15 docket it and it shall become a lien in the same manner and with the
16 same force and effect as hereinbefore provided with respect to a warrant
17 issued and directed to and filed by a sheriff; and in the execution
18 thereof such officer or employee shall have all the powers conferred by
19 law upon sheriffs, but they shall be entitled to no fee or compensation
20 in excess of the actual expenses paid in the performance of such duty.
21 If a warrant is returned not satisfied in full, the commissioner shall
22 have the same remedies to enforce the amount thereof as if the commis-

40 the commissioner shall assign, without consideration or liability, that
41 portion of the filed order that constitutes wages, wage supplements,
42 interest on wages or wage supplements, or liquidated damages due the
43 employee, to that employee and may file an assignment or order in that

23 force, and effect may be issued and directed to any officer or employee

26 docket it and it shall become a lien in the same manner and with the
27 same force and effect as hereinbefore provided with respect to a warrant
28 issued and directed to and filed by a sheriff; and in the execution
29 thereof such officer or employee shall have all the powers conferred by
30 law upon sheriffs, but they shall be entitled to no fee or compensation
31 in excess of the actual expenses paid in the performance of such duty.
32 If a warrant is returned not satisfied in full, the commissioner shall
33 have the same remedies to enforce the amount thereof as if the commis-

5 COMMON QUESTIONS ABOUT THE USE OF THIS FORM

6 What does the Transfer on Death (TOD) deed do?

7 When you die, this deed transfers the described property, subject to any
8 liens or mortgages (or other encumbrances) on the property at your
9 death. Probate is not required. The TOD deed has no effect until you
10 die. You can revoke it at any time. You are also free to transfer the
11 property to someone else during your lifetime. If you do not own any
12 interest in the property when you die, this deed will have no effect.

13 How do I make a TOD deed?

14 Complete this form. Have it acknowledged before a notary public. Record
15 the form in each county where any part of the property is located. The
16 form has no effect unless it is acknowledged and recorded before your
17 death.

18 Is the "legal description" of the property necessary?

19 Yes.

20 How do I find the "legal description" of the property?

21 This information may be on the deed you received when you became an
22 owner of the property. This information may also be available in the
23 county clerk's office of the county where the property is located. If
24 you are not absolutely sure, consult a lawyer.

25 Can I change my mind before I record the TOD deed?

26 Yes. If you have not yet recorded the deed and want to change your mind,
27 simply tear up or otherwise destroy the deed.

28 How do I "record" the TOD deed?

29 Take the completed and acknowledged form to the county clerk's office of
30 the county where the property is located. Follow the instructions given
31 by the county clerk to make the form part of the official property
32 records. If the property is in more than one county, you should record
33 the deed in each county.

34 Can I later revoke the TOD deed if I change my mind?

35 Yes. You can revoke the TOD deed. No one, including the beneficiaries,
36 can prevent you from revoking the deed.

37 How do I revoke the TOD deed after it is recorded?

38 There are three ways to revoke a recorded TOD deed:

(1) Complete and acknowledge a revocation form and record it in each county where the property is located.

(2) Complete and acknowledge a new TOD deed that disposes of the same property and record it in each county where the property is located.

(3) Transfer the property to someone else during your lifetime by a recorded deed that expressly revokes the TOD deed. You may not revoke the TOD deed by will.

I am being pressured to complete this form. What should I do?

Do not complete this form under pressure. Seek help from a trusted family member, friend, or lawyer.

Do I need to tell the beneficiaries about the TOD deed?

No, but it is recommended. Secrecy can cause later complications and might make it easier for others to commit fraud.

I have other questions about this form. What should I do?

This form is designed to fit some but not all situations. If you have other questions, you are encouraged to consult a lawyer.

16. Form of revocation. The following form may be used to create an instrument of revocation under this section. The other subdivisions of this section shall govern the effect of this, or any other instrument used to revoke a transfer on death deed.

PART P

Section 1. This Part enacts into law components of legislation relating to the conveyance and use of real property owned and maintained by the state university of New York and the New York state department of transportation. Each component is wholly contained within a Subpart identified as Subparts A through C. The effective date for each particular provision contained within such Subpart is set forth in the last section of such Subpart. Any provision in any section contained within a Subpart, including the effective date of the Subpart, which makes reference to a section "of this act", when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Subpart in which it is found. Section three of this Part sets forth the general effective date of this Part.

SUBPART A

Section 1. Legislative findings. The legislature finds that the state university of New York at Farmingdale ("Farmingdale") seeks to use approximately 8.7 acres of vacant land on Farmingdale's campus to build multi-purpose facilities to support housing needs and supporting amenities, fulfilling a necessary and vital public purpose. The legislature further finds that granting the trustees of the State University of New York ("Trustees") the authority and power to lease and otherwise contract to make available grounds and facilities of the Farmingdale campus will ensure such land is utilized for the benefit of Farmingdale, the surrounding community, and the general public.

§ 2. Notwithstanding any other law to the contrary, the Trustees are authorized and empowered, without any public bidding, to lease and otherwise contract to make available to Farmingdale state development corporation, a not-for-profit corporation (the "ground lessee"), a portion of the lands of Farmingdale generally described in this act for the purpose of developing, constructing, maintaining and operating multi-purpose facilities to support housing needs and supporting amenities. Such lease or contract shall be for a period not exceeding ninety-nine years without any fee simple conveyance and otherwise upon terms

1 and conditions determined by such trustees, subject to the approval of
2 the director of the division of the budget, the attorney general and the
3 state comptroller. In the event that the real property that is the
4 subject of such lease or contract shall cease to be used for the purpose
5 described in this act, such lease or contract shall immediately termi-
6 nate and the real property and any improvements thereon shall revert to
7 the state university of New York. Any lease or contract entered into
8 pursuant to this act shall provide that the real property that is the
9 subject of such lease or contract and any improvements thereon shall
10 revert to the state university of New York on the expiration of such
11 contract or lease. Any and all proceeds related to the leases author-
12 ized by this act shall be used for the benefit of the Farmingdale campus
13 and the allocation of such proceeds shall be subject to approval by the
14 Trustees.

