13 expenditures made during that federal
14 fiscal year and which are claimed by March

20 made during a particular federal fiscal

22 XX of the federal social security act and
23 under the food stamp employment and train-

3 adjust the amount of payments made for
4 care provided by congregate care and
5 foster boarding home programs and to
6 foster parents to reflect the cost of
7 living adjustments in the manner specified
8 by the office. Each authorized agency
9 operating a congregate care or foster
10 boarding home program in New York state
11 for which the office sets a maximum state
12 aid rate pursuant to section 398-a of the
13 social services law or section 4003 or
14 4405 of the education law shall submit, at
15 the time and in a manner to be determined
16 by the office, a written certification,
17 attesting that the funds received for the
18 continuation of the cost of living adjust-
19 ment to the maximum state aid rate that
20 became effective April 1, 2008 for that
21 program will be or were used solely in
22 accordance with the requirements of the
23 cost of living adjustment established by
24 the office.

25 Notwithstanding any inconsistent provision
26 of law including, but not limited to, any
27 chapter of the laws of 2024 which enacts a
28 cost of living adjustment for the state
29 fiscal year beginning on April 1, 2024,
30 the commissioner shall continue to apply
31 any cost of living adjustment increase in
32 effect on March 31, 2024 for the entire
33 rate year that began when such cost of
34 living adjustment increase was in effect.
35 Notwithstanding any inconsistent provision
36 of law, the commissioner shall apply a
37 2.84 percent cost of living adjustment for
38 the rate year that begins on July 1, 2024
39 for the purposes of establishing rates of
40 payments, contracts, or any other form of

1 district's block grant allocation.
2 Notwithstanding any other provision of
3 law, such block grant allocation shall be
4 based, in part, on each district's claims
5 for such costs, adjusted by the applicable
6 cost allocation methodology and net of any
7 retroactive payments for the 12 month
8 period ending June 30, 2023 that are
9 submitted on or before January 2, 2024
10 and, in part, on such other factors as
11 determined by the office of children and
12 family services and approved by the direc-
13 tor of the budget. Any portion of a social
14 services district's allocation from funds
15 appropriated herein not claimed by such
16 district during the state fiscal year may
17 be used by such district for expenditures
18 on preventive services provided pursuant
19 to section 409-a of the social services
20 law, independent living services and
21 aftercare services provided pursuant to
22 regulations of the department of family
23 assistance, claimed by such district
24 during the next state fiscal year up to
25 the amount remaining from the district's
26 foster care block grant allocation,
27 provided however, that any claims for such
28 services during the next state fiscal year
29 in excess of such amount shall be subject
30 to 62 percent state reimbursement exclu-
31 sive of any federal funds made available
32 for such purposes, in accordance with
33 directives of the department of family
34 assistance and subject to the approval of
35 the director of the budget. Any claims
36 submitted by a social services district
37 for reimbursement for a particular state
38 fiscal year for which the social services
39 district does not receive state or federal
40 reimbursement during that state fiscal
41 year may not be claimed against that
42 district's block grant apportionment for
43 the next state fiscal year.
44 The office of children and family services,
45 with the approval of the director of the
46 budget, may reduce a district's block
47 grant allocation by the state share
48 decrease related to federal retroactive
49 reimbursement for such foster care
50 services identified herein. The office,

1 budget, may reduce a district's block
2 grant allocation by the state share of
3 disallowances or sanctions taken against
4 the district pursuant to the social
5 services law or federal law.

6 Notwithstanding any other provision of law,
7 the state shall not be responsible for
8 reimbursing a social services district and
9 a district shall not seek state reimburse-
10 ment for any portion of any state disal-
11 lowance or sanction taken against the
12 social services district, or any federal
13 disallowance attributable to final federal
14 agency decisions or to settlement made, on
15 or after July 1, 1995, when such disallow-
16 ance or sanction results from the failure
17 of the social services district to comply
18 with federal or state requirements,
19 including, but not limited to, failure to
20 document eligibility for federal or state
21 funds in the case record; provided, howev-
22 er, if the office determines that any
23 federal disallowance for services provided
24 between January 1, 1999 and May 31, 1999
25 results solely from the late enactment of
26 the state legislation implementing the
27 federal adoption and safe families act,
28 the state shall be solely responsible for
29 the full amount of the disallowance or
30 sanction; provided, further, however, this
31 provision shall be deemed to apply both
32 prospectively and retroactively regardless
33 of whether such sanctions or disallowances
34 are for services provided or claims made
35 prior to or after April 1, 2024.

36 Notwithstanding any other provision of law,
37 any federal disallowance resulting from a
38 federal title IV-E eligibility review or
39 audit that uses extrapolated statistic
40 techniques shall be passed along by the
41 state to any and all social services
42 districts that the office of children and
43 family services has determined have not
44 complied with the title IV-E eligibility
45 requirements or have not taken the neces-
46 sary actions to ensure compliance with
47 such requirements including, but not
48 limited to, failing to: assess and fully
49 document all the criteria and have readily
50 available all the necessary documents to
51 establish and continue title IV-E eligi-

bility for all title IV-E eligible children within the required time frames; claim title IV-E funding only for cases that meet all of the title IV-E eligibility criteria; and fully implement the social services payment system on or before April 1, 2005 for all direct and voluntary agency foster care services.

Notwithstanding any law to the contrary, the office of children and family services shall impose on social services districts any federal disallowance issued against the state as a result of a federal title IV-E secondary eligibility review regardless of the date the children may have entered foster care, the date the eligibility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest payments on such amount, the office of children and family services is authorized to immediately offset funds otherwise due to each district for a pro rata share of the total disallowed costs based on the percentage of applicable federal title IV-E claims made by that district for the relevant time period as compared to the total applicable statewide title IV-E claims. The amount of the offset against each district will be adjusted, if necessary, upon completion of the disallowance allocation process. The final allocation of the amount of any federal disallowance resulting from a title IV-E secondary eligibility review shall be allocated among the districts so that each district shall be responsible for the amount

