37 property or from a co-tenant who was an heir thereto.

38 § 11. Section 993 of the real property actions and proceedings law is  
39 amended by adding a new subdivision 13 to read as follows:

40 13. Right of first refusal. (a) When a co-tenant receives a bona fide  
41 offer from a non-co-tenant to purchase a share or shares of an heirs  
42 property and the co-tenant intends to accept or respond with a counter-  
43 offer, the co-tenants who inherited their share or shares of the proper-  
44 ty, or the co-tenants who are relatives to those co-tenants who inher-  
45 ited their share or shares of the property shall have the right to  
46 purchase such shares for the identical price, terms, and conditions of  
47 the offer or counteroffer, with first priority to any co-tenant who  
48 occupies the property as their primary residence and second priority to  
49 any co-tenant who otherwise utilizes the property.

50 (b) It shall be the duty of the non-co-tenant who made the initial  
51 offer for the share or shares of the property as well as the co-tenant  
52 who received the offer to exercise all due diligence to identify all of  
53 the other co-tenants to the property and notify such co-tenants of the  
54 pending offer. Such notice shall include the names, addresses, phone  
55 numbers and electronic mail addresses of all of the other co-tenants.  
56 Notice shall be made in the same manner as set forth in section three

1 hundred eight of the civil practice law and rules. The other co-tenants  
2 shall have one hundred eighty days from the date they are notified of  
3 the offer to match such offer.

4 (c) In the event that the other co-tenants are not notified of the  
5 offer and the sale is completed, and the offeror did not exercise the  
6 required due diligence to notify the other co-tenants of the heirs prop-  
7 erty, the other co-tenants shall have the right to purchase the shares  
8 from the non-relative co-tenant for the price paid by such non-relative  
9 co-tenant, plus any applicable interest at a rate of two percent per  
10 annum. Such right shall expire one hundred eighty days after the other  
11 co-tenants to the heirs property are made aware of the sale.

12 § 12. The real property law is amended by adding a new section 424 to  
13 read as follows:

14 § 424. Transfer on death deed. 1. Definitions. For the purposes of  
15 this section the following terms shall have the following meanings:

19 property in a transfer on death deed.

21 with one or more other individuals with a right of survivorship. The  
22 term includes a joint tenant, owner of community property with a right

24 tenant in common or owner of community property without a right of  
25 survivorship.

26 (d) "Person" includes a natural person, an association, board, any  
27 corporation, whether municipal, stock or non-stock, court, governmental

30 (e) "Property" means an interest in real property located in this  
31 state which is transferable on the death of the owner.

32 (f) "Transfer on death deed" means a deed authorized under this  
33 section.

34 (g) "Transferor" means an individual who makes a transfer on death  
35 deed.

36 2. Nonexclusivity. This section does not affect any method of trans-  
37 ferring property otherwise permitted under the law of this state.

38 3. Transfer on death deed authorized. An individual may transfer prop-  
39 erty to one or more beneficiaries effective at the transferor's death by  
40 a transfer on death deed.

41 4. Transfer on death deed revocable. A transfer on death deed is revo-  
42 cable even if the deed or another instrument contains a contrary  
43 provision.

44 5. Transfer on death deed nontestamentary. A transfer on death deed is  
45 nontestamentary.

46 6. Capacity of transferor. The capacity required to make or revoke a  
47 transfer on death deed is the same as the capacity required to make a  
48 will.

49 7. Requirements. A transfer on death deed:

50 (a) except as otherwise provided in this subdivision, shall contain  
51 the essential elements and formalities of a properly recordable inter  
52 vivos deed;

53 (b) shall state that the transfer to the designated beneficiary is to  
54 occur at the transferor's death;

55 (c) shall be signed by two witnesses who were present at the same time  
56 and who witnessed the signing of the transfer on death deed;

1 (d) shall be acknowledged before a notary public; and  
2 (e) shall be recorded before the transferor's death in the public  
3 records in the county clerk's office of the county where the property is  
4 located in the same manner as any other type of deed.

5 8. Notice, delivery, acceptance, consideration not required. A trans-  
6 fer on death deed shall be effective without:

7 (a) notice or delivery to or acceptance by the designated beneficiary  
8 during the transferor's life; or

9 (b) consideration.

10 9. Revocation by instrument authorized; revocation by act not permit-  
11 ted.

12 (a) Subject to paragraph (b) of this subdivision, an instrument shall  
13 be effective to revoke a recorded transfer on death deed, or any part of  
14 it, only if the instrument:

15 (1) is one of the following:

16 (A) a transfer on death deed that revokes the deed or part of the deed  
17 expressly or by inconsistency;

18 (B) an instrument of revocation that expressly revokes the deed or  
19 part of the deed; or

20 (C) an inter vivos deed that expressly revokes the transfer on death  
21 deed or part of the deed; and

22 (2) is acknowledged by the transferor after the acknowledgment of the  
23 deed being revoked and recorded before the transferor's death in the  
24 public records in the county clerk's office of the county where the deed  
25 is recorded.

26 (b) If a transfer on death deed is made by more than one transferor:

27 (1) revocation by a transferor shall not affect the deed as to the  
28 interest of another transferor; and

29 (2) a deed of joint owners shall only be revoked if it is revoked by  
30 all of the living joint owners.

31 (c) After a transfer on death deed is recorded, it shall not be  
32 revoked by a revocatory act on the deed.

33 (d) This section shall not limit the effect of an inter vivos transfer  
34 of the property.

35 10. Effect of transfer on death deed during transferor's life. During  
36 a transferor's life, a transfer on death deed shall not:

37 (a) affect an interest or right of the transferor or any other owner,  
38 including the right to transfer or encumber the property;

39 (b) affect an interest or right of a transferee, even if the transfer-  
40 ee has actual or constructive notice of the deed;

41 (c) affect an interest or right of a secured or unsecured creditor or  
42 future creditor of the transferor, even if the creditor has actual or  
43 constructive notice of the deed;

44 (d) affect the transferor's or designated beneficiary's eligibility  
45 for any form of public assistance;

46 (e) create a legal or equitable interest in favor of the designated  
47 beneficiary; or

48 (f) subject the property to claims or process of a creditor of the  
49 designated beneficiary.

50 11. Effect of transfer on death deed at transferor's death. (a) Except  
51 as otherwise provided in the transfer on death deed, in this section or  
52 in any other section of law which effects nonprobate transfers, on the  
53 death of the transferor, the following rules apply to property that is  
54 the subject of a transfer on death deed and owned by the transferor at  
55 death:

1 (1) Subject to subparagraph two of this paragraph, the interest in the  
2 property shall be transferred to the designated beneficiary in accord-  
3 ance with the deed.

4 (2) The interest of a designated beneficiary is contingent on the  
5 designated beneficiary surviving the transferor. The interest of a  
6 designated beneficiary that fails to survive the transferor lapses.

7 (3) Subject to subparagraph four of this paragraph, concurrent inter-  
8 ests shall be transferred to the beneficiaries in equal and undivided  
9 shares with no right of survivorship.

10 (4) If the transferor has identified two or more designated benefici-  
11 aries to receive concurrent interests in the property, the share of one  
12 which lapses or fails for any reason shall be transferred to the other,  
13 or to the others in proportion to the interest of each in the remaining  
14 part of the property held concurrently.

15 (b) Subject to this chapter, a beneficiary takes the property subject  
16 to all conveyances, encumbrances, assignments, contracts, mortgages,  
17 liens, and other interests to which the property is subject at the  
18 transferor's death. For purposes of this paragraph and this chapter, the  
19 recording of the transfer on death deed shall be deemed to have occurred  
20 at the transferor's death.

21 (c) If a transferor is a joint owner and is survived by one or more  
22 other joint owners, the property that is the subject of a transfer on  
23 death deed shall belong to the surviving joint owner or owners with  
24 right of survivorship.

25 (d) If a transferor is a joint owner and is the last surviving joint  
26 owner, the transfer on death deed shall be effective.