15 § 3. Any contract or lease entered into pursuant to this act shall be
16 deemed to be a state contract for purposes of article 15-A of the execu-
17 tive law, and any contractor, subcontractor, lessee or sublessee enter-
18 ing into such contract or lease for the construction, demolition, recon-
19 struction, excavation, rehabilitation, repair, renovation, alteration or
20 improvement authorized pursuant to this act shall be deemed a state
21 agency for the purposes of article 15-A of the executive law and subject
22 to the provisions of such article.

23 § 4. Notwithstanding any general, special or local law or judicial
24 decision to the contrary, all work performed on a project authorized by
25 this act where all or any portion thereof involves a lease or agreement
26 for construction, demolition, reconstruction, excavation, rehabili-
27 tation, repair, renovation, alteration or improvement shall be subject
28 to and performed in accordance with the provisions of article 8 of the
29 labor law to the same extent and in the same manner as a contract of the
30 state.

31 § 5. Without limiting the determination of the terms and conditions of
32 such contracts or leases, such terms and conditions may provide for
33 leasing, subleasing, construction, reconstruction, rehabilitation,
34 improvement, operation and management of and provision of services and
35 assistance and the granting of licenses, easements and other arrange-
36 ments with regard to such grounds and facilities by Farmingdale state
37 development corporation, and parties contracting with Farmingdale state
38 development corporation, and in connection with such activities, the
39 obtaining of funding or financing, whether public or private, unsecured
40 or secured, including, but not limited to, secured by leasehold mort-
41 gages and assignments of rents and leases, by Farmingdale state develop-
42 ment corporation and parties contracting with Farmingdale state develop-
43 ment corporation for the purposes of completing the project described in
44 this act.

45 § 6. Such lease shall include an indemnity provision whereby the
46 lessee or sublessee promises to indemnify, hold harmless and defend the
47 lessor against all claims, suits, actions, and liability to all persons
48 on the leased premises, including tenant, tenant's agents, contractors,
49 subcontractors, employees, customers, guests, licensees, invitees and
50 members of the public, for damage to any such person's property, whether
51 real or personal, or for personal injuries arising out of tenant's use
52 or occupation of the demised premises.

53 § 7. Any contracts entered into pursuant to this act between the
54 ground lessee and parties contracting with the ground lessee shall be
55 awarded by a competitive process.

1 § 8. The property authorized by this act to be leased to Farmingdale
2 state development corporation is generally described as that parcel of
3 real property with improvements thereon consisting of a total of 8.7
4 acres situated on the campus of the State University of New York at
5 Farmingdale, subject to all existing easements and restrictions of
6 record. The description in this section of the parcel to be made avail-
7 able pursuant to this act is not meant to be a legal description, but is
8 intended only to identify the parcel:

9 The property is situated at the southwest corner of NYS Route 110 and
10 Melville Road. The eastern boundary runs north/south along the western
11 side of NYS Route 110 with approximately 450 feet of frontage. The
12 northern boundary runs along Melville Road for just over 1,000 feet.

13 § 9. The state university of New York shall not lease lands described
14 in this act unless any such lease shall be executed within 5 years of
15 the effective date of this act.

16 § 10. Insofar as the provisions of this act are inconsistent with the
17 provisions of any law, general, special or local, the provisions of this
18 act shall be controlling.

19 § 11. This act shall take effect immediately.

20 SUBPART B

21 Section 1. Legislative findings. The legislature finds that the state
22 university of New York at Stony Brook ("Stony Brook") seeks to use
23 approximately 10 acres of underutilized land on Stony Brook's Southamp-
24 ton campus to build multi-purpose facilities to support housing needs
25 and supporting amenities, fulfilling a necessary and vital public
26 purpose. The legislature further finds that granting the trustees of
27 the State University of New York ("Trustees") the authority and power to
28 lease and otherwise contract to make available grounds and facilities of
29 Stony Brook's campus will ensure such land is utilized for the benefit
30 of Stony Brook, the surrounding community, and the general public.

31 § 2. Notwithstanding any other law to the contrary, the Trustees are
32 authorized and empowered, without any public bidding, to lease and
33 otherwise contract to make available to a ground lessee a portion of the
34 lands of Stony Brook generally described in this act for the purpose of
35 developing, constructing, maintaining and operating multi-purpose facil-
36 ities to support housing needs and supporting amenities. Such lease or
37 contract shall be for a period not exceeding ninety-nine years without
38 any fee simple conveyance and otherwise upon terms and conditions deter-
39 mined by such trustees, subject to the approval of the director of the
40 division of the budget, the attorney general and the state comptroller.
41 In the event that the real property that is the subject of such lease or
42 contract shall cease to be used for the purpose described in this act,
43 such lease or contract shall immediately terminate and the real property
44 and any improvements thereon shall revert to the state university of New
45 York. Any lease or contract entered into pursuant to this act shall
46 provide that the real property that is the subject of such lease or
47 contract and any improvements thereon shall revert to the state univer-
48 sity of New York on the expiration of such contract or lease. Any and
49 all proceeds related to the leases authorized by this act shall be used
50 for the benefit of the Stony Brook campus and the allocation of such
51 proceeds shall be subject to approval by the Trustees.