1 attributable to each of the district's
2 children or cases that are determined by
3 the federal review to be unallowable. Each
4 district shall also be responsible for a
5 portion of the federal extrapolated disal-
6 lowance amount based on the relative error
7 rate for the district. The city of New
8 York's error rate will be based on the
9 federal sample and federal statistics. For
10 all social services districts other than
11 the city of New York, the error rate will
12 be based on a review conducted by the
13 district of a sample of children and/or
14 cases determined by the office of children
15 and family services and a re-review of a
16 sub-sample by the office of those children
17 and/or cases determined by the office. The
18 office of children and family services
19 will determine what is reasonable in
20 establishing the size of the sample and
21 sub-sample for each district. The office
22 of children and family services shall
23 notify each social services district of
24 the sample of children and/or cases from
25 the federal audit period that the social
26 services district must review. Any child
27 or case from the social services district
28 that was included in the federal sample
29 will automatically be included in the
30 social services district's review sample
31 and the determination made at the federal
32 review regarding that child or case will
33 govern for the purposes of the social
34 services district's review. The social
35 services district must complete and submit
36 the results of its review to the office of
37 children and family services within 60
38 days of receipt of the sample. The error
39 rate for the district will be based on the
40 findings of the district's review and the
41 office of children and family services'
42 re-review. If a social services district
43 does not complete its review within 60
44 days of receiving the sample from the
45 office of children and family services,
46 the office of children and family services
47 shall assign an error rate to the social
48 services district based on the relative
49 percentage of the district's applicable
50 title IV-E claims for the relevant period
51 as compared to applicable statewide title

1 IV-E claims for that period and other
2 circumstances that the office of children
3 and family services may consider in order
4 to allocate 100 percent of the federal
5 disallowance. The office of children and
6 family services shall apply each social
7 services district's error rate to the
8 total amount of the district's applicable
9 title IV-E claims including associated
10 administrative expenses. The resulting
11 dollar amounts for all of the social
12 services districts will be summed to
13 derive the total amount of title IV-E
14 claims deemed to be in error statewide. To
15 establish a disallowance percentage for
16 each social services district, the amount
17 of the district's title IV-E claims deemed
18 to be in error will be divided by the
19 amount of statewide title IV-E claims
20 deemed to be in error. The resulting
21 disallowance percentage for each district
22 will be applied to the entire title IV-E
23 extrapolated disallowance calculated by
24 the federal review to determine the amount
25 of the extrapolated disallowance for which
26 the district is responsible. Each district
27 will be credited for the amount already
28 disallowed for any individual children or
29 cases found to be in error during the
30 federal review. The exclusive appeal
31 rights for the review of the amount of the
32 federal disallowance assigned to each
33 social services district shall be pursuant
34 to article 78 of the civil practice law
35 and rules; provided, however, that in any
36 such action all of the social services
37 districts shall be joined as necessary
38 parties and the venue of any such action
39 shall be in Rensselaer county. Any social
40 services district that fails to complete
41 its sample review in the required time
42 frames shall have no right to appeal and
43 shall not be a necessary party to any
44 action brought by another social services
45 district.

Notwithstanding any inconsistent provision of law except a chapter of the laws of 2023 authorizing a 4.0 percent cost of living adjustment increase for the period commencing on April 1, 2023 and ending March 31, 2024, the commissioner shall not apply any other cost of living adjustment for the purpose of establishing rates of payments, contracts or any other form of reimbursement, provided that this shall not prevent the commissioner from applying additional trend or staff retention factors for this program.

Within the amounts appropriated herein, state reimbursement to each social services district for services identified herein that are otherwise reimbursable by the state from April 1, 2023 through March 31, 2024 shall be limited to a district allocation, hereinafter referred to as the district's block grant allocation. Notwithstanding any other provision of law, such block grant allocation shall be based, in part, on each district's claims for such costs, adjusted by the applicable cost allocation methodology and net of any retroactive payments for the 12 month period ending June 30, 2022 that are submitted on or before January 2, 2023 and, in part, on such other factors as determined by the office of children and family services and approved by the director of the budget. Any portion of a social services district's allocation from funds appropriated herein not claimed by such district during the state fiscal year may be used by such district for expenditures on preventive services provided pursuant to section 409-a of the social services law, independent living services and aftercare services provided pursuant to regulations of the department of family assistance, claimed by such district during the next state fiscal year up to the amount remaining from the district's foster care block grant allocation, provided however, that any claims for such services during the next state fiscal year in excess of such amount shall be subject to 62 percent state reimbursement exclusive of any federal funds made available for such purposes, in accordance with directives of the department of family assistance and subject to the approval of the director of the budget. Any claims submitted by a social services district for reimbursement for a particular state fiscal year for which the social services district does not receive state or federal reimbursement during that state fiscal year may not be claimed against that district's block grant apportionment for the next state fiscal year.

The office of children and family services, with the approval of the director of the budget, may reduce a district's block grant allocation by the state share decrease related to federal retroactive reimbursement for such foster care services identified herein. The office, with the approval of the director of the budget, may reduce a district's block grant allocation by the state share of disallow-

ances or sanctions taken against the district pursuant to the social services law or federal law.

Notwithstanding any other provision of law, the state shall not be responsible for reimbursing a social services district and a district shall not seek state reimbursement for any portion of any state disallowance or sanction taken against the social services district, or any federal disallowance attributable to final federal agency decisions or to settlement made, on or after July 1, 1995, when such disallowance or sanction results from the failure of the social services district to comply with federal or state requirements, including, but not limited to, failure to document eligibility for federal or state funds in the case record; provided, however, if the office determines that any federal disallowance for services provided between January 1, 1999 and May 31, 1999 results solely from the late enactment of the state legislation implementing the federal adoption and safe families act, the state shall be solely responsible for the full amount of the disallowance or sanction; provided, further, however, this provision shall be deemed to apply both prospectively and retroactively regardless of whether such sanctions or disallowances are for services provided or claims made prior to or after April 1, 2023.

Notwithstanding any other provision of law, any federal disallowance resulting from a federal title IV-E eligibility review or audit that uses extrapolated statistic techniques shall be passed along by the state to any and all social services districts that the office of children and family services has determined have not complied with the title IV-E eligibility requirements or have not taken the necessary actions to ensure compliance with such requirements including, but not limited to, failing to: assess and fully document all the criteria and have readily available all the necessary documents to establish and continue title IV-E eligibility for all title IV-E eligible children within the required time frames; claim title IV-E funding only for cases that meet all of the title IV-E eligibility criteria; and fully implement the social services payment system on or before April 1, 2005 for all direct and voluntary agency foster care services.

