The penalty provided for in this subparagraph may be recovered by an action or proceeding in a court of

(vi) provide that the officer or agency designated to conduct regulatory inspections of any place of business not listed on the directory maintained by the office shall have the authority to:

A. The officer or agency may issue an order to seal with an immediate effective date if such order is based upon a finding by the officer or agency of an imminent threat to the public health, safety, and welfare.

B. Any order to seal shall be served by delivery of the order to the owner of the business or other person of suitable age or discretion in actual or apparent control of the premises at the time of the inspection and shall be posted at the building or premises that have been sealed, secured and closed. A copy of the order shall also be mailed to any address for the owner of the business provided by the person to whom such order was delivered pursuant to this paragraph. The order shall remain in effect pending a hearing and final determination of a court, or until such order is vacated by the officer or agency pursuant to the local law adopted pursuant to this subdivision. An order to seal shall explicitly state that a request for a hearing may be submitted in writing to the corporation counsel or to the county attorney as applicable within seven days. Upon receiving such a request for a hearing, the corporation counsel or county attorney shall file a copy of the request

with the clerk of the city court or county court in the city or county where the building or premises is located.

C. The court that receives notice of a request for a hearing from a corporation counsel or a county attorney shall fix the date of such hearing no later than three business days from the date such notice is received by the court and provide notice to the parties of the date, time, and location of the hearing. Upon such date, or upon such other date to which the proceeding may be adjourned by agreement of the parties, the court shall hear testimony and receive evidence presented by the parties. The city or county, as applicable, and the person that requested the hearing shall be parties to the proceeding. Within four business days of the conclusion of the hearing, the court shall make a determination as to: (i) whether the person upon which the order to seal was issued was engaged in unlicensed activity, (ii) if the person is found to have engaged in unlicensed activity, then whether such unlicensed activity presents an imminent threat to public health, safety and welfare according to subdivision four of section one hundred thirty-eight-b of this article, and (iii) whether the unlicensed activity as described in this section is more than a de minimis part of the business activity on the premises or in the building to be sealed pursuant to the order. However, when an order to seal has been issued upon a second or subsequent inspection in which unlicensed activity is confirmed to be continuing more than ten calendar days after a notice of violation and order to cease unlicensed activity was previously issued, the court need only determine: (i) whether the person upon which the order to seal was issued was engaged in unlicensed activity; (ii) whether a notice of violation and order to cease unlicensed activity had been issued eleven or more days prior to the issuance of the order to seal; and (iii) whether the order to seal was issued in compliance with paragraph (a) of subdivision six of section one hundred thirty-eight-b of this article. If the court determines that an order to seal was not properly issued, the court shall vacate such order. If the court is satisfied that an order to seal was properly issued, the court may render a judgment affirming the issuance of an order to seal, and direct the closing of the building or premises by any police officer or peace officer with jurisdiction to the extent necessary to abate the unlicensed activity and shall direct any police officer or peace officer with jurisdiction to post a copy of the judgment and a printed notice of such closing conforming to the requirements of this chapter. The closing directed by the judgment shall be for such period as the court may direct but in no event shall the closing be for a period of more than one year from the posting of the judgment provided for in this section. Failure of a party that requested a hearing to appear at the hearing will result in a default and order of sealing to remain in effect for such period as the court may direct but in no event shall the order be in effect for a period of more than one year from the posting of the judgment unless otherwise vacated pursuant to the local law adopted pursuant to this subdivision.

D. The local law adopted pursuant to this subdivision shall include, without alteration the provisions of subdivisions four through twelve of section one hundred thirty-eight-b of this article. Any provisions adopted by a local law to the contrary shall be considered specifically preempted by this paragraph, provided however that a county or city shall be permitted to substitute the officer or agency authorized by the county or city to conduct regulatory inspections pursuant to this subsection for any reference to the office or board;

(4) seek injunctive relief against any person engaging in conduct in violation of this section, including through an action pursuant to section sixteen-a of this chapter.

(e) Upon a demand by the county or city, a respondent or defendant shall provide to the county or city prior to a hearing pursuant to subparagraph (v) of paragraph (d) of this subdivision or an order to seal pursuant to clause three of subparagraph (vi) of paragraph (d) of this subdivision, within five days after a demand or sooner if a hearing is scheduled less than five days from the date of demand, a verified statement setting forth:

(i) If the responding party is a natural person, such party's: (1) full legal name; (2) date of birth; (3) current home or business street address; and (4) a unique identifying number from: (A) an unexpired passport; (B) an unexpired state driver's license; or (C) an unexpired identification card or document issued by a state or local government agency or tribal authority for the purpose of identification of that individual;

(ii) If the responding party is a partnership, limited liability partnership, limited liability company, or other unincorporated association, including a for profit or not-for-profit membership organization or club, the information required pursuant to subparagraph (i) of this paragraph for all of its partners or members, as well as the state or other jurisdiction of its formation;

(iii) If the responding party is a corporation, its state or other jurisdiction of incorporation, principal place of business, and any state or other jurisdiction of which that party is a citizen;

(iv) If the responding party is not an individual, in addition to any information provided pursuant to subparagraphs (ii) and (iii) of this paragraph, and to the extent not previously provided, each beneficial owner of the responding party by: (A) full legal name; (B) date of birth; (C) current home or business street address; and (D) a unique identifying number from: (1) an unexpired passport; (2) an unexpired state driver's license; or (3) an unexpired identification card or document issued by a state or local government agency or tribal authority for the purpose of identification of that individual. As used in this section, the term "beneficial owner" shall have the same meaning as defined in 31 U.S.C. § 5336(a)(3), as amended, and any regulations promulgated thereunder.

(f) Notwithstanding any provision to the contrary in this section, a city with a population of more than one million may enforce any violations, orders to cease, and orders to seal related to unlicensed activity through an administrative hearing process.

Any decision of such office imposing a civil penalty, whether the adjudication was had by hearing or upon default or otherwise, shall constitute a judgment which may be entered by such office in the civil court of the city of New York or any other place provided for the entry of civil judgments within the state and may be enforced without court proceedings in the same manner as the enforcement of money judgments entered in civil actions; provided, however, that no such judgment shall be entered which exceeds the sum of twenty-five thousand dollars, and that the terms and limitations applicable to entry of final orders imposing penalties pursuant to section one thousand forty-nine-a of the charter shall apply to entry of final orders imposing penalties pursuant to this subdivision; provided further, that clause (i) of subparagraph (a) of paragraph two of subdivision d of such section may be utilized in connection with service of civil summonses notwithstanding any inconsistent provision of such clause; and provided still further, that such terms and limitations shall not be deemed conditions upon the service or enforcement of orders of the office of the city sheriff, or of civil summonses other than as a condition of entry as judgments pursuant to this subdivision.

d. The office of the city sheriff may move to amend any judgment to designate a judgment debtor by the correct legal name in accordance with rules promulgated by the office of administrative trials and hearings.

e. Prior to a hearing, a respondent shall furnish to the office of the city sheriff, within five days after a demand, or sooner if practicable where the hearing is scheduled less than five days from the date of demand, a verified statement setting forth the information specified in subdivision five of section seventeen of the cannabis law.

For the purposes of this subdivision, "place of business" shall not include a residence or other real property not otherwise held out as

open to the public or otherwise being utilized in a business or commercial manner or any private vehicle on or about the same such property, unless probable cause exists to believe that such residence, real property, or vehicle are being used in such business or commercial manner for the activity described herein. Any such regulatory inspection shall:

Further, the city sheriff, or the sheriff's designee within the office of the city sheriff or another city agency, shall serve as the liaison to the office of cannabis management to ensure that updates to such directory are immediately incorporated into the local inspection process, and shall coordinate with such office on efforts to inspect unlicensed businesses and related enforcement efforts. g. Any orders issued pursuant to this section shall be served by delivery of the order to the owner of the business or other person of suitable age or discretion in actual or apparent control of the premises at the time of the inspection and shall be posted at the building or premises that have been sealed, secured and closed. A copy of the order shall also be mailed to any address for the owner of the business at any

address provided by the person to whom such order was delivered pursuant to this subdivision.

§ 7-553 Local authority. Nothing in this chapter shall preclude the enactment of local laws or rules in accordance with subdivision three of section one hundred thirty-one of the cannabis law, or any other law.

The court may grant such an order if it determines, based on evidence presented by the attorney general, that there is reasonable cause to believe that such place of business is a place of business which does not possess a valid registration, license, or permit issued by the office or board.

(c) In assessing the civil penalties under this subdivision **or subdivision one-a of this section**, the board or office shall take into consideration the nature of such violation and shall assess a penalty that is proportionate to the violation**; provided, however, that an affidavit from a representative of the office, the office of the attorney general, or a local government, or a local police officer confirming the presence of conduct described in this subdivision or subdivision one-a of this section following an inspection by the office after the office has ordered such conduct to cease shall be sufficient to establish a prima facie case that such conduct had been continuing for each business day between the initial inspection and the last observed or otherwise documented conduct**.

1-a. Any person [~~found to have~~] engaged in indirect retail sale in violation of subdivision one-a of section one hundred twenty-five of this [~~chapter~~] **article**, shall be subject to a civil penalty in an amount equaling the lesser of three times the revenue for such indirect retail sales or up to two thousand five hundred dollars for each such sale, provided, however, that where such conduct also constitutes a violation of subdivision one of this section, such person may only be subject to the civil penalties under one such subdivision, and provided, further, that where such person has been ordered to cease such conduct pursuant to subdivision one of section one hundred thirty-eight-a of this arti-

§ 14. Subdivisions 2, 4 and 5 of section 138-a of the cannabis law, subdivision 2 as added and subdivisions 4 and 5 as amended by section 20 of part UU of chapter 56 of the laws of 2023, are amended and nine new subdivisions 6, 7, 8, 9, 10, 11, 12, 13 and 14 are added to read as follows:

**8. upon receipt of one or more complaints that a person is engaged in conduct described in subdivision one of this section or in connection with any inspection or subsequent investigation of a person engaged in the conduct described in subdivision one of this section, issue subpoenas to any owners, managers, or employees of such person for information regarding the person and the conduct;**

**9. with the assistance of law enforcement, seize or impound other property used in furtherance of the conduct described in subdivision one of this section;**

**10. upon an ex parte order to a court, request the court to issue a restraining order freezing liquid assets to enforce the provisions of this section and section sixteen-a of this chapter and section one hundred thirty-two of this article;**

**11. in accordance with the procedures outlined in section one hundred thirty-eight-b of this chapter, issue and execute an order to seal a building or premises of any unlicensed businesses in which any person is engaged in conduct in violation of this section or section one hundred twenty-five or one hundred thirty-two of this article;**

**12. upon receipt of one or more complaints that a person is engaged in conduct described in subdivision one of this section, apply or request that the attorney general apply for an ex parte order to the supreme court in the county in which the place of business is located for an order granting the office or board access to such place of business. The court may grant such an order it if determines, based on the evidence presented, that there is reasonable cause to believe that such place of business is the same place of business for which the office has received such complaints;**

**13. upon finding a violation of this section by a holder of a license issued by the state liquor authority, a registration issued by the**

commissioner of taxation and finance to sell cigarettes or tobacco products at retail, a registration issued by the commissioner of taxation and finance to sell vapor products at retail, or a lottery sales agent license issued by the division of lottery, (a) issue a notice of violation to the holder or an agent thereof that clearly states (i) that the holder's state licenses, permits, or registrations may be at risk of revocation or suspension and (ii) that the holder's business premises may be subject to an order to seal if upon a subsequent inspection the office finds that the violation has not been abated, and (b) notify the agency that issued the authorization that the holder is in violation of this section; and

14. if any penalty is not paid within six months, enter the amount thereof as a judgment in the office of the clerk of the county of Albany and in any other county in which the person resides, has a place of business, or through which it operates. If such judgment has not been satisfied within thirty days thereafter, no license, registration, or permit shall be issued by the board to such person for three years thereafter.