52 § 3. Any contract or lease entered into pursuant to this act shall be
53 deemed to be a state contract for purposes of article 15-A of the execu-
54 tive law, and any contractor, subcontractor, lessee or sublessee enter-

ing into such contract or lease for the construction, demolition, reconstruction, excavation, rehabilitation, repair, renovation, alteration or improvement authorized pursuant to this act shall be deemed a state agency for the purposes of article 15-A of the executive law and subject to the provisions of such article.

§ 4. Notwithstanding any general, special or local law or judicial decision to the contrary, all work performed on a project authorized by this act where all or any portion thereof involves a lease or agreement for construction, demolition, reconstruction, excavation, rehabilitation, repair, renovation, alteration or improvement shall be subject to and performed in accordance with the provisions of article 8 of the labor law to the same extent and in the same manner as a contract of the state.

§ 5. Without limiting the determination of the terms and conditions of such contracts or leases, such terms and conditions may provide for leasing, subleasing, construction, reconstruction, rehabilitation, improvement, operation and management of and provision of services and assistance and the granting of licenses, easements and other arrangements with regard to such grounds and facilities by the ground lessee, and parties contracting with the ground lessee, and in connection with such activities, the obtaining of funding or financing, whether public or private, unsecured or secured, including, but not limited to, secured by leasehold mortgages and assignments of rents and leases, by the ground lessee and parties contracting with the ground lessee for the purposes of completing the project described in this act.

§ 6. Such lease shall include an indemnity provision whereby the lessee or sublessee promises to indemnify, hold harmless and defend the lessor against all claims, suits, actions, and liability to all persons on the leased premises, including tenant, tenant's agents, contractors, subcontractors, employees, customers, guests, licensees, invitees and members of the public, for damage to any such person's property, whether real or personal, or for personal injuries arising out of tenant's use or occupation of the demised premises.

§ 7. Any contracts entered into pursuant to this act between the ground lessee and parties contracting with the ground lessee shall be awarded by a competitive process.

§ 8. The property authorized by this act to be leased to the ground lessee is generally described as approximately 10 acres of land situated on the Southampton campus of the state university of New York at Stony Brook, subject to all existing easements and restrictions of record.

§ 9. The state university of New York shall not lease lands described in this act unless any such lease shall be executed within 5 years of the effective date of this act.

§ 10. Insofar as the provisions of this act are inconsistent with the provisions of any law, general, special or local, the provisions of this act shall be controlling.

§ 11. This act shall take effect immediately.

It is hereby declared to be the intent of the legislature that this part and each subpart herein would have been enacted even if such invalid provisions had not been included herein.

26 this subdivision, the fiscal officer may require the payment of (A) back
27 wages and fringe benefits; (B) liquidated damages up to three times the
28 amount of the back wages and fringe benefits for willful violations;
29 and/or (C) reasonable attorneys' fees. If the fiscal officer finds that

10 law or in equity.

11 12. Multiple tax lots. If an eligible multiple dwelling contains
12 multiple tax lots, an application may be submitted with respect to one

23 filed electronically.

24 c. The agency may rely on certification by an architect or engineer
25 submitted by an applicant in connection with the filing of an applica-

28 hundred nine of the education law. Any architect or engineer found
29 guilty of such misconduct under the procedures prescribed in section
30 sixty-five hundred ten of the education law shall be subject to the
31 penalties prescribed in section sixty-five hundred eleven of the educa-

4 b. A penalty imposed under this subdivision shall be computed as a
5 percentage of the capitalized value of all AHCC program benefits on the

8 establish a schedule and method of calculation of such penalties pursu-
9 ant to subdivision fifteen of this section.

10 c. A penalty imposed under this subdivision shall be imposed against
11 the owner of the eligible multiple dwelling at the time the violation
12 occurred, even if such owner no longer owns such eligible multiple

15 this subdivision shall be guilty of a misdemeanor punishable by impri-

27 § 288. Definitions. As used in this article, the following terms shall
28 have the following meanings:

29 1. The term "inhabited basement dwelling unit" means a basement unlaw-
30 fully occupied as a residence by one or more tenants on or prior to the
31 effective date of this article;

32 2. The term "inhabited cellar dwelling unit" means a cellar unlawfully
33 occupied as a residence by one or more tenants on or prior to the effec-
34 tive date of this article;

35 3. The term "rented" means leased, let, or hired out, with or without
36 a written agreement; and

37 4. The term "tenant" means an individual to whom an inhabited basement
38 dwelling unit is rented.

39 § 289. Basement and cellar local laws and regulations. 1. Notwith-
40 standing any other provision of state or local law to the contrary, in a
41 city with a population of one million or more, the local legislative
42 body may, by local law, establish a program to address, provided that
43 health and safety are protected, (a) the legalization of specified
44 inhabited basement dwelling units and inhabited cellar dwelling units in
45 existence prior to the effective date of this article through conversion
46 to legal dwelling units, or (b) the conversion of other specified base-
47 ment and cellar dwelling units in existence prior to the effective date
48 of this article to legal dwelling units. The local law authorized by
49 this section, and any rules or regulations promulgated thereunder, shall
50 not be subject to environmental review, including environmental review
51 conducted pursuant to article eight of the environmental conservation
52 law and any state and local regulations promulgated thereunder.

53 2. The program established by such local law may provide to an owner
54 who converts an inhabited basement dwelling unit or inhabited cellar

1 dwelling unit in accordance with a local law authorized by this article
2 or who otherwise abates the illegal occupancy of an inhabited basement

4 civil or administrative liability, citations, fines, penalties, judg-

8 civil judgments issued in connection with any such violation of such
9 laws, rules or zoning resolution issued before the effective date of
10 this article. Provided that such local law shall require that all
11 applications for conversions be filed by a date certain subsequent to
12 the effective date of this article, provided further that such date
13 shall not exceed five years after the effective date of this article.