Notwithstanding any law to the contrary, the office of children and family services shall impose on social services districts any federal disallowance issued against the state as a result of a federal title IV-E secondary eligibility review regardless of the date the children may have entered foster care, the date the eligibility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest

1 payments on such amount, the office of children and family services
2 is authorized to immediately offset funds otherwise due to each
3 district for a pro rata share of the total disallowed costs based on
4 the percentage of applicable federal title IV-E claims made by that
5 district for the relevant time period as compared to the total
6 applicable statewide title IV-E claims. The amount of the offset
7 against each district will be adjusted, if necessary, upon
8 completion of the disallowance allocation process. The final allo-
9 cation of the amount of any federal disallowance resulting from a
10 title IV-E secondary eligibility review shall be allocated among the
11 districts so that each district shall be responsible for the amount
12 attributable to each of the district's children or cases that are
13 determined by the federal review to be unallowable. Each district
14 shall also be responsible for a portion of the federal extrapolated
15 disallowance amount based on the relative error rate for the
16 district. The city of New York's error rate will be based on the
17 federal sample and federal statistics. For all social services
18 districts other than the city of New York, the error rate will be
19 based on a review conducted by the district of a sample of children
20 and/or cases determined by the office of children and family
21 services and a re-review of a sub-sample by the office of those
22 children and/or cases determined by the office. The office of chil-
23 dren and family services will determine what is reasonable in estab-
24 lishing the size of the sample and sub-sample for each district. The
25 office of children and family services shall notify each social
26 services district of the sample of children and/or cases from the
27 federal audit period that the social services district must review.
28 Any child or case from the social services district that was
29 included in the federal sample will automatically be included in the
30 social services district's review sample and the determination made
31 at the federal review regarding that child or case will govern for
32 the purposes of the social services district's review. The social
33 services district must complete and submit the results of its review
34 to the office of children and family services within 60 days of
35 receipt of the sample. The error rate for the district will be based
36 on the findings of the district's review and the office of children
37 and family services' re-review. If a social services district does
38 not complete its review within 60 days of receiving the sample from
39 the office of children and family services, the office of children
40 and family services shall assign an error rate to the social
41 services district based on the relative percentage of the district's
42 applicable title IV-E claims for the relevant period as compared to
43 applicable statewide title IV-E claims for that period and other
44 circumstances that the office of children and family services may
45 consider in order to allocate 100 percent of the federal disallow-
46 ance. The office of children and family services shall apply each
47 social services district's error rate to the total amount of the
48 district's applicable title IV-E claims including associated admin-
49 istrative expenses. The resulting dollar amounts for all of the
50 social services districts will be summed to derive the total amount
51 of title IV-E claims deemed to be in error statewide. To establish a

1 disallowance percentage for each social services district, the
2 amount of the district's title IV-E claims deemed to be in error
3 will be divided by the amount of statewide title IV-E claims deemed
4 to be in error. The resulting disallowance percentage for each
5 district will be applied to the entire title IV-E extrapolated
6 disallowance calculated by the federal review to determine the
7 amount of the extrapolated disallowance for which the district is
8 responsible. Each district will be credited for the amount already
9 disallowed for any individual children or cases found to be in error
10 during the federal review. The exclusive appeal rights for the
11 review of the amount of the federal disallowance assigned to each
12 social services district shall be pursuant to article 78 of the
13 civil practice law and rules; provided, however, that in any such
14 action all of the social services districts shall be joined as
15 necessary parties and the venue of any such action shall be in Rens-
16 selaer county. Any social services district that fails to complete
17 its sample review in the required time frames shall have no right to
18 appeal and shall not be a necessary party to any action brought by
19 another social services district.

Such funds are to be available for payment of aid heretofore accrued or hereafter to accrue to municipalities and, notwithstanding section 153 of the social services law and any inconsistent provision of law, shall constitute the full amount of federal temporary assistance for needy families funds to be paid on account of activities funded in whole or in part hereunder and the full amount of state reimbursement to be paid on account of local district administrative claims. Such expenditures shall constitute good cause pursuant to section 408 (a) (10) of the social security act. Such funds may also be used, without state or local participation, for care, maintenance, supervision, and tuition for

9 The director of the budget, in consultation
10 with the commissioner of health, shall
11 assess on a quarterly basis known and
12 projected medicaid expenditures by category of service and by geographic region, as
13 determined by the commissioner of health,
14 incurred both prior to and subsequent to
15 such assessment for each such period, and
16 if the director of the budget determines
17 that such expenditures are expected to
18 cause medicaid spending for such period to
19 exceed the aggregate limit specified herein for such period, the state medicaid
20 director, in consultation with the director of the budget and the commissioner of
21 health, shall develop a medicaid savings
22 allocation adjustment to limit such spending to the aggregate limit specified herein for such period.

28 Such medicaid savings allocation adjustment

31 guidelines: (1) reductions shall be made
32 in compliance with applicable federal law,
33 including the provisions of the Patient
34 Protection and Affordable Care Act, Public
35 Law No. 111-148, and the Health Care and

1 manner that maximizes federal financial

3 including any federal financial partic-
4 ipation that is available or is reasonably
5 expected to become available, in the
6 discretion of the commissioner, under the
7 Affordable Care Act; (4) reductions shall
8 be made uniformly among categories of
9 services and geographic regions of the
10 state, to the extent practicable, and
11 shall be made uniformly within a category
12 of service, to the extent practicable,
13 except where the commissioner determines
14 that there are sufficient grounds for
15 non-uniformity, including but not limited
16 to: the extent to which specific catego-
17 ries of services contributed to department
18 of health medicaid state funds spending in
19 excess of the limits specified herein; the
20 need to maintain safety net services in
21 underserved communities; or the potential
22 benefits of pursuing innovative payment
23 models contemplated by the Affordable Care
24 Act, in which case such grounds shall be
25 set forth in the medicaid savings allo-
26 cation adjustment; and (5) reductions
27 shall be made in a manner that does not
28 unnecessarily create administrative
29 burdens to medicaid applicants and recipi-
30 ents or providers.

31 The commissioner shall seek the input of the
32 legislature, as well as organizations
33 representing health care providers,
34 consumers, businesses, workers, health
35 insurers, and others with relevant exper-
36 tise, in developing such medicaid savings
37 allocation adjustment, to the extent that
38 all or part of such adjustment, in the
39 discretion of the commissioner, is likely
40 to have a material impact on the overall
41 medicaid program, particular categories of
42 service or particular geographic regions
43 of the state.

44 (a) The commissioner shall post the medicaid
45 savings allocation adjustment on the
46 department of health's website and shall
47 provide written copies of such adjustment
48 to the chairs of the senate finance and
49 the assembly ways and means committees at
50 least 30 days before the date on which
51 implementation is expected to begin.

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2024-25

1 (b) The commissioner may revise the medicaid
2 savings allocation adjustment subsequent
3 to the provisions of notice and prior to
4 implementation but needs to provide a new
5 notice pursuant to subparagraph (i) of
6 this paragraph only if the commissioner
7 determines, in his or her discretion, that
8 such revisions materially alter the
9 adjustment.

10 Notwithstanding the provisions of paragraphs
11 (a) and (b) of this subdivision, the
12 commissioner need not seek the input
13 described in paragraph (a) of this subdi-
14 vision or provide notice pursuant to para-
15 graph (b) of this subdivision if, in the
16 discretion of the commissioner, expedited
17 development and implementation of a medi-
18 caid savings allocation adjustment is
19 necessary due to a public health emergen-
20 cy.

