33 hearing.

34 (b) Unless the court orders otherwise, a temporary closing order
35 together with the papers upon which it was based and a notice of hearing
36 for the preliminary injunction shall be personally served, in the same
37 manner as a summons as provided in the civil practice law and rules.

38 ~~(c) [A temporary closing order shall only be issued prior to a hearing~~
39 ~~on a preliminary injunction if the building or premises is used for~~
40 ~~commercial purposes only.]~~

41 ~~(d)]~~ No temporary closing order shall be issued against any building
42 or premises where, in addition to the unlicensed activity which is
43 alleged, activity that is licensed or otherwise lawful remains in place
44 and the unlicensed activity is merely a de minimis part of the business.
45 In assessing whether unlicensed activity within a building or premises
46 is more than de minimis, the court shall consider such factors as: (i)
47 the presence of signs or symbols, indoors or out, advertising unlicensed
48 activity or otherwise indicating that cannabis is sold on the premises;
49 (ii) information shared in any advertisements or other marketing
50 content, including but not limited to social media, in connection with
51 the unlicensed activity; (iii) the layout of the business with regard to
52 lawful and unlicensed activities occurring on the premises; and (iv) an

4 injunction alleging unlicensed activity as described in this section in
5 a building or premises used for commercial purposes, the office or the
6 attorney general demonstrates by clear and convincing evidence that such
7 unlicensed activity is being conducted, maintained, or permitted and
8 that the public health, safety, or welfare immediately requires a tempo-
9 rary restraining order, a temporary restraining order may be granted
10 without notice restraining the defendants and all persons from removing
11 or in any manner interfering with the furniture, fixtures and movable
12 property used in conducting, maintaining or permitting such unlicensed
13 activity, including [~~adult-use~~] cannabis, cannabis product, cannabinoid
14 hemp or hemp extract product, or any product marketed or labeled as such
15 and from further conducting, maintaining or permitting such unlicensed
16 activity, pending order of the court granting or refusing the prelimi-
17 nary injunction and until further order of the court. Upon granting a
18 temporary restraining order, the court shall direct the holding of a
19 hearing for the preliminary injunction at the earliest possible time but
20 no later than three business days from the granting of such order; a
21 decision on the motion for a preliminary injunction shall be rendered by
22 the court within [~~three business~~] thirty calendar days after the conclu-
23 sion of the hearing.

24 (b) Unless the court orders otherwise, a temporary restraining order
25 and the papers upon which it was based and a notice of hearing for the
26 preliminary injunction shall be personally served, in the same manner as
27 a summons as provided in the civil practice law and rules, upon any
28 agent, employee, or other representative of the defendant business pres-
29 ent at the time the temporary restraining order is effectuated.

30 5. Temporary closing order; temporary restraining order; additional
31 enforcement procedures. (a) If on a motion for a preliminary injunction,
32 the office of cannabis management or the attorney general submits
33 evidence warranting both a temporary closing order and a temporary
34 restraining order, the court shall grant both orders.

35 (b) Upon the request of the office, any police officer or peace offi-
36 cer with jurisdiction may assist in the enforcement of a temporary clos-
37 ing order and temporary restraining order. Any reference to police offi-
38 cer or peace officer in this subdivision and subdivisions six and seven
39 of this section shall also include any investigator employed by the
40 office of the attorney general.

41 (c) The police officer or peace officer serving a temporary closing
42 order or a temporary restraining order shall forthwith make and return
43 to the court an inventory of personal property situated in and used in
44 conducting, maintaining, or permitting the unlicensed activity within
45 the scope of this chapter and shall enter upon the building or premises
46 for such purpose. Such inventory shall be taken in any manner which is
47 deemed likely to evidence a true and accurate representation of the
48 personal property subject to such inventory including, but not limited
49 to photographing such personal property, except that any cash found on
50 the premises during such inventory shall be inventoried, seized, and
51 secured off premises pending further order of the court. Any police
52 officer or peace officer, or any representative of the office, shall be
53 permitted to review and copy records, including electronic records
54 stored on cloud platforms.

55 (d) The police officer or peace officer serving a temporary closing
56 order shall, upon service of the order, command all persons present in

1 the building or premises to vacate the premises forthwith. Upon the
2 building or premises being vacated, the premises shall be securely
3 locked and all keys delivered to the officer serving the order who there-
4 after ~~[shall]~~ may deliver the keys to the fee owner, lessor, or lessee
5 of the building or premises involved. If the fee owner, lessor, or
6 lessee is not at the building or premises when the order is being
7 executed, the officer shall securely padlock the premises and retain the
8 keys until the fee owner, lessor, or lessee of the building is ascer-
9 tained, in which event, the officer ~~[shall]~~ may deliver the keys to such
10 owner, lessor, or lessee or retain them pending further order of the
11 court.

12 (e) Upon service of a temporary closing order or a temporary restrain-
13 ing order, the police officer or peace officer shall post a copy thereof
14 in a conspicuous place or upon one or more of the principal doors at
15 entrances of such premises where the unlicensed activity is being
16 conducted, maintained, or permitted. In addition, where a temporary
17 closing order has been granted, the officer shall affix, in a conspicu-
18 ous place or upon one or more of the principal doors at entrances of
19 such premises, a printed notice that the premises have been closed by
20 court order, which notice shall contain the legend "closed by court
21 order" in block lettering of sufficient size to be observed by anyone
22 intending or likely to enter the premises, the date of the order, the
23 court from which issued, and the name of the officer or agency posting
24 the notice. In addition, where a temporary restraining order has been
25 granted, the police officer or peace officer shall affix, in the same
26 manner, a notice similar to the notice provided for in relation to a
27 temporary closing order except that the notice shall state that certain
28 described activity is prohibited by court order and that removal of
29 property is prohibited by court order. Mutilation or removal of such a
30 posted order or such a posted notice while it remains in force, in addi-
31 tion to any other punishment prescribed by law, shall be punishable, on
32 conviction, by a fine of not more than five thousand dollars or by
33 imprisonment not exceeding ninety days, or by both, provided such order
34 or notice contains therein a notice of such penalty. Any police officer
35 or peace officer with jurisdiction may, upon the request of the office,
36 assist in the enforcement of this section.

37 6. Temporary closing order; temporary restraining order; defendant's
38 remedies. (a) A temporary closing order or a temporary restraining order
39 ~~[shall]~~ may be vacated, upon notice to the office and to any county
40 attorney, corporation counsel, or local government that may have been
41 authorized pursuant to subdivision eight of this section to bring and
42 maintain the proceeding in accordance with the procedures set forth in
43 this section, if ~~[the]~~ a defendant who is the fee owner, lessor, or
44 lessee of the building or premises shows by affidavit and such other
45 proof as may be submitted that the unlicensed activity within the scope
46 of this chapter has been abated and that they are also not affiliated
47 with the person who is conducting the unlicensed activity. An order
48 vacating a temporary closing order or a temporary restraining order
49 shall include a provision authorizing the office, or any county attor-
50 ney, corporation counsel, or local government, as applicable, to inspect
51 the building or premises which is the subject of a proceeding pursuant
52 to this subdivision, periodically without notice, during the pendency of
53 the proceeding for the purpose of ascertaining whether or not the unli-
54 censed activity has been resumed. Any police officer or peace officer
55 with jurisdiction may, upon the request of the office, assist in the

1 enforcement of an inspection provision of an order vacating a temporary
2 closing order or temporary restraining order.

3 (b) A temporary closing order or a temporary restraining order may be
4 vacated by the court, upon notice to the office, or any county attorney,
5 corporation counsel, or local government, as applicable, when ~~[the]~~ a
6 defendant entitled to request vacatur pursuant to paragraph (a) of this
7 subdivision gives an undertaking and the court is satisfied that the
8 public health, safety, or welfare will be protected adequately during
9 the pendency of the proceeding. The undertaking shall be in an amount
10 equal to the assessed valuation of the building or premises where the
11 unlicensed activity is being conducted, maintained, or permitted or in
12 such other amount as may be fixed by the court. The defendant shall pay
13 to the office and the attorney general, in the event a judgment of
14 permanent injunction is obtained, their actual costs, expenses and
15 disbursements in bringing and maintaining the proceeding. In addition,
16 the defendant shall pay to the local government or law enforcement agen-
17 cy that provided assistance in enforcing any order of the court issued
18 pursuant to a proceeding brought under this section, its actual costs,
19 expenses and disbursements in assisting with the enforcement of the
20 proceeding.