§ 15. The cannabis law is amended by adding a new section 138-b to read as follows:

§ 138-b. Orders to seal. 1. In addition to any other authority conferred in this chapter, pursuant to the provisions of this section, the board or the office shall have the authority to issue an order to seal the building or premises of any business engaged in unlicensed activity, when such activity is conducted, maintained, or permitted in such building or premises, occupied as a place of business as described in subdivision eight of section ten of this chapter, in violation of subdivision one or one-a of section one hundred twenty-five or subdivision one or eight of section one hundred thirty-two of this article.

2. Any order to seal shall be served by delivery of the order to the owner of the business or other person of suitable age or discretion in actual or apparent control of the premises at the time of the inspection and shall be posted at the building or premises that have been sealed, secured and closed. A copy of the order shall also be mailed to any address for the owner of the business at any address provided by the person to whom such order was delivered pursuant to this subdivision. The order shall remain in effect pending a hearing and final determination of the board, or until such order is vacated by the office pursuant to subdivision six of this section. An order to seal shall explicitly state the procedure to request a hearing within seven days.

3. The office may issue an order to seal with an immediate effective date if such order is based upon a finding by the office of an imminent threat to the public health, safety, and welfare. In such cases a hearing shall be held within three business days of a request for such hearing, unless otherwise adjourned by agreement of the parties, and a determination shall be rendered within four business days of the conclusion of such hearing, provided that the respondent has submitted a verified statement that may be required pursuant to subdivision five of section seventeen of this chapter. Failure of a respondent to appear at the hearing will result in a default and order of sealing to remain in effect for up to one year unless otherwise vacated pursuant to the provisions of this section.

4. Factors that determine an imminent threat to public health, safety, and welfare shall be limited to:

(a) documented sales to minors;

(b) unlicensed processing of cannabis products at the building or premises;

(c) orders issued following an inspection wherein the person engaged in the unlicensed activity engaged in violent, tumultuous, or other behaviors indicating expressed intent to not comply with the office's order to cease the unlicensed activity;

(d) documented presence of unlawful firearms at the building or premises;

(e) proximity of the building or premises to schools, houses of worship, or public youth facilities;

(f) presence of products deemed unsafe based on reports of illness or hospitalization; or

(g) sales of, or offers to sell, cannabis products not tested or labeled lawfully in accordance with this chapter.

5. Notwithstanding the factors listed in subdivision four of this section and the restriction set forth in paragraph (b) of subdivision six of this section, the office may issue an order to seal with an immediate effective date upon a second or subsequent inspection in which unlicensed activity is confirmed to be continuing more than ten calendar days after a notice of violation and order to cease unlicensed activity was previously issued by the office, provided that the office has also provided notice pursuant to subparagraph (ii) of paragraph (a) of subdivision thirteen of section one hundred thirty-eight-a of this article.

6. An order to seal may be issued by the office or the board pursuant to subdivision three of this section only if: (a) no part of the premises to be sealed is used in part as a residence and pursuant to local law or ordinance is zoned and lawfully occupied as a residence; and (b) the unlicensed activity as described in this section is more than a de minimis part of the business activity on the premises or in the building to be sealed pursuant to the order. In the event that an order to seal may not be issued pursuant to this subdivision, the office shall issue a notice of violation and order to cease the unlicensed conduct, which shall constitute notice that such unlicensed activity must cease immediately.

7. In assessing whether unlicensed activity within a building or premises is more than de minimis, the office or board, as relevant, shall consider factors such as any one or more of the following:

(a) the presence of signs or symbols, indoors or out, advertising the sale of cannabis or otherwise indicating that cannabis is sold on the premises;

(b) information shared in any advertisements or other marketing content in connection with the unlicensed business activity and any direct or indirect sales of cannabis or other conduct in violation of this chapter;

(c) the volume of illicit cannabis products on site; and

(d) the variety of illicit cannabis products on site.

8. Upon a request by the office, any police officer or peace officer with jurisdiction may assist in the enforcement of an order to seal issued by the office or the board, in accordance with the following procedures:

(a) The police officer or peace officer serving and executing the order to seal shall forthwith make and return to the office an inventory of personal property situated in and used in conducting, maintaining, or permitting the unlicensed activity within the scope of this chapter and shall enter upon the building or premises for such purpose. Such inventory shall be taken in any manner which is deemed likely to evidence a

true and accurate representation of the personal property subject to such inventory including, but not limited to photographing such personal property.

(b) The police officer or peace officer serving and executing the order to seal shall enter the building or premises and, upon service of the order, command all persons present in the building or premises to vacate the premises forthwith. Upon the building or premises being vacated, the premises shall be securely locked and all keys delivered to the officer serving the order who thereafter shall deliver the keys to the fee owner, lessor, or lessee of the building or premises involved. If the fee owner, lessor, or lessee is not at the building or premises when the order is being executed, the officer shall securely padlock the premises and retain the keys until the fee owner, lessor, or lessee of the building is ascertained, in which event, the officer shall deliver the keys to such fee owner, lessor, or lessee.

(c) Upon service and execution of the order to seal, the police officer or peace officer shall post a copy thereof in a conspicuous place or upon one or more of the principal doors at entrances of such premises where the unlicensed activity is being conducted, maintained, or permitted. In addition, the officer shall affix, in a conspicuous place or upon one or more of the principal doors at entrances of such premises, a printed notice that the premises have been closed by order of the cannabis control board, and the name of the officer or agency posting the notice.

(d) Mutilation or removal of such a posted order or such a posted notice while it remains in force, in addition to any other punishment prescribed by law, shall be punishable, on conviction, by a fine of not more than five thousand dollars or by a class B misdemeanor, or both, provided such order or notice contains therein a notice of such penalty, and shall be referred to the local district attorney for enforcement. The office shall also adhere to the procedures in this subdivision when executing an order to seal issued in accordance with this section.

9. Any order to seal issued by the office or the board issued pursuant to this section shall be effective for one year from the later of the posting of the order or the date of the judgment provided for in this section. An order to seal shall be vacated by the office or the board, upon notice to the office, if the respondent submits sufficient evidence to the office or the board by an affidavit and such other proof as may be submitted by the respondent that the unlicensed activity has been abated. An order vacating an order to seal shall include a provision authorizing the office, or any police officer or peace officer who assisted with the execution of the order to seal, to inspect the building or premises without notice for the purpose of ascertaining whether or not the unlicensed activity has been abated. Any police officer or peace officer with jurisdiction may, upon the request of the office, assist in the enforcement of an inspection provision of an order vacating an order to seal.

10. The office shall mail a copy, by certified mail, of any order to seal issued by the office or board within five days following issuance of such order to the person in whose name the real estate affected by the order is recorded in the office of the city register or the county clerk, as the case may be, who shall be presumed to be the owner thereof. Such mailing shall constitute notice to the owner and shall be deemed to be complete upon such mailing by the office as provided above.

11. If at any time a respondent vacates the building or premises subject to an order to seal issued by the office or board, or if the

**building owner provides sufficient proof thereof, any action or proceeding filed in accordance with these procedures relating to such building or premises shall be withdrawn by the office or the board without prejudice, and any order to seal shall be vacated.**

**12. The remedies provided for in this section are not exclusive and the office or board may also request and recover penalties in accordance with other provisions in this chapter.**

§ 16. Section 195.05 of the penal law, as amended by chapter 269 of the laws of 1998, is amended to read as follows:

§ 195.05 Obstructing governmental administration in the second degree.

or more parcels upon demonstration to the satisfaction of the court having jurisdiction that such greater amount was reasonable and necessary; and

[~~(f)~~] (g) the amount owed to the tax district by virtue of a judgment lien, a mortgage lien, or any other lien held by the tax district that is not a delinquent tax lien.

(h) Charges shall be deemed a part of the delinquent tax for purposes of redemption and determination of surplus.

§ 5. Subdivision 1 of section 1123 of the real property tax law, as amended by chapter 579 of the laws of 1995, is amended to read as follows:

1. [~~Twenty-one~~] Eighteen months after lien date, or as soon thereafter as is practicable, the enforcing officer shall execute a petition of foreclosure pertaining to those properties which remain subject to delinquent tax liens; provided, however, that in the case of property which is subject to a three or four year redemption period, such petition shall be executed [~~thirty-three or forty-five~~] thirty or forty-two months after lien date, respectively, or as soon thereafter as is practicable.

§ 6. The sixth undesignated paragraph of subdivision 3 of section 1124 of the real property tax law, as amended by chapter 532 of the laws of 1994, is amended to read as follows:

§ 7. Section 1125 of the real property tax law is amended by adding a new subdivision 2-a to read as follows:

2-a. In the case of residential property as defined by section eleven hundred eleven of this article, such notice shall also either include or be accompanied by the homeowner warning notice described by section eleven hundred forty-four of this article.

§ 8. The real property tax law is amended by adding a new section 1135 to read as follows:

§ 1135. Application for surplus. In lieu of filing an answer to the foreclosure proceeding, any person claiming surplus arising from a tax district's enforcement of delinquent property taxes shall have the right to file with the clerk in whose office the report of sale is filed at any time before the confirmation of the report of sale, a written notice of such claim, stating the nature and extent of their claim and the address of the claimant or the claimant's attorney.

§ 9. Paragraph (d) of subdivision 2 of section 1136 of the real property tax law, as amended by chapter 532 of the laws of 1994, is amended to read as follows:

(d) In directing any conveyance pursuant to this subdivision, the judgment shall direct the enforcing officer of the tax district to prepare and execute a deed conveying title to the parcel or parcels of real property concerned. Such title shall be full and complete in the absence of an agreement between tax districts as herein provided that it shall be subject to the tax liens of one or more tax districts. Upon the execution of such deed, the grantee shall be seized of an estate in fee simple absolute in such parcel unless the conveyance is expressly made subject to tax liens of a tax district as herein provided, and all persons, including the state, infants, incompetents, absentees and non-residents, who may have had any right, title, interest, claim, lien or equity of redemption in or upon such parcel, shall be barred and forever foreclosed of all such right, title, interest, claim, lien or equity of

redemption. **Nothing contained herein shall be construed to preclude any such person from filing a claim pursuant to section eleven hundred thirty-five or title six of this article for a share of any surplus that may be attributable to the sale of such parcel.**

§ 10. Subdivision 3 of section 1136 of the real property tax law, as amended by chapter 532 of the laws of 1994, is amended to read as follows:

3. When no answer has been interposed. **(a)** The court shall make a final judgment awarding to such tax district the possession of any parcel of real property described in the petition of foreclosure not redeemed as provided in this title and as to which no answer is interposed as provided herein. In addition thereto such judgment shall contain a direction to the enforcing officer of the tax district to prepare, execute and cause to be recorded a deed conveying to such tax district full and complete title to such parcel.