21 For purposes of this section, a public
22 health emergency is defined as: (i) a
23 disaster, natural or otherwise, that
24 significantly increases the immediate need
25 for health care personnel in an area of
26 the state; (ii) an event or condition that
27 creates a widespread risk of exposure to a
28 serious communicable disease, or the
29 potential for such widespread risk of
30 exposure; or (iii) any other event or
31 condition determined by the commissioner
32 to constitute an imminent threat to public
33 health.

34 Nothing in this paragraph shall be deemed to
35 prevent all or part of such medicaid
36 savings allocation adjustment from taking
37 effect retroactively to the extent permit-
38 ted by the federal centers for medicare
39 and medicaid services.

40 In accordance with the medicaid savings
41 allocation adjustment, the commissioner of
42 the department of health shall reduce
43 department of health state funds medicaid
44 spending by the amount of the projected
45 overspending through, actions including,
46 but not limited to modifying or suspending
47 reimbursement methods, including but not
48 limited to all fees, premium levels and
49 rates of payment, notwithstanding any
50 provision of law that sets a specific
51 amount or methodology for any such
52 payments or rates of payment; modifying

7 provision of law, rule or regulation to
8 the contrary, including but not limited to
9 sections 2807 and 3614 of the public
10 health law, section 18 of chapter 2 of the
11 laws of 1988, and 18 NYCRR 505.14(h).

12 The department of health shall prepare a
13 quarterly report that sets forth: (a)
14 known and projected department of health
15 medicaid expenditures as described in
16 subdivision (1) of this section, and
17 factors that could result in medicaid
18 disbursements for the relevant state
19 fiscal year to exceed the projected
20 department of health state funds disburse-
21 ments in the enacted budget financial plan
22 pursuant to subdivision 3 of section 23 of
23 the state finance law, including spending
24 increases or decreases due to: enrollment
25 fluctuations, rate changes, utilization
26 changes, MRT investments, and shift of
27 beneficiaries to managed care; and vari-
28 ations in offline medicaid payments; and
29 (b) the actions taken to implement any
30 medicaid savings allocation adjustment
31 implemented pursuant to subdivision (4) of
32 this section, including information
33 concerning the impact of such actions on
34 each category of service and each
35 geographic region of the state. Each such
36 quarterly report shall be provided to the
37 chairs of the senate finance and the
38 assembly ways and means committees and
39 shall be posted on the department of
40 health's website in a timely manner.

1 other type of disaster, including a
2 governmental declaration of emergency.

3 The director of the budget, in consultation
4 with the commissioner of health, shall
5 assess on a quarterly basis known and
6 projected medicaid expenditures by category
7 of service and by geographic region, as
8 determined by the commissioner of health,
9 incurred both prior to and subsequent to
10 such assessment for each such period, and
11 if the director of the budget determines
12 that such expenditures are expected to
13 cause medicaid spending for such period to
14 exceed the aggregate limit specified herein
15 for such period, the state medicaid
16 director, in consultation with the director
17 of the budget and the commissioner of
18 health, shall develop a medicaid savings
19 allocation adjustment to limit such spending
20 to the aggregate limit specified herein
21 for such period.

22 Such medicaid savings allocation adjustment
23 shall be designed, to reduce the expenditures
24 authorized by the appropriations
25 herein in compliance with the following
26 guidelines: (1) reductions shall be made
27 in compliance with applicable federal law,
28 including the provisions of the Patient
29 Protection and Affordable Care Act, Public
30 Law No. 111-148, and the Health Care and
31 Education Reconciliation Act of 2010,
32 Public Law No. 111-152 (collectively
33 "Affordable Care Act") and any subsequent
34 amendments thereto or regulations promulgated
35 thereunder; (2) reductions shall be made
36 in a manner that complies with the
37 state medicaid plan approved by the federal
38 centers for medicare and medicaid
39 services, provided, however, that the
40 commissioner of health is authorized to
41 submit any state plan amendment or seek

43 authority, to implement the provisions of
44 the medicaid savings allocation adjustment
45 that meets the other criteria set forth
46 herein; (3) reductions shall be made in a
47 manner that maximizes federal financial
48 participation, to the extent practicable,
49 including any federal financial participation
50 that is available or is reasonably expected
51 to become available, in the
52 discretion of the commissioner, under the

DEPARTMENT OF HEALTH

1 Affordable Care Act; (4) reductions shall
2 be made uniformly among categories of
3 services and geographic regions of the
4 state, to the extent practicable, and
5 shall be made uniformly within a category
6 of service, to the extent practicable,
7 except where the commissioner determines
8 that there are sufficient grounds for
9 non-uniformity, including but not limited
10 to: the extent to which specific categories of services contributed to department
11 of health medicaid state funds spending in
12 excess of the limits specified herein; the
13 need to maintain safety net services in
14 underserved communities; or the potential
15 benefits of pursuing innovative payment
16 models contemplated by the Affordable Care
17 Act, in which case such grounds shall be
18 set forth in the medicaid savings allocation
19 adjustment; and (5) reductions
20 shall be made in a manner that does not
21 unnecessarily create administrative
22 burdens to medicaid applicants and recipients or providers.

25 The commissioner shall seek the input of the
26 legislature, as well as organizations
27 representing health care providers,
28 consumers, businesses, workers, health
29 insurers, and others with relevant expertise, in developing such medicaid savings
30 allocation adjustment, to the extent that
31 all or part of such adjustment, in the
32 discretion of the commissioner, is likely
33 to have a material impact on the overall
34 medicaid program, particular categories of
35 service or particular geographic regions
36 of the state.

38 (a) The commissioner shall post the medicaid
39 savings allocation adjustment on the
40 department of health's website and shall

42 chairs of the senate finance and the
43 assembly ways and means committees at
44 least 30 days before the date on which
45 implementation is expected to begin.

46 (b) The commissioner may revise the medicaid
47 savings allocation adjustment subsequent
48 to the provisions of notice and prior to
49 implementation but needs to provide a new
50 notice pursuant to subparagraph (i) of
51 this paragraph only if the commissioner

1 determines, in his or her discretion, that
2 such revisions materially alter the plan.

3 Notwithstanding the provisions of paragraphs
4 (a) and (b) of this subdivision, the
5 commissioner need not seek the input
6 described in paragraph (a) of this subdivi-
7 sion or provide notice pursuant to para-
8 graph (b) of this subdivision if, in the
9 discretion of the commissioner, expedited
10 development and implementation of a medi-
11 caid savings allocation adjustment is
12 necessary due to a public health emergen-
13 cy.