21 7. Permanent injunction. (a) A judgment awarding a permanent injunc-

23 cannabis product, cannabinoid hemp or hemp extract product, or any prod-

25 office of cannabis management or their authorized representative. The
26 judgment may further direct any police officer or peace officer with
27 jurisdiction to seize and remove from the building or premises all mate-
28 rial, equipment, and instrumentalities used in the creation and mainte-
29 nance of the unlicensed activity and shall direct the sale by the sher-

41 abate the unlicensed activity and shall direct any police officer or
42 peace officer with jurisdiction to post a copy of the judgment and a
43 printed notice of such closing conforming to the requirements of this
44 chapter. The closing directed by the judgment shall be for such period
45 as the court may direct but in no event shall the closing be for a peri-
46 od of more than one year from the posting of the judgment provided for
47 in this section. If the owner shall file a bond in the value of the
48 property ordered to be closed and submits proof to the court that the
49 unlicensed activity has been abated and will not be created, maintained,
50 or permitted for such period of time as the building or premises has
51 been directed to be closed in the judgment, and also submits proof that
52 they are also not affiliated with the person who is conducting the unli-

54 that direct the closing of the building or premises. A closing by a
55 police officer or peace officer with jurisdiction pursuant to the
56 provisions of this section shall not constitute an act of possession,

1 ownership, or control by such police officer or peace officer of the
2 closed premises.

3 (c) Upon the request of the office of cannabis management or its
4 authorized representative, or any county attorney, corporation counsel,
5 or local government authorized pursuant to subdivision eight of this
6 section to bring and maintain a civil proceeding in accordance with the
7 procedures set forth in this section, any police officer or peace offi-

23 county attorney, corporation counsel, or local government authorized
24 pursuant to subdivision eight of this section to bring and maintain a
25 civil proceeding in accordance with the procedures set forth in this
26 section, in bringing and maintaining the proceeding.

31 management grants permission in writing, bring and maintain a civil

33 premises is located to permanently enjoin the unlicensed activity
34 described in this section and the person or persons conducting or main-

36 forth in this section. The office shall be permitted to intervene as of
37 right in any such proceeding. Any such governmental entity which obtains
38 a permanent injunction pursuant to this chapter shall be awarded, in
39 addition to the costs and disbursements allowed by the civil practice
40 law and rules, upon satisfactory proof by affidavit or such other

43 this section and the actual costs, expenses and disbursements in bring-
44 ing and maintaining the proceeding. The authority provided by this
45 subdivision shall be in addition to, and shall not be deemed to diminish

34 read as follows:

35 § 138-b. Orders to seal. 1. In addition to any other authority
36 conferred in this chapter, pursuant to the provisions of this section,
37 the board or the office shall have the authority to seal the building or
38 premises, including the storage facility, of any businesses engaged in
39 unlicensed activity, when such activity is conducted, maintained, or
40 permitted in such building or premises, occupied as a place of business
41 as described in subdivision eight of section ten of this chapter, in
42 violation of subdivision one or one-a of section one hundred twenty-five
43 or subdivisions one or eight of section one hundred thirty-two of this
44 article.

45 2. Upon service of a notice of violation and order requiring immediate
46 cessation of unlicensed activity pursuant to section one hundred thir-
47 ty-eight-a of this article, the office may issue an order to seal any
48 building or premises involved in the unlicensed activity in accordance
49 with subdivision one of this section. Such order to seal shall be served
50 and posted in accordance with the provisions of this chapter and regu-
51 lations promulgated by the board, shall be made effective on the
52 fifteenth calendar day after the delivery and posting of such order, and
53 shall contain notice of the right to request a hearing within fourteen
54 days of delivery and posting of such order to seal. If a hearing is
55 requested within such fourteen-day period, the order shall be effective
56 as set forth in the determination of the board or their designee. If no

1 hearing is requested within such fourteen-day period, the order shall be
2 effective as noticed on the order.

3 3. Notwithstanding the provisions of subdivision two of this section,
4 the office may issue an order to seal with an immediate effective date
5 if such order is based upon a finding by the office of an imminent
6 threat to the public health or safety. In such cases a hearing shall be
7 held within three business days of a request for such hearing, unless
8 otherwise adjourned by agreement of the parties, and a determination
9 shall be rendered within four business days of the conclusion of such
10 hearing.

11 4. The finding of whether an imminent threat to the public health or
12 safety exists shall be based on factors that include but are not limited
13 to:

14 (a) documented sales to minors;

15 (b) unlicensed processing of cannabis products at the building or
16 premises;

17 (c) sales of products grown, processed, or packaged in another state,
18 or labeled as such;

19 (d) orders issued following issuance of an order by a court to inspect
20 the building or premises;

21 (e) orders issued following an inspection wherein the person engaged
22 in the unlicensed activity engaged in violent, tumultuous, or other
23 behaviors indicating expressed intent to not comply with the office's
24 order to cease the unlicensed activity;

25 (f) documented presence of unlawful firearms at the building or prem-
26 ises;

27 (g) proximity of the building or premises to locations such as
28 schools, houses of worship, or public youth facilities; or

29 (h) other factors that the board may establish by rule or regulation
30 pursuant to the state administrative procedure act.

31 Such orders to seal shall be served in the same manner as the notice
32 of violation and order to cease unlicensed activity.

33 5. Notwithstanding the factors listed in subdivision four of this
34 section, the office may issue an order to seal with an immediate effec-
35 tive date upon a second, third, or fourth inspection in which unlicensed
36 activity is confirmed to be continuing more than ten calendar days after
37 a notice of violation and order to cease unlicensed activity was previ-
38 ously issued by the office.

39 6. An order to seal may be issued by the office or the board pursuant
40 to subdivision three of this section only if: (a) no part of the build-
41 ing or premises to be sealed is used in part as a residence and pursuant
42 to local law or ordinance is zoned and lawfully occupied as a residence;
43 and (b) the unlicensed activity as described in this section is more
44 than a de minimis part of the business activity on the premises or in
45 the building to be sealed pursuant to the order.

46 7. In assessing whether unlicensed activity within a building or prem-
47 ises is more than de minimis, the office or board, as relevant, shall
48 consider such factors as:

49 (a) the presence of signs or symbols, indoors or out, advertising the
50 sale of cannabis or otherwise indicating that cannabis is sold on the
51 premises;

52 (b) information shared in any advertisements or other marketing
53 content in connection with the unlicensed business and any direct or
54 indirect sales of cannabis or other conduct in violation of this chap-
55 ter; and

56 (c) an assessment of the volume of illicit cannabis products on site.

1 8. Upon a request by the office, any police officer or peace officer
2 with jurisdiction may assist in the enforcement of an order to seal
3 issued by the office or the board, in accordance with the following
4 procedures:

5 (a) The police officer or peace officer serving and executing the
6 order to seal shall forthwith make and return to the office an inventory
7 of personal property situated in and used in conducting, maintaining, or
8 permitting the unlicensed activity within the scope of this chapter and
9 shall enter upon the building or premises for such purpose. Such inven-
10 tory shall be taken in any manner which is deemed likely to evidence a
11 true and accurate representation of the personal property subject to
12 such inventory including, but not limited to photographing such personal
13 property.

14 (b) The police officer or peace officer serving and executing the
15 order to seal shall enter the building or premises and, upon service of
16 the order, command all persons present in the building or premises to
17 vacate the premises forthwith. Upon the building or premises being
18 vacated, the premises shall be securely locked and all keys delivered to
19 the officer serving the order who thereafter shall deliver the keys to
20 the fee owner, lessor, or lessee of the building or premises involved.
21 If the fee owner, lessor, or lessee is not at the building or premises
22 when the order is being executed, the officer shall securely padlock the
23 premises and retain the keys until the fee owner, lessor, or lessee of
24 the building is ascertained, in which event, the officer shall deliver
25 the keys to such fee owner, lessor, or lessee.

26 (c) Upon service and execution of the order to seal, the police offi-
27 cer or peace officer shall post a copy thereof in a conspicuous place or
28 upon one or more of the principal doors at entrances of such premises
29 where the unlicensed activity is being conducted, maintained, or permit-
30 ted. In addition, the officer shall affix, in a conspicuous place or
31 upon one or more of the principal doors at entrances of such premises, a
32 printed notice that the premises have been closed by order of the canna-
33 bis control board, and the name of the officer or agency posting the
34 notice.

35 (d) Mutilation or removal of such a posted order or such a posted
36 notice while it remains in force, in addition to any other punishment
37 prescribed by law, shall be punishable, on conviction, by a fine of not
38 more than five thousand dollars or by imprisonment not exceeding ninety
39 days, or by both, provided such order or notice contains therein a
40 notice of such penalty. Such penalty shall be enforced by the board or,
41 upon a request by the office, the office of the attorney general or by a
42 court of competent jurisdiction.