**(b) Alternatively, at the request of the enforcing officer, the court may make a final judgment authorizing the enforcing officer to prepare, execute and cause to be recorded a deed conveying full and complete title to such parcel directly to a party other than the tax district, without the tax district taking title thereto.**

**(c)** Upon the execution of such deed, the tax district**, or the grantee as the case may be,** shall be seized of an estate in fee simple absolute in such parcel and all persons, including the state, infants, incompetents, absentees and non-residents who may have had any right, title, interest, claim, lien or equity of redemption in or upon such parcel shall be barred and forever foreclosed of all such right, title, interest, claim, lien or equity of redemption. **Nothing contained herein shall be construed to preclude any such person from filing a claim pursuant to section eleven hundred thirty-five or title six of this article for a share of any surplus that may be attributable to the sale of such parcel.**

§ 11. Section 1136 of the real property tax law is amended by adding a new subdivision 4 to read as follows:

**4. (a) Notwithstanding any other provision of law to the contrary, when a parcel is subject to a judgment of foreclosure issued pursuant to this section but has not yet been conveyed to a third party, the tax district may, at its discretion, convey title to the parcel back to the former owner or owners, or to the successor or successors in interest if any, upon payment of the taxes, penalties, interest and other lawful charges owed to the tax district, subject to the provisions of paragraph (b) of this subdivision.**

**(b) If immediately prior to the issuance of the judgment of foreclosure, any other person had any right, title, interest, claim, lien or equity of redemption in or upon such parcel, the deed conveying the parcel back to the former owner or owners, or to their successor or successors in interest, shall state that the conveyance shall become subject to the right, title, interest, claim, lien or equity of redemption of any other person that had been extinguished by the judgment of foreclosure, once such right, title, interest, claim, lien or equity of redemption has been reinstated nunc pro tunc pursuant to the provisions of this paragraph. Upon the execution of such deed, the tax district shall cause a copy thereof to be filed with the court, which shall direct the reinstatement of any such right, title, interest, claim, lien or equity of redemption in such parcel nunc pro tunc.**

§ 12. Article 11 of the real property tax law is amended by adding a new title 3-A to read as follows:

TITLE 3-A

HOMEOWNER BILL OF RIGHTS AND RELATED PROVISIONS

Section 1142. Homeowner bill of rights.

1144. Homeowner warning notices.

1146. Repayment plans.

1148. Assistance to vulnerable populations.

§ 1142. Homeowner bill of rights. Any owner of a residential property, as defined in section eleven hundred eleven of this article, who occupies such property as their primary residence, shall have the following rights:

1. Notwithstanding any other general, special, or local law, local tax act, code, rule, regulation, or charter provision to the contrary, to not have exemptions removed or waived for nonpayment of property taxes, except to the extent otherwise provided in section one hundred seventy-one-w of the tax law and any other general law that explicitly authorizes the removal of an exemption due to the nonpayment of taxes;

2. To be informed of the amount of tax due, the number of tax years for which the parcel has been in arrears, the date on which the redemption period ends, the accepted forms of payment, the location where payments shall be made, and the contact information for the responsible taxing authority, provided that a claim by an owner that they were not so informed shall not constitute a valid defense to a foreclosure proceeding;

3. To receive homeowner warning notices pursuant to section eleven hundred forty-four of this title;

4. In the event that their primary residence is foreclosed upon, to receive a share of any surplus resulting from the sale of the property in the manner provided by law;

5. To be charged interest at a rate no higher than the maximum allowable statutory interest rate for unpaid property taxes;

6. To enter into installment plans or repayment plans for purposes of paying delinquent taxes where locally authorized;

7. For owners who are senior citizens who are receiving a senior citizens exemption, an enhanced STAR exemption or an enhanced STAR credit, to receive a grace period of five business days to pay their taxes without interest in a local government that has opted to grant such an extension to such persons;

8. In the event that their primary residence is foreclosed upon, to have all debts related to delinquent taxes owed on such primary residence extinguished upon the foreclosure, except when they have reacquired title pursuant to subdivision four of section eleven hundred thirty-six of this article; provided, however, that nothing contained herein shall be construed to preclude a tax district from bringing an action against a former owner to recover reasonable costs incurred in acting pursuant to law to remove, abate or mitigate unsafe conditions and/or nuisances that were present on the property at the time of foreclosure, including but not limited to the demolition of unsafe structures and the elimination of fire and health hazards where warranted.

§ 1144. Homeowner warning notices. 1. (a) In the case of residential property as defined by section eleven hundred eleven of this article, when personal notice of the commencement of a foreclosure proceeding is mailed pursuant to section eleven hundred twenty-five of this article, such notice shall include or be accompanied by the homeowner warning notice described by paragraph (b) of this subdivision. Provided, however, that in a tax district that does not enforce delinquent taxes pursu-

ant to this article, such homeowner warning notice shall be sent when the foreclosure proceeding is commenced.

(b) Such notice shall be in substantially the following form:

"YOU MAY BE AT RISK OF FORECLOSURE ON A PROPERTY TAX LIEN. PLEASE READ THE FOLLOWING NOTICE CAREFULLY.

As of (enter date), your property taxes have not been paid for the following years and amounts each year: (enter years and amounts)

The total needed to pay off all tax arrears as of the date of this notice is: (enter amount due)

Under New York State law, we are required to send you this notice to inform you that you are at risk of losing your home.

Attached to this notice is a list of government approved housing counseling agencies in your area which provide free counseling. You can also call the NYS Office of the Attorney General's Homeowner Protection Program (HOPP) toll-free consumer hotline to be connected to free housing counseling or legal services in your area at 1-855-HOME-456 (1-855-466-3456), or visit their website. A statewide listing by county is also available at the website of the New York State Department of Financial Services. Qualified free help is available; watch out for companies or people who charge a fee for these services.

Housing counselors from New York-based agencies listed on the website above are trained to help homeowners who are having problems making their tax payments and can help you find the best option for your situation.

If you wish, you may also contact our office directly to discuss possible payment plans and other options.

While we cannot assure that a mutually agreeable resolution is possible, we encourage you to take immediate steps to try to achieve a resolution.

The longer you wait, the fewer options you may have.

If you have not taken any actions to resolve this matter within ninety days from the date this notice was mailed, we may commence legal action or other remedies against you to foreclose the tax lien, which may eventually result in eviction from your home.

Under New York State law, you may be barred from entering into a payment plan or from being permitted to make any payment to save your home after the "Redemption Date". In your case, the "Redemption Date" is tentatively set as (enter date).

IMPORTANT: You have the right to remain in your home until you receive a court order telling you to leave the property; however, you may lose the right to continue ownership of your home after the Redemption Date. If a foreclosure action is filed against you in court, you still have the right to remain in the home until a court orders you to leave.

This notice is not an eviction notice, and a foreclosure action has not yet been commenced against you.

You should also be aware that if you are a senior citizen, a person with a physical disability and/or a veteran, you may be entitled to a partial exemption from property taxes. If you are not already receiving one or more of these exemptions and would like information about the eligibility and application requirements, please contact your local assessor's office."

(c) In a tax district that does not pursue foreclosure when property is owned by a person receiving one of more of the exemptions listed in such notice, a sentence reading substantially as follows shall be added: "If you are currently receiving one or more of these exemptions, please contact us immediately so that we may suspend the foreclosure."

2. A failure of the owner to receive such notice shall not prevent the collection and enforcement of the payment of the taxes on property owned by such person.

3. Such notice may be accompanied by a list of housing counseling agencies that serve the county in which the property is located, including the last known addresses and telephone numbers of such agencies. The department of financial services shall make available on its website a listing, by county, of such agencies. The enforcing officer shall use such lists to meet the requirements of this section.

4. Such notice shall also include or be accompanied by a statement, set forth in each of the twelve most common non-English languages spoken by limited-English proficient individuals in the state, based on the data in the most recent American Community Survey published by United States Census Bureau, advising them that a translated version of this notice, or a detailed summary thereof, may be found on the website of the New York state office of general services. This requirement may be satisfied by posting a statement in each such language that is substantially equivalent to the following: "YOU MAY BE AT RISK OF FORECLOSURE ON A PROPERTY TAX LIEN. To see this notice in (insert the name of the applicable language), go to (insert the applicable URL address)."

§ 1146. Repayment plans. 1. The governing body of a tax district is hereby authorized and empowered to enact and amend a local law providing that in the case of primary residences with a tax delinquency greater than five hundred dollars but less than thirty thousand dollars or such other limit as may be provided by such local law, the property owner shall be permitted to enter into a repayment plan to cure a tax delinquency at any time until the date of redemption.

2. The term of the repayment plan shall be twelve, eighteen, twenty-four, or thirty-six months, at the option of the owner. The amount due under the agreement shall be paid, as nearly as possible, in equal amounts on each payment due date. The amount of each such payment shall be determined by dividing the amount due by the number of required installment payments.

3. The owner shall be deemed to be in default of a payment plan agreement pursuant to this section upon the occurrence of any of the following events:

(a) Any payment due under the repayment plan is not made within forty-five days from the payment due date;

(b) Any tax levied after the owner entered into the repayment plan is not paid by the payment due date;

(c) The subject property is sold; or

(d) The total principal amount in arrears exceeds thirty thousand dollars or such higher amount as may have been set by local law, ordinance or resolution.

4. In the event of a default in payments, and after service of a twenty-day notice of default, the tax district shall have the right to require the entire unpaid balance, with interest, to be paid in full.

§ 1148. Assistance to vulnerable populations. 1. Every notice of unpaid taxes, notice of arrears included in tax statements, personal notice of commencement of foreclosure proceeding or tax lien sale must include information about a housing counseling agency or agencies funded by the New York state office of the attorney general's homeowner protection program in the region in which the property is located.

2. Upon receiving a return of unpaid taxes pursuant to section nine hundred thirty-six of this chapter or a comparable provision of law, the enforcing officer shall send a list of the names, addresses and tele-

phone numbers, if available, of the residential property owners included on such return to a housing counseling agency or agencies funded by the New York state office of the attorney general's homeowner protection program in the region where the property is located, so that such agency may make the homeowner aware of free foreclosure prevention services and options available to the parties.

§ 13. Section 1166 of the real property tax law, as amended by chapter 532 of the laws of 1994, subdivision 1 as amended by chapter 500 of the laws of 2015, is amended to read as follows:

§ 1166. Real property acquired by tax district; right of sale. 1. Whenever any tax district shall become vested with the title to real property, and whenever an enforcing officer shall have been authorized to sell and convey real property directly to another party, by virtue of a foreclosure proceeding brought pursuant to the provisions of this article, such tax district or enforcing officer is hereby authorized to sell and convey [~~the~~] such real property [~~so acquired~~], which shall include any and all gas, oil or mineral rights associated with such real property, either with or without advertising for bids, notwithstanding the provisions of any general, special or local law.