14 For purposes of this section, a public
15 health emergency is defined as: (i) a
16 disaster, natural or otherwise, that
17 significantly increases the immediate need
18 for health care personnel in an area of
19 the state; (ii) an event or condition that
20 creates a widespread risk of exposure to a
21 serious communicable disease, or the
22 potential for such widespread risk of
23 exposure; or (iii) any other event or
24 condition determined by the commissioner
25 to constitute an imminent threat to public
26 health.

27 Nothing in this paragraph shall be deemed to
28 prevent all or part of such medicaid
29 savings allocation adjustment from taking
30 effect retroactively to the extent permit-
31 ted by the federal centers for medicare
32 and medicaid services.

33 In accordance with the medicaid savings
34 allocation adjustment, the commissioner of
35 the department of health shall reduce
36 department of health state funds medicaid
37 spending by the amount of the projected
38 overspending through, actions including,

43 provision of law that sets a specific
44 amount or methodology for any such
45 payments or rates of payment; modifying
46 medicaid program benefits; seeking all
47 necessary federal approvals, including,
48 but not limited to waivers, waiver amend-
49 ments; and suspending time frames for

5 The department of health shall prepare a
6 quarterly report that sets forth: (a)
7 known and projected department of health
8 medicaid expenditures as described in
9 subdivision (1) of this section, and
10 factors that could result in medicaid
11 disbursements for the relevant state
12 fiscal year to exceed the projected
13 department of health state funds disburse-
14 ments in the enacted budget financial plan
15 pursuant to subdivision 3 of section 23 of
16 the state finance law, including spending
17 increases or decreases due to: enrollment
18 fluctuations, rate changes, utilization
19 changes, MRT investments, and shift of
20 beneficiaries to managed care; and vari-
21 ations in offline medicaid payments; and
22 (b) the actions taken to implement any
23 medicaid savings allocation adjustment
24 implemented pursuant to subdivision (4) of
25 this section, including information
26 concerning the impact of such actions on
27 each category of service and each
28 geographic region of the state. Each such
29 quarterly report shall be provided to the
30 chairs of the senate finance and the
31 assembly ways and means committees and
32 shall be posted on the department of
33 health's website in a timely manner.

 17 of inpatient days paid by the medical

2 spending, excluding payments for medical
3 services provided at state facilities

6 disabilities and the office of addiction
7 services and supports and further exclud-
8 ing any payments which are not appropri-
9 ated within the department of health, in
10 the aggregate, for the period April 1,
11 2024 through March 31, 2025, shall not
12 exceed \$31,634,010,000 except as provided
13 below provided, however, such aggregate
14 limits may be adjusted by the director of
15 the budget to account for any changes in
16 the New York state federal medical assist-
17 ance percentage amount established pursu-
18 ant to the federal social security act,
19 increases in provider revenues, reductions
20 in local social services district payments
21 for medical assistance administration,
22 minimum wage increases and beginning April
23 1, 2012 the operational costs of the New
24 York state medical indemnity fund, pursu-
25 ant to chapter 59 of the laws of 2011, and
26 state costs or savings from the essential
27 plan. Such projections may be adjusted by
28 the director of the budget to account for
29 increased or expedited department of
30 health state funds medicaid expenditures
31 as a result of a natural or other type of
32 disaster, including a governmental decla-
33 ration of emergency.

34 The director of the budget, in consultation
35 with the commissioner of health, shall
36 assess on a quarterly basis known and
37 projected medicaid expenditures by catego-
38 ry of service and by geographic region, as
39 determined by the commissioner of health,
40 incurred both prior to and subsequent to
41 such assessment for each such period, and
42 if the director of the budget determines
43 that such expenditures are expected to
44 cause medicaid spending for such period to
45 exceed the aggregate limit specified here-
46 in for such period, the state medicaid
47 director, in consultation with the direc-
48 tor of the budget and the commissioner of
49 health, shall develop a medicaid savings
50 allocation adjustment to limit such spend-
51 ing to the aggregate limit specified here-
52 in for such period.

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2024-25

1 Such medicaid savings allocation adjustment
2 shall be designed, to reduce the expendi-
3 tures authorized by the appropriations
4 herein in compliance with the following
5 guidelines: (1) reductions shall be made
6 in compliance with applicable federal law,
7 including the provisions of the Patient
8 Protection and Affordable Care Act, Public
9 Law No. 111-148, and the Health Care and
10 Education Reconciliation Act of 2010,
11 Public Law No. 111-152 (collectively
12 "Affordable Care Act") and any subsequent
13 amendments thereto or regulations promul-
14 gated thereunder; (2) reductions shall be
15 made in a manner that complies with the
16 state medicaid plan approved by the feder-
17 al centers for medicare and medicaid
18 services, provided, however, that the
19 commissioner of health is authorized to
20 submit any state plan amendment or seek
21 other federal approval, including waiver
22 authority, to implement the provisions of
23 the medicaid savings allocation adjustment
24 that meets the other criteria set forth
25 herein; (3) reductions shall be made in a
26 manner that maximizes federal financial
27 participation, to the extent practicable,
28 including any federal financial partic-
29 ipation that is available or is reasonably
30 expected to become available, in the
31 discretion of the commissioner, under the
32 Affordable Care Act; (4) reductions shall
33 be made uniformly among categories of
34 services and geographic regions of the
35 state, to the extent practicable, and
36 shall be made uniformly within a category
37 of service, to the extent practicable,
38 except where the commissioner determines
39 that there are sufficient grounds for
40 non-uniformity, including but not limited
41 to: the extent to which specific catego-
42 ries of services contributed to department
43 of health medicaid state funds spending in
44 excess of the limits specified herein; the
45 need to maintain safety net services in
46 underserved communities; or the potential
47 benefits of pursuing innovative payment
48 models contemplated by the Affordable Care
49 Act, in which case such grounds shall be
50 set forth in the medicaid savings allo-
51 cation adjustment; and (5) reductions
52 shall be made in a manner that does not

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2024-25

1 unnecessarily create administrative
2 burdens to medicaid applicants and recipi-
3 ents or providers.

4 The commissioner shall seek the input of the
5 legislature, as well as organizations
6 representing health care providers,
7 consumers, businesses, workers, health
8 insurers, and others with relevant exper-
9 tise, in developing such medicaid savings
10 allocation adjustment, to the extent that
11 all or part of such adjustment, in the
12 discretion of the commissioner, is likely
13 to have a material impact on the overall
14 medicaid program, particular categories of
15 service or particular geographic regions
16 of the state.

17 (a) The commissioner shall post the medicaid
18 savings allocation adjustment on the
19 department of health's website and shall
20 provide written copies of such plan to the
21 chairs of the senate finance and the
22 assembly ways and means committees at
23 least 30 days before the date on which
24 implementation is expected to begin.