43 (e) Mutilation or removal of the secure padlock while the order to
44 seal remains in place shall be punishable, upon conviction, by a fine of
45 not more than twenty thousand dollars or by a class E felony, or both.

46 The office shall also adhere to these procedures when executing an
47 order to seal issued in accordance with this section.

48 9. Any order to seal issued by the office or the board shall be effec-
49 tive for one year from the posting of the judgment provided for in this
50 section. An order to seal may be vacated by the office or the board,
51 upon notice to the office, if the respondent shows by affidavit and such
52 other proof as may be submitted by the respondent that the unlicensed
53 activity has been abated. An order vacating a previously issued order to
54 seal shall include a provision authorizing the office, or any police
55 officer or peace officer who assisted with the execution of the order to
56 seal, to inspect the building or premises periodically without notice

1 for the purpose of ascertaining whether or not the unlicensed activity
2 has been resumed. Any police officer or peace officer with jurisdiction
3 may, upon the request of the office, assist in the enforcement of an
4 inspection provision of an order vacating an order to seal.

5 10. The office shall mail a copy, by certified mail, of any order to
6 seal issued by the office or board within five days following issuance
7 of such order to the person in whose name the real estate affected by
8 the order is recorded in the office of the city register or the county
9 clerk, as the case may be, who shall be presumed to be the owner there-
10 of. Such mailing shall constitute notice to the owner and shall be
11 deemed to be complete upon such mailing by the office as provided above.

12 11. If at any time a respondent vacates the building or premises
13 subject to an order to seal issued by the office or board, or if the
14 building owner provides sufficient proof thereof, any action or proceed-
15 ing filed in accordance with these procedures relating to such building
16 or premises may be withdrawn by the office or the board without preju-
17 dice, and any order to seal may be vacated.

18 12. The remedies provided for in this section are not exclusive and
19 the office or board may also request and recover penalties in accordance
20 with other provisions in this chapter.

21 § 13. This act shall take effect immediately and shall apply to
22 offenses committed on or after the date this act shall have become a
23 law; provided, however that the amendments to section 16-a of the canna-
24 bis law made by section four of this act shall not affect the repeal of
25 such section and shall be deemed repealed therewith.

7 as required for the city of New York; and

8 (f) use of any such contiguous or non-contiguous municipal public

30 order to active duty) in the armed forces of the United States; or (d)
31 for an employee to receive prenatal care during the employee's
32 pregnancy.

33 § 2. Section 201 of the workers' compensation law is amended by adding
34 a new subdivision 25 to read as follows:

35 25. "Prenatal care" means the health care received by an employee
36 during pregnancy related to such pregnancy. Prenatal care includes phys-
37 ical exams, monitoring and testing as well as discussions with a health
38 care provider related to the pregnancy.

39 § 3. Paragraph (a) of subdivision 2 of section 204 of the workers'
40 compensation law, as added by section 5 of part SS of chapter 54 of the
41 laws of 2016, is amended to read as follows:

42 (a) The weekly benefit for family leave that occurs (i) on or after
43 January first, two thousand eighteen shall not exceed eight weeks during
44 any fifty-two week calendar period and shall be fifty percent of the
45 employee's average weekly wage but shall not exceed fifty percent of the
46 state average weekly wage, (ii) on or after January first, two thousand
47 nineteen shall not exceed ten weeks during any fifty-two week calendar
48 period and shall be fifty-five percent of the employee's average weekly
49 wage but shall not exceed fifty-five percent of the state average weekly
50 wage, (iii) on or after January first, two thousand twenty shall not
51 exceed ten weeks during any fifty-two week calendar period and shall be
52 sixty percent of the employee's average weekly wage but shall not exceed
53 sixty percent of the state average weekly wage, and (iv) on or after
54 January first of each succeeding year, shall not exceed twelve weeks

1 during any fifty-two week calendar period and shall be sixty-seven
2 percent of the employee's average weekly wage but shall not exceed
3 sixty-seven percent of the New York state average weekly wage in effect.
4 On or after January first, two thousand twenty-five, the benefit for
5 prenatal care shall not exceed forty hours during any fifty-two week
6 calendar period and such leave for prenatal care may be taken in hourly
7 increments and in addition to any other family leave benefits the
8 employee may be eligible for during the same fifty-two week period. The
9 superintendent of financial services shall have discretion to delay the
10 increases in the family leave benefit level provided in subparagraphs
11 (ii), (iii), and (iv) of this paragraph by one or more calendar years.
12 In determining whether to delay the increase in the family leave benefit
13 for any year, the superintendent of financial services shall consider:
14 (1) the current cost to employees of the family leave benefit and any
15 expected change in the cost after the benefit increase; (2) the current
16 number of insurers issuing insurance policies with a family leave bene-
17 fit and any expected change in the number of insurers issuing such poli-
18 cies after the benefit increase; (3) the impact of the benefit increase
19 on employers' business and the overall stability of the program to the
20 extent that information is readily available; (4) the impact of the
21 benefit increase on the financial stability of the disability and family
22 leave insurance market and carriers; and (5) any additional factors that
23 the superintendent of financial services deems relevant. If the super-
24 intendent of financial services delays the increase in the family leave
25 benefit level for one or more calendar years, the family leave benefit
26 level that shall take effect immediately following the delay shall be
27 the same benefit level that would have taken effect but for the delay.
28 The weekly benefits for family leave that occurs on or after January
29 first, two thousand eighteen shall not be less than one hundred dollars
30 per week except that if the employee's wages at the time of family leave
31 are less than one hundred dollars per week, the employee shall receive
32 his or her full wages. Benefits may be payable to employees for paid
33 family leave taken intermittently or for less than a full work week in
34 increments of one full day or one fifth of the weekly benefit. Notwith-
35 standing the foregoing, family leave benefits under paragraph (d) of
36 subdivision fifteen of section two hundred one of this article may be
37 payable to employees in hourly increments.

38 § 4. Section 205 of the workers' compensation law, as amended by
39 section 6 of part SS of chapter 54 of the laws of 2016, is amended to
40 read as follows:

41 § 205. Disabilities, family leave and periods for which benefits are
42 not payable. 1. No employee shall be entitled to disability benefits
43 under this article:

44 (a) For more than twenty-six weeks minus any days taken for family
45 leave during any fifty-two consecutive calendar weeks during a period of
46 fifty-two consecutive calendar weeks or during any one period of disa-
47 bility, or for more than twenty-six weeks; provided, however, that fami-
48 ly leave under paragraph (d) of subdivision fifteen of section two
49 hundred one of this article shall not reduce this amount;

50 (b) for any period of disability during which an employee is not under
51 the care of a duly licensed physician or with respect to disability
52 resulting from a condition of the foot which may lawfully be treated by
53 a duly registered and licensed podiatrist of the state of New York or
54 with respect to a disability resulting from a condition which may
55 lawfully be treated by a duly registered and licensed chiropractor of
56 the state of New York or with respect to a disability resulting from a

1 condition which may lawfully be treated by a duly licensed dentist of
2 the state of New York or with respect to a disability resulting from a
3 condition which may lawfully be treated by a duly registered and
4 licensed psychologist of the state of New York or with respect to a
5 disability resulting from a condition which may lawfully be treated by a
6 duly certified nurse midwife, for any period of such disability during
7 which an employee is neither under the care of a physician nor a podia-
8 trist, nor a chiropractor, nor a dentist, nor a psychologist, nor a
9 certified nurse midwife; and for any period of disability during which
10 an employee who adheres to the faith or teachings of any church or
11 denomination and who in accordance with its creed, tenets or principles
12 depends for healing upon prayer through spiritual means alone in the
13 practice of religion, is not under the care of a practitioner duly
14 accredited by the church or denomination, and provided such employee
15 shall submit to all physical examinations as required by this chapter.