27 (e) A transfer on death deed transfers property without covenant or  
28 warranty of title even if the deed contains a contrary provision.

29 12. Applicability of invalidating and revocatory principles. (a) Noth-  
30 ing in this section shall limit the application of principles of fraud,  
31 undue influence, duress, mistake, or other invalidating cause to a  
32 transfer of property.

33 (b) Divorce, annulment or declaration of nullity, or dissolution of  
34 marriage, shall have the same effect on a transfer on death deed as  
35 outlined in section 5-1.4 of the estates, powers and trusts law.

36 13. Renunciation. A beneficiary may renounce all or part of the bene-  
37 fiary's interest in the same manner as if the interest was transferred  
38 in a will.

39 14. Liability for creditor claims and statutory allowances. (a) To the  
40 extent the transferor's probate estate is insufficient to satisfy an  
41 allowed claim against the estate or a statutory allowance to a surviving  
42 spouse or child, the estate may enforce the liability against property  
43 transferred at the transferor's death by a transfer on death deed.

44 (b) If more than one property is transferred by one or more transfer  
45 on death deeds, the liability under paragraph (a) of this subdivision is  
46 apportioned among the properties in proportion to their net values at  
47 the transferor's death.

48 (c) A proceeding to enforce the liability under this section must be  
49 commenced no later than eighteen months after the transferor's death.

50 15. Form of transfer on death deed. The following form may be used to  
51 create a transfer on death deed. The other subdivisions of this section

15 COMMON QUESTIONS ABOUT THE USE OF THIS FORM

16 What does the Transfer on Death (TOD) deed do?

17 When you die, this deed transfers the described property, subject to any  
18 liens or mortgages (or other encumbrances) on the property at your  
19 death. Probate is not required. The TOD deed has no effect until you  
20 die. You can revoke it at any time. You are also free to transfer the  
21 property to someone else during your lifetime. If you do not own any  
22 interest in the property when you die, this deed will have no effect.

23 How do I make a TOD deed?

24 Complete this form. Have it acknowledged before a notary public. Record  
25 the form in each county where any part of the property is located. The  
26 form has no effect unless it is acknowledged and recorded before your  
27 death.

28 Is the "legal description" of the property necessary?

1 Yes.

2 How do I find the "legal description" of the property?

3 This information may be on the deed you received when you became an  
4 owner of the property. This information may also be available in the  
5 county clerk's office of the county where the property is located. If  
6 you are not absolutely sure, consult a lawyer.

7 Can I change my mind before I record the TOD deed?

8 Yes. If you have not yet recorded the deed and want to change your mind,  
9 simply tear up or otherwise destroy the deed.

10 How do I "record" the TOD deed?

11 Take the completed and acknowledged form to the county clerk's office of  
12 the county where the property is located. Follow the instructions given  
13 by the county clerk to make the form part of the official property  
14 records. If the property is in more than one county, you should record  
15 the deed in each county.

16 Can I later revoke the TOD deed if I change my mind?

17 Yes. You can revoke the TOD deed. No one, including the beneficiaries,  
18 can prevent you from revoking the deed.

19 How do I revoke the TOD deed after it is recorded?

20 There are three ways to revoke a recorded TOD deed:

21 (1) Complete and acknowledge a revocation form and record it in each  
22 county where the property is located.

23 (2) Complete and acknowledge a new TOD deed that disposes of the same  
24 property and record it in each county where the property is located.

25 (3) Transfer the property to someone else during your lifetime by a  
26 recorded deed that expressly revokes the TOD deed. You may not revoke  
27 the TOD deed by will.

28 I am being pressured to complete this form. What should I do?

29 Do not complete this form under pressure. Seek help from a trusted  
30 family member, friend, or lawyer.

31 Do I need to tell the beneficiaries about the TOD deed?

32 No, but it is recommended. Secrecy can cause later complications and  
33 might make it easier for others to commit fraud.

34 I have other questions about this form. What should I do?

35 This form is designed to fit some but not all situations. If you have  
36 other questions, you are encouraged to consult a lawyer.

16. Form of revocation. The following form may be used to create an instrument of revocation under this section. The other subdivisions of this section shall govern the effect of this, or any other instrument used to revoke a transfer on death deed.

8 tors are maintained and operated in any city having a local zoning law,  
9 ordinance or resolution restricting districts in such city to residen-

11 zoning law, ordinance or resolution, if such class B dwelling is erected  
12 in a district no part of which is restricted by such zoning law, ordi-  
13 nance or resolution to residential uses.

14 b. In a city with a population of one million or more, the permitted  
15 floor area ratio (FAR) of any dwelling or dwellings on a lot may exceed  
16 12.0 provided that:

17 (1) such city approves any increase in such permitted floor area ratio  
18 (FAR) in accordance with local requirements for public review of land  
19 use actions including, where applicable, such city's uniform land use  
20 review procedure;

21 (2) such city designates the lot where such dwelling or dwellings are

25 equivalent to or exceeding the requirements under any mandatory inclu-  
26 sionary housing program;

27 (3) such dwelling or dwellings are not located on the same zoning lot  
28 as a building occupied in whole or in part for joint living-work quar-

36 of the laws of two thousand twenty-four that amended this subdivision on  
37 any zoning or tax lot that contains a dwelling or multiple dwelling with  
38 a floor area ratio (FAR) below 12.0 unless such dwelling or multiple  
39 dwelling with a floor area ratio (FAR) below 12.0 complies with the  
40 requirements of section 27-2093.1 of the administrative code of the city  
41 of New York, or any successor law or program relating to the issuance of  
42 certificates of no harassment as defined in such section, in accordance  
43 with terms of such section or successor law or program, provided that  
44 nothing in this paragraph shall affect the application of such section  
45 to any other building; and

46 (6) the owner of a dwelling or dwellings that are demolished or  
47 removed to construct a multiple dwelling with a floor area ratio (FAR)  
48 exceeding 12.0 shall offer, to each household who occupied such a dwell-  
49 ing unit within the six months preceding such demolition or removal,  
50 financial compensation equal to one month's rent for every year of  
51 lawful tenancy in such dwelling unit, not to exceed six months, or a  
52 lease in a comparable unit at a comparable rent in a decent, safe, and  
53 sanitary dwelling in an area not generally less desirable in regard to  
54 public utilities and public and commercial facilities.

c. In a city with a population of one million or more, a general project plan adopted by the New York state urban development corporation for a project may permit a floor area ratio (FAR) of any dwelling or dwellings on a lot to exceed 12.0 provided that:

(1) not less than twenty-five percent of any rental dwelling units in such project, upon initial rental and upon each subsequent rental following a vacancy, are affordable to and restricted to occupancy by individuals or families whose household income does not exceed a weighted average of eighty percent of the area median income, adjusted for family size, at the time such households initially occupy such dwelling units;

(2) such dwelling or dwellings are not located on the same zoning lot as a building occupied in whole or in part for joint living-work quarters for artists pursuant to article seven-B of this chapter, or on the same zoning lot as a building subject to article seven-C of this chapter;

(3) such dwelling or dwellings are not located within an area designated by such city as a historic district;

(4) no multiple dwelling with a floor area ratio (FAR) exceeding 12.0 shall be newly constructed on or after the effective date of the chapter of the laws of two thousand twenty-four that amended this subdivision on any zoning or tax lot that contains a dwelling or multiple dwelling with a floor area ratio (FAR) below 12.0 unless such dwelling or multiple dwelling with a floor area ratio (FAR) below 12.0 complies with the requirements of section 27-2093.1 of the administrative code of the city of New York, or any successor law or program relating to the issuance of certificates of no harassment as defined in such section, in accordance with terms of such section or successor law or program, provided that nothing in this paragraph shall affect the application of such section to any other building; and

(5) the New York state urban development corporation shall not be empowered to undertake the acquisition, construction, reconstruction, rehabilitation or improvement of a project pursuant to this paragraph unless the New York state urban development corporation finds that there is a feasible method for the relocation of families and individuals displaced from the project area into decent, safe and sanitary dwellings, which are or will be provided in the project area or in other areas not generally less desirable in regard to public utilities and public and commercial facilities, at rents or prices within the financial means of such families or individuals, and reasonably accessible to their places of employment. Insofar as is feasible, the New York state urban development corporation shall offer housing accommodations to such families and individuals in residential projects of the New York state urban development corporation. The New York state urban development corporation may render to business and commercial tenants and to families or other persons displaced from the project area, such assistance as it may deem necessary to enable them to relocate.

