected  
38 overspending through, actions including, but not limited to modify-  
39 ing or suspending reimbursement methods, including but not limited  
40 to all fees, premium levels and rates of payment, notwithstanding  
41 any provision of law that sets a specific amount or methodology for  
42 any such payments or rates of payment; modifying or discontinuing  
43 medicaid program benefits; seeking all necessary federal approvals,  
44 including, but not limited to waivers, waiver amendments; and  
45 suspending time frames for notice, approval or certification of rate  
46 requirements, notwithstanding any provision of law, rule or regu-  
47 lation to the contrary, including but not limited to sections 2807  
48 and 3614 of the public health law, section 18 of chapter 2 of the  
49 laws of 1988, and 18 NYCRR 505.14(h).

50 The department of health shall prepare a quarterly report that sets  
51 forth: (a) known and projected department of health medicaid expend-

4 subdivision 3 of section 23 of the state finance law, including  
5 spending increases or decreases due to: enrollment fluctuations,  
6 rate changes, utilization changes, MRT investments, and shift of  
7 beneficiaries to managed care; and variations in offline medicaid  
8 payments; and (b) the actions taken to implement any medicaid  
9 savings allocation adjustment implemented pursuant to subdivision  
10 (4) of this section, including information concerning the impact of  
11 such actions on each category of service and each geographic region  
12 of the state. Each such quarterly report shall be provided to the  
13 chairs of the senate finance and the assembly ways and means commit-  
14 tees and shall be posted on the department of health's website in a  
15 timely manner.

Such projections may be adjusted by the director of the budget to account for increased or expedited department of health state funds medicaid expenditures as a result of a natural or other type of disaster, including a governmental declaration of emergency.

The director of the budget, in consultation with the commissioner of health, shall assess on a quarterly basis known and projected medicaid expenditures by category of service and by geographic region, as determined by the commissioner of health, incurred both prior to and subsequent to such assessment for each such period, and if the director of the budget determines that such expenditures are expected to cause medicaid spending for such period to exceed the aggregate limit specified herein for such period, the state medicaid director, in consultation with the director of the budget and the commissioner of health, shall develop a medicaid savings allocation adjustment to limit such spending to the aggregate limit specified herein for such period.

Such medicaid savings allocation adjustment shall be designed, to reduce the expenditures authorized by the appropriations herein in compliance with the following guidelines: (1) reductions shall be made in compliance with applicable federal law, including the provisions of the Patient Protection and Affordable Care Act, Public Law No. 111-148, and the Health Care and Education Reconciliation Act of 2010, Public Law No. 111-152 (collectively "Affordable Care Act") and any subsequent amendments thereto or regulations promulgated thereunder; (2) reductions shall be made in a manner that complies with the state medicaid plan approved by the federal centers for medicare and medicaid services, provided, however, that the commissioner of health is authorized to submit any state plan amendment or seek other federal approval, including waiver authority, to implement the provisions of the medicaid savings allocation adjustment that meets the other criteria set forth herein; (3) reductions shall be made in a manner that maximizes federal financial participation, to the extent practicable, including any federal financial participation that is available or is reasonably expected to become available, in the discretion of the commissioner, under the Affordable Care Act; (4) reductions shall be made uniformly among categories of services and geographic regions of the state, to

1 the extent practicable, and shall be made uniformly within a category of service, to the extent practicable, except where the commissioner determines that there are sufficient grounds for non-uniformity, including but not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation adjustment; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers. The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

21 (a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such plan to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

26 (b) The commissioner may revise the medicaid savings allocation adjustment subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the plan.

32 Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid savings allocation adjustment is necessary due to a public health emergency.

39 For purposes of this section, a public health emergency is defined as:

40 (i) a disaster, natural or otherwise, that significantly increases the immediate need for health care personnel in an area of the state; (ii) an event or condition that creates a widespread risk of exposure to a serious communicable disease, or the potential for such widespread risk of exposure; or (iii) any other event or condition determined by the commissioner to constitute an imminent threat to public health.

47 Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation adjustment from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.