16 2. No employee shall be entitled to family leave benefits under this
17 article:

18 (a) For more than twelve weeks, or the maximum duration permitted as
19 set forth in paragraph (a) of subdivision two of section two hundred
20 four of this article, during a period of fifty-two consecutive calendar
21 weeks, or for any period in which the family leave combined with the
22 disability benefits previously paid exceeds twenty-six weeks during the
23 same fifty-two consecutive calendar weeks; provided, however, that fami-
24 ly leave under paragraph (d) of subdivision fifteen of section two
25 hundred one of this article shall not reduce this amount;

26 (b) For any period of family leave wherein the notice and medical
27 certification as prescribed by the chair has not been filed. At the
28 discretion of the chair or chair's designee pursuant to section two
29 hundred twenty-one of this article, the family member who is the recipi-
30 ent of care may be required to submit to a physical examination by a
31 qualified health care provider. Such examination shall be paid for by
32 the carrier; and

33 (c) As a condition of an employee's initial receipt of family leave
34 benefits during any fifty-two consecutive calendar weeks in which an
35 employee is eligible for these benefits, an employer may offer an
36 employee who has accrued but unused vacation time or personal leave
37 available at the time of use of available family leave to choose whether
38 to charge all or part of the family leave time to accrued but unused
39 vacation or personal leave, and receive full salary, or to not charge
40 time to accrued but unused vacation or personal leave, and receive the
41 benefit as set forth in section two hundred four of this article. An
42 employer that pays full salary during a period of family leave may
43 request reimbursement in accordance with section two hundred thirty-sev-
44 en of this article. With the election of either option, the employee
45 shall receive the full protection of the reinstatement provision set
46 forth in section two hundred three-b of this article, and shall concur-
47 rently use available family medical leave act and paid family leave
48 credits. In no event can an employee utilize family leave beyond twelve
49 weeks, or the maximum duration permitted as set forth in paragraph (a)
50 of subdivision two of section two hundred four of this article, per any
51 fifty-two week period set forth in this article; provided, however, that
52 family leave under paragraph (d) of subdivision fifteen of section two
53 hundred one of this article shall not reduce this amount. This paragraph
54 may not be construed in a manner that relieves an employer of any duty
55 of collective bargaining the employer may have with respect to the
56 subject matter of this paragraph.

1 3. No employee shall be entitled to disability or family leave bene-
2 fits under this article:

3 (a) for any disability occasioned by the wilful intention of the
4 employee to bring about injury to or the sickness of himself or another,
5 or resulting from any injury or sickness sustained in the perpetration
6 by the employee of an illegal act;

7 (b) for any day of disability or family leave during which the employ-
8 ee performed work for remuneration or profit; provided, however, that
9 family leave under paragraph (d) of subdivision fifteen of section two
10 hundred one of this article may be taken in hourly increments;

11 (c) for any day of disability or family leave for which the employee
12 is entitled to receive from his or her employer, or from a fund to which
13 the employer has contributed, remuneration or maintenance in an amount
14 equal to or greater than that to which he or she would be entitled under
15 this article; but any voluntary contribution or aid which an employer
16 may make to an employee or any supplementary benefit paid to an employee
17 pursuant to the provisions of a collective bargaining agreement or from
18 a trust fund to which contributions are made pursuant to the provisions
19 of a collective bargaining agreement shall not be considered as contin-
20 ued remuneration or maintenance for this purpose;

21 (d) for any period in respect to which such employee is subject to
22 suspension or disqualification of the accumulation of unemployment
23 insurance benefit rights, or would be subject if he or she were eligible
24 for such benefit rights, except for ineligibility resulting from the
25 employee's disability;

26 (e) for any disability due to any act of war, declared or undeclared;

27 (f) for any disability or family leave commencing before the employee
28 becomes eligible to benefits under this section.

29 4. An employee may not collect benefits concurrently under both subdi-
30 visions one and two of this section.

31 5. In any case in which the necessity for family leave is foreseeable
32 based on an expected birth or placement, the employee shall provide the
33 employer with not less than thirty days notice before the date the leave
34 is to begin, of the employee's intention to take family leave under this
35 article, except that if the date of the birth or placement requires
36 leave to begin in less than thirty days, the employee shall provide such
37 notice as is practicable. In any case in which the necessity for family
38 leave is foreseeable based on planned medical treatment, the employee
39 shall provide the employer with not less than thirty days notice, before
40 the date the leave is to begin, of the employees intention to take fami-
41 ly leave under this article, except that if the date of the treatment
42 requires leave to begin in less than thirty days, the employee shall
43 provide such notice as is practicable.

44 § 5. Paragraph (d) of subdivision 3 of section 206 of the workers'
45 compensation law, as added by section 7 of part SS of chapter 54 of the
46 laws of 2016, is amended to read as follows:

47 (d) With the exception of leave for prenatal care which may be taken
48 in hourly increments, for any day in which claimant works at least part
49 of that day for remuneration or profit for the covered employer or for
50 any other employer while working for remuneration or profit, for him or
51 herself, or another person or entity, during the same or substantially
52 similar working hours as those of the covered employer from which family
53 leave benefits are claimed, except that occasional scheduling adjust-
54 ments with respect to secondary employments shall not prevent receipt of
55 family leave benefits.

§ 6. Subdivision 1 of section 208 of the workers' compensation law, as amended by section 9 of part SS of chapter 54 of the laws of 2016, is amended to read as follows:

1. Benefits provided under this article shall be paid periodically and promptly and, except as to a contested period of disability or family leave, without any decision by the board, or designee of the chair pursuant to section two hundred twenty-one of this article. The first payment of benefits shall be due on the fourteenth day of disability or family leave and benefits for that period shall be paid directly to the employee within four business days thereafter or within four business days after the filing of required proof of claim, whichever is the later. Family leave benefits for prenatal care may be paid in hourly installments or, upon election of the employer or insurance carrier and upon notice to the employee at the time of the request for such family leave, in an aggregate payment that corresponds to the hours in the employee's regular workday upon submission of proof of leave for prenatal care for such hours and within fourteen days of the last hourly increment and four business days after such submission. If the employer or carrier rejects an initial claim for family leave benefits, the employer or carrier must notify the employee in a manner prescribed by the chair within eighteen days of filing of the proof of claim. Failure to timely reject shall constitute a waiver of objection to the family leave claim. Thereafter benefits shall be due and payable bi-weekly in like manner. The chair or chair's designee, pursuant to section two hundred twenty-one of this article, may determine that benefits may be paid monthly or semi-monthly if wages were so paid, and may authorize deviation from the foregoing requirements to facilitate prompt payment of benefits. Any inquiry which requires the employee's response in order to continue benefits uninterrupted or unmodified shall provide a reasonable time period in which to respond and include a clear and prominent statement of the deadline for responding and consequences of failing to respond.

§ 7. Subdivision 1 of section 217 of the workers' compensation law, as amended by section 16 of part SS of chapter 54 of the laws of 2016, is amended to read as follows:

1. Written notice and proof of disability or proof of need for family leave shall be furnished to the employer by or on behalf of the employee claiming benefits or, in the case of a claimant under section two hundred seven of this article, to the chair, within thirty days after commencement of the period of disability or family leave, or for family leave for prenatal care within thirty days of the last hour for such leave period as prescribed in subdivision one of section two hundred eight of this article. Additional proof shall be furnished thereafter from time to time as the employer or carrier or chair may require but not more often than once each week. Such proof shall include a statement of disability by the employee's attending physician or attending podiatrist or attending chiropractor or attending dentist or attending psychologist or attending certified nurse midwife or family leave care recipient's health care provider, or in the case of an employee who adheres to the faith or teachings of any church or denomination, and who in accordance with its creed, tenets or principles depends for healing upon prayer through spiritual means alone in the practice of religion, by an accredited practitioner, containing facts and opinions as to such disability in compliance with regulations of the chair. Failure to furnish notice or proof within the time and in the manner above provided shall not invalidate the claim but no benefits shall be required to be

1 paid for any period more than two weeks prior to the date on which the
2 required proof is furnished unless it shall be shown to the satisfaction
3 of the chair not to have been reasonably possible to furnish such notice
4 or proof and that such notice or proof was furnished as soon as possi-
5 ble; provided, however, that no benefits shall be paid unless the
6 required proof of disability is furnished within the period of actual
7 disability or family leave that does not exceed the statutory maximum
8 period permitted under section two hundred four of this article. No
9 limitation of time provided in this section shall run as against any
10 disabled employee who is mentally incompetent, or physically incapable
11 of providing such notice as a result of a serious medical condition, or
12 a minor so long as such person has no guardian of the person and/or
13 property.

14 § 8. This act shall take effect January 1, 2025.