12 program benefits.

13 f. Nothing in this section shall: (i) prohibit the occupancy of an  
14 affordable housing unit by individuals or families whose income at any  
15 time is less than the maximum percentage of the area median income or  
16 income band, as applicable, adjusted for family size, specified for such  
17 affordable housing unit pursuant to this section; or (ii) prohibit the  
18 owner of an eligible multiple dwelling from requiring, upon initial  
19 rental or upon any rental following a vacancy, the occupancy of any  
20 affordable housing unit by such lower income individuals or families.

21 g. Following issuance of a temporary certificate of occupancy and upon  
22 each vacancy thereafter, an affordable housing unit shall promptly be

33 transient or short-term basis. Every lease and renewal thereof for an  
34 affordable housing unit shall be for a term of one or two years, at the  
35 option of the tenant.

36 i. An affordable housing unit shall not be converted to cooperative or  
37 condominium ownership.

38 j. The agency may establish by rule such requirements as the agency  
39 deems necessary or appropriate for: (i) the marketing of affordable  
40 housing units, both upon initial occupancy and upon any vacancy; (ii)  
41 monitoring compliance with the provisions of this subdivision; (iii) the  
42 establishment of marketing bands for affordable housing units;

43 (iv) identifying the permit or permits required for the determination  
44 of the commencement date under this section; and

45 (v) specifying the legal instrument by which the marketing, afforda-  
46 bility, rent stabilization, permitted rent, and any other requirement  
47 associated with this benefit will be recorded and enforced. Such  
48 requirements may include, but need not be limited to, retaining a moni-  
49 tor approved by the agency and paid for by the owner of the eligible  
50 multiple dwelling.

51 k. Notwithstanding any provision of this section to the contrary, a

8 regardless of whether such benefits provided pursuant to this section  
9 are revoked or terminated.

10 c. The fiscal officer shall have the power to enforce the provisions  
11 of this subdivision. In enforcing such provisions, the fiscal officer  
12 shall have the power: (i) to investigate or cause an investigation to be  
13 made to determine the prevailing wages for building service employees,  
14 and in making such investigation, the fiscal officer may utilize wage  
15 and fringe benefit data from various sources, including, but not limited  
16 to, data and determinations of federal, state or other governmental  
17 agencies; provided, however, that the provision of a dwelling unit shall  
18 not be considered wages or a fringe benefit; (ii) to institute and  
19 conduct inspections at the site of the work or elsewhere; (iii) to exam-  
20 ine the books, documents and records pertaining to the wages paid to,  
21 and the hours of work performed by, building service employees; (iv) to  
22 hold hearings and, in connection therewith, to issue subpoenas, the  
23 enforcement of which shall be regulated by the civil practice law and  
24 rules, administer oaths and examine witnesses; (v) to make a classifica-  
25 tion by craft, trade or other generally recognized occupational category  
26 of the building service employees and to determine whether such work has  
27 been performed by the building service employees in such classification;  
28 (vi) to require the applicant to file with the fiscal officer a record  
29 of the wages actually paid to the building service employees and of  
30 their hours of work; (vii) to delegate any of the foregoing powers to  
31 his or her deputy or other authorized representative; (viii) to promul-

33 execution of the duties, responsibilities and powers conferred upon him  
34 or her by the provisions of this subdivision; and (ix) to prescribe  
35 appropriate sanctions for failure to comply with the provisions of this  
36 subdivision. For each violation of paragraph b of this subdivision, the  
37 fiscal officer may require the payment of (A) back wages and fringe  
38 benefits; (B) liquidated damages up to three times the amount of the  
39 back wages and fringe benefits for willful violations; and/or (C)  
40 reasonable attorneys' fees. If the fiscal officer finds that the appli-  
41 cant has failed to comply with the provisions of this subdivision, he or  
42 she shall present evidence of such non-compliance to the agency.

43 d. Paragraph b of this subdivision shall not be applicable to: (i) an  
44 eligible multiple dwelling containing less than thirty dwelling units;  
45 or (ii) an eligible multiple dwelling whose eligible conversion is

1 f. The agency shall annually publish a list of all eligible sites

3 required pursuant to paragraph e of this subdivision.

4 g. If a covered building service employer has committed three  
5 violations of the requirements of paragraph (b) of this subdivision with  
6 respect to the same eligible multiple dwelling within a five-year peri-  
7 od, the agency may revoke any benefits associated with such eligible  
8 multiple dwelling under this section. For purposes of this paragraph, a  
9 "violation" of paragraph (b) of this subdivision shall be deemed a find-  
10 ing by the fiscal officer that a covered building service employer has  
11 failed to comply with paragraph (b) of this subdivision and has failed  
12 to cure the deficiency within three months of such finding. Provided,  
13 however, that after a second such violation, the applicant shall be  
14 notified that any further violation may result in the revocation of  
15 benefits under this section and that the fiscal officer shall publish on  
16 its website a list of all applicants with two violations as defined in  
17 this paragraph. If benefits are terminated or revoked for failure to  
18 comply with this subdivision all of the affordable housing units shall  
19 remain subject to rent stabilization and all other requirements of this

26 provisions of any general, special or local law to the contrary, an  
27 owner shall not be entitled to voluntarily renounce or terminate AHCC  
28 program benefits unless the agency authorizes such renunciation or  
29 termination in connection with the commencement of a tax exemption  
30 pursuant to the private housing finance law or section four hundred

41 law or in equity.

42 12. Multiple tax lots. If an eligible multiple dwelling contains  
43 multiple tax lots, an application may be submitted with respect to one

45 AHCC program benefits based upon the tax lots included in such applica-  
46 tion and benefits for each such eligible multiple dwelling shall be  
47 based upon the completion date of each such multiple dwelling.

48 13. Applications. a. The application with respect to any eligible  
49 multiple dwelling shall be filed with the agency no earlier than the  
50 completion date and not later than one year after the completion date of

54 filed electronically.

55 c. The agency may rely on certification by an architect or engineer  
56 submitted by an applicant in connection with the filing of an applica-

tion. A false certification by such architect or engineer shall be deemed to be professional misconduct pursuant to section sixty-five hundred nine of the education law. Any architect or engineer found guilty of such misconduct under the procedures prescribed in section sixty-five hundred ten of the education law shall be subject to the penalties prescribed in section sixty-five hundred eleven of the education law and shall thereafter be ineligible to submit a certification pursuant to this section.

d. Such application shall also certify that all taxes, water charges, and sewer rents currently due and owing on the property which is the subject of the application have been paid or are currently being paid in timely installments pursuant to a written agreement with the department of finance or other appropriate agency.

14. Filing fee. The agency may require a filing fee of no less than three thousand dollars per dwelling unit in connection with any application, except that the agency may promulgate rules:

a. imposing a lesser fee for an eligible multiple dwelling whose eligible conversion is carried out with the substantial assistance of grants, loans or subsidies provided by a federal, state or local governmental agency or instrumentality pursuant to a program for the development of affordable housing; and

b. requiring a portion of the filing fee to be paid upon the submission of the information the agency requires in advance of approving the commencement of the marketing process for such eligible conversion.

15. Multiple residence. A non-residential building undergoing an eligible conversion shall be considered a multiple residence during the construction period.

16. Rules. Except as provided in subdivision seven of this section, the agency shall have the sole authority to enforce the provisions of this section and may promulgate rules to carry out the provisions of this section.