2. No such sale shall be effective unless and until such sale shall have been approved and confirmed by a majority vote of the governing body of the tax district, except that no such approval shall be required when the property is sold at public auction to the highest bidder.

3. The provisions of title six of this article shall govern the distribution of any surplus attributable to such sales.

§ 14. The real property tax law is amended by adding a new section 1194-a to read as follows:

§ 1194-a. Administration of surplus in connection with tax lien sales. Real property tax liens owned by third parties, including those tax liens sold pursuant to former title three of article fourteen of this chapter or pursuant to a special or local law or charter shall only be enforced in the manner described in this section:

1. Upon written application and the surrender of the tax lien certificate of sale, a treasurer's deed may be issued vesting in the tax lien certificate holder an absolute estate in fee, subject to all claims the taxing jurisdiction or state may have thereon for taxes, liens or encumbrances, if (a) a New York state licensed real estate appraiser conducts an appraisal of the property prior to the issuance of the deed to establish the property's fair market value and (b) the property's appraised value does not exceed the outstanding amount due to the tax lien holder. The tax district shall levy the cost of conducting the appraisal as a lien upon the property to be collected along with any other pending taxes, liens, or encumbrances; or

2. Notwithstanding any other law to the contrary, after the applicable redemption period has elapsed, an action to foreclose a tax sale certificate issued pursuant to former title three of article fourteen of this chapter or pursuant to a local law or charter may be commenced and maintained pursuant to this title.

3. Notwithstanding any other law to the contrary, when a tax lien has been sold to a third party, the lienholder shall send a homeowner warning notice in the manner provided by section eleven hundred forty-four of this article at least one hundred eighty days prior to making application for a treasurer's deed or commencing a foreclosure proceeding, as the case may be.

4. Notwithstanding the foregoing provisions of this section, in a city with a population of one million or more, real property tax liens owned

by third parties shall be enforced in the manner provided by the administrative code of such city.

§ 15. Article 11 of the real property tax law is amended by adding a new title 6 to read as follows:

TITLE 6

DISTRIBUTION OF SURPLUS

Section 1195. Definitions.

1196. Determination of existence and amount of surplus.

1197. Claims for surplus.

§ 1195. Definitions. In addition to the definitions set forth in section eleven hundred two of this article, for purposes of this title:

1. "Former homeowner" means a person or persons who lost title to and/or ownership of residential property due to a tax foreclosure.

2. "Public sale" means a sale resulting from a public auction conducted in accordance with the provisions of section two hundred thirty-one of the real property actions and proceedings law.

3. "Surplus" means the net gain, if any, realized by the tax district upon the sale of tax-foreclosed property, as determined in the manner set forth in section eleven hundred ninety-six of this title. Where no such gain was realized, no surplus shall be attributable to that sale.

4. "Tax-foreclosed property" means a parcel as to which a judgment of foreclosure has been issued pursuant to section eleven hundred thirty-six of this article.

§ 1196. Determination of existence and amount of surplus. 1. (a) Within forty-five days after the sale of tax-foreclosed property, the enforcing officer shall determine whether a surplus is attributable to such sale and if so, the amount thereof. Subject to the provisions of subdivision two of this section, such determination shall be made by ascertaining the sum of the total amount of taxes due plus interest, penalties and other charges as defined by section eleven hundred two of this article, and subtracting such sum from whichever of the following is applicable:

(i) where the sale was a public sale, the amount to be so subtracted shall be the amount paid for the property;

(ii) where the sale was not a public sale, the amount to be so subtracted shall be either (A) the full value of the property as shown on the most recent tax roll, (B) if available, an appraisal prepared by a licensed New York state appraiser that establishes the full value of the property as of the date of the transfer of title, or (C) the full value of the property as of the date of the transfer of title as determined by such other valuation method as the enforcing officer reasonably determines will result in just compensation to the former owner and other parties whose interests were extinguished by the foreclosure.

(b) For purposes of this subdivision, where the enforcing officer has been notified that the tax district intends to retain tax-foreclosed property for a public use, the property shall be deemed to have been sold on the date that the enforcing officer was so notified, and the enforcing officer shall determine the existence and amount of a surplus relative to such property in the manner provided by subparagraph (ii) of paragraph (a) of this subdivision.

2. Notwithstanding the provisions of subdivision one of this section, when a tax district has sold or conveyed tax-foreclosed property to a land bank, a housing development agency or another public entity, and such sale or conveyance was not the result of a public sale, or when a tax district has determined to retain tax-foreclosed property for a

public use, no surplus shall be payable if all of the following conditions are satisfied:

(a) prior to such sale, conveyance or determination, the property had been offered for sale at two separate public auctions conducted at least three months apart from one another,

(b) both auctions had been conducted in full compliance with the provisions of section two hundred thirty-one of the real property actions and proceedings law,

(c) the minimum acceptable bid at each auction had been set at an amount no greater than the sum of the taxes due plus interest, penalties and other charges, and

(d) no qualifying bids were received for the property at either auction.

3. (a) If the enforcing officer determines that no surplus is attributable to the sale, such enforcing officer shall submit a report to the court describing the circumstances of the sale, stating that no surplus was attributable to the sale and demonstrating how the enforcing officer reached that conclusion.

(b) If the enforcing officer determines that a surplus is attributable to the sale, such enforcing officer shall submit a report to the court describing the circumstances of the sale, stating that a surplus was attributable to the sale, and demonstrating how the amount of the surplus was determined. Such surplus shall be paid to the court therewith. Within ten days of submitting such report, the enforcing officer shall notify the former property owner that a surplus was attributable to the sale of such property, that such surplus has been paid into court, and that the court will notify the interested parties of the procedure to be followed in order to make a claim for a share of the surplus.

(c) Where the enforcing officer's determination of surplus is based upon such enforcing officer's estimate of the property's value, the enforcing officer's report to the court shall set forth an explanation of how this estimate was made, including the evidence upon which it was based.

4. Upon approval by the court of the enforcing officer's report, the tax district shall have no further responsibilities in relation to the parcel or any surplus attributable thereto, except to the extent the court directs otherwise pursuant to section eleven hundred ninety-seven of this title.

§ 1197. Claims for surplus. 1. Any person who had any right, title, interest, claim, lien or equity of redemption in or upon a parcel immediately prior to the issuance of the judgment of foreclosure may file a claim with the court having jurisdiction for a share of any surplus resulting from the sale of such property. Such claims shall be administered and adjudicated, and such surplus shall be distributed, in the same manner as in an action to foreclose a mortgage pursuant to article thirteen of the real property actions and proceedings law, subject to the provisions of this section.

2. (a) Where the property was sold by a public sale, the amount paid for the property shall be accepted as the full value of the property. No party may maintain a claim for surplus or any other claim or action against the tax district on the basis that the amount paid for the property did not fairly represent the property's value.

(b) Where the property was sold by other than a public sale, a claimant may make a motion, upon notice to the enforcing officer, for the surplus to be recalculated on the basis that the property's full value

on the date of the sale was substantially higher than the value used to measure the surplus pursuant to subparagraph (ii) of paragraph (a) of subdivision one of section eleven hundred ninety-six of this title. If the court or its referee finds that a preponderance of the evidence supports the claimant's position, the court may direct the enforcing officer to recalculate the surplus based upon the property's value as determined by the court or referee. The court may further direct the enforcing officer to pay the difference into court to be distributed as required by this section.

3. Where the court has appointed a referee to preside over the proceedings pursuant to subdivision two of section thirteen hundred sixty-one of the real property actions and proceedings law, it shall not be necessary for such referee to make a report of such proceedings; nor shall it be necessary for the court to confirm by order or otherwise such proceedings.

4. In the case of residential property, if at the time of the confirmation of the report of sale, no former homeowner has filed a claim for surplus, and there are surplus proceeds that remain to be distributed, the proceeding shall remain open for at least three years from the confirmation of the report of sale, or for such longer period as the court may direct. If a former homeowner should file a claim for surplus during such period, the court shall proceed as if it had been timely filed.

5. At the conclusion of such proceedings, any surplus funds that have not been claimed shall be deemed abandoned but shall be paid to the tax district, not to the state comptroller, and shall be used by the tax district to reduce its tax levy.

6. To the extent the provisions of article thirteen of the real property actions and proceedings law are inconsistent with the provisions of this article, the provisions of this article shall govern.

§ 16. Subparagraph (B) of paragraph 7 of subsection (eee) of section 606 of the tax law, as amended by section 1 of subpart D of part Z of chapter 59 of the laws of 2022, is amended to read as follows:

(B) Notwithstanding any provision of law to the contrary, the names and addresses of individuals who have applied for or are receiving the credit authorized by this subsection may be disclosed to assessors, county directors of real property tax services, [~~and~~] municipal tax collecting officers and enforcing officers within New York state. In addition, such information may be exchanged with assessors and tax officials from jurisdictions outside New York state if the laws of the other jurisdiction allow it to provide similar information to this state. Such information shall be considered confidential and shall not be subject to further disclosure pursuant to the freedom of information law or otherwise.

§ 17. Subdivision (c) of section 6 of chapter 602 of the laws of 1993 amending the real property tax law relating to the enforcement of the collection of delinquent real property taxes and to the collection of taxes by banks, as amended by chapter 562 of the laws of 2021, is amended to read as follows:

(c) A village which conducted a tax sale in 1993 pursuant to section 1454 of the real property tax law is hereby authorized to adopt a local law without referendum, no later than September 1, 1994, providing that the collection of taxes that shall become liens on or after January 1, 1995 and on or before December 31, [~~2024~~] 2027 shall be enforced pursuant to title 3 of article 14 of the real property tax law, as the same shall have been in effect on the last day preceding the effective date

of this act. A copy of such local law shall be filed with the state board of equalization and assessment no later than October 1, 1994. **Provided, however, that on and after the effective date of the chapter of the laws of 2024 that amended this subdivision, the enforcement of delinquent taxes in a village that has adopted such a local law shall also be subject to the provisions of section 1194-a of the real property tax law.**

§ 18. Severability clause. If any clause, sentence, paragraph, subdivision, section or subpart contained in any part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or subpart contained in any part thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§ 19. This act shall take effect immediately and shall be deemed to have been in full force and effect on and after May 25, 2023, provided that:

1. (a) In a taxing jurisdiction that enforces delinquent taxes pursuant to article 11 of the real property tax law, where a tax-foreclosed property has been sold on or after May 25, 2023 and prior to the effective date of this act, the enforcing officer of the tax district shall have six months from the effective date of this act to submit to the court the report required by section 1194-a of the real property tax law as added by section fourteen of this act regarding the existence and amount of surplus and to pay such surplus to the court.