14 3. Such local law may provide that any provision of this chapter or

34 use such certification as the basis for an enforcement action for ille-

36 article shall be construed to limit such city from issuing a vacate
37 order for hazardous or unsafe conditions.

38 2. The local law authorized by this article shall provide that a
39 tenant in occupancy at the time of the effective date of this article,
40 who is evicted or otherwise removed from such unit as a result of an
41 alteration necessary to bring an inhabited basement dwelling unit or
42 inhabited cellar dwelling unit into compliance with the standards estab-
43 lished by the local law authorized by this article, shall have a right
44 of first refusal to return to such unit as a tenant upon its first
45 lawful occupancy as a legal dwelling unit, notwithstanding whether the
46 occupancy at the time of the effective date of this article was author-
47 ized by law. Such local law shall specify how to determine priority when
48 multiple tenants may claim such right.

49 3. A tenant unlawfully denied a right of first refusal to return to a
50 legal dwelling unit, as provided pursuant to the local law authorized by
51 this article, shall have a cause of action in any court of competent
52 jurisdiction for compensatory damages or declaratory and injunctive
53 relief as the court deems necessary in the interests of justice,
54 provided that such compensatory relief shall not exceed the annual
55 rental charges for such legal dwelling unit.

56 § 2. This act shall take effect immediately.

40 or revocation of ANNY Project benefits.

41 (pp) "Tax exempt bond proceeds" shall mean the proceeds of an exempt
42 facility bond, as defined in paragraph seven of subsection (a) of
43 section one hundred forty-two of the internal revenue code of nineteen
44 hundred eighty-six, as amended, the interest upon which is exempt from
45 taxation under section one hundred three of the internal revenue code of
46 nineteen hundred eighty-six, as amended.

47 (qq) "Third-party fund administrator" shall be a person or entity that
48 receives funds pursuant to subdivision three of this section and over-
49 sees and manages the disbursement of such funds to construction workers.
50 The third-party fund administrator shall be a person or entity approved
51 by the fiscal officer and recommended by one, or more, representative or
52 representatives of the largest trade association of residential real
53 estate developers, either for profit or not-for-profit, in New York city
54 and one, or more, representative or representatives of the largest trade
55 labor association representing building and construction workers, with
56 membership in New York city. The third-party fund administrator shall

1 be appointed for a term of three years, provided, however, that the
2 administrator in place at the end of a three-year term shall continue to
3 serve beyond the end of the term until a replacement administrator is
4 appointed. The fiscal officer, after providing notice and after meeting
5 with the third-party fund administrator, may remove such administrator
6 for cause upon a fiscal officer determination that the administrator has
7 been ineffective at overseeing or managing the disbursement of funds to the
8 construction workers. The third-party fund administrator shall, at the
9 request of the fiscal officer, submit reports to the fiscal officer.

10 (rr) "Thirty-five year benefit" shall mean: (i) for the construction
11 period, a one hundred percent exemption from real property taxation,
12 other than assessments for local improvements; (ii) for the first twenty-
13 five years of the small rental project restriction period or the
14 large rental project restriction period, as applicable, a one hundred
15 percent exemption from real property taxation, other than assessments
16 for local improvements; and (iii) for the final ten years of the small
17 rental project restriction period or for the next ten years of the large
18 rental project restriction period, as applicable, an exemption from real
19 property taxation, other than assessments for local improvements, equal
20 to the affordability percentage.

21 (ss) "Wages" shall mean all compensation, remuneration or payments of
22 any kind paid to, or on behalf of, construction workers, including,
23 without limitation, any hourly compensation paid directly to the
24 construction worker, together with employee benefits, such as health,
25 welfare, non-occupational disability coverage, retirement, vacation
26 benefits, holiday pay, life insurance and apprenticeship training, and
27 payroll taxes, including, to the extent permissible by law, all amounts
28 paid for New York state unemployment insurance, New York state disabili-
29 ty insurance, metropolitan commuter transportation mobility tax, federal
30 unemployment insurance and pursuant to the federal insurance contrib-
31 utions act or any other payroll tax that is paid by the employer.

32 2. Benefit. In cities having a population of one million or more,
33 notwithstanding the provisions of any general, special or local law to
34 the contrary, new eligible multiple dwellings, except hotels, that
35 comply with the provisions of this section shall be exempt from real
36 property taxation, other than assessments for local improvements, in the
37 amounts and for the periods specified in this section. A rental project
38 that meets all of the requirements of this section shall receive a thirty-
39 five year benefit and a homeownership project that meets all of the
40 requirements of this section shall receive a forty-year benefit.

41 3. Rental projects. In addition to all other requirements set forth in
42 this section, rental projects containing more than the number of rental
43 units set forth by the memorandum of understanding entered into pursuant
44 to subdivision twenty-two of this section that are located within the
45 prime development area shall comply with the requirements set forth in
46 this subdivision. For purposes of this subdivision, "contractor" shall
47 mean any entity which by agreement with another party, including sub-
48 contractors, undertakes to perform construction work at an eligible site
49 and "applicant" shall mean an applicant for ANNY Program benefits and
50 any successor thereto.

51 (a) The minimum average hourly wage paid to construction workers on an
52 eligible site within the Manhattan prime development area shall be no
53 less than the amount set by the memorandum of understanding entered into
54 pursuant to subdivision twenty-two of this section, and shall increase
55 pursuant to a schedule set forth by such memorandum.

1 (b) The minimum average hourly wage paid to construction workers on an
2 eligible site within the Brooklyn prime development area or the Queens
3 prime development area shall be no less than the amount set by the memo-
4 randum of understanding entered into pursuant to subdivision twenty-two
5 of this section, and shall increase pursuant to a schedule set forth by
6 such memorandum.