11 The superintendent of financial services shall have discretion to delay
12 the increases in the family leave benefit level provided in subpara-
13 graphs (ii), (iii), and (iv) of this paragraph by one or more calendar
14 years. In determining whether to delay the increase in the family leave
15 benefit for any year, the superintendent of financial services shall
16 consider: (1) the current cost to employees of the family leave benefit
17 and any expected change in the cost after the benefit increase; (2) the
18 current number of insurers issuing insurance policies with a family
19 leave benefit and any expected change in the number of insurers issuing
20 such policies after the benefit increase; (3) the impact of the benefit
21 increase on employers' business and the overall stability of the program
22 to the extent that information is readily available; (4) the impact of
23 the benefit increase on the financial stability of the disability and
24 family leave insurance market and carriers; and (5) any additional
25 factors that the superintendent of financial services deems relevant. If
26 the superintendent of financial services delays the increase in the
27 family leave benefit level for one or more calendar years, the family

29 delay shall be the same benefit level that would have taken effect but
30 for the delay. The weekly benefits for family leave that occurs on or

44 exceed six hundred thirty dollars; (iii) on or after January first, two
45 thousand twenty-seven shall be fifty percent of the employee's average
46 weekly wage but shall not exceed fifty percent of the state average
47 weekly wage; (iv) on or after January first, two thousand twenty-eight

53 of financial services shall have discretion to delay the increases in
54 the disability benefit level provided in subparagraphs (ii), (iii), (iv)
55 and (v) of this paragraph by one or more calendar years. In determining
56 whether to delay the increase in the disability benefit for any year,

1 the superintendent of financial services shall consider: (1) the current
2 cost to employees and employers of the benefit and any expected change
3 in the cost after the benefit increase; (2) the current number of insur-

8 that information is readily available; (4) the impact of the benefit
9 increase on the financial stability of the disability and family leave
10 insurance market and carriers; and (5) any additional factors that the
11 superintendent of financial services deems relevant. If the superinten-
12 dent of financial services delays the increase in the disability benefit
13 level for one or more calendar years, the disability benefit level that
14 shall take effect immediately following the delay shall be the same
15 benefit level that would have taken effect but for the delay. The weekly
16 benefit which the disabled employee is entitled to receive for the peri-

25 employee's average weekly wage but shall not exceed two hundred eighty
26 dollars per week. The weekly benefit which the disabled employee is
27 entitled to receive for disability leave that occurs on or after January
28 first, two thousand twenty-five shall not be less than one hundred
29 dollars per week except that if the employee's wages at the time of
30 family leave are less than one hundred dollars per week, the employee
31 shall receive their full wages. The weekly benefit which the disabled
32 employee is entitled to receive for disability commencing on or after
33 May first, nineteen hundred eighty-nine and prior to January first, two
34 thousand twenty-five shall be one-half of the employee's weekly wage,
35 but in no case shall such benefit exceed one hundred seventy dollars;
36 except that if the employee's average weekly wage is less than twenty
37 dollars, the benefit shall be such average weekly wage. The weekly bene-
38 fit which the disabled employee is entitled to receive for disability
39 commencing on or after July first, nineteen hundred eighty-four shall be
40 one-half of the employee's weekly wage, but in no case shall such bene-
41 fit exceed one hundred forty-five dollars; except that if the employee's
42 average weekly wage is less than twenty dollars, the benefit shall be
43 such average weekly wage. The weekly benefit which the disabled employee

35 year the maximum employee contribution that a covered employer, as
36 defined in section two hundred two of the workers' compensation law, is
37 authorized to collect from each employee for the cost of disability
38 benefits provided pursuant to article nine of the workers' compensation
39 law through a group accident and health insurance policy or through a
40 self-funded employer for its employees. Beginning January first, two
41 thousand twenty-five, the maximum employee contribution amount shall be
42 one-half of one percent of the employee's wages but shall not exceed
43 forty percent of the average of the combination of all employee and

45 graph (b) of subdivision two of section two hundred four of the workers'
46 compensation law during the prior calendar year, which the superinten-
47 dent shall determine and publish on the department's website.

48 (B) A self-funded employer shall submit reports to the superintendent
49 for the purpose of determining forty percent of the average of the
50 combination of all employee and employer contributions to disability

11 graph (b) of subdivision two of section two hundred four of the workers'
12 compensation law by one or more calendar years if the superintendent
13 determines it is in the best interest of the people of this state. In
14 determining whether to delay the increase in the disability benefit for
15 any year, the superintendent shall consider: (i) the current cost to
16 employees and employers of the benefit and any expected change in the
17 cost after the benefit increase; (ii) the current number of insurers

22 information is readily available; (iv) the impact of the benefit
23 increase on the financial stability of the disability and family leave
24 insurance market and insurers; and (v) any additional factors that the
25 superintendent deems relevant. If the superintendent delays the
26 increase in the disability benefit level for one or more calendar years,
27 the disability benefit level that shall take effect immediately follow-
28 ing the delay shall be the same benefit level that would have taken
29 effect but for the delay.

50 § 1507. Remedies. 1. Whenever it appears to the attorney general,

24 being violated. In the event a cure is possible, if within the thirty
25 days the business cures the noticed violation and provides the covered
26 user an express written statement that the violations have been cured
27 and that no further violations shall occur, no action for individual
28 statutory damages or class-wide statutory damages may be initiated
29 against the business. No notice shall be required prior to an individual

8 other website, online service, online application, mobile application,
9 or connected device directed to minors by using information location
10 tools, including a directory, index, reference, pointer, or hypertext
11 link. A website, online service, online application, mobile application,
12 or connected device, or portion thereof, shall be deemed directed to
13 minors when it has actual knowledge that it is collecting personal data
14 of users directly from users of another website, online service, online
15 application, mobile application, or connected device primarily directed
16 to minors.

17 7. "Sell" shall mean to share personal data for monetary or other

22 the operator's assets.

23 8. "Third party" shall mean any person who is not any of the follow-
24 ing:

25 (a) the operator with whom the user intentionally interacts and who
26 collects personal data from the user as part of the user's current
27 interaction with the operator;

28 (b) the user whose personal data the operator processes; or

29 (c) the parent or legal guardian of a user under thirteen years old
30 whose personal data the operator processes.

31 § 899-ff. Privacy protection by default. 1. Except as provided for in
32 subdivision six of this section and section eight hundred ninety-nine-jj
33 of this article, an operator shall not process, or allow a third party
34 to process, the personal data of a covered user collected through the
35 use of a website, online service, online application, mobile applica-
36 tion, or connected device unless and to the extent:

37 (a) the covered user is twelve years of age or younger and processing
38 is permitted under 15 U.S.C. § 6502 and its implementing regulations; or

39 (b) the covered user is thirteen years of age or older and processing
40 is strictly necessary for an activity set forth in subdivision two of
41 this section, or informed consent has been obtained as set forth in
42 subdivision three of this section.

43 2. For the purposes of paragraph (b) of subdivision one of this
44 section, the processing of personal data of a covered user is permissi-
45 ble where it is strictly necessary for the following activities:

46 (a) providing or maintaining a specific product or service requested
47 by the covered user;

48 (b) conducting the operator's internal business operations. For
49 purposes of this paragraph, such internal business operations shall not
50 include any activities related to marketing, advertising, or providing
51 products or services to third parties, or prompting covered users to use
52 the website, online service, online application, mobile application, or
53 connected device when it is not in use;

54 (c) identifying and repairing technical errors that impair existing or
55 intended functionality;

56 (d) protecting against malicious, fraudulent, or illegal activity;

1 (e) investigating, establishing, exercising, preparing for, or defend-
2 ing legal claims;

3 (f) complying with federal, state, or local laws, rules, or regu-

5 (g) complying with a civil, criminal, or regulatory inquiry, investi-
6 gation, subpoena, or summons by federal, state, local, or other govern-
7 mental authorities;

8 (h) detecting, responding to, or preventing security incidents or
9 threats; or

10 (i) protecting the vital interests of a natural person.

11 3. (a) For the purposes of paragraph (b) of subdivision one of this
12 section, to process personal data of a covered user where such process-
13 ing is not strictly necessary under subdivision two of this section,
14 informed consent must be obtained from the covered user either through a
15 device communication or signal pursuant to the provisions of subdivision
16 two of section eight hundred ninety-nine-ii of this article or through a
17 request. Requests for such informed consent shall:

18 (i) be made separately from any other transaction or part of a trans-
19 action;

20 (ii) be made in the absence of any mechanism that has the purpose or
21 substantial effect of obscuring, subverting, or impairing a covered
22 user's decision-making regarding authorization for the processing;

23 (iii) if requesting informed consent for multiple types of processing,
24 allow the covered user to provide or withhold consent separately for
25 each type of processing;

26 (iv) clearly and conspicuously state that the processing is optional,
27 and that the covered user may decline without preventing continued use
28 of the website, online service, online application, mobile application,
29 or connected device; and

30 (v) clearly present an option to refuse to provide consent as the most
31 prominent option.

32 (b) Such informed consent, once given, shall be freely revocable at
33 any time, and shall be at least as easy to revoke as it was to provide.

34 (c) If a covered user declines to provide or revokes informed consent
35 for processing, another request may not be made for such processing for
36 the following calendar year.

37 (d) If a covered user's device communicates or signals that the
38 covered user declines to provide informed consent for processing pursu-
39 ant to the provisions of subdivision two of section eight hundred nine-
40 ty-nine-ii of this article, an operator shall not request informed
41 consent for such processing.