(b) In a taxing jurisdiction that enforces delinquent taxes pursuant to a county charter, city charter, administrative code or special law, as authorized by a local law adopted pursuant to section 1104 of the real property tax law, the provisions of such county charter, city charter, administrative code or special law shall continue to apply therein without regard to the provisions of this act, provided that such county charter, city charter, administrative code or special law provides a mechanism for former owners and other parties whose interests were extinguished by the foreclosure of a delinquent tax lien to claim surplus. If the county charter, city charter, administrative code or special law applicable to the taxing jurisdiction does not provide a mechanism for claiming surplus, the taxing jurisdiction is hereby authorized to adopt a local law providing that surplus shall be administered therein in the manner provided by title 6 of article 11 of the real property tax law, as added by section fifteen of this act. Such a local law shall remain in effect until repealed or until the applicable county charter, city charter, administrative code or special law is amended to provide a mechanism for claiming surplus, whichever is sooner. As used in this paragraph, the term "surplus" shall have substantially the same meaning as set forth in section 1195 of the real property tax law, as added by section fifteen of this act, provided, however, that in a city with a population of one million or more, such term shall mean the difference, if any, after subtracting: (A) the sum of the amount of the delinquent tax lien on a property and any foreclosure costs from (B) the proceeds of the sale of such property pursuant to a foreclosure by the taxing jurisdiction; and provided further, that in such a city, the term "foreclosure costs" means the sum of the "charges" as defined by section 1102 of the real property tax law, as amended by

section four of this act, and any other amounts specifically identified in such charter, code or special law as due and payable upon foreclosure.

(c) In any taxing jurisdiction, where a tax-foreclosed property was sold prior to May 25, 2023, a claim for surplus attributable to such sale may be maintained if and only if a proceeding to compel such tax district to distribute such surplus to the petitioner or petitioners had been initiated pursuant to subdivision 1 of section 7803 of the civil practice law and rules, such proceeding was commenced in a timely manner as provided by section 217 of such chapter, and such proceeding was still active on the effective date of this act.

(d) For purposes of this paragraph, the term "taxing jurisdiction" means a municipal corporation with the power to enforce delinquent real property tax liens.

2. Section seventeen of this act shall take effect immediately and shall be deemed to have been in full force and effect on and after July 26, 1994.

PART CC

This Part enacts into law components of legislation relating to deeming the objects or purposes for which certain bonds were issued by the city of Buffalo and authorizing the expenditure of the proceeds from such bonds for such objects or purposes. Each component is wholly contained within a Subpart identified as Subparts A through D. The effective date for each particular provision contained within such Subpart is set forth in the last section of such Subpart. Any provision in any section contained within a Subpart, including the effective date of the Subpart, which makes a reference to a section "of this act", when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Subpart in which it is found. In the event a successful petition is filed with the city clerk, the authorization provided in section two of this act shall not take effect unless such resolution is approved by the affirmative vote of a majority of the qualified electors.

§ 4. Separability. If any clause, sentence, paragraph, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

§ 5. This act shall take effect immediately.

Provided, however, a person subject to this paragraph, and who has exceeded age twenty-five upon employment as a fire protection inspector member, shall be exempt from participation in the improved twenty-five year retirement program if such person elects not to participate by filing a duly executed form with the retirement system within one hundred eighty days of becoming a fire protection inspector member.

4. Any election to be a participant in the twenty-five year retirement program shall be irrevocable.

5. Where any participant in the twenty-five year retirement program shall cease to be employed as a fire protection inspector member, they shall cease to be such a participant and, during any period in which such person is not so employed, they shall not be a participant in the twenty-five year retirement program and shall not be eligible for the benefits of subdivision c of this section.

6. Where any participant in the twenty-five year retirement program terminates service as a fire protection inspector member and returns to

such service as a fire protection inspector member at a later date, they shall again become such a participant on that date.

7. Notwithstanding any other provision of the law to the contrary, any person who is eligible to elect to become a participant in the twenty-five year retirement program pursuant to paragraph one or two of this subdivision for the full one hundred eighty day period provided for in such applicable paragraph and who fails to timely file a duly executed application for such participation with the retirement system, shall not thereafter be eligible to become a participant in such program.

c. Service retirement benefits. 1. A participant in the twenty-five year retirement program:

(i) who has completed twenty-five or more years of allowable service as a fire protection inspector member; and

(ii) who has paid, before the effective date of retirement, all additional member contributions and interest (if any) required by subdivision e of this section; and

(iii) who files with the retirement system of which they are a member an application for service retirement setting forth at what time, not less than thirty days subsequent to the execution and filing thereof, their desire to be retired; and

(iv) who shall be a participant in the twenty-five year retirement program at the time so specified for their retirement; shall be retired pursuant to the provisions of this section affording early service retirement.

2. Notwithstanding the provisions of subdivision a-1 of section six hundred three of this article, or any other provision of law to the contrary, and subject to the provisions of paragraph six of subdivision e of this section, the early service retirement benefit for participants in the twenty-five year retirement program who retire pursuant to paragraph one of this subdivision shall be a retirement allowance consisting of:

(i) an amount, on account of the required minimum period of service, equal to fifty percent of their final average salary; plus

(ii) an amount on account of allowable service as a fire protection inspector member, or fraction thereof, beyond such required minimum period of service equal to two percent of their final salary for such allowable service as a fire protection inspector member during the period from completion of twenty-five years of allowable service as a fire protection inspector member to the date of retirement but not to exceed more than five years of additional service as a fire protection inspector member.

d. Vesting. 1. A participant in the twenty-five year retirement program:

(i) who discontinues service as such a participant, other than by death or retirement; and

(ii) who prior to such discontinuance, completed five but less than twenty-five years of allowable service as a fire protection inspector member; and

(iii) who, subject to the provisions of paragraph seven of subdivision e of this section, has paid, prior to such discontinuance, all additional member contributions and interest (if any) required by subdivision e of this section; and

(iv) who does not withdraw in whole or in part their accumulated member contributions pursuant to section six hundred thirteen of this article unless such participant thereafter returns to public service and repays the amounts so withdrawn, together with interest, pursuant to

such section six hundred thirteen; shall be entitled to receive a deferred vested benefit as provided in this subdivision.

2. (i) Upon such discontinuance under the conditions and in compliance with the provisions of paragraph one of this subdivision, such deferred vested benefit shall vest automatically.

(ii) In the case of a participant who is not a New York city revised plan member, such vested benefit shall become payable on the earliest date on which such discontinued member could have retired for service if such discontinuance had not occurred or, in the case of a participant who is a New York city revised plan member, such vested benefit shall become payable at age sixty-three. Subject to the provisions of paragraph seven of subdivision e of this section, such deferred vested benefit shall be a retirement allowance consisting of an amount equal to two percent of such discontinued member's final average salary, multiplied by the number of years of credited service.

e. Additional member contributions. 1. In addition to the member contributions required by section six hundred thirteen of this article, each participant in the twenty-five year retirement program shall contribute to the retirement system of which they are a member (subject to the applicable provisions of subdivision d of section six hundred thirteen of this article and subject to the limitation provided for in paragraph two of this subdivision) an additional six and twenty-five one-hundredths percent of their compensation earned from (i) all allowable service, as a participant in the twenty-five year retirement program, rendered on or after the starting date of the twenty-five year retirement program, and (ii) all allowable service after such person ceases to be a participant, but before they again become a participant pursuant to paragraph six of subdivision b of this section. The additional contributions required by this section shall be in lieu of additional member contributions required by subdivision d of section six hundred four-c of this article, as added by chapter ninety-six of the laws of nineteen hundred ninety-five, and no member making additional contributions pursuant to this section shall be required to make contributions pursuant to such subdivision d of section six hundred four-c of this article. Notwithstanding the foregoing provisions of this paragraph, the additional member contribution required to be paid by each participant pursuant to this paragraph shall not exceed the percentage of their compensation that, when added to the contribution made pursuant to subdivision d of section six hundred thirteen of this article, equals nine and twenty-five one-hundredths percent of that compensation.

2. A participant in the twenty-five year retirement program shall contribute additional member contributions until the later of (i) the first anniversary of the starting date of the twenty-five year retirement program, or (ii) the date on which they complete thirty years of allowable service as a fire protection inspector member.

3. Commencing with the first full payroll period after each person becomes a participant in the twenty-five year retirement program, additional member contributions at the rate specified in paragraph one of this subdivision shall be deducted (subject to the applicable provisions of subdivision d of section six hundred thirteen of this article) from the compensation of such participant on each and every payroll of such participant for each and every payroll period for which they are such a participant.

4. (i) Each participant in the twenty-five year retirement program shall be charged with a contribution deficiency consisting of the total

amounts of additional member contributions such person is required to make pursuant to paragraphs one and two of this subdivision which are not deducted from their compensation pursuant to paragraph three of this subdivision, if any, together with interest thereon, compounded annually, and computed in accordance with the provisions of subparagraphs (ii) and (iii) of this paragraph.

(ii) (A) The interest required to be paid on each such amount specified in subparagraph (i) of this paragraph shall accrue from the end of the payroll period for which such amount would have been deducted from compensation if they had been a participant at the beginning of that payroll period and such deduction had been required for such payroll period, until such amount is paid to the retirement system.

(B) The rate of interest to be applied to each such amount during the period for which interest accrues on that amount shall be equal to the rate or rates of interest required by law to be used during that same period to credit interest on the accumulated deductions of retirement system members.

(iii) Except as otherwise provided in paragraph five of this subdivision, no interest shall be due on any unpaid additional member contributions which are not attributable to a period prior to the first full payroll period referred to in paragraph three of this subdivision.

5. (i) Should any person who, pursuant to subparagraph (ii) of paragraph ten of this subdivision, has received a refund of their additional member contribution including any interest paid on such contributions, again become a participant in the twenty-five year retirement program pursuant to paragraph six of subdivision b of this section, an appropriate amount shall be included in such participant's contribution deficiency (including interest thereon as calculated pursuant to subparagraph (ii) of this paragraph) for any credited service for which such person received a refund of such additional member contributions (including any amount of an unpaid loan balance deemed to have been returned to such person pursuant to paragraph twelve of this subdivision), as if such additional member contributions never had been paid.

(ii)(A) Interest on a participant's additional member contributions included in such participant's contribution deficiency pursuant to subparagraph (i) of this paragraph shall be calculated as if such additional member contributions had never been paid by such participant, and such interest shall accrue from the end of the payroll period to which an amount of such additional member contributions is attributable, until such amount is paid to the retirement system.

(B) The rate of interest to be applied to each such amount during the period for which interest accrues on that amount shall be five percent per annum, compounded annually.

6. Where a participant who is otherwise eligible for service retirement pursuant to subdivision c of this section did not, prior to the effective date of retirement, pay the entire amount of a contribution deficiency chargeable to them pursuant to paragraphs four and five of this subdivision, or repay the entire amount of a loan of their additional member contributions pursuant to paragraph eleven of this subdivision (including accrued interest on such loan), that participant, nevertheless, shall be eligible to retire pursuant to subdivision c of this section, provided, however, that such participant's service retirement benefit calculated pursuant to paragraph two of such subdivision c of this section shall be reduced by a life annuity (calculated in accordance with the method set forth in subdivision i of section six hundred thirteen-b of this article) which is actuarially equivalent to:

(i) the amount of any unpaid contribution deficiency chargeable to such member pursuant to paragraphs four and five of this subdivision; plus

(ii) the amount of any unpaid balance of a loan of their additional member contributions pursuant to paragraph eleven of this subdivision (including accrued interest on such loan).