17. Penalties for violations of affordability requirements. a. On or after the expiration date of the benefit provided pursuant to this section, the agency may impose, after notice and an opportunity to be heard, a penalty for any violation by an eligible multiple dwelling of the affordability requirements of subdivision six of this section.

b. A penalty imposed under this subdivision shall be computed as a percentage of the capitalized value of all AHCC program benefits on the eligible multiple dwelling, calculated as of the first year that benefits were granted, not to exceed one thousand percent. The agency shall establish a schedule and method of calculation of such penalties pursuant to subdivision sixteen of this section.

c. A penalty imposed under this subdivision shall be imposed against the owner of the eligible multiple dwelling at the time the violation occurred, even if such owner no longer owns such eligible multiple dwelling at the time of the agency's determination.

d. A person or entity who fails to pay a penalty imposed pursuant to this subdivision shall be guilty of a misdemeanor punishable by imprisonment not to exceed six months.

§ 3. This act shall take effect immediately.

The local law authorized by this section, and any rules or regulations promulgated thereunder, shall be protective of health and safety according to standards established in consultation with the fire department of the city of New York, department of buildings, and office of emergency management. The local law shall further provide that any application to legalize or convert a basement or cellar dwelling unit to a legal dwelling unit located within a flood hazard area as defined in section two hundred two of the city building code shall be subject to additional health and safety standards.

1 dwelling unit, (i) freedom from any civil or administrative liability,

14 article.

15 (c) Provided, further that such local law shall require that all  
16 applications for conversions be filed by a date certain subsequent to  
17 the effective date of this article, provided that such date shall not  
18 exceed five years after the effective date of this article.

19 3. Such local law may provide that any provision of this chapter shall

53 accompanied by a certification indicating whether such unit was rented  
54 to a tenant on the effective date of this article, notwithstanding  
55 whether the occupancy of such unit was authorized by law. A city may not  
56 use such certification as the basis for an enforcement action for ille-

1 gal occupancy of such unit, provided that nothing contained in this  
2 article shall be construed to limit such city from issuing a vacate  
3 order for hazardous or unsafe conditions.

4 2. The local law authorized by this article shall provide that a  
5 tenant in occupancy at the time of the effective date of this article,  
6 who is evicted or otherwise removed from such unit as a result of an  
7 alteration necessary to bring an inhabited basement dwelling unit or  
8 inhabited cellar dwelling unit into compliance with the standards estab-  
9 lished by the local law authorized by this article, shall have a right  
10 of first refusal to return to such unit as a tenant upon its first  
11 lawful occupancy as a legal dwelling unit, notwithstanding whether the  
12 occupancy at the time of the effective date of this article was author-  
13 ized by law. Such local law shall specify how to determine priority when  
14 multiple tenants may claim such right.

15 3. A tenant unlawfully denied a right of first refusal to return to a  
16 legal dwelling unit, as provided pursuant to the local law authorized by  
17 this article, shall have a cause of action in any court of competent  
18 jurisdiction for compensatory damages or declaratory and injunctive  
19 relief as the court deems necessary in the interests of justice,  
20 provided that such compensatory relief shall not exceed the annual

22 § 2. This act shall take effect immediately.

25 (c) Construction work on any eligible site containing one hundred  
26 fifty units or more, within Zone B, shall be subject to requirements in  
27 accordance with sections two hundred twenty and two hundred twenty-b of  
28 the labor law; provided, however, that the minimum hourly rate of wages  
29 and supplements required to be paid to construction employees shall be  
30 the lesser of sixty-three dollars, which shall increase by two and one-  
31 half percent on the first day of July in the year two thousand twenty-  
32 five and by two and one-half percent on the first day of July in each  
33 year thereafter, or sixty percent of the greatest prevailing rate of  
34 wages and supplements within a classification.

35 (d) The owner of an eligible site shall be responsible for notifying  
36 the fiscal officer and the agency at least three months prior to the  
37 commencement of construction work of the location of the project, the  
38 anticipated construction start date, the anticipated construction end  
39 date, and the existence of any project labor agreement on the eligible  
40 site. Failure to provide such notice in the time and manner required  
41 shall subject the owner to fines and penalties not to exceed five-thou-  
42 sand dollars per day. In addition to the fines and penalties set forth  
43 herein, an owner shall forfeit the tax abatements and exemptions  
44 provided under this section if construction commences prior to providing  
45 the notice required under this section.

46 (e) The owner of an eligible site shall be responsible for retaining  
47 original payroll records in accordance with section two hundred twenty  
48 of the labor law, as modified by paragraph (a) of this subdivision, for  
49 a period of six years from the completion date. All payroll records  
50 maintained by an owner pursuant to this subdivision shall be subject to  
51 inspection on request of the fiscal officer. Such owner may authorize  
52 the prime contractor on the eligible site to take responsibility for  
53 retaining and maintaining payroll records, but will be held jointly and  
54 severally liable for any violations of such contractor. All records  
55 obtained by the fiscal officer shall be subject to the freedom of infor-  
56 mation law.

1 (f) The fiscal officer may issue rules and regulations governing the  
2 provisions of this subdivision. Violations of this subdivision shall be  
3 grounds for determinations and orders pursuant to section two hundred  
4 twenty-b of the labor law.

5 (g) Where a complaint is received pursuant to this subdivision, if the  
6 fiscal officer finds cause to believe that an applicant or any person  
7 acting on behalf of or as an agent of an applicant, in connection with  
8 the performance of any contract for construction work pursuant to this  
9 subdivision, has committed a violation of the provisions of this subdivi-  
10 vision, the fiscal officer may recapture tax abatements or exemptions  
11 provided pursuant to this section and/or terminate future tax abatements  
12 or exemptions made available pursuant to this section pursuant to the  
13 following:

14 (i) If an applicant or any person acting on behalf of or as an agent  
15 of an applicant, in connection with the performance of any contract for  
16 construction work pursuant to this subdivision, has committed three  
17 violations of the requirements of paragraph (a), (b), or (c) of this  
18 subdivision within a five-year period, the fiscal officer may recapture  
19 tax abatements or exemptions provided pursuant to this section and/or  
20 terminate future tax abatements or exemptions made available pursuant to  
21 this section, provided, however, that after a second such violation, the  
22 applicant shall be notified that any further violation may result in the  
23 recapture of tax abatements or exemptions provided pursuant to this  
24 section and/or termination of future tax abatements or exemptions made  
25 available pursuant to this section and that the fiscal officer shall  
26 publish on its website a list of all applicants with two violations as  
27 defined in this paragraph.

28 (ii) For purposes of this subdivision, a "violation" of paragraph (a),  
29 (b), or (c) of this subdivision shall be deemed a finding by the fiscal  
30 officer that the applicant or any person acting on behalf of or as an  
31 agent of an applicant has failed to comply with paragraph (a), (b), or  
32 (c) of this subdivision and has failed to cure the deficiency within  
33 three months of such finding.

34 (iii) If the fiscal officer recaptures tax abatements or exemptions  
35 provided pursuant to this section and/or terminates future tax abate-  
36 ments or exemptions made available pursuant to this section for noncom-  
37 pliance with paragraph (a), (b), or (c) of this subdivision pursuant to  
38 this paragraph: (a) all of the restricted units shall remain subject to  
39 rent stabilization and all other requirements of this section for the  
40 restriction period, and any additional period expressly provided in this  
41 section, as if the ANNY Program benefits had not been recaptured or  
42 terminated; or (b) for a homeownership project, such project shall  
43 continue to comply with affordability requirements set forth in this  
44 section and all other requirements of this section for the restriction  
45 period and any additional period expressly provided in this section, as  
46 if the ANNY Program benefits had not been recaptured or terminated.

47 (h) An eligible site shall be excluded from the requirements of para-  
48 graphs (a), (b), (c) and (d) of this subdivision where the performance  
49 of all construction work on the eligible site is covered by a project  
50 labor agreement.