42 4. Except where processing is strictly necessary to provide a product,
43 service, or feature, an operator may not withhold, degrade, lower the
44 quality, or increase the price of any product, service, or feature to a
45 covered user due to the operator not obtaining verifiable parental
46 consent under 15 U.S.C. § 6502 and its implementing regulations or
47 informed consent under subdivision three of this section.

48 5. Except as provided for in section eight hundred ninety-nine-ii of
49 this article, an operator shall not purchase or sell, or allow a third
50 party to purchase or sell, the personal data of a covered user.

51 6. Within fourteen days of determining that a user is a covered user,
52 an operator shall:

53 (a) dispose of, destroy, or delete all personal data of such covered
54 user that it maintains, unless processing such personal data is permit-
55 ted under 15 U.S.C. § 6502 and its implementing regulations, is strictly
56 necessary for an activity listed in subdivision two of this section, or

1 informed consent is obtained as set forth in subdivision three of this
2 section; and

3 (b) notify any third parties to whom it disclosed the personal data,
4 and any third parties it allowed to process the personal data, that the
5 user is a covered user.

6 § 899-gg. Third parties. 1. Except as provided for in section eight
7 hundred ninety-nine-jj of this article, no operator shall disclose the
8 personal data of a covered user to a third party, or allow the process-
9 ing of the personal data of a covered user by a third party, without a
10 written, binding agreement governing such disclosure or processing. Such
11 agreement shall clearly set forth instructions for the nature and
12 purpose of the third-party's processing of the personal data,
13 instructions for using or further disclosing the personal data, and the
14 rights and obligations of both parties.

15 2. Except as provided for in section eight hundred ninety-nine-jj of
16 this article, prior to disclosing personal data to a third party, the
17 operator shall inform the third party if such data is the personal data
18 of a covered user.

19 3. An agreement pursuant to subdivision one of this section shall
20 require that the third party:

21 (a) process the personal data of covered users only when and to the
22 extent strictly necessary for an activity listed pursuant to subdivision
23 two of section eight hundred ninety-nine-ff of this article, or where
24 informed consent was obtained pursuant to subdivision three of section
25 eight hundred ninety-nine-ff of this article;

26 (b) delete or return to the operator all personal data of covered
27 users at the end of its provision of services, unless retention of the
28 personal data is required by law;

29 (c) upon reasonable request of the operator, make available to the
30 operator all data in its possession necessary to demonstrate the third-
31 party's compliance with the obligations in this section;

32 (d) allow, and cooperate with, reasonable assessments by the operator
33 or the operator's designated assessor for purposes of evaluating compli-
34 ance with the obligations of this article. Alternatively, the third
35 party may arrange for a qualified and independent assessor to conduct an
36 assessment of the third-party's policies and technical and organiza-
37 tional measures in support of the obligations under this article using
38 an appropriate and accepted control standard or framework and assessment
39 procedure for such assessments. The third party shall provide a report
40 of such assessment to the operator upon request; and

41 (e) notify the operator a reasonable time in advance before disclosing
42 or transferring the personal data of covered users to any further third
43 parties, which may be in the form of a regularly updated list of further
44 third parties that may access personal data of covered users.

45 § 899-hh. Ongoing safeguards. Upon learning that a user is no longer a
46 covered user, an operator may not process the personal data of such
47 person in a manner not previously permitted unless and until it receives
48 informed consent pursuant to subdivision three of section eight hundred
49 ninety-nine-ff of this article.

50 § 899-ii. Respecting user-provided age flags. 1. For the purposes of
51 this article, an operator shall treat a user as a covered user if the
52 user's device communicates or signals that the user is or shall be
53 treated as a minor, including through a browser plug-in or privacy
54 setting, device setting, or other mechanism.

55 2. For the purposes of subdivision three of section eight hundred
56 ninety-nine-ff of this article, an operator shall adhere to any clear

1 and unambiguous communications or signals from a covered user's device,
2 including through a browser plug-in or privacy setting, device setting,
3 or other mechanism, concerning processing that the covered user consents
4 to or declines to consent to. An operator shall not adhere to unclear or
5 ambiguous communications or signals from a covered user's device, and
6 shall instead request informed consent pursuant to the provisions of
7 paragraph a of subdivision three of section eight hundred ninety-nine-ff
8 of this article.

9 § 899-jj. Protections for third-party operators. Sections eight
10 hundred ninety-nine-ff and eight hundred ninety-nine-gg of this article
11 shall not apply to an operator processing the personal data of a covered
12 user of another website, online service, online application, mobile
13 application, or connected device, or portion thereof, where the operator
14 received reasonable written representations that the covered user
15 provided informed consent for such processing, or:

16 1. the operator does not have actual knowledge that the covered user
17 is a minor; and

18 2. the operator does not have actual knowledge that the other website,
19 online service, online application, mobile application, or connected
20 device, or portion thereof, is primarily directed to minors.

21 § 899-kk. Rulemaking authority. The attorney general may promulgate
22 such rules and regulations as are necessary to effectuate and enforce
23 the provisions of this article.

24 § 899-ll. Scope. 1. This article shall apply to conduct that occurs in
25 whole or in part in the state of New York. For purposes of this article,
26 commercial conduct takes place wholly outside of the state of New York
27 if the business collected such information while the covered user was
28 outside of the state of New York, no part of the use of the covered
29 user's personal data occurred in the state of New York, and no personal
30 data collected while the covered user was in the state of New York is
31 used.

32 2. Nothing in this article shall be construed to prohibit an operator
33 from storing a covered user's personal data that was collected pursuant
34 to section eight hundred ninety-nine-ff of this article when such
35 covered user is in the state.

36 3. Nothing in this article shall be construed to impose liability for
37 commercial activities or actions by operators subject to 15 U.S.C. 6501
38 that is inconsistent with the treatment of such activities or actions
39 under 15 U.S.C. 6502.

40 § 899-mm. Remedies. 1. Whenever it appears to the attorney general,
41 either upon complaint or otherwise, that any person, within or outside
42 the state, has engaged in or is about to engage in any of the acts or
43 practices stated to be unlawful in this article, the attorney general
44 may bring an action or special proceeding in the name and on behalf of
45 the people of the state of New York to enjoin any violation of this
46 article, to obtain restitution of any moneys or property obtained
47 directly or indirectly by any such violation, to obtain disgorgement of
48 any profits or gains obtained directly or indirectly by any such
49 violation, including but not limited to the destruction of unlawfully
50 obtained data and algorithms trained on such data, to obtain damages
51 caused directly or indirectly by any such violation, to obtain civil
52 penalties of up to five thousand dollars per violation, and to obtain
53 any such other and further relief as the court may deem proper, includ-
54 ing preliminary relief.

55 2. Any covered user who has been injured by a violation of section
56 eight hundred ninety-nine-ff of this article, or the parent or legal

guardian of a covered minor who has been injured by a violation of section eight hundred ninety-nine-ff of this article, may bring an action to obtain:

(a) Damages of up to five thousand dollars per covered user per incident or actual damages, whichever is greater;

(b) Injunctive or declaratory relief; and/or

(c) Any other relief the court deems proper.

3. Actions pursuant to this section may be brought on a class-wide basis.

4. The court may award reasonable attorneys' fees to a prevailing plaintiff.

5. Prior to bringing any action for violations of this article pursuant to subdivision two of this section, a covered user shall provide the operator thirty days' written notice identifying the specific provisions of this article the covered user alleges have been or are being violated. In the event a cure is possible, if within the thirty days the operator actually cures the noticed violation and provides the covered user an express written statement that the violations have been cured and that no further violations shall occur, no action for individual statutory damages or class-wide statutory damages may be initiated against the operator. No notice shall be required prior to an individual consumer initiating an action solely for actual pecuniary damages suffered as a result of the alleged violations of this title. If a business continues to violate this article in breach of the express written statement provided to the covered user under this section, the covered user may initiate an action against the business to enforce the written statement and may pursue statutory damages for each breach of the express written statement, as well as any other violation of the article that postdates such written statement.

§ 2. Severability. If any clause, sentence, paragraph, subdivision, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§ 3. This act shall take effect one year after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.