7. Where a participant who is otherwise eligible for a vested right to a deferred benefit pursuant to subdivision d of this section did not, prior to the date of discontinuance of service, pay the entire amount of a contribution deficiency chargeable to them pursuant to paragraphs four and five of this subdivision, or repay the entire amount of a loan of their additional member contributions pursuant to paragraph eleven of this subdivision (including accrued interest on such loan), that participant, nevertheless, shall have a vested right to a deferred benefit pursuant to subdivision d of this section provided, however, that the deferred vested benefit calculated pursuant to paragraph two of subdivision d of this section shall be reduced by a life annuity (calculated in accordance with the method set forth in subdivision i of section six hundred thirteen-b of this article) which is actuarially equivalent to:

(i) the amount of any unpaid contribution chargeable to such member pursuant to paragraphs four and five of this subdivision; plus

(ii) the amount of any unpaid balance of a loan of their additional member contributions pursuant to paragraph eleven of this subdivision (including accrued interest on such a loan).

8. The head of a retirement system which includes participants in the twenty-five year retirement program in its membership may, consistent with the provisions of this subdivision, promulgate regulations for the payment of such additional member contributions, and any interest thereon, by such participants (including the deduction of such contributions, and any interest thereon, from the participant's compensation).

9. Subject to the provisions of paragraphs six and seven of this subdivision, where a participant has not paid in full any contribution deficiency chargeable to them pursuant to paragraphs four and five of this subdivision, and a benefit, other than a refund of member contributions pursuant to section six hundred thirteen of this article or a refund of additional member contributions pursuant to subparagraph (ii) of paragraph ten of this subdivision, becomes payable under this article to the participant or to their designated beneficiary or estate, the actuarial equivalent of any such unpaid amount shall be deducted from the benefit otherwise payable.

10. (i) Such additional member contributions (and any interest thereon) shall be paid into the contingent reserve fund of the retirement system of which the participant is a member and shall not for any purpose be deemed to be member contributions or accumulated contributions of a member under section six hundred thirteen of this article or otherwise while they are a participant in the twenty-five year retirement program or otherwise.

(ii) Should a participant in the twenty-five year retirement program who has rendered less than fifteen years of credited service cease to hold a position as a fire protection inspector member for any reason whatsoever, their accumulated additional member contributions made pursuant to this subdivision (together with any interest thereon paid to the retirement system) may be withdrawn by them pursuant to procedures promulgated in regulations of the board of trustees of the retirement system, together with interest thereon at the rate of five percent per annum, compounded annually.

(iii) Notwithstanding any other provision of law to the contrary, (A) no person shall be permitted to withdraw from the retirement system any additional member contributions paid pursuant to this subdivision or any interest paid thereon, except pursuant to and in accordance with the preceding subparagraphs of this paragraph; and (B) no person, while they are a participant in the twenty-five year retirement program, shall be permitted to withdraw any such additional member contributions or any interest paid thereon pursuant to any of the preceding subparagraphs of this paragraph or otherwise.

11. A participant in the twenty-five year retirement program shall be permitted to borrow from their additional member contributions (including any interest paid thereon) which are credited to the additional contributions account established for such participant in the contingent reserve fund of the retirement system. The borrowing from such additional member contributions pursuant to this paragraph shall be governed by the rights, privileges, obligations, and procedures set forth in section six hundred thirteen-b of this article which govern the borrowing of member contributions made pursuant to section six hundred thirteen of this article. The board of trustees of the retirement system may, consistent with the provisions of this subdivision and the provisions of section six hundred thirteen-b of this article as made applicable to this subdivision, promulgate regulations governing the borrowing of such additional member contributions.

12. Whenever a person has an unpaid balance of a loan or their additional member contributions pursuant to paragraph eleven of this subdivision at the time they become entitled to a refund of their additional member contributions pursuant to subparagraph (ii) of paragraph ten of this subdivision, the amount of such unpaid loan balance (including accrued interest) shall be deemed to have been returned to such member, and the refund of such additional contributions shall be the net amount of such contribution, together with interest thereon in accordance with the provisions of such subparagraph (ii).

§ 2. Subdivision d of section 613 of the retirement and social security law is amended by adding a new paragraph 12 to read as follows:

12. (i) The city of New York shall, in the case of a fire protection inspector member (as defined in paragraph one of subdivision a of section six hundred four-j of this article) who is a participant in the twenty-five year retirement program (as defined in paragraph four of subdivision a of such section six hundred four-j), pick up and pay to the retirement system of which such participant is a member all additional member contributions which otherwise would be required to be deducted from such member's compensation pursuant to paragraphs one and two of subdivision e of such section six hundred four-j of this article (not including any additional member contributions due for any period prior to the first full payroll period referred to in such paragraph three of such subdivision e), and shall effect such pick up in each and every payroll of such participant for each and every payroll period with respect to which such paragraph three would otherwise require such deductions.

(ii) An amount equal to the amount of additional contributions picked up pursuant to this paragraph shall be deducted by such employer from the compensation of such member (as such compensation would be in the absence of a pick up program applicable to them hereunder) and shall not be paid to such member.

(iii) The additional member contributions picked up pursuant to this paragraph for any such member shall be paid by such employer in lieu of

an equal amount of additional member contributions otherwise required to be paid by such member under the applicable provisions of subdivision e of section six hundred four-j of this article, and shall be deemed to be and treated as employer contributions pursuant to section 414(h) of the Internal Revenue Code.

(iv) For the purpose of determining the retirement system rights, benefits, and privileges of any member whose additional member contributions are picked up pursuant to this paragraph, such picked up additional member contributions shall be deemed to be and treated as part of such member's additional member contributions under the applicable provisions of subdivision e of section six hundred four-j of this article.

(v) With the exception of federal income tax treatment, the additional member contributions picked up pursuant to subparagraph (i) of this paragraph shall for all other purposes, including computation of retirement benefits and contributions by employers and employees, be deemed employee salary. Nothing contained in this subdivision shall be construed as superseding the provisions of section four hundred thirty-one of this chapter, or any similar provision of law which limits the salary base for computing retirement benefits payable by a public retirement system.

§ 3. Subdivision a of section 603 of the retirement and social security law, as amended by chapter 18 of the laws of 2012, is amended to read as follows:

a. The service retirement benefit specified in section six hundred four of this article shall be payable to members who have met the minimum service requirements upon retirement and attainment of age sixty-two, other than members who are eligible for early service retirement pursuant to subdivision c of section six hundred four-b of this article, subdivision c of section six hundred four-c of this article, subdivision d of section six hundred four-d of this article, subdivision c of section six hundred four-e of this article, subdivision c of section six hundred four-f of this article, subdivision c of section six hundred four-g of this article, subdivision c of section six hundred four-h of this article [~~or~~] subdivision c of section six hundred four-i of this article, or subdivision c of section six hundred four-j of this article, provided, however, a member of a teachers' retirement system or the New York state and local employees' retirement system who first joins such system before January first, two thousand ten or a member who is a uniformed court officer or peace officer employed by the unified court system who first becomes a member of the New York state and local employees' retirement system before April first, two thousand twelve may retire without reduction of [~~his or her~~] their retirement benefit upon attainment of at least fifty-five years of age and completion of thirty or more years of service, provided, however, that a uniformed court officer or peace officer employed by the unified court system who first becomes a member of the New York state and local employees' retirement system on or after January first, two thousand ten and retires without reduction of [~~his or her~~] their retirement benefit upon attainment of at least fifty-five years of age and completion of thirty or more years of service pursuant to this section shall be required to make the member contributions required by subdivision f of section six hundred thirteen of this article for all years of credited and creditable service, provided further that the [~~the~~] preceding provisions of this subdivision shall not apply to a New York city revised plan member.

§ 4. Nothing contained in sections two and three of this act shall be construed to create any contractual right with respect to members to whom such sections apply. The provisions of such sections are intended to afford members the advantages of certain benefits contained in the internal revenue code, and the effectiveness and existence of such sections and benefits they confer are completely contingent thereon.

§ 5. This act shall take effect immediately, provided, however that:

(a) The provisions of sections two and three of this act shall remain in full force and effect only so long as, pursuant to federal law, contributions picked up under such sections are not includable as gross income of a member for federal income tax purposes until distributed or made available to the member; provided that the New York city employees' retirement system shall notify the legislative bill drafting commission upon the occurrence of such a change in federal law ruling affecting the provisions of this act in order that the commission may maintain an accurate and timely effective data base of the official text of the laws of the state of New York in furtherance of effectuating the provisions of section 44 of the legislative law and section 70-b of the public officers law;

(b) The amendments to subdivision a of section 603 of the retirement and social security law made by section three of this act shall not affect the expiration of such subdivision and shall be deemed to expire therewith.

CENSUS DATA: The estimates presented herein are based on preliminary census data collected as of June 30, 2023. The census data for the fire protection inspectors assumed to elect an FPI 25-Year Plan is summarized below.

| | NYCERS |
|---|---|
| Active Members | |
| - Number Count: | 82 |
| - Average Age: | 41.6 |
| - Average Service: | 13.6 |
| - Average Salary: | 88,200 |

IMPACT ON MEMBER BENEFITS AND CONTRIBUTIONS: The proposed legislation would provide fire protection inspectors a service retirement benefit under the FPI 25-Year Plans equal to 50% of Final Average Salary (FAS) for the first 25 years of Allowable Service, plus 2% of FAS for each additional year of Allowable Service exceeding 25 years up to a maximum of 30 years. The FAS is based on a three-year average for Tier 4 members and a five-year average for Tier 6 members. The vested benefit under the FPI 25-Year Plans would be 2% of FAS for each year of Allowable Service.

Members of the FPI 25-Year Plans would be required to pay Basic Member Contributions (BMC), which vary by tier, plus Additional Member Contributions (AMC) equal to 6.25% of compensation for all service as a Plan participant on and after the starting date of the Plan until the later of the one-year anniversary of the effective date of the Plans or 30 years of Allowable Service. In no event shall BMC plus AMC exceed 9.25% of compensation.

ASSUMPTIONS AND METHODS: The estimates presented herein have been calculated based on the Revised 2021 Actuarial Assumptions and Methods of the impacted retirement systems. In addition:

* The rates of retirement for the FPI 25-Year Plans were assigned based on members' eligibility to elect or opt out of the plan. The FPI 25-year plan will be optional for current fire protection inspectors. Future members will be mandated into the FPI 25-year plan unless they are over age 25 when hired as a fire protection inspector.

* New entrants were assumed to replace exiting members so that total payroll for fire protection inspectors increases by 3% each year. New entrant demographics were developed based on data for recent new hires and actuarial judgement. Future members, who are not over age 25 when hired as a fire protection inspector, would be mandated into the FPI 25-year plan.

To determine the impact of the elective nature of the proposed legislation, a subgroup of NYCERS Fire Protection Inspectors was developed based on who is assumed to benefit actuarially by comparing the net present value of future employer costs of each member's benefit under their current plan and under the applicable FPI 25-Year Plan.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the actuarial assumptions, methods, and models used, demographics of the impacted population, and other factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Quantifying these risks is beyond the scope of this Fiscal Note.