25 (b) The commissioner may revise the medicaid
26 savings allocation adjustment subsequent
27 to the provisions of notice and prior to
28 implementation but needs to provide a new
29 notice pursuant to subparagraph (i) of
30 this paragraph only if the commissioner
31 determines, in his or her discretion, that
32 such revisions materially alter the plan.

33 Notwithstanding the provisions of paragraphs
34 (a) and (b) of this subdivision, the
35 commissioner need not seek the input
36 described in paragraph (a) of this subdi-
37 vision or provide notice pursuant to para-
38 graph (b) of this subdivision if, in the
39 discretion of the commissioner, expedited
40 development and implementation of a medi-
41 caid savings allocation adjustment is
42 necessary due to a public health emergen-
43 cy.

44 For purposes of this section, a public
45 health emergency is defined as: (i) a
46 disaster, natural or otherwise, that
47 significantly increases the immediate need
48 for health care personnel in an area of
49 the state; (ii) an event or condition that
50 creates a widespread risk of exposure to a
51 serious communicable disease, or the
52 potential for such widespread risk of

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2024-25

1 exposure; or (iii) any other event or
2 condition determined by the commissioner
3 to constitute an imminent threat to public
4 health.

5 Nothing in this paragraph shall be deemed to
6 prevent all or part of such medicaid
7 savings allocation adjustment from taking
8 effect retroactively to the extent permit-
9 ted by the federal centers for medicare
10 and medicaid services.

11 In accordance with the medicaid savings
12 allocation adjustment, the commissioner of
13 the department of health shall reduce
14 department of health state funds medicaid
15 spending by the amount of the projected
16 overspending through, actions including,
17 but not limited to modifying or suspending
18 reimbursement methods, including but not
19 limited to all fees, premium levels and
20 rates of payment, notwithstanding any
21 provision of law that sets a specific
22 amount or methodology for any such
23 payments or rates of payment; modifying
24 medicaid program benefits; seeking all
25 necessary federal approvals, including,
26 but not limited to waivers, waiver amend-
27 ments; and suspending time frames for
28 notice, approval or certification of rate
29 requirements, notwithstanding any
30 provision of law, rule or regulation to
31 the contrary, including but not limited to
32 sections 2807 and 3614 of the public
33 health law, section 18 of chapter 2 of the
34 laws of 1988, and 18 NYCRR 505.14(h).

35 The department of health shall prepare a
36 quarterly report that sets forth: (a)
37 known and projected department of health
38 medicaid expenditures as described in
39 subdivision (1) of this section, and
40 factors that could result in medicaid
41 disbursements for the relevant state
42 fiscal year to exceed the projected
43 department of health state funds disburse-
44 ments in the enacted budget financial plan
45 pursuant to subdivision 3 of section 23 of
46 the state finance law, including spending
47 increases or decreases due to: enrollment
48 fluctuations, rate changes, utilization
49 changes, MRT investments, and shift of
50 beneficiaries to managed care; and vari-
51 ations in offline medicaid payments; and
52 (b) the actions taken to implement any

medicaid savings allocation adjustment
implemented pursuant to subdivision (4) of
this section, including information
concerning the impact of such actions on
each category of service and each
geographic region of the state. Each such
quarterly report shall be provided to the
chairs of the senate finance and the
assembly ways and means committees and
shall be posted on the department of
health's website in a timely manner.

For the purpose of making payments to

1 natural or other type of disaster, including a governmental declara-
2 tion of emergency.

3 The director of the budget, in consultation with the commissioner of
4 health, shall assess on a quarterly basis known and projected medi-
5 caid expenditures by category of service and by geographic region,
6 as defined by the commissioner, incurred both prior to and subse-
7 quent to such assessment for each such period, and if the director
8 of the budget determines that such expenditures are expected to
9 cause medicaid spending for such period to exceed the aggregate
10 limit specified herein for such period, the state medicaid director,
11 in consultation with the director of the budget and the commissioner
12 of health, shall develop a medicaid savings allocation adjustment to
13 limit such spending to the aggregate limit specified herein for such
14 period.

15 Such medicaid savings allocation adjustment shall be designed, to
16 reduce the expenditures authorized by the appropriations herein in
17 compliance with the following guidelines: (1) reductions shall be
18 made in compliance with applicable federal law, including the
19 provisions of the Patient Protection and Affordable Care Act, Public
20 Law No. 111-148, and the Health Care and Education Reconciliation
21 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
22 Act") and any subsequent amendments thereto or regulations promul-
23 gated thereunder; (2) reductions shall be made in a manner that
24 complies with the state medicaid plan approved by the federal
25 centers for medicare and medicaid services, provided, however, that
26 the commissioner of health is authorized to submit any state plan
27 amendment or seek other federal approval, including waiver authori-
28 ty, to implement the provisions of the medicaid savings allocation
29 adjustment that meets the other criteria set forth herein; (3)
30 reductions shall be made in a manner that maximizes federal finan-
31 cial participation, to the extent practicable, including any federal
32 financial participation that is available or is reasonably expected
33 to become available, in the discretion of the commissioner, under
34 the Affordable Care Act; (4) reductions shall be made uniformly
35 among categories of services and geographic regions of the state, to
36 the extent practicable, and shall be made uniformly within a cate-
37 gory of service, to the extent practicable, except where the commis-
38 sioner determines that there are sufficient grounds for non-uniform-
39 ity, including but not limited to: the extent to which specific
40 categories of services contributed to department of health medicaid
41 state funds spending in excess of the limits specified herein; the
42 need to maintain safety net services in underserved communities; or
43 the potential benefits of pursuing innovative payment models contem-
44 plated by the Affordable Care Act, in which case such grounds shall
45 be set forth in the medicaid savings allocation adjustment; and (5)
46 reductions shall be made in a manner that does not unnecessarily
47 create administrative burdens to medicaid applicants and recipients
48 or providers.

49 The commissioner shall seek the input of the legislature, as well as
50 organizations representing health care providers, consumers, busi-
51 nesses, workers, health insurers, and others with relevant exper-

1 the extent that all or part of such adjustment, in the discretion of
2 the commissioner, is likely to have a material impact on the overall
3 medicaid program, particular categories of service or particular
4 geographic regions of the state.

5 (a) The commissioner shall post the medicaid savings allocation
6 adjustment on the department of health's website and shall provide
7 written copies of such adjustment to the chairs of the senate
8 finance and the assembly ways and means committees at least 30 days
9 before the date on which implementation is expected to begin.