51 (i) A contractor and owner may be excluded from the requirements of  
52 paragraphs (a), (b), (c) and (d) of this subdivision with respect to  
53 only those construction employees of the contractor that are performing  
54 construction work on the eligible site under a collective bargaining  
55 agreement or a jobsite agreement that has expressly waived the  
56 provisions of paragraphs (a), (b), (c) and (d) of this subdivision.

1     4. In addition to all other requirements set forth in this section, an  
2 eligible site must, over the course of the design and construction of  
3 such eligible site, make all reasonable efforts to spend on contracts  
4 with minority and women owned business enterprises at least twenty-five  
5 percent of the total applicable costs, as such enterprises and costs are  
6 defined in rules of the agency. Such rules shall set forth required  
7 measures with respect to contracts for design and construction that are  
8 comparable, to the extent practicable, to the measures used by agencies  
9 of the city of New York to enhance minority and women owned business  
10 enterprise participation in agency contracts pursuant to applicable law,  
11 including section 6-129 of the administrative code of the city of New  
12 York.

13     5. Tax payments. In addition to any other amounts payable pursuant to  
14 this section, the owner of any eligible site receiving ANNY Program  
15 benefits shall pay, in each tax year in which such ANNY Program benefits  
16 are in effect, real property taxes and assessments as follows:

17     (a) with respect to each eligible multiple dwelling constructed on  
18 such eligible site, real property taxes on the assessed valuation of  
19 such land and any improvements thereon in effect during the tax year  
20 prior to the commencement date of such eligible multiple dwelling, with-  
21 out regard to any exemption from or abatement of real property taxation  
22 in effect during such tax year, which real property taxes shall be  
23 calculated using the tax rate in effect at the time such taxes are due,  
24 provided, however, that this paragraph shall not apply to any very large  
25 rental project during the construction period or extended construction  
26 period, as applicable; and

27     (b) all assessments for local improvements.

28     6. Limitation on benefits for non-residential space. If the aggregate  
29 floor area of commercial, community facility and accessory use space in  
30 an eligible site, other than parking which is located not more than  
31 twenty-three feet above the curb level, exceeds twelve percent of the  
32 aggregate floor area in such eligible site, any ANNY Program benefits  
33 shall be reduced by a percentage equal to such excess. If an eligible  
34 site contains multiple tax lots, the tax arising out of such reduction  
35 in ANNY Program benefits shall first be apportioned pro rata among any  
36 non-residential tax lots. After any such non-residential tax lots are  
37 fully taxable, the remainder of the tax arising out of such reduction in  
38 ANNY Program benefits, if any, shall be apportioned pro rata among the  
39 remaining residential tax lots.

40     7. Calculation of benefit. Based on the certification of the agency  
41 certifying the applicant's eligibility for ANNY Program benefits, the  
42 assessors shall certify to the collecting officer the amount of taxes to  
43 be exempted.

44     8. Affordability and rent stabilization requirements. During the  
45 restriction period, a large rental project and a very large rental  
46 project shall comply with affordability option A, a modest rental  
47 project shall comply with affordability option B, a small rental project  
48 shall comply with the requirements of affordability option C, and a  
49 homeownership project shall comply with affordability option D. Such  
50 election shall be made in the application and shall not thereafter be  
51 changed.

52     (a) All rental dwelling units in an eligible multiple dwelling shall  
53 share the same common entrances and common areas as market rate units in  
54 such eligible multiple dwelling and shall not be isolated to a specific  
55 floor or area of an eligible multiple dwelling. Common entrances shall  
56 mean any area regularly used by any resident of a rental dwelling unit

1 in the eligible multiple dwelling for ingress and egress from such  
2 eligible multiple dwelling.

3 (b) Unless preempted by the requirements of a federal, state or local  
4 housing program, either (i) the affordable housing units in an eligible  
5 multiple dwelling shall have a unit mix proportional to the market  
6 units, or (ii) at least fifty percent of the affordable housing units in  
7 an eligible multiple dwelling shall have two or more bedrooms and no  
8 more than twenty-five percent of the affordable housing units shall have  
9 less than one bedroom.

10 (c) Notwithstanding any provision of rent stabilization to the contra-  
11 ry, (i) all restricted units shall remain fully subject to rent stabili-  
12 zation both during and subsequent to the restriction period, and (ii)  
13 any restricted unit occupied by a tenant whose eligibility has been  
14 approved by the agency shall remain subject to rent stabilization until  
15 such tenant vacates such affordable housing unit where, (A) such  
16 approval occurred prior to the agency's denial of an application for  
17 ANNY program benefits for the multiple dwelling containing such  
18 restricted unit, or (B) such restricted unit is in a multiple dwelling  
19 for which an application for ANNY program benefits has not been filed or  
20 has been withdrawn after filing.

21 (d) All rent stabilization registrations required to be filed shall:  
22 (i) contain a designation that specifically identifies affordable hous-  
23 ing units created pursuant to this section as "ANNY Program affordable  
24 housing units"; (ii) contain a designation that specifically identifies  
25 dwelling units that are subject to rent stabilization in accordance with  
26 affordability option C; and (iii) contain an explanation of the require-  
27 ments that apply to all such restricted units.

28 (e) Failure to comply with the provisions of this subdivision that  
29 require the creation, maintenance, rent stabilization compliance and  
30 occupancy of restricted units or for purposes of a homeownership project  
31 the failure to comply with the affordable homeownership project require-  
32 ments shall result in the exercise of the agency's enforcement powers in  
33 accordance with this section, which include, but are not limited to,  
34 revocation of any ANNY Program benefits.

35 (f) Nothing in this section shall (i) prohibit the occupancy of an  
36 affordable housing unit by individuals or families whose income at any  
37 time is less than the maximum percentage of the area median income,  
38 adjusted for family size, specified for such affordable housing unit  
39 pursuant to this section, or (ii) prohibit the owner of an eligible site  
40 from requiring, upon initial rental or upon any rental following a  
41 vacancy, the occupancy of any affordable housing unit by such lower  
42 income individuals or families.

43 (g) Following issuance of a temporary certificate of occupancy and  
44 upon each vacancy thereafter, an affordable housing unit shall promptly  
45 be offered for rental by individuals or families whose income does not  
46 exceed the maximum percentage of the area median income, adjusted for  
47 family size, specified for such affordable housing unit pursuant to this  
48 section and who intend to occupy such affordable housing unit as their  
49 primary residence. A restricted unit shall not be (i) rented to a corpo-  
50 ration, partnership or other entity, or (ii) held off the market for a  
51 period longer than is reasonably necessary to perform repairs needed to  
52 make such restricted unit available for occupancy.

53 (h) A restricted unit shall not be rented on a temporary, transient or  
54 short-term basis. Every lease and renewal thereof for a restricted unit  
55 shall be for a term of one or two years, at the option of the tenant.

1 (i) A restricted unit shall not be converted to cooperative or condo-  
2 minium ownership.

3 (j) The agency may establish by rule such requirements as the agency  
4 deems necessary or appropriate for (i) the marketing of restricted  
5 units, both upon initial occupancy and upon any vacancy, (ii) monitoring  
6 compliance with the provisions of this subdivision, and (iii) the estab-  
7 lishment of marketing bands for affordable housing units, and (iv) the  
8 marketing and monitoring of any homeownership project that is granted an  
9 exemption pursuant to this subdivision. Such requirements may include,  
10 but need not be limited to, retaining a monitor approved by the agency  
11 and paid for by the owner.

12 (k) Notwithstanding any provision of this section to the contrary, a  
13 market unit shall not be subject to rent stabilization unless, in the  
14 absence of ANNY Program benefits, the unit would be subject to rent  
15 stabilization.

16 9. Building service employees. (a) For the purposes of this subdivi-  
17 sion, (i) "applicant" shall mean an applicant for ANNY Program benefits  
18 and/or any successor to such applicant; and (ii) "covered building  
19 service employer" shall mean any applicant and/or any employer of build-  
20 ing service employees for such applicant, including, but not limited to,  
21 a property management company or contractor.

22 (b) All building service employees employed by the covered building  
23 service employer at the eligible site shall receive the applicable  
24 prevailing wage for the duration of the applicable benefit period,  
25 regardless of whether such benefits are revoked or terminated.