This Fiscal Note is intended to measure pension-related impacts and does not include other potential costs (e.g., administrative and Other Postemployment Benefits).

STATEMENT OF ACTUARIAL OPINION: Marek Tyszkiewicz and Gregory Zelikovsky are members of the Society of Actuaries and the American Academy of Actuaries. We are members of NYCERS but do not believe it impairs our objectivity and we meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein. FISCAL NOTE IDENTIFICATION: This Fiscal Note 2024-37 dated March 25, 2024 was prepared by the Chief Actuary for the New York City Retirement Systems and Pension Funds. This estimate is intended for use only during the 2024 Legislative Session.

## PART GG

Section 1. Section 3 of part HH of chapter 56 of the laws of 2022 amending the retirement and social security law relating to waiving approval and income limitations on retirees employed in school districts and board of cooperative educational services, as amended by section 1 of part V of chapter 55 of the laws of 2023, is amended to read as follows:

§ 3. This act shall take effect immediately and shall expire and be deemed repealed June 30, [~~2024~~] **2025**.

§ 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow retirees employed by a New York State school district or by the board of cooperative educational services (BOCES) to collect a salary without suspension or diminution of their pension benefit through June 30, 2025.

Insofar as this bill affects the New York State and Local Employees' Retirement System (NYSLERS), if this bill were enacted during the 2024 Legislative Session, the direct cost incurred would be the retiree's pension benefit paid while post-retirement earnings are above $35,000 each calendar year. The pension benefit expected to be paid by the NYSLERS during that 6-month period is estimated to be $22,000 per person.

In addition to the direct cost quoted above, there would be additional costs in the form of lost employer contributions due to non-billable post-retirement earnings, which is estimated to be $5,500 per person.

The number of members and retirees who could be affected by this legislation cannot be readily determined. For each retiree hired pursuant to this proposal, an annual cost of $27,500 is expected.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would amend Part HH of Chapter 56 of the Laws of 2022 to extend the waiver of the earnings-after-retirement limit for one more year to June 30, 2025 for retired members who return to work with a school district or a board of cooperative educational services (BOCES). The current expiration date is June 30, 2024 for the waiver of this limit. This act shall take effect immediately and shall be deemed repealed on June 30, 2025.

It is estimated that there will be no additional annual cost to the employers of members of the New York State Teachers' Retirement System if this bill is enacted. There could be additional annual costs in the future if this waiver is continually extended such that it becomes an expectation, as this could lead to some members retiring earlier than they otherwise would have. Earlier retirement generally increases plan costs since members will be receiving their benefits for a longer period.

Member data is from the System's most recent actuarial valuation files as of June 30, 2023, consisting of data provided by the employers to the Retirement System. The most recent data distributions and statistics can be found in the System's Annual Report for fiscal year ended June 30, 2023. System assets are as reported in the System's financial statements and can also be found in the System's Annual Report. Actuarial assumptions and methods are provided in the System's Actuarial Valuation Report as of June 30, 2023.

The source of this estimate is Fiscal Note 2024-29 dated March 21, 2024 prepared by the Office of the Actuary of the New York State Teachers' Retirement System and is intended for use only during the 2024 Legislative Session. I, Richard A. Young, am the Chief Actuary for the

New York State Teachers' Retirement System. I am a member of the American Academy of Actuaries and I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein.

PART HH

Section 1. Subdivision 3 of section 363-a of the retirement and social security law, as amended by chapter 437 of the laws of 2016, is amended to read as follows:

3. As used in this section, the terms "firefighter" and "police officer" mean any member who is performing police or fire service, as the phrase police or fire service is defined in paragraphs a, b, c, d, f (as added by chapter six hundred seventy-four of the laws of nineteen eighty-six), f (as added by chapter six hundred seventy-seven of the laws of nineteen eighty-six), g, h**, i** and j of subdivision eleven of section three hundred two of this article, and who, prior to entry into service as a firefighter or police officer, successfully passed a physical examination which failed to disclose evidence of any disease or other impairment of the heart.

§ 2. The amendments to section 363-a of the retirement and social security law made by section one of this act shall not affect, impair, or invalidate any temporary right, privilege, or benefit conferred pursuant to the provisions of a general, special or local law (other than pursuant to articles 14 and 15 of the retirement and social security law) for any member of a public retirement system or pension plan funded by the state or one of its political subdivisions, nor shall any amendments thereto affect the application of such provisions as extended by the provisions of section 480 of the retirement and social security law.

§ 3. This act shall take effect immediately.

FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:

This bill is a technical correction to Chapter 561 of the Laws of 2015. It would add a "heart bill" performance of duty disability provision for police officers of the State University of New York who are members of the New York State and Local Police and Fire Retirement System (NYSLPFRS).

If this legislation is enacted during the 2024 Legislative Session, it would lead to more disabilities being classified as "in performance of duty".

However, we anticipate that few additional performance of duty disability retirements will be granted, and thus, the resulting costs are expected to be negligible.

These estimated costs are based on 557 affected members employed by the State of New York, with annual salary of approximately $53.8 million as of March 31, 2023.

PART II

Section 1. Legislative findings and declaration. The legislature hereby finds and declares that an adjustment to pensionable earnings of first grade police officers is necessary to enhance public safety and prevent the loss of vital public services in this state. The legislature hereby finds and declares that such adjustment is necessary to address, inter alia, the historic police officer recruitment and retention crisis, the increase in police overtime, and the rise in crime impacting New Yorkers. Therefore, the legislature declares the necessity for the enactment of this act to enhance public safety and protect against disruption of vital public services in this state.

§ 2. Section 14-111 of the administrative code of the city of New York is amended by adding two new subdivisions c and d to read as follows:

**c. When a first grade police officer of the New York city police department shall have served in the rank of police officer for a period of twenty-five years, such officer shall have the same rights in respect to the New York state and local police and fire retirement system or the New York city police pension fund as a police officer designated to act as detective of the third grade who shall have served as such for a period of time aggregating two years at the highest salary rate for a detective of the third grade.**

**d. When a first grade police officer of the New York city police department shall have served in the rank of police officer for a period of thirty years, such officer shall have the same rights in respect to the New York state and local police and fire retirement system or the New York city police pension fund as a sergeant who shall have served as such for a period of time aggregating two years at the highest salary rate for a sergeant.**

§ 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

SUMMARY: This proposed legislation, as it relates to the New York City Police Pension Fund (POLICE), would increase the salary used for determining pension benefits for first grade NYPD officers who have served in such rank for 25 or 30 years, to salaries equivalent to detective 3rd grade or sergeant, respectively.

Projected contributions are based on historical experience for Tier 2 members. Future retirement patterns may differ due to a larger Tier 3 population (e.g., Tier 2 is expected to retire at 20 years of service, and Tier 3 is expected to retire at 25 years of service).

The entire increase in employer contributions will be allocated to New York City.

EXPECTED INCREASE (DECREASE) IN ACTUARIAL LIABILITIES

The enactment of this proposed legislation is expected to increase the Present Value of Future Benefits (PVFB) by approximately $8.2 million in the first year and every year thereafter. Each year's PVFB increase will depend on the actual experience of benefiting retirees and will be recognized in the year benefits are first payable.

AMORTIZATION OF UNFUNDED ACCRUED LIABILITY

| Number of Payments: | 14 |
| Fiscal Year of Last Payment: | N/A |
| First-year Amortization Payment: | $ 1.0 M |

CENSUS DATA: The estimates presented herein are based on preliminary census data collected as of June 30, 2023. The census data for POLICE active members is summarized below.

| | POLICE |
|---|---|
| Active Members | |
| - Number Count: | 33,800 |
| - Average Age: | 37.6 |
| - Average Service: | 11.3 |
| - Average Salary: | 128,600 |

The salaries used in this analysis were provided by the Police Benevolent Association of the City of New York and reflect the latest contract negotiations. Below is a summary of the salary data provided:

* Police Officer 1st Grade - $105,146
* Detective 3rd Grade - $111,999
* Sergeant - $125,852

Data from prior actuarial valuations was used to estimate the number of retirees who could potentially benefit from this proposed legislation and is summarized below.

* Police Officer 1st Grade who retired with 25-29 years in rank - 930 retired over the past 10 years.
* Police Officer 1st Grade who retired with 30+ years in rank - 218 retired over the past 10 years.

IMPACT ON MEMBER BENEFITS: The proposed legislation would permit first grade police officers, who have met certain service requirements, to have their pension calculations based on a higher assumed salary.

For example, under this proposed legislation a Tier 2 Police Officer 1st Grade who holds such position for at least 25, or 30, years would receive an increase in their annual pension benefit of approximately $4,300 or $12,200 per year, respectively, due to the higher assumed pensionable salary.

Based on an estimate of the number of POLICE members who are expected to be impacted by the increased pensionable salary, it is estimated that if this proposed legislation is enacted, the annual increase in POLICE pension benefits paid will be approximately $0.7 million in the first year and increase in every year thereafter.

With respect to an individual member, the impact on benefits due to this proposed legislation could vary greatly depending on the member's age, years of service, retirement cause, and Tier.

ASSUMPTIONS AND METHODS: The estimates presented herein have been calculated based on the actuarial assumptions and methods to be used for the Preliminary Fiscal Year 2025 employer contributions of the impacted retirement systems. In addition:

* New entrants were assumed to replace exiting members so that total payroll increases by 3% each year for impacted groups. New entrant demographics were developed based on data for recent new hires and actuarial judgement.
* Future contribution impacts have been developed assuming a homogeneous population and consistent retirement pattern.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the actuarial assumptions, methods, and models used, demographics of the impacted population and other factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Quantifying these risks is beyond the scope of this Fiscal Note.

This Fiscal Note is intended to measure pension-related impacts and does not include other potential costs (e.g., administrative and Other Postemployment Benefits).

We are members of NYCERS but do not believe it impairs our objectivity and we meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein. procedures and with the Actuarial Standards of Practice issued by the Actuarial Standards Board.

Section 1. Section 343 of the retirement and social security law is amended by adding a new subdivision i to read as follows:

i. 1. Notwithstanding any other law, rule or regulation to the contrary, for any police officer employed by the division of law enforcement in the department of environmental protection in the city of New York transferring from the New York city employees' retirement system to the New York state and local police and fire retirement system after the effective date of this subdivision and any police officer formerly employed by the division of law enforcement in the department of environmental protection in the city of New York having made such transfer, such police officer's division of law enforcement in the department of environmental protection in the city of New York service credit shall be deemed creditable service, in such police officer's twenty year or twenty-five year retirement plan, if such police officer has served for at least two years in such employment and if, within one year of the date on which he or she first became a member of the New York state and local police and fire retirement system or within one year of the effective date of this subdivision, such member elects to do so.

2. The amount of such service credited to the member in the New York state and local police and fire retirement system plan shall not exceed the amount of service credited to the member in the New York city employees' retirement system plan.

3. If the member subsequently retires on an age-based retirement plan in the New York state and local police and fire retirement system instead of a twenty year or twenty-five year plan, the full amount of service credit earned, as a police officer employed by the division of law enforcement in the department of environmental protection in the city of New York shall be granted.