PART Q

Section 1. Subdivision 2 of section 200 of the state finance law, as added by chapter 78 of the laws of 1982, is amended to read as follows:

2. Notwithstanding the provisions of subdivision one of this section, where the state and an employee organization representing state officers and employees who are in positions which are in collective negotiating units established pursuant to article fourteen of the civil service law enter into an agreement providing for an alternative procedure for the payment of salaries to such employees or where the director of employee relations shall authorize an alternative procedure for the payment of salaries to state officers or employees in the executive branch who are

1 in positions which are not in collective negotiating units, such alter-
2 native procedure shall be implemented in lieu of the procedure specified
3 in subdivision one of this section. Notwithstanding any other provision
4 of law to the contrary, where the state and an employee organization
5 representing officers and employees in the executive branch who are in
6 positions which are in collective negotiating units established pursuant
7 to article fourteen of the civil service law enter into an agreement, or
8 where the director of employee relations shall authorize for officers
9 and employees in the executive branch who are in positions which are not
10 in collective negotiating units, the alternate procedure specified
11 herein shall be terminated for officers and employees hired on or after
12 July first, two thousand twenty-four. The alternate procedure specified
13 herein shall also be terminated for: (i) nonjudicial officers and
14 employees of the unified court system hired on or after July first, two
15 thousand twenty-four, if the chief administrator of the courts so
16 elects; (ii) employees of the senate hired on or after July first, two
17 thousand twenty-four, if the temporary president of the senate so
18 elects; (iii) employees of the assembly hired on or after July first,
19 two thousand twenty-four, if the speaker of the assembly so elects; and
20 (iv) employees of joint legislative employers hired on or after July
21 first, two thousand twenty-four, if the temporary president of the
22 senate and the speaker of the assembly mutually so elect for all such
23 joint legislative employers. Any election made pursuant to paragraph
24 (i), (ii), (iii), or (iv) of this subdivision shall be in writing and
25 filed with the state comptroller not later than thirty days after the
26 enactment of this legislation.

27 § 2. Paragraph (c) of subdivision 2-a of section 200 of the state
28 finance law, as added by chapter 947 of the laws of 1990, is amended to
29 read as follows:

30 (c) For officers and employees hired after the effective date of this
31 act, the withholding of five days of salary shall be accomplished in the
32 same manner provided in paragraph (a) of this section provided, however,
33 such withholding shall be taken on the first five payment dates in which
34 such new employees would otherwise have received their salary. Notwith-
35 standing any other provision of law to the contrary, where the state and
36 an employee organization representing officers and employees in the
37 executive branch who are in positions which are in collective negotiat-
38 ing units established pursuant to article fourteen of the civil service
39 law enter into an agreement, or where the director of employee relations
40 shall authorize for officers or employees in the executive branch who
41 are in positions which are not in collective negotiating units, officers
42 and employees hired on or after July first, two thousand twenty-four,
43 shall not be subject to the withholding of five days of salary on their
44 first five payment dates as specified herein. Such withholding shall not

46 court system hired on or after July first, two thousand twenty-four, if
47 the chief administrator of the courts so elects; (ii) employees of the
48 senate hired on or after July first, two thousand twenty-four, if the
49 temporary president of the senate so elects; (iii) employees of the
50 assembly hired on or after July first, two thousand twenty-four, if the
51 speaker of the assembly so elects; and (iv) employees of joint legisla-
52 tive employers hired on or after July first, two thousand twenty-four,
53 if the temporary president of the senate and the speaker of the assembly
54 mutually so elect for all such joint legislative employers. Any
55 election made pursuant to subparagraph (i), (ii), (iii), or (iv) of this

1 paragraph shall be in writing and filed with the state comptroller not
2 later than thirty days after the enactment of this legislation.

3 § 3. Paragraph (a) of subdivision 2-b of section 200 of the state
4 finance law, as amended by chapter 171 of the laws of 1991, is amended
5 to read as follows:

6 (a) For nonjudicial officers and employees of the unified court
7 system: commencing with the earliest administratively feasible payroll
8 period (and corresponding payment date) subsequent to the date this
9 subdivision becomes a law, payment on the payment date of the five
10 payroll periods commencing thereon shall be for nine-tenths of that
11 amount paid each payroll period until a total of five-tenths of salary
12 for one payroll period that would be paid but for this provision has
13 been withheld. For nonjudicial officers and employees hired after the
14 date this subdivision becomes a law, the withholding of five days of
15 salary shall be accomplished in the same manner described above,
16 provided, however, such withholding shall be made on the first five
17 payment dates in which such new officers or employees would otherwise
18 have received their salary. Notwithstanding any other provision of law
19 to the contrary, such withholding shall not be taken for nonjudicial
20 officers and employees of the unified court system hired on or after
21 July first, two thousand twenty-four, if the chief administrator of the
22 courts so elects. Any election made pursuant to this subdivision shall
23 be in writing and filed with the state comptroller not later than thirty
24 days after the enactment of this legislation.

25 § 4. This act shall take effect July 1, 2024.

26 PART R

27 Section 1. Subdivision (a) of section 5004 of the civil practice law
28 and rules, as amended by chapter 831 of the laws of 2021, is amended to
29 read as follows:

30 (a) [~~Interest shall be at the rate of nine per centum per annum,~~
31 ~~except where otherwise provided by statute, provided~~] Notwithstanding
32 any other provision of law or regulation to the contrary, including any
33 law or regulation that limits the annual rate of interest to be paid on
34 a judgment or accrued claim, the annual rate of interest to be paid on a
35 judgment or accrued claim shall be calculated at the one-year United
36 States treasury bill rate. For purposes of this section, the "one-year
37 United States treasury bill rate" means the weekly average one-year
38 constant maturity treasury yield, as published by the board of governors
39 of the federal reserve system, for the calendar week preceding the date
40 of the entry of the judgment awarding damages; provided however, that
41 this section shall not apply to any provision of the tax law which
42 provides for the annual rate of interest to be paid on a judgment or
43 accrued claim. Provided, however, the annual rate of interest to be paid
44 in an action arising out of a consumer debt where a natural person is a
45 defendant shall be two per centum per annum (i) on a judgment or accrued
46 claim for judgments entered on or after the effective date of [~~the~~]
47 chapter eight hundred thirty-one of the laws of two thousand twenty-one
48 [~~which amended this section~~], and (ii) for interest upon a judgment
49 pursuant to section five thousand three of this article from the date of
50 the entry of judgment on any part of a judgment entered before the
51 effective date of [~~the~~] chapter eight hundred thirty-one of the laws of
52 two thousand twenty-one [~~which amended this section~~] that is unpaid as
53 of such effective date.

§ 2. Section 16 of the state finance law, as amended by chapter 681 of the laws of 1982, is amended to read as follows:

§ 16. Rate of interest on judgments and accrued claims against the state. The rate of interest to be paid by the state upon any judgment or accrued claim against the state shall ~~[not exceed nine per centum per annum]~~ be calculated at the one-year United States treasury bill rate. For the purposes of this section, the "one-year United States treasury bill rate" means the weekly average one-year constant maturity treasury yield, as published by the board of governors of the federal reserve system, for the calendar week preceding the date of the entry of the judgment awarding damages. Provided however, that this section shall not apply to any provision of the tax law which provides for the annual rate of interest to be paid on a judgment or accrued claim.

§ 3. This act shall take effect immediately, and shall be deemed to have been in full force and effect on and after April 1, 2024.

PART S

Section 1. Section 167-a of the civil service law, as amended by section 1 of part I of chapter 55 of the laws of 2012, is amended to read as follows:

§ 167-a. Reimbursement for medicare premium charges. Upon exclusion from the coverage of the health benefit plan of supplementary medical insurance benefits for which an active or retired employee or a dependent covered by the health benefit plan is or would be eligible under the federal old-age, survivors and disability insurance program, an amount equal to the standard medicare premium charge for such supplementary medical insurance benefits for such active or retired employee and his or her dependents, if any, shall be paid monthly or at other intervals to such active or retired employee from the health insurance fund. Furthermore, effective January first, two thousand twenty-five there shall be no payment whatsoever for the income related monthly adjustment amount incurred on or after January first, two thousand twenty-four to any active or retired employee and his or her dependents, if any. Where appropriate, such standard medicare premium amount may be deducted from contributions payable by the employee or retired employee; or where appropriate in the case of a retired employee receiving a retirement allowance, such standard medicare premium amount may be included with payments of his or her retirement allowance. All state employer, employee, retired employee and dependent contributions to the health insurance fund, including contributions from public authorities, public benefit corporations or other quasi-public organizations of the state eligible for participation in the health benefit plan as authorized by subdivision two of section one hundred sixty-three of this article, shall be adjusted as necessary to cover the cost of reimbursing federal old-age, survivors and disability insurance program premium charges under this section. This cost shall be included in the calculation of premium or subscription charges for health coverage provided to employees and retired employees of the state, public authorities, public benefit corporations or other quasi-public organizations of the state; provided, however, the state, public authorities, public benefit corporations or other quasi-public organizations of the state shall remain obligated to pay no less than its share of such increased cost consistent with its share of premium or subscription charges provided for by this article. All other employer contributions to the health insurance fund shall be adjusted as necessary to provide for such payments.