26 (c) The fiscal officer shall have the power to enforce the provisions  
27 of this subdivision. In enforcing such provisions, the fiscal officer  
28 shall have the power:

29 (i) to investigate or cause an investigation to be made to determine  
30 the prevailing wages for building service employees; in making such  
31 investigation, the fiscal officer may utilize wage and fringe benefit  
32 data from various sources, including, but not limited to, data and  
33 determinations of federal, state or other governmental agencies,  
34 provided, however, that the provision of a dwelling unit shall not be  
35 considered wages or a fringe benefit;

36 (ii) to institute and conduct inspections at the site of the work or  
37 elsewhere;

38 (iii) to examine the books, documents and records pertaining to the  
39 wages paid to, and the hours of work performed by, building service  
40 employees;

41 (iv) to hold hearings and, in connection therewith, to issue subpoe-  
42 nas, administer oaths and examine witnesses; the enforcement of a  
43 subpoena issued under this subdivision shall be regulated by the civil  
44 practice law and rules;

45 (v) to make a classification by craft, trade or other generally recog-  
46 nized occupational category of the building service employees and to  
47 determine whether such work has been performed by the building service  
48 employees in such classification;

49 (vi) to require the applicant to file with the fiscal officer a record  
50 of the wages actually paid to the building service employees and of  
51 their hours of work;

52 (vii) to delegate any of the foregoing powers to such fiscal officer's  
53 deputy or other authorized representative;

54 (viii) to promulgate rules as such fiscal officer shall consider  
55 necessary for the proper execution of the duties, responsibilities and

1 powers conferred upon such fiscal officer by the provisions of this  
2 paragraph; and

3 (ix) to prescribe appropriate sanctions for failure to comply with the  
4 provisions of this subdivision. For each violation of paragraph (b) of  
5 this subdivision, the fiscal officer may require the payment of: (A)  
6 back wages and fringe benefits; (B) liquidated damages up to three times  
7 the amount of the back wages and fringe benefits for willful violations;  
8 and/or (C) reasonable attorney's fees. If the fiscal officer finds that  
9 the applicant has failed to comply with the provisions of this subpara-  
10 graph, he or she shall present evidence of such non-compliance to the  
11 agency.

12 (d) Paragraph (b) of this subdivision shall not be applicable to:

13 (i) an eligible multiple dwelling containing less than thirty dwelling  
14 units; or

15 (ii) an eligible multiple dwelling in which all of the dwelling units  
16 are affordable housing units and not less than fifty percent of such  
17 affordable housing units, upon initial rental and upon each subsequent  
18 rental following a vacancy are affordable to and restricted to occupancy  
19 by individuals or families whose household income does not exceed ninety  
20 percent of the area median income, adjusted for family size, at the time  
21 that such household initially occupies such dwelling unit.

22 (e) The applicant shall submit a sworn affidavit with its application  
23 certifying that it shall ensure compliance with the requirements of this  
24 subdivision or is exempt in accordance with paragraph (d) of this subdi-  
25 vision. Upon the agency's approval of such application, the applicant  
26 who is not exempt in accordance with paragraph (d) of this subdivision  
27 shall submit annually a sworn affidavit to the fiscal officer certifying  
28 that it shall ensure compliance with the requirements of this subdivi-  
29 sion.

30 (f) The agency shall annually publish a list of all eligible sites  
31 subject to the requirements of this paragraph and the affidavits  
32 required pursuant to paragraph (e) of this subdivision.

33 10. Replacement ratio. If the land on which an eligible site is  
34 located contained any dwelling units three years prior to the commence-  
35 ment date of the first eligible multiple dwelling thereon, then such  
36 eligible multiple dwelling or dwellings built thereon shall contain at  
37 least one affordable housing unit for each dwelling unit that existed on  
38 such date and was thereafter demolished, removed or reconfigured,  
39 provided that if such eligible multiple dwelling or dwellings built  
40 thereon is a small rental project, then such eligible multiple dwelling  
41 or dwellings built thereon shall contain at least one restricted unit  
42 for each dwelling unit that existed on such date and was thereafter  
43 demolished, removed or reconfigured.

44 11. Concurrent exemptions or abatements. An eligible multiple dwelling  
45 receiving ANNY Program benefits shall not receive any exemption from or  
46 abatement of real property taxation under any other law.

47 12. Voluntary renunciation or termination. Notwithstanding the  
48 provisions of any general, special or local law to the contrary, an  
49 owner shall not be entitled to voluntarily renounce or terminate ANNY  
50 Program benefits unless the agency authorizes such renunciation or  
51 termination in connection with the commencement of a new tax exemption  
52 pursuant to either the private housing finance law or section four  
53 hundred twenty-c of this title.

54 13. Termination or revocation. The agency may terminate or revoke ANNY  
55 Program benefits for failure to comply with this section; provided,  
56 however, that the agency shall not terminate or revoke ANNY Program

1 benefits for a failure to comply with subdivision three of this section.  
2 If a covered building service employer has committed three violations of  
3 the requirements of paragraph (b) of subdivision nine of this section  
4 within a five-year period, the agency may revoke any benefits associated  
5 with such eligible multiple dwelling under this section. For purposes of  
6 this subdivision, a "violation" of paragraph (b) of subdivision nine of  
7 this section shall be deemed a finding by the fiscal officer that the  
8 covered building service employer has failed to comply with paragraph  
9 (b) of subdivision nine of this section and has failed to cure the defi-  
10 ciency within three months of such finding. Provided, however, that  
11 after a second such violation, the applicant shall be notified that any  
12 further violation may result in the revocation of benefits under this  
13 section and that the fiscal officer shall publish on its website a list  
14 of all applicants with two violations as defined in this subdivision. If  
15 ANNY Program benefits are terminated or revoked for noncompliance with  
16 this section: (a) all of the restricted units shall remain subject to  
17 rent stabilization and all other requirements of this section for the  
18 applicable restriction period, and any additional period expressly  
19 provided in this section, as if the ANNY Program benefits had not been  
20 terminated or revoked; or (b) for a homeownership project, such project  
21 shall continue to comply with affordability requirements set forth in  
22 this section and all other requirements of this section for the  
23 restriction period and any additional period expressly provided in this  
24 section, as if the ANNY Program benefits had not been terminated or  
25 revoked.

26 14. Powers cumulative. The enforcement provisions of this section  
27 shall not be exclusive, and are in addition to any other rights, reme-  
28 dies, or enforcement powers set forth in any other law or available at  
29 law or in equity.

30 15. Multiple tax lots. If an eligible site contains multiple tax lots,  
31 an application may be submitted with respect to one or more of such tax  
32 lots. The agency shall determine eligibility for ANNY Program benefits  
33 based upon the tax lots included in such application and benefits for  
34 each multiple dwelling shall be based upon the completion date of such  
35 multiple dwelling.

36 16. Applicant registration. (a) Prospective applicants for ANNY  
37 Program benefits pursuant to this section shall file with the agency a  
38 form supplied by the agency which: (i) states an intention to file for  
39 such benefits under the provisions of this subdivision; (ii) includes  
40 the commencement date; and (iii) establishes the intended number of  
41 total dwelling units and, if applicable, restricted units. The agency  
42 shall promulgate such form no later than ninety days after the effective  
43 date of this section.

44 (b) The form described in paragraph (a) of this subdivision shall be  
45 filed: (i) for projects with a commencement date before the effective  
46 date of this section, no later than six months after such effective date  
47 or six months after the agency promulgates the form described in para-  
48 graph (a) of this subdivision, whichever is later; or (ii) for projects  
49 with a commencement date on or after the effective date of this section,  
50 no later than six months after such commencement date or six months  
51 after the agency promulgates the form described in paragraph (a) of this  
52 subdivision, whichever is later.

53 (c) Applicants who fail to comply with the requirements of this subdi-  
54 vision shall be subject to a penalty not to exceed one hundred percent  
55 of the application filing fee otherwise payable pursuant to subdivision  
56 eighteen of this section.