4. In no event shall the division of law enforcement in the department of environmental protection in the city of New York service credited to a member of the New York state and local police and fire retirement system pursuant to this subdivision exceed a total of ten years.

5. Notwithstanding any other provision of law in this section to the contrary, the reserve on such member's benefits shall be transferred from the New York city employees' retirement system to the New York state and local police and fire retirement system in accordance with subdivisions c and d of this section.

6. No member who receives service credit pursuant to this subdivision shall be eligible to receive additional service credit pursuant to subdivision b of section three hundred eighty-four-e of this article if his or her employer has elected to provide such service credit.

§ 2. This act shall take effect on the sixtieth day after it shall have become a law.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would expand the definition of service creditable under 20-year and 25-year plans in the New York State and Local Police and Fire Retirement System (NYSLPFRS) to include service transferred by any

police officer employed or formerly employed by the Division of Law Enforcement in the Department of Environmental Protection in the City of New York, provided that such police officer has at least two years of such employment. The member must elect to obtain the service credit within one year of the date on which they first became a member of the NYSLPFRS or within one year of the effective date of this bill, whichever occurs later. The amount of service credit received in the NYSLPFRS shall not exceed the minimum of the amount of service credited to the member in the New York City Employees' Retirement System (NYCERS) plan or 10 years.

If this bill is enacted during the 2024 Legislative Session, it is estimated that the past service cost will average approximately 25% of an affected member's salary for each year of additional service that is credited on a 20-year or 25-year plan. This cost will be offset by any reserves transferred from the NYCERS. The remaining cost will be shared by the State of New York and the participating employers in the NYSLPFRS.

The exact number of current members as well as future members who could be affected by this legislation cannot be readily determined.

CENSUS DATA: The number of members who have transferred or will transfer to PFRS is unknown. The estimates presented herein are based on preliminary census data collected as of June 30, 2023. The census data for the potentially impacted population used to develop the average costs in this Fiscal Note is based on DEP police officers currently in NYCERS who have between two and 15 years of service and is summarized below.

BACKGROUND: Currently, NYCERS members employed as DEP police officers who subsequently become employed by the State are eligible to transfer their NYCERS membership and receive service credit in the State plans, but generally do not receive service credit in the 20-year and 25-year PFRS Plans.

Under the proposed legislation, DEP police officers who served in such title for a minimum of two years and then transfer their NYCERS membership to PFRS within one year of becoming a PFRS member (or one year of the effective date, if later) would receive up to 10 years of credit in the 20-year and 25-year PFRS Plans for such equal DEP service.

Currently, member accumulated contributions (with accrued interest), and employer paid reserves if the member has at least 10 years of service, are transferred. Under the proposed legislation, NYCERS would be required to calculate and pay such member's pension reserve, net of any accumulated salary deductions otherwise transferred, to PFRS, even if the member has less than 10 years of service.

It should be noted that the proposed legislation does not provide for a reciprocal transfer of reserves should a member transfer from PFRS to NYCERS with less than 10 years of service.

ASSUMPTIONS AND METHODS: The estimates presented herein have been calculated based on the Revised 2021 Actuarial Assumptions and Methods of the impacted retirement systems.

For purposes of this Fiscal Note, it has been assumed that the impacted NYCERS members would generally not have transferred their membership to PFRS absent this proposed legislation. It has been further assumed that members with more than 15 years of service would not transfer their membership even under the proposed legislation.

The number of members who will benefit in the future from this fiscal note is unknown. The cost of this proposed legislation could vary greatly depending on the number of future members who benefit and, on their plan, length of service, age, and salary history.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the actuarial assumptions, methods, and models used, demographics of the impacted population, and other factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Quantifying these risks is beyond the scope of this Fiscal Note.

This Fiscal Note is intended to measure pension-related impacts and does not include other potential costs (e.g., administrative and Other Postemployment Benefits).

STATEMENT OF ACTUARIAL OPINION: Marek Tyszkiewicz and Gregory Zelikovsky are members of the Society of Actuaries and the American Academy of Actuaries. We are members of NYCERS but do not believe it impairs our objectivity and we meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein. To the best of our knowledge, the results contained herein have been prepared in accordance with generally accepted actuarial principles and procedures and with the Actuarial Standards of Practice issued by the Actuarial Standards Board.

FISCAL NOTE IDENTIFICATION: This Fiscal Note 2024-29 dated March 15, 2024 was prepared by the Chief Actuary for the New York City Retirement Systems and Pension Funds. This estimate is intended for use only during the 2024 Legislative Session.

rate shall be determined by reference to employees annual base wages of such member in the second plan year (April first to March thirty-first) preceding such current plan year. Notwithstanding the foregoing, during each of the first three plan years (April first to March thirty-first) in which such member has established membership in the New York state and local employees' retirement system, such member shall contribute a percentage of annual wages in accordance with the preceding schedule based upon a projection of annual wages provided by the employer. Notwithstanding the foregoing, when determining the rate at which each such member who became a member of the New York state and local employees' retirement system on or after April first, two thousand twelve shall contribute for any plan year (April first to March thirty-first) between April first, two thousand twenty-two and April first, two thousand [~~twenty-four~~] twenty-six, such rate shall be determined by reference to employees annual base wages of such member in the second plan year (April first to March thirty-first) preceding such current plan year. Base wages shall include regular pay, shift differential pay, location pay, and any increased hiring rate pay, but shall not include any overtime payments.

Notwithstanding the foregoing, when determining the contribution rate at which a member of the New York state teachers' retirement system with a date of membership on or after April first, two thousand twelve shall contribute for plan years (July first to June thirtieth) between July first, two thousand twenty-two and July first, two thousand [~~twenty-four~~] twenty-six, such rate shall be deter-

mined by reference to the member's annual base wages in the second plan year (July first to June thirtieth) preceding such current plan year. Annual base wages shall not include compensation earned for extracurricular programs or any other pensionable earnings paid in addition to the annual base wages.

§ 3. The second undesignated paragraph of section 1204 of the retirement and social security law, as amended by section 3 of part SS of chapter 56 of the laws of 2022, is amended to read as follows:

Notwithstanding the foregoing, during each of the first three plan years (April first to March thirty-first) in which such member has established membership in the New York state and local police and fire retirement system, such member shall contribute a percentage of annual wages in accordance with the preceding schedule based upon a projection of annual wages provided by the employer. Notwithstanding the foregoing, when determining the rate at which each such member who became a member of the New York state and local police and fire retirement system on or after April first, two thousand twelve shall contribute for any plan year (April first to March thirty-first) between April first, two thousand twenty-two and April first, two thousand [~~twenty-four~~] twenty-six, such rate shall be determined by reference to employees annual base wages of such member in the second plan year (April first to March thirty-first) preceding such current plan year. Base wages shall include regular pay, shift differential pay, location pay, and any increased hiring rate pay, but shall not include any overtime payments. Effective April first, two thousand twelve, all members subject to the provisions of this article shall not be required to make member contributions on annual wages excluded from the calculation of final average salary pursuant to section twelve hundred three of this article. Nothing in this section, however, shall be construed or deemed to allow members to receive a refund of any member contributions on such wages paid prior to April first, two thousand twelve.

§ 4. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would exclude overtime pay from the annual wages used to determine the variable member contribution rate for Tier 6 members of the New York State and Local Retirement System during the period of April 1, 2024 to April 1, 2026.

Insofar as this bill affects the New York State and Local Employees' Retirement System (NYSLERS), if this bill is enacted during the 2024 Legislative Session, we anticipate that there will be an increase in the present value of benefits of approximately $36 million which would be shared by the State of New York and all participating employers in the NYSLERS. The annual contribution required would be approximately $1.3 million to the State of New York and approximately $1.9 million to the local participating employers. This **permanent annual cost** will vary in subsequent billing cycles with changes in the billing rate and salary of the affected members.

Insofar as this bill affects the New York State and Local Police and Fire Retirement System (NYSLPFRS), if this bill is enacted during the 2024 Legislative Session, we anticipate that there will be an increase in the present value of benefits of approximately $7 million which would be shared by the State of New York and all participating employers in the NYSLPFRS. The annual contribution required would be approximately $0.1 million to the State of New York and approximately $0.4 million to the local participating employers. This **permanent annual cost** will vary

in subsequent billing cycles with changes in the billing rate and salary of the affected members.

In addition to the costs discussed above, implementing the provisions of this legislation would generate administrative costs.

The exact number of current members who could be affected by this legislation cannot be readily determined.

This estimate, dated March 1, 2024, and intended for use only during the 2024 Legislative Session, is Fiscal Note No. 2024-111, prepared by the Actuary for the New York State and Local Retirement System.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

As it relates to the New York State Teachers' Retirement System, this bill would amend Section 613 of the Retirement and Social Security Law to extend the period during which the calculation of the employee contribution rate for Tier 6 members is to be determined using only a member's annual base wages and would not include compensation earned for extracurricular programs or any other pensionable earnings paid in addition to the annual base wages. This provision would be extended for two additional fiscal years, those ending June 30, 2025 and June 30, 2026. The current expiration date of this provision is the fiscal year ending June 20, 2024.

The estimated cost for using only annual base wages to determine the employee contribution rate for Tier 6 members during 2025 and 2026 is projected to be $9.2 million, over the two-year period, if this bill is enacted. This is not a recurring annual cost, but rather a temporary cost due to the projected decrease in employee contributions to be made during the two fiscal years ending June 30, 2025 and June 30, 2026.

Member data is from the System's most recent actuarial valuation files as of June 30, 2023, consisting of data provided by the employers to the Retirement System. The most recent data distributions and statistics can be found in the System's Annual Report for fiscal year ended June 30, 2023. System assets are as reported in the System's financial statements and can also be found in the System's Annual Report. Actuarial assumptions and methods are provided in the System's Actuarial Valuation Report as of June 30, 2023.

New York State Teachers' Retirement System. I am a member of the American Academy of Actuaries and I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein.

BACKGROUND: Tier 6 members of NYCERS, TRS, and BERS are required to make Basic Member Contributions (BMC) ranging from 3% to 6% depending on the members' respective annual wages two calendar years prior. Annual wages include overtime up to a certain limit that increases annually based on inflation ($19,729 for calendar year 2023).

Part SS of Chapter 56 of the Laws of 2022 excluded overtime and compensation earned for supplemental work for determining future Tier 6 BMC rates for the period of April 1, 2022 through April 1, 2024 (NYCERS, TRS, and BERS are subject to a calendar plan year).

The proposed legislation would extend the exclusion of overtime and compensation earned for supplemental work for determining Tier 6 BMC rates through April 1, 2026.

ASSUMPTIONS AND METHODS: The estimates presented herein have been calculated based on the Revised 2021 Actuarial Assumptions and Methods of the impacted retirement systems.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the actuarial assumptions, methods, and models used, demographics of the impacted population, and other factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Quantifying these risks is beyond the scope of this Fiscal Note.

This Fiscal Note is intended to measure pension-related impacts and does not include other potential costs (e.g., administrative and Other Postemployment Benefits).

If any clause, sentence, paragraph, subdivision, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§ 3. This act shall take effect immediately provided, however, that the applicable effective date of Parts A through KK of this act shall be as specifically set forth in the last section of such Parts.