10 (b) The commissioner may revise the medicaid savings allocation
11 adjustment subsequent to the provisions of notice and prior to
12 implementation but needs to provide a new notice pursuant to subpar-
13 agraph (i) of this paragraph only if the commissioner determines, in
14 his or her discretion, that such revisions materially alter the
15 adjustment.

16 Notwithstanding the provisions of paragraphs (a) and (b) of this
17 subdivision, the commissioner need not seek the input described in
18 paragraph (a) of this subdivision or provide notice pursuant to
19 paragraph (b) of this subdivision if, in the discretion of the
20 commissioner, expedited development and implementation of a medicaid
21 savings allocation adjustment is necessary due to a public health
22 emergency.

23 For purposes of this section, a public health emergency is defined as:

24 (i) a disaster, natural or otherwise, that significantly increases
25 the immediate need for health care personnel in an area of the
26 state; (ii) an event or condition that creates a widespread risk of
27 exposure to a serious communicable disease, or the potential for
28 such widespread risk of exposure; or (iii) any other event or condi-
29 tion determined by the commissioner to constitute an imminent threat
30 to public health.

31 Nothing in this paragraph shall be deemed to prevent all or part of
32 such medicaid savings allocation adjustment from taking effect
33 retroactively to the extent permitted by the federal centers for
34 medicare and medicaid services.

35 In accordance with the medicaid savings allocation adjustment, the
36 commissioner of the department of health shall reduce department of
37 health state funds medicaid spending by the amount of the projected
38 overspending through, actions including, but not limited to modify-
39 ing or suspending reimbursement methods, including but not limited
40 to all fees, premium levels and rates of payment, notwithstanding
41 any provision of law that sets a specific amount or methodology for
42 any such payments or rates of payment; modifying or discontinuing
43 medicaid program benefits; seeking all necessary federal approvals,
44 including, but not limited to waivers, waiver amendments; and
45 suspending time frames for notice, approval or certification of rate
46 requirements, notwithstanding any provision of law, rule or regu-
47 lation to the contrary, including but not limited to sections 2807
48 and 3614 of the public health law, section 18 of chapter 2 of the
49 laws of 1988, and 18 NYCRR 505.14(h).

50 The department of health shall prepare a quarterly report that sets
51 forth: (a) known and projected department of health medicaid expend-
52 itures as described in subdivision (1) of this section, and factors

2 fiscal year to exceed the projected department of health state funds
3 disbursements in the enacted budget financial plan pursuant to
4 subdivision 3 of section 23 of the state finance law, including
5 spending increases or decreases due to: enrollment fluctuations,
6 rate changes, utilization changes, MRT investments, and shift of
7 beneficiaries to managed care; and variations in offline medicaid
8 payments; and (b) the actions taken to implement any medicaid
9 savings allocation adjustment implemented pursuant to subdivision
10 (4) of this section, including information concerning the impact of
11 such actions on each category of service and each geographic region
12 of the state. Each such quarterly report shall be provided to the
13 chairs of the senate finance and the assembly ways and means commit-
14 tees and shall be posted on the department of health's website in a

2 limits may be adjusted by the director of the budget to account for
3 any changes in the New York state federal medical assistance
4 percentage amount established pursuant to the federal social securi-
5 ty act, increases in provider revenues, reductions in local social
6 services district payments for medical assistance administration,
7 minimum wage increases and beginning April 1, 2012 the operational
8 costs of the New York state medical indemnity fund, pursuant to
9 chapter 59 of the laws of 2011, and state costs or savings from the
10 essential plan program. Such projections may be adjusted by the
11 director of the budget to account for increased or expedited depart-
12 ment of health state funds medicaid expenditures as a result of a
13 natural or other type of disaster, including a governmental declara-
14 tion of emergency.

15 The director of the budget, in consultation with the commissioner of
16 health, shall assess on a quarterly basis known and projected medi-
17 caid expenditures by category of service and by geographic region,
18 as determined by the commissioner of health, incurred both prior to
19 and subsequent to such assessment for each such period, and if the
20 director of the budget determines that such expenditures are
21 expected to cause medicaid spending for such period to exceed the
22 aggregate limit specified herein for such period, the state medicaid
23 director, in consultation with the director of the budget and the
24 commissioner of health, shall develop a medicaid savings allocation
25 adjustment to limit such spending to the aggregate limit specified
26 herein for such period.

27 Such medicaid savings allocation adjustment shall be designed, to
28 reduce the expenditures authorized by the appropriations herein in
29 compliance with the following guidelines: (1) reductions shall be
30 made in compliance with applicable federal law, including the
31 provisions of the Patient Protection and Affordable Care Act, Public
32 Law No. 111-148, and the Health Care and Education Reconciliation
33 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
34 Act") and any subsequent amendments thereto or regulations promul-
35 gated thereunder; (2) reductions shall be made in a manner that
36 complies with the state medicaid plan approved by the federal
37 centers for medicare and medicaid services, provided, however, that
38 the commissioner of health is authorized to submit any state plan
39 amendment or seek other federal approval, including waiver authori-
40 ty, to implement the provisions of the medicaid savings allocation
41 adjustment that meets the other criteria set forth herein; (3)
42 reductions shall be made in a manner that maximizes federal finan-
43 cial participation, to the extent practicable, including any federal
44 financial participation that is available or is reasonably expected
45 to become available, in the discretion of the commissioner, under
46 the Affordable Care Act; (4) reductions shall be made uniformly
47 among categories of services and geographic regions of the state, to
48 the extent practicable, and shall be made uniformly within a catego-

50 sioner determines that there are sufficient grounds for non-uniform-

2 need to maintain safety net services in underserved communities; or
3 the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall
4 be set forth in the medicaid savings allocation adjustment; and (5)
5 reductions shall be made in a manner that does not unnecessarily
6 create administrative burdens to medicaid applicants and recipients
7 or providers. The commissioner shall seek the input of the legislature, as well as organizations representing health care providers,
8 consumers, businesses, workers, health insurers, and others with
9 relevant expertise, in developing such medicaid savings allocation
10 adjustment, to the extent that all or part of such adjustment, in
11 the discretion of the commissioner, is likely to have a material
12 impact on the overall medicaid program, particular categories of
13 service or particular geographic regions of the state.

16 (a) The commissioner shall post the medicaid savings allocation
17 adjustment on the department of health's website and shall provide
18 written copies of such plan to the chairs of the senate finance and
19 the assembly ways and means committees at least 30 days before the
20 date on which implementation is expected to begin.

21 (b) The commissioner may revise the medicaid savings allocation
22 adjustment subsequent to the provisions of notice and prior to
23 implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in
24 his or her discretion, that such revisions materially alter the
25 plan.