7 (c) The requirements of paragraphs (a) and (b) of this subdivision
8 shall not be applicable to:

9 (i) an eligible multiple dwelling in which at least fifty percent of
10 the dwelling units upon initial rental and upon each subsequent rental
11 following a vacancy during the large rental project restriction period,
12 are affordable to and restricted to occupancy by individuals or families
13 whose household income does not exceed ninety percent of the area median
14 income, adjusted for family size, at the time that such household
15 initially occupies such dwelling unit; or

16 (ii) any eligible dwelling that meets exemption criteria set forth in
17 a memorandum of understanding entered into pursuant to subdivision twen-
18 ty-two of this section.

19 (d) The applicant shall contract with an independent monitor. Such
20 independent monitor shall submit to the fiscal officer within one year
21 of the completion date, a project-wide certified payroll report. In the
22 event such project-wide certified payroll report is not submitted to the
23 fiscal officer within the requisite time, the applicant shall be subject
24 to a fine of one thousand dollars per week, or any portion thereof;
25 provided that the maximum fine shall be seventy-five thousand dollars.
26 In the event that the wage paid is less than the average hourly wage set
27 pursuant to paragraph (a) or (b) of this subdivision as applicable, the
28 project-wide certified payroll report shall also set forth the amount of
29 such deficiency.

30 (e) The contractor certified payroll report shall be submitted by each
31 contractor and sub-contractor no later than ninety days after the
32 completion of construction work by such contractor or sub-contractor. In
33 the event that a contractor or sub-contractor fails or refuses to submit
34 the contractor certified payroll report within the time prescribed in
35 this paragraph, the independent monitor shall notify the fiscal officer
36 and the fiscal officer shall be authorized to fine such contractor or
37 sub-contractor in an amount set forth by the memorandum of understanding
38 entered into pursuant to subdivision twenty-two of this section,
39 provided that the maximum fine shall not exceed an amount set forth in
40 such memorandum.

41 (f) In the event that the project-wide certified payroll report shows
42 that the wage paid as required by paragraph (a) or (b) of this subdivi-
43 sion, as applicable, was not paid, if the wage paid is within fifteen
44 percent of the average hourly wage required pursuant to paragraph (a) or
45 (b) of this subdivision, as applicable, then no later than one hundred
46 twenty days from the date of submission of such project-wide certified
47 payroll report, the applicant shall pay to the third-party fund adminis-
48 trator an amount equal to the amount of the deficiency set forth in the
49 project-wide certified payroll report. The third-party fund administra-
50 tor shall distribute such payment to the construction workers who
51 performed construction work on such eligible site. Prior to making such
52 repayment, the third-party fund administrator shall submit to the fiscal
53 officer a plan subject to the fiscal officer's approval setting forth
54 the manner in which the third-party fund administrator will reach the
55 required average hourly wage within one hundred fifty days of receiving
56 the payment from the applicant and how any remaining funds will be

1 disbursed in the event that the third-party fund administrator cannot
2 distribute the funds to the construction workers within one year of
3 receiving fiscal officer approval. In the event that the applicant fails
4 to make such payment within the time period prescribed in this para-
5 graph, the applicant shall be subject to a fine not to exceed the amount
6 set by the memorandum of understanding entered into pursuant to subdivi-
7 sion twenty-two of this section, provided that the maximum fine shall
8 not exceed the amount set by the memorandum of understanding entered
9 into pursuant to subdivision twenty-two of this section. If the wage
10 paid is more than fifteen percent below the construction wage required
11 pursuant to paragraph (a) or (b) of this subdivision, as applicable,
12 then no later than one hundred twenty days from the date of submission
13 of such project-wide certified payroll report, the applicant shall pay
14 to the third-party fund administrator an amount equal to the amount of
15 the deficiency set forth in the project-wide payroll report. The third-
16 party fund administrator shall distribute such payment to the
17 construction workers who performed construction work on such eligible
18 site. Prior to making such repayment, the third-party fund administrator
19 shall submit to the fiscal officer a plan subject to the fiscal offi-
20 cer's approval setting forth the manner in which the third-party fund
21 administrator will reach the required average hourly wage within one
22 hundred fifty days of receiving the payment from the applicant and how
23 any remaining funds will be disbursed in the event that the third-party
24 fund administrator cannot distribute the funds to the construction work-
25 ers within one year of receiving fiscal officer approval. In addition,
26 the fiscal officer shall impose a penalty on the applicant in an amount
27 equal to twenty-five percent of the amount of the deficiency, provided,
28 however, that the fiscal officer shall not impose such penalty where the
29 eligible multiple dwelling has been the subject of a job action which
30 results in a work delay. In the event that the applicant fails to make
31 such payment within the time period prescribed in this paragraph, the
32 applicant shall be subject to a fine not to exceed the amount set by the
33 memorandum of understanding entered into pursuant to subdivision twen-
34 ty-two of this section, provided that the maximum fine shall not exceed
35 the amount set by the memorandum of understanding entered into pursuant
36 subdivision twenty-two of this section. Notwithstanding any provision
37 of this subdivision, the applicant shall not be liable in any respect
38 whatsoever for any payments, fines or penalties related to or resulting
39 from contractor fraud, mistake, or negligence or for fraudulent or inac-
40 curate contractor certified payroll reports or for fraudulent or inaccu-
41 rate project-wide certified payroll reports, provided, however, that
42 payment to the third-party fund administrator in the amount set forth in
43 the project-wide certified payroll report as described in this paragraph
44 shall still be made by the contractor or sub-contractor in the event of
45 underpayment resulting from or caused by the contractor or sub-contrac-
46 tor, and that the applicant will be liable for underpayment to the
47 third-party fund administrator unless the fiscal officer determines, in
48 its sole discretion, that the underpayment was the result of, or caused
49 by, contractor fraud, mistake or negligence and/or for fraudulent or
50 inaccurate contractor certified payroll reports and/or project-wide
51 certified payroll reports. The applicant shall otherwise not be liable
52 in any way whatsoever once the payment to the third-party fund adminis-
53 trator has been made in the amount set forth in the project-wide certi-
54 fied payroll report. Other than the underpayment, which must be paid to
55 the third-party fund administrator, all fines and penalties set forth in

1 this subdivision imposed by the fiscal officer shall be paid to the
2 agency and used by the agency to provide affordable housing.