1 17. Applications. (a) The application with respect to any eligible  
2 multiple dwelling shall be filed with the agency not later than one year  
3 after the completion date of such eligible multiple dwelling.

4 (b) Notwithstanding the provisions of any general, special or local  
5 law to the contrary, the agency may require by rule that applications be  
6 filed electronically.

7 (c) The agency may rely on certification by an architect or engineer  
8 submitted by an applicant in connection with the filing of an applica-  
9 tion. A false certification by such architect or engineer shall be  
10 deemed to be professional misconduct pursuant to section sixty-five  
11 hundred nine of the education law. Any licensee found guilty of such  
12 misconduct under the procedures prescribed in section sixty-five hundred  
13 ten of the education law shall be subject to the penalties prescribed in  
14 section sixty-five hundred eleven of the education law and shall there-  
15 after be ineligible to submit a certification pursuant to this section.

16 (d) The agency shall not require that the applicant demonstrate  
17 compliance with the requirements of subdivision three of this section as  
18 a condition to approval of the application.

19 18. Filing fee. (a) The agency may require a filing fee of: (i) three  
20 thousand dollars per dwelling unit in connection with any application  
21 for an eligible site consisting of more than five and less than eleven  
22 residential rental dwelling units; (ii) four thousand dollars per dwell-  
23 ing unit in connection with any application for an eligible site  
24 consisting of more than eleven units and less than one hundred residen-  
25 tial dwelling units; (iii) four thousand dollars per dwelling unit in  
26 connection with any application for a homeownership project; and (iv)  
27 five thousand dollars per dwelling unit in connection with any applica-  
28 tion for an eligible site consisting of one hundred or more residential  
29 dwelling units.

30 (b) Notwithstanding the provisions contained in paragraph (a) of this  
31 subdivision, the agency may promulgate rules: (i) imposing a lesser fee  
32 for eligible sites containing eligible multiple dwellings constructed  
33 with the substantial assistance of grants, loans or subsidies provided  
34 by a federal, state or local governmental agency or instrumentality  
35 pursuant to a program for the development of affordable housing; and  
36 (ii) requiring a portion of the filing fee to be paid upon the  
37 submission of the information the agency requires in advance of approv-  
38 ing the commencement of the marketing process for a modest rental  
39 project, a large rental project, or a very large rental project.

40 19. Rules. Except as provided in subdivisions three and nine of this  
41 section, the agency shall have the sole authority to enforce the  
42 provisions of this section and may promulgate rules to carry out the  
43 provisions of this section.

44 20. Reporting. On or before June thirtieth of each year, the commis-  
45 sioner of the agency shall issue a report to the governor, the temporary  
46 president of the senate and the speaker of the assembly setting forth  
47 the number of total projects and units created by this section by year,  
48 level of affordability, and community board, the cost of the ANNY  
49 Program, and other such factors as the commissioner of the New York city  
50 department of housing preservation and development deems appropriate.  
51 The New York city department of housing preservation and development may  
52 request and shall receive cooperation and assistance from all depart-  
53 ments, divisions, boards, bureaus, commissions, public benefit corpo-  
54 rations or agencies of the state of New York, the city of New York or  
55 any other political subdivisions thereof, or any entity receiving bene-  
56 fits pursuant to this section.

21. Penalties for violations of affordability and rent stabilization requirements. (a) On and after the expiration date of the ten year benefit, twenty year benefit, thirty-five year benefit, or forty year benefit, as applicable, the agency may impose, after notice and an opportunity to be heard, a fine for any violation of the affordability and rent stabilization requirements established pursuant to subdivision eight of this section by such small rental project, modest rental project, large rental project, very large rental project, or homeownership project. The agency shall establish a schedule and method of calculation of such fines pursuant to subdivision nineteen of this section.

(b) A fine under this subdivision may be imposed against the owner of the eligible site containing such small rental project, modest rental project, large rental project, very large rental project, or homeownership project at the time the violation occurred, even if such owner no longer owns such eligible site. A failure to pay such fine may result in a lien and such other remedies as may be available pursuant to applicable law and regulation.

36 porated in the uniform system of accounts prescribed by the state comp-  
37 troller.

38 § 3. Deficit bond and deficit note issuance authorization. The city is  
39 hereby authorized to issue bonds, subject to the provisions of this act,  
40 on or before December 31, 2025, in an aggregate principal amount not to  
41 exceed eighteen million five hundred thousand dollars (\$18,500,000)  
42 (exclusive of the costs and expenses incidental to the issuance of the  
43 bonds authorized to be issued by this section) for the specific object  
44 or purpose of liquidating actual deficits in its general fund, water  
45 fund, sewer fund, and the capital projects fund existing at the close of  
46 its 2024 fiscal year. In anticipation of the issuance of such bonds,  
47 deficit notes are hereby authorized to be issued.

48 § 4. Period of probable usefulness established. It is hereby deter-  
49 mined that the financing of the deficits described in section three of  
50 this act is an object or purpose of the city for which indebtedness may  
51 be incurred, the period of probable usefulness of which is hereby deter-  
52 mined to be fifteen years, computed from the date of such deficit bonds  
53 or from the date of the first deficit notes, whichever date is earlier.  
54 Such deficit bonds and deficit notes shall be general obligations of the  
55 city, to which the faith and credit of the city is pledged, and the city

1 shall make an annual appropriation sufficient to pay the principal of  
2 and interest on such obligations as the same shall become due.

3 § 5. Certification of deficit. No deficit bonds may be issued unless  
4 and until the state comptroller shall first review and confirm the  
5 existence of the deficits described in section three of this act, as  
6 well as certify the amount of the deficits. As soon as practicable after  
7 the effective date of this act, but in no event prior to the close of  
8 the city's 2024 fiscal year, the city shall prepare a report detailing  
9 the amount and cause of the deficit and submit to the state comptroller  
10 such report, together with the independent audit report for its last  
11 completed fiscal year and such other information as the state comp-  
12 troller may deem necessary. Within thirty days after receiving all  
13 necessary reports and information, the state comptroller shall:

14 (a) perform such reviews as may be necessary;  
15 (b) confirm the existence and certify the amount of the deficits; and  
16 (c) provide notification to the city fiscal affairs officer, the city  
17 treasurer, the mayor and the city council as to the existence and amount  
18 of any such deficits.

19 § 6. Limit on amount of deficit bonds. Deficit bonds may not be issued  
20 in an amount exceeding the amount of such deficits as certified by the  
21 state comptroller. If the city issues deficit notes prior to a determi-  
22 nation by the state comptroller pursuant to section five of this act in  
23 an amount in excess of the amount of such deficits as confirmed by the  
24 state comptroller, the city shall, from funds other than proceeds of  
25 bonds or bond anticipation notes, either redeem such deficit notes in  
26 the amount by which the amount of such deficit notes exceeds the amount  
27 of such deficits as confirmed by the state comptroller or deposit a sum  
28 equal to the amount by which such deficit notes exceed the amount of  
29 such deficits as confirmed by the state comptroller into the special  
30 debt service fund.

31 § 7. Quarterly budget reports and trial balances. For each fiscal year  
32 during the effective period of this act, the city treasurer shall moni-  
33 tor budgets of the city and, for each budget, prepare a quarterly report  
34 of summarized budget data depicting overall trends of actual revenues  
35 and budget expenditures for the entire budget rather than individual  
36 line items. Such reports shall compare revenue estimates and appropri-  
37 ations as set forth in such budget with the actual revenues and expendi-  
38 tures made to date. All quarterly reports shall be accompanied by a  
39 recommendation by the city fiscal affairs officer setting forth any  
40 remedial action necessary to resolve any unfavorable budget variance  
41 including the overestimation of revenues and the underestimation of  
42 appropriations, and shall be completed within thirty days of the end of  
43 each quarter. The city treasurer shall also prepare, as part of such  
44 report, a quarterly trial balance of general ledger accounts. The above  
45 quarterly budgetary reports and quarterly trial balances shall be  
46 prepared in accordance with applicable accounting principles incorpo-  
47 rated in the uniform system of accounts prescribed by the state comp-  
48 troller. These reports shall be submitted to the city fiscal affairs  
49 officer, the mayor, the city council, the state director of the budget,  
50 the state comptroller, the chair of the assembly ways and means commit-  
51 tee, and the chair of the senate finance committee.