§ 2. This act shall take effect immediately and shall apply on January 1, 2024 for the income related monthly adjustment amount incurred on or after January 1, 2024.

PART T

Section 1. Subdivision 2 of section 163 of the civil service law, as amended by section 6 of part S of chapter 57 of the laws of 2023, is amended to read as follows:

PART W

51 Section 1. Paragraphs t, u and v of subdivision 10 of section 54 of
52 the state finance law, paragraph v as relettered by section 3 of part K

1 of chapter 55 of the laws of 2013, are relettered paragraphs u, v and w
2 and a new paragraph t is added to read as follows:

3 t. Local government efficiency grant program beginning in the state
4 fiscal year commencing April first, two thousand twenty-four. (i) (1)
5 For the purposes of this paragraph, "municipality" shall mean a county,
6 city, town, village, special improvement district, fire district, public
7 library, association library, or public library system as defined by
8 section two hundred seventy-two of the education law; provided, however,
9 that for the purposes of this definition, a public library system shall
10 be considered a municipality only in instances where such public library
11 system advances a joint application on behalf of its member libraries,
12 water authority, sewer authority, regional planning and development
13 board, school district, or board of cooperative educational services;
14 provided, however, that for the purposes of this definition, a board of
15 cooperative educational services shall be considered a municipality only
16 in instances where such board of cooperative educational services
17 advances a joint application on behalf of school districts and other
18 municipalities within the board of cooperative educational services
19 region; provided, however, that any agreements with a board of cooper-
20 ative educational services: shall not generate additional state aid;
21 shall be deemed not to be a part of the program, capital and administra-
22 tive budgets of the board of cooperative educational services for the
23 purposes of computing charges upon component school districts pursuant
24 to subdivision one and subparagraph seven of paragraph b of subdivision
25 four of section nineteen hundred fifty, and subdivision one of section
26 nineteen hundred fifty-one of the education law; and shall be deemed to
27 be a cooperative municipal service for purposes of subparagraph two of
28 paragraph d of subdivision four of section nineteen hundred fifty of the
29 education law.

30 (2) For the purposes of this paragraph, "functional consolidation"
31 shall mean one municipality completely providing a service or function
32 for another municipality, which no longer provides such service or func-
33 tion.

34 (ii) Within the annual amounts appropriated therefor, the secretary of
35 state may award competitive grants to municipalities to cover costs
36 associated with local government efficiency projects, including, but not
37 limited to, planning for or implementation of a municipal consolidation
38 or dissolution, a functional consolidation, a city or county charter
39 revision that includes functional consolidation, shared or cooperative
40 services, and regionalized delivery of services; provided, however, that
41 such local government efficiency projects must demonstrate new opportu-
42 nities for financial savings and operational efficiencies; provided,
43 further, that eligible local government efficiency projects shall not
44 include studies and plans for a local government re-organization eligi-
45 ble to receive a local government citizens re-organization empowerment
46 grant pursuant to paragraph q of this subdivision. The secretary of
47 state may focus the grant program in specific functional areas, within
48 distressed communities and areas of historically high local government
49 costs and property taxes, or in areas of unique opportunity, in which
50 case such areas of focus shall be detailed in a request for applica-
51 tions.

52 (iii) Any approved project shall include an examination of financial

55 (iv) Local government efficiency grants may be used to cover costs
56 including, but not limited to, legal and consultant services, capital

1 improvements, transitional personnel costs and other necessary expenses
2 related to implementing the approved local government efficiency grant
3 work plan. Grants may be used for capital improvements, transitional
4 personnel costs or joint equipment purchases only where such expenses
5 are integral to implementation of the local government efficiency
6 project. No part of the grant shall be used by the applicant for recur-
7 ring expenses such as salaries, except that the salaries of certain
8 transitional personnel essential for the implementation of the approved
9 local government efficiency grant work plan shall be eligible for a
10 period not to exceed three years. The amounts awarded to a school
11 district pursuant to this subparagraph shall not be included in the
12 approved operating expense of the school district as defined in para-
13 graph t of subdivision one of section thirty-six hundred two of the
14 education law.

15 (v) The maximum cumulative grant award for a local government effi-
16 ciency project shall not exceed two hundred fifty thousand dollars per
17 municipality; provided, however, that in no case shall such a project
18 receive a cumulative grant award in excess of one million two hundred
19 fifty thousand dollars. The maximum grant award for a local government
20 efficiency planning project, or the planning component of a project that

24 project receive a grant award in excess of one hundred thousand dollars.

25 (vi) Local matching funds equal to at least fifty percent of the total
26 cost of activities under the grant work plan approved by the department
27 of state shall be required for planning grants, and local matching funds
28 equal to at least ten percent of the total cost of activities under the
29 grant work plan approved by the department of state shall be required
30 for implementation grants. In the event an applicant is implementing a
31 project that the applicant developed through a successfully completed
32 planning grant funded under the local government efficiency grant
33 program or the shared municipal services incentive grant program, the
34 local matching funds required shall be reduced by the local matching
35 funds required by such successfully completed planning grant up to the
36 amount of local matching funds required for the implementation grant.

37 (vii) In the selection of grant awards, the secretary of state shall
38 give the highest priority to applications: (1) that would result in the
39 dissolution or consolidation of municipalities; (2) that would implement
40 the complete functional consolidation of a municipal service; or (3) by
41 local governments with historically high costs of local government or
42 sustained increases in property taxes. Priority will also be given to
43 municipalities that have previously completed a planning grant pursuant
44 to this program or the shared municipal services incentive grant
45 program, and to local governments currently involved in regional devel-
46 opment projects that have received funds through state community and
47 infrastructure development programs.

48 (viii) Within one week of the receipt of an application, the depart-
49 ment of state shall review the application to ensure the applicant has
50 filed the correct application, and to determine if any required sections
51 of the application contain no information. Within one business day of
52 determining an applicant has filed an incorrect application, or deter-
53 mining an application contains no information in a section required to
54 contain information, the department shall so notify the applicant.
55 Applicants shall be permitted to amend an application found to be miss-
56 ing information, and such application shall be reconsidered for approval

if it is amended by the application deadline. If an applicant has submitted an incorrect application, the applicant may submit the correct application to the appropriate program by the deadline for such program for consideration. Under no circumstances shall this subparagraph be deemed to require the extension of any application deadline established by the department, nor shall it obligate the department to conduct a substantive review of the contents of any application outside of the procedures established by the department for the purposes of maintaining the competitive integrity of the grant program.

(ix) Written notice shall be provided to an applicant of a decision regarding the grant or denial of an award under this paragraph, within thirty days after such decision.

(x) The department of state shall prepare an annual report to the governor and the legislature on the effectiveness of the local government efficiency grant program and the local government citizens re-organization empowerment grant program. Such report shall be provided on or before October first of each year and shall include, but not be limited to, the following: a summary of applications and awards for each grant category, an assessment of progress in implementing initiatives that received grant awards, and estimated financial savings and significant improvements in service realized by municipalities that have received grants.

40 § 32. Subdivision 1 of section 1689-i of the public authorities law,
41 as amended by section 39 of part PP of chapter 56 of the laws of 2023,
42 is amended to read as follows:

43 1. The dormitory authority is authorized to issue bonds, at the
44 request of the commissioner of education, to finance eligible library
45 construction projects pursuant to section two hundred seventy-three-a of
46 the education law, in amounts certified by such commissioner not to
47 exceed a total principal amount of ~~[three hundred sixty-seven million~~
48 ~~dollars \$367,000,000]~~ four hundred one million dollars \$401,000,000.

49 § 33. Paragraph (c) of subdivision 19 of section 1680 of the public

51 the laws of 2023, is amended to read as follows:

52 (c) Subject to the provisions of chapter fifty-nine of the laws of two
53 thousand, the dormitory authority shall not issue any bonds for state
54 university educational facilities purposes if the principal amount of

24 necessary to discount the debt service payments on the refunding bonds
25 from the payment dates thereof to the date of issue of the refunding

For purposes hereof, the present values of the aggregate debt service of the refunding or repayment bonds, notes or other obligations and of the aggregate debt service of the bonds, notes or other obligations so refunded or repaid, shall be calculated by utilizing the effective interest rate of the refunding or repayment bonds, notes or other obligations, which shall be that rate arrived at by doubling the

1 semi-annual interest rate (compounded semi-annually) necessary to
2 discount the debt service payments on the refunding or repayment bonds,
3 notes or other obligations from the payment dates thereof to the date of
4 issue of the refunding or repayment bonds, notes or other obligations