3 (g) Nothing in this subdivision shall be construed to confer a private
4 right of action to enforce the provisions of this subdivision, provided,
5 however, that this sentence shall not be construed as a waiver of any
6 existing rights of construction workers or their representatives related
7 to wage and benefit collection, wage theft or other labor protections or
8 rights and provided, further, that nothing in this subdivision relieves
9 any obligations pursuant to a collective bargaining agreement.

10 (h) The fiscal officer shall have the sole authority to determine and
11 enforce any liability for underpayment owing to the third-party fund
12 administrator from the applicant and/or the contractor, as a result of
13 contractor fraud, mistake or negligence and/or for fraudulent or inaccu-
14 rate contractor certified payroll reports and/or project-wide certified
15 payroll reports, as set forth in paragraph (e) of this subdivision. The
16 fiscal officer shall expeditiously conduct an investigation and hearing
17 at the New York city office of administrative trials and hearings, shall
18 determine the issues raised thereon and shall make and file an order in
19 his or her office stating such determination and forthwith serve a copy
20 of such order, either personally or by mail, together with notice of
21 filing, upon the parties to such proceedings. The fiscal officer in such
22 an investigation shall be deemed to be acting in a judicial capacity and
23 shall have the right to issue subpoenas, administer oaths and examine
24 witnesses. The enforcement of a subpoena issued under this paragraph
25 shall be regulated by the civil practice law and rules. The filing of
26 such order shall have the full force and effect of a judgment duly dock-
27 eted in the office of the county clerk. The order may be enforced by and
28 in the name of the fiscal officer in the same manner, and with like
29 effect, as that prescribed by the civil practice law and rules for the
30 enforcement of a money judgment.

31 4. In addition to all other requirements set forth in this section, an
32 eligible site must, over the course of the design and construction of
33 such eligible site, make all reasonable efforts to spend on contracts
34 with minority and women owned business enterprises at least twenty-five
35 percent of the total applicable costs, as such enterprises and costs are
36 defined in rules of the agency. Such rules shall set forth required
37 measures with respect to contracts for design and construction that are
38 comparable, to the extent practicable, to the measures used by agencies
39 of the city of New York to enhance minority and women owned business
40 enterprise participation in agency contracts pursuant to applicable law,
41 including section 6-129 of the administrative code of the city of New
42 York.

43 5. Tax payments. In addition to any other amounts payable pursuant to
44 this section, the owner of any eligible site receiving ANNY Program
45 benefits shall pay, in each tax year in which such ANNY Program benefits
46 are in effect, real property taxes and assessments as follows:

47 (a) with respect to each eligible multiple dwelling constructed on
48 such eligible site, real property taxes on the assessed valuation of
49 such land and any improvements thereon in effect during the tax year
50 prior to the commencement date of such eligible multiple dwelling, with-
51 out regard to any exemption from or abatement of real property taxation
52 in effect during such tax year, which real property taxes shall be
53 calculated using the tax rate in effect at the time such taxes are due;
54 and

55 (b) all assessments for local improvements.

1 6. Limitation on benefits for non-residential space. If the aggregate
2 floor area of commercial, community facility and accessory use space in
3 an eligible site, other than parking which is located not more than
4 twenty-three feet above the curb level, exceeds twelve percent of the
5 aggregate floor area in such eligible site, any ANNY Program benefits
6 shall be reduced by a percentage equal to such excess. If an eligible
7 site contains multiple tax lots, the tax arising out of such reduction
8 in ANNY Program benefits shall first be apportioned pro rata among any
9 non-residential tax lots. After any such non-residential tax lots are
10 fully taxable, the remainder of the tax arising out of such reduction in
11 ANNY Program benefits, if any, shall be apportioned pro rata among the
12 remaining residential tax lots.

13 7. Calculation of benefit. Based on the certification of the agency
14 certifying the applicant's eligibility for ANNY Program benefits, the
15 assessors shall certify to the collecting officer the amount of taxes to
16 be exempted.

17 8. Affordability requirements. A rental project shall maintain an
18 affordability percentage at or above the minimum affordability percent-
19 age set forth in regulations promulgated by the agency. The affordable
20 dwelling units within a rental project shall comply with the area median
21 income affordability level or levels set forth pursuant to regulations
22 promulgated by the agency. In setting the affordability percentage and
23 the area median income levels, the agency shall consider the following
24 goals and factors: the production of financially viable, high quality
25 and safe housing, particularly in well-resourced areas with high land
26 acquisition costs, that meet the needs of low and moderate income house-
27 holds and individuals.

28 (a) All rental dwelling units in an eligible multiple dwelling shall
29 share the same common entrances and common areas as market rate units in
30 such eligible multiple dwelling and shall not be isolated to a specific
31 floor or area of an eligible multiple dwelling. Common entrances shall
32 mean any area regularly used by any resident of a rental dwelling unit
33 in the eligible multiple dwelling for ingress and egress from such
34 eligible multiple dwelling.