27 Notwithstanding the provisions of paragraphs (a) and (b) of this
28 subdivision, the commissioner need not seek the input described in
29 paragraph (a) of this subdivision or provide notice pursuant to
30 paragraph (b) of this subdivision if, in the discretion of the
31 commissioner, expedited development and implementation of a medicaid
32 savings allocation adjustment is necessary due to a public health
33 emergency.

34 For purposes of this section, a public health emergency is defined as:

35 (i) a disaster, natural or otherwise, that significantly increases
36 the immediate need for health care personnel in an area of the
37 state; (ii) an event or condition that creates a widespread risk of
38 exposure to a serious communicable disease, or the potential for
39 such widespread risk of exposure; or (iii) any other event or condition
40 determined by the commissioner to constitute an imminent threat
41 to public health.

42 Nothing in this paragraph shall be deemed to prevent all or part of
43 such medicaid savings allocation adjustment from taking effect
44 retroactively to the extent permitted by the federal centers for
45 medicare and medicaid services.

46 In accordance with the medicaid savings allocation adjustment, the
47 commissioner of the department of health shall reduce department of
48 health state funds medicaid spending by the amount of the projected
49 overspending through, actions including, but not limited to modifying
50 or suspending reimbursement methods, including but not limited
51 to all fees, premium levels and rates of payment, notwithstanding

7 public health law, section 18 of chapter 2 of the laws of 1988, and
8 18 NYCRR 505.14(h).

9 The department of health shall prepare a quarterly report that sets
10 forth: (a) known and projected department of health medicaid expend-
11 itures as described in subdivision (1) of this section, and factors
12 that could result in medicaid disbursements for the relevant state
13 fiscal year to exceed the projected department of health state funds
14 disbursements in the enacted budget financial plan pursuant to
15 subdivision 3 of section 23 of the state finance law, including
16 spending increases or decreases due to: enrollment fluctuations,
17 rate changes, utilization changes, MRT investments, and shift of
18 beneficiaries to managed care; and variations in offline medicaid
19 payments; and (b) the actions taken to implement any medicaid
20 savings allocation adjustment implemented pursuant to subdivision
21 (4) of this section, including information concerning the impact of
22 such actions on each category of service and each geographic region
23 of the state. Each such quarterly report shall be provided to the
24 chairs of the senate finance and the assembly ways and means commit-
25 tees and shall be posted on the department of health's website in a
26 timely manner.

28 ant to section 367-b of the social services law, and for payment of
29 state aid to municipalities where payment systems through fiscal
30 intermediaries are not operational, to reimburse such providers for
31 costs attributable to the provision of care to patients eligible for

39 28 of the public health law and deposited to this account less any
40 such amounts withheld pursuant to subdivision 21 of section 2807-c
41 of the public health law. Notwithstanding any inconsistent
42 provision of law, the moneys hereby appropriated may be increased or
43 decreased by interchange or transfer with any appropriation of the
44 department of health with the approval of the director of the budg-
45 et, who shall file such approval with the department of audit and
46 control and copies thereof with the chairman of the senate finance
47 committee and the chairman of the assembly ways and means committee.

48 Notwithstanding section 2807-k of the Public Health Law, or any incon-
49 sistent provision of law, and subject to the availability of federal

Annual distributions pursuant to such regulations for the 2023-2025 calendar years shall be in accord with the following: \$139,400,000 shall be distributed as Medicaid DSH payments to major general public hospitals, and \$969,900,000 shall be distributed as Medicaid DSH payments to eligible general hospitals, other than major public general hospitals, for each of the calendar years 2023-2025, provided that the total distributions to eligible general hospitals, other than major public general hospitals, shall be subject to a reduction of \$235,400,000 annually, and further provided that eligible general hospitals other than public general hospitals who qualify as enhanced safety net hospitals under section 2807-k of the public health law shall not be subject to such reduction.

Such reduction shall be determined by a methodology to be established by the department of health which may take into account the payor mix of each non-public general hospital, including the percentage of inpatient days paid by the medical assistance program.

For calendar years 2023-2025, eligible general hospitals other than major public general hospitals that qualify as enhanced safety net hospitals under sections 2087-c and section 2807-k of the public health law which experience a reduction in payments pursuant to section 2807-k of the public health law shall receive a distribution of \$64,600,000 annually proportional to the reduction experienced by the facility and pursuant to a methodology determined to the commissioner.

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 The appropriation made by chapter 53, section 1, of the laws of 2023, is
2 hereby amended and reappropriated to read:

3 Notwithstanding section 40 of the state finance law or any other law
4 to the contrary, all medical assistance appropriations made from
5 this account shall remain in full force and effect in accordance, in
6 the aggregate, with the following schedule: not more than 53 percent
7 for the period April 1, ~~2022~~ 2023 to March 31, ~~2023~~ 2024; and
8 the remaining amount for the period April 1, ~~2023~~ 2024 to March
9 31, ~~2024~~ 2025.

10 Notwithstanding section 40 of the state finance law or any provision
11 of law to the contrary, subject to federal approval, department of
12 health state funds medicaid spending, excluding payments for medical
13 services provided at state facilities operated by the office of
14 mental health, the office for people with developmental disabilities

24 ~~[\$59,130,651,000]~~ \$59,743,781,000 provided, however, such aggregate
25 limits may be adjusted by the director of the budget to account for
26 any changes in the New York state federal medical assistance
27 percentage amount established pursuant to the federal social securi-
28 ty act, increases in provider revenues, reductions in local social
29 services district payments for medical assistance administration,
30 minimum wage increases and beginning April 1, 2012 the operational
31 costs of the New York state medical indemnity fund, pursuant to
32 chapter 59 of the laws of 2011, and state costs or savings from the

36 other type of disaster, including a governmental declaration of
37 emergency.

38 The director of the budget, in consultation with the commissioner of
39 health, shall assess on a quarterly basis known and projected medi-
40 caid expenditures by category of service and by geographic region,
41 as determined by the commissioner of health, incurred both prior to
42 and subsequent to such assessment for each such period, and if the
43 director of the budget determines that such expenditures are
44 expected to cause medicaid spending for such period to exceed the
45 aggregate limit specified herein for such period, the state medicaid
46 director, in consultation with the director of the budget and the
47 commissioner of health, shall develop a medicaid savings allocation
48 adjustment to limit such spending to the aggregate limit specified

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such plan to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

10 exposure to a serious communicable disease, or the potential for
11 such widespread risk of exposure; or (iii) any other event or condi-
12 tion determined by the commissioner to constitute an imminent threat

30 contrary, including but not limited to sections 2807 and 3614 of the
31 public health law, section 18 of chapter 2 of the laws of 1988, and
32 18 NYCRR 505.14(h).

33 The department of health shall prepare a quarterly report that sets
34 forth: (a) known and projected department of health medicaid expend-