35 (b) Unless preempted by the requirements of a federal, state or local
36 housing program, either (i) the affordable housing units in an eligible
37 multiple dwelling shall have a unit mix proportional to the market
38 units, or (ii) at least fifty percent of the affordable housing units in
39 an eligible multiple dwelling shall have two or more bedrooms and no
40 more than twenty-five percent of the affordable housing units shall have
41 less than one bedroom.

42 (c) Notwithstanding any provision of rent stabilization to the contra-
43 ry, all affordable housing units shall remain fully subject to rent
44 stabilization both during and subsequent to the small building
45 restriction period or the large building restriction period, as applica-
46 ble.

47 (d) All rent stabilization registrations required to be filed shall
48 contain a designation that specifically identifies affordable housing
49 units created pursuant to this section as "ANNY Program affordable hous-
50 ing units" and shall contain an explanation of the requirements that
51 apply to all such affordable housing units.

52 (e) Failure to comply with the provisions of this subdivision that
53 require the creation, maintenance, rent stabilization compliance and
54 occupancy of affordable housing units or for purposes of a homeownership
55 project the failure to comply with the affordable homeownership project

1 requirements shall result in revocation of any ANNY Program benefits for
2 the period of such non-compliance.

3 (f) Nothing in this section shall (i) prohibit the occupancy of an
4 affordable housing unit by individuals or families whose income at any
5 time is less than the maximum percentage of the area median income,
6 adjusted for family size, specified for such affordable housing unit
7 pursuant to this section, or (ii) prohibit the owner of an eligible site
8 from requiring, upon initial rental or upon any rental following a
9 vacancy, the occupancy of any affordable housing unit by such lower
10 income individuals or families.

11 (g) Following issuance of a temporary certificate of occupancy and
12 upon each vacancy thereafter, an affordable housing unit shall promptly
13 be offered for rental by individuals or families whose income does not
14 exceed the maximum percentage of the area median income, adjusted for
15 family size, specified for such affordable housing unit pursuant to this
16 section and who intend to occupy such affordable housing unit as their
17 primary residence. An affordable housing unit shall not be (i) rented to
18 a corporation, partnership or other entity, or (ii) held off the market
19 for a period longer than is reasonably necessary to perform repairs
20 needed to make such affordable housing unit available for occupancy.

21 (h) An affordable housing unit shall not be rented on a temporary,
22 transient or short-term basis. Every lease and renewal thereof for an
23 affordable housing unit shall be for a term of one or two years, at the
24 option of the tenant.

25 (i) An affordable housing rental unit shall not be converted to coop-
26 erative or condominium ownership.

27 (j) The agency may establish by rule such requirements as the agency
28 deems necessary or appropriate for (i) the marketing of affordable hous-
29 ing units, both upon initial occupancy and upon any vacancy, (ii) moni-
30 toring compliance with the provisions of this subdivision, and (iii) the
31 marketing and monitoring of any homeownership project that is granted an
32 exemption pursuant to this subdivision. Such requirements may include,
33 but need not be limited to, retaining a monitor approved by the agency
34 and paid for by the owner.

35 (k) Notwithstanding any provision of this section to the contrary, a
36 market unit shall not be subject to rent stabilization unless, in the
37 absence of ANNY Program benefits, the unit would be subject to rent
38 stabilization.

39 9. Building service employees. (a) For the purposes of this subdivi-
40 sion, "applicant" shall mean an applicant for ANNY Program benefits, any
41 successor to such applicant, or any employer of building service employ-
42 ees for such applicant, including, but not limited to, a property
43 management company or contractor.

44 (b) All building service employees employed by the applicant at the
45 eligible site shall receive the applicable prevailing wage for the dura-
46 tion of the applicable benefit period, regardless of whether such bene-
47 fits are revoked or terminated.

48 (c) The fiscal officer shall have the power to enforce the provisions
49 of this subdivision. In enforcing such provisions, the fiscal officer
50 shall have the power:

51 (i) to investigate or cause an investigation to be made to determine
52 the prevailing wages for building service employees; in making such
53 investigation, the fiscal officer may utilize wage and fringe benefit
54 data from various sources, including, but not limited to, data and
55 determinations of federal, state or other governmental agencies,

1 provided, however, that the provision of a dwelling unit shall not be
2 considered wages or a fringe benefit;

3 (ii) to institute and conduct inspections at the site of the work or
4 elsewhere;

5 (iii) to examine the books, documents and records pertaining to the
6 wages paid to, and the hours of work performed by, building service
7 employees;

8 (iv) to hold hearings and, in connection therewith, to issue subpoe-
9 nas, administer oaths and examine witnesses; the enforcement of a
10 subpoena issued under this subdivision shall be regulated by the civil
11 practice law and rules;

12 (v) to make a classification by craft, trade or other generally recog-
13 nized occupational category of the building service employees and to
14 determine whether such work has been performed by the building service
15 employees in such classification;

16 (vi) to require the applicant to file with the fiscal officer a record
17 of the wages actually paid by such applicant to the building service
18 employees and of their hours of work;

19 (vii) to delegate any of the foregoing powers to his or her deputy or
20 other authorized representative;

21 (viii) to promulgate rules as he or she shall consider necessary for
22 the proper execution of the duties, responsibilities and powers
23 conferred upon him or her by the provisions of this paragraph; and

24 (ix) to prescribe appropriate sanctions for failure to comply with the
25 provisions of this subdivision. For each violation of paragraph (b) of
26 this subdivision, the fiscal officer may require the payment of: (A)
27 back wages and fringe benefits; (B) liquidated damages up to three times
28 the amount of the back wages and fringe benefits for willful violations;
29 and/or (C) reasonable attorney's fees. If the fiscal officer finds that
30 the applicant has failed to comply with the provisions of this subpara-
31 graph, he or she shall present evidence of such non-compliance to the
32 agency.

33 (d) Paragraph (b) of this subdivision shall not be applicable to:

34 (i) an eligible multiple dwelling containing less than thirty dwelling
35 units; or

36 (ii) an eligible multiple dwelling in which all of the dwelling units
37 are affordable housing units and not less than fifty percent of such
38 affordable housing units, upon initial rental and upon each subsequent
39 rental following a vacancy are affordable to and restricted to occupancy
40 by individuals or families whose household income does not exceed ninety
41 percent of the area median income, adjusted for family size, at the time
42 that such household initially occupies such dwelling unit.

43 (e) The applicant shall submit a sworn affidavit with its application,
44 and annually thereafter, certifying that it shall comply with the
45 requirements of this subdivision.

46 (f) The agency shall annually publish a list of all eligible sites
47 subject to the requirements of this paragraph and the affidavits
48 required pursuant to paragraph (e) of this subdivision.

49 10. Replacement ratio. If the land on which an eligible site is
50 located contained any dwelling units three years prior to the commence-
51 ment date of the first eligible multiple dwelling thereon, then such
52 eligible multiple dwelling or dwellings built thereon shall contain at
53 least one affordable housing unit for each dwelling unit that existed on
54 such date and was thereafter demolished, removed or reconfigured.

1 11. Concurrent exemptions or abatements. An eligible multiple dwelling
2 receiving ANNY Program benefits shall not receive any exemption from or
3 abatement of real property taxation under any other law.

4 12. Voluntary renunciation or termination. Notwithstanding the
5 provisions of any general, special or local law to the contrary, an
6 owner shall not be entitled to voluntarily renounce or terminate ANNY
7 Program benefits unless the agency authorizes such renunciation or
8 termination in connection with the commencement of a new tax exemption
9 pursuant to either the private housing finance law or section four
10 hundred twenty-c of this title.

11 13. Termination or revocation. The agency may terminate or revoke ANNY
12 Program benefits for noncompliance with this section; provided, however,
13 that the agency shall not terminate or revoke ANNY Program benefits for
14 a failure to comply with subdivision three of this section. If an appli-
15 cant has committed three violations of the requirements of paragraph b
16 of subdivision nine of this section within a five-year period, the agen-
17 cy may revoke any benefits under this section. For purposes of this
18 subdivision, a "violation" of paragraph b of subdivision nine of this
19 section shall be deemed a finding by the fiscal officer that the appli-
20 cant has failed to comply with paragraph b of subdivision nine of this
21 section and has failed to cure the deficiency within three months of
22 such finding. Provided, however, that after a second such violation,
23 the applicant shall be notified that any further violation may result in
24 the revocation of benefits under this section and that the fiscal offi-
25 cer shall publish on its website a list of all applicants with two
26 violations as defined in this paragraph. If ANNY Program benefits are
27 terminated or revoked for noncompliance with this section: (a) all of
28 the affordable housing units shall remain subject to rent stabilization
29 and all other requirements of this section for the applicable
30 restriction period, and any additional period expressly provided in this
31 section, as if the ANNY Program benefits had not been terminated or
32 revoked; or (b) for a homeownership project, such project shall continue
33 to comply with affordability requirements set forth in this section and
34 all other requirements of this section for the restriction period and
35 any additional period expressly provided in this section, as if the ANNY
36 Program benefits had not been terminated or revoked.

37 14. Powers cumulative. The enforcement provisions of this section
38 shall not be exclusive, and are in addition to any other rights, reme-
39 dies, or enforcement powers set forth in any other law or available at
40 law or in equity.

41 15. Multiple tax lots. If an eligible site contains multiple tax lots,
42 an application may be submitted with respect to one or more of such tax
43 lots. The agency shall determine eligibility for ANNY Program benefits
44 based upon the tax lots included in such application and benefits for
45 each multiple dwelling shall be based upon the completion date of such
46 multiple dwelling.

47 16. Applications. (a) The application with respect to any eligible
48 multiple dwelling shall be filed with the agency not later than one year
49 after the completion date of such eligible multiple dwelling.

50 (b) Notwithstanding the provisions of any general, special or local
51 law to the contrary, the agency may require by rule that applications be
52 filed electronically.

53 (c) The agency may rely on certification by an architect or engineer
54 submitted by an applicant in connection with the filing of an applica-
55 tion. A false certification by such architect or engineer shall be
56 deemed to be professional misconduct pursuant to section sixty-five

1 hundred nine of the education law. Any licensee found guilty of such
2 misconduct under the procedures prescribed in section sixty-five hundred
3 ten of the education law shall be subject to the penalties prescribed in
4 section sixty-five hundred eleven of the education law and shall there-
5 after be ineligible to submit a certification pursuant to this section.

6 (d) The agency shall not require that the applicant demonstrate
7 compliance with the requirements of subdivision three of this section as
8 a condition to approval of the application.

9 17. Filing fee. The agency may require a filing fee of three thousand
10 dollars per dwelling unit in connection with any application. However,
11 the agency may promulgate rules imposing a lesser fee for eligible sites
12 containing eligible multiple dwellings constructed with the substantial
13 assistance of grants, loans or subsidies provided by a federal, state or
14 local governmental agency or instrumentality pursuant to a program for
15 the development of affordable housing.

16 18. Rules. Except as provided in subdivisions three and nine of this
17 section, the agency shall have the sole authority to enforce the
18 provisions of this section and may promulgate rules to carry out the
19 provisions of this section.

20 19. Election. Notwithstanding anything in this section to the contra-
21 ry, a small rental project, large rental project or homeownership
22 project with a commencement date on or before June fifteenth, two thou-