52 § 8. Budget review by state comptroller. During the effective period  
53 of this act, the city fiscal affairs officer shall submit the proposed  
54 budget for the next succeeding fiscal year to the state comptroller no  
55 later than thirty days before the date scheduled for the city council's  
56 vote on the adoption of the final budget or the last date on which the

1 budget may be finally adopted, whichever is sooner. The state comp-  
2 troller shall examine such proposed budget and make such recommendations  
3 as deemed appropriate thereon to the city prior to the adoption of the  
4 budget, but no later than ten days before the date scheduled for the  
5 city council's vote on the adoption of the final budget or the last date  
6 on which the budget must be adopted, whichever is sooner. Such recommen-  
7 dations shall be made after examination into the estimates of revenues  
8 and expenditures of the city. The city council, no later than five days  
9 prior to the adoption of the budget, shall review any such recommenda-  
10 tions and make adjustments to the proposed budget consistent with any  
11 recommendations made by the state comptroller.

12 § 9. Multiyear financial plans. During the effective period of this  
13 act, the city fiscal affairs officer shall prepare, along with the  
14 proposed budget for the next succeeding fiscal year, a three-year finan-  
15 cial plan covering the next succeeding fiscal year and the two fiscal  
16 years thereafter. The financial plan shall, at a minimum, contain  
17 projected employment levels, projected annual expenditures for personal  
18 service, fringe benefits, non-personal services and debt service; appro-  
19 priate reserve fund amounts; estimated annual revenues including projec-  
20 tion of property tax rates, the value of the taxable real property and  
21 resulting tax levy, annual growth in sales tax and non-property tax  
22 revenues; and the proposed use of one-time revenue sources. The finan-  
23 cial plan shall also identify actions necessary to achieve and maintain  
24 long-term fiscal stability, including, but not limited to, improved  
25 management practices, initiatives to minimize or reduce operating  
26 expenses, and potential shared services agreements with other munici-  
27 palities. Within thirty days following the adoption by the city council  
28 of the budget for the next succeeding fiscal year and upon the  
29 completion of each quarterly budget report pursuant to section seven of  
30 this act, the city fiscal affairs officer shall update the financial  
31 plan consistent with such adopted budget or such quarterly budget  
32 report. Copies of the financial plan and any update shall be provided to  
33 the city treasurer, the mayor, the city council, the state director of  
34 the budget, the state comptroller, the chair of the assembly ways and  
35 means committee, and the chair of the senate finance committee.

36 § 10. State comptroller to comment on further debt issuance. During  
37 the effective period of this act, the city treasurer shall notify the  
38 state comptroller at least fifteen days prior to the issuance of any  
39 bonds or notes or entering into any installment purchase contract, and  
40 the state comptroller may review and make recommendations regarding the  
41 affordability to the city of any such proposed issuance or contract.

42 § 11. Private sale of bonds authorized. To facilitate the marketing of  
43 (a) deficit bonds, (b) any bonds issued to refund such deficit bonds,  
44 and (c) any other bonds to be issued on or before December 31, 2025, the  
45 city may, notwithstanding any limitation on the private sales of bonds  
46 provided by law and subject to the approval of the state comptroller of  
47 the terms and conditions of such sales:

48 (1) arrange for the underwriting of such bonds at private sale through  
49 negotiated fees or by sale of such bonds to an underwriter; or

50 (2) arrange for the private sale of such bonds through negotiated  
51 agreement, with compensation for such sales to be provided by negotiated  
52 agreement and/or negotiated fee, if required.

53 The cost of such underwriting or private placement shall be deemed to  
54 be a preliminary cost for purposes of section 11.00 of the local finance  
55 law.

§ 12. Exceptions to the local finance law. Except as provided in this act, all proceedings in connection with the issuance of such deficit bonds or deficit notes shall be had and taken in accordance with the provisions of the local finance law, provided, however, that any resolution or resolutions authorizing the issuance of such bonds or bond anticipation notes shall not be subject to (a) any mandatory or permissive referendum, (b) the provisions of section 107.00 of the local finance law with respect to any requirements for a down payment and (c) the provisions of section 10.10 of the local finance law.

§ 13. Special debt service fund. (a) Upon the issuance of any deficit bonds or deficit notes, the city council shall establish and thereafter maintain a special debt service fund with the state comptroller for the purpose of paying the special debt service due or becoming due in subsequent fiscal years. Such special debt service fund shall be discontinued upon the expiration of the effectiveness of this act, and any balance remaining in the special debt service fund at that time shall be paid by the state comptroller to the city treasurer for use by the city in the manner provided by law.

(b) The state comptroller shall deposit and pay into the special debt service fund any portion of state aid as the state comptroller determines necessary to ensure sufficient moneys are available to make scheduled special debt service payments from the special debt service fund over the succeeding twelve month period taking account of the city's receipt of city taxes and state aid during such twelve month period and the availability of other amounts appropriated or set aside by the city to make such payments. Thereafter, the state comptroller shall, as soon as practicable, pay over the remainder of any such state aid to the city treasurer for use by the city in the manner provided by law.

(c) Not later than the first day of each fiscal year beginning after issuance of any deficit bonds or deficit notes, the city treasurer shall certify to the state comptroller the percentage obtained by dividing the balance obtained by subtracting the amount of the appropriation for such year for a reserve for uncollected taxes from the total amount of city taxes levied and assessed for such year, into the total appropriation in the budget of such year for special debt service, and the percentage so certified shall constitute the debt service percentage for such fiscal year. Immediately upon receipt of any payment during such fiscal year of or on account of any city taxes, the city, its collecting officer and any agent receiving the same shall remit such payment to the state comptroller. Of each sum so received, the state comptroller shall deposit and pay into the special debt service fund the portion thereof equal to the debt service percentage of the total sum, and shall deposit and pay into the fund such additional amounts as the state comptroller determines necessary to ensure sufficient moneys are available to make scheduled special debt service payments from the special debt service fund over the succeeding twelve month period taking account of the timing of the city's receipt of city taxes and state aid during such twelve month period and the availability of other amounts appropriated or set aside by the city to make such payments. Thereafter, the state comptroller shall, as soon as practicable, pay over the remainder of such sum to the city treasurer for use by the city in the manner provided by law.

(d) The moneys in the special debt service fund shall be invested in the manner provided by section 11 of the general municipal law, provided, however, that the investments shall be made for and on behalf of the city by the state comptroller upon instructions from the chief fiscal officer of the city which shall be consistent with the city's

1 investment policy adopted pursuant to section 39 of the general munici-  
2 pal law.

3 (e) The state comptroller shall from time to time during each fiscal  
4 year withdraw from the special debt service fund all amounts required  
5 for the payment as the same becomes due of all special debt service of  
6 such fiscal year and cause the amounts so withdrawn to be applied to  
7 such payments as and when due.

8 (f) The special debt service fund and all monies or securities therein  
9 or payable thereto in accordance with this section is hereby declared to  
10 be city property devoted to essential governmental purposes and accord-  
11 ingly, shall not be applied to any purpose other than as provided herein  
12 and shall not be subject to any order, judgment, lien, execution,  
13 attachment, setoff or counterclaim by any creditor of the city other  
14 than a creditor for whose benefit such fund is established and main-  
15 tained and entitled thereto under and pursuant to this act.

16 § 14. Agreement with the state. (a) The state does hereby pledge to  
17 and agree with the holders of any bonds, notes or other obligations  
18 issued by the city during the effective period of this act and secured  
19 by such a pledge that the state will not limit, alter or impair the  
20 rights hereby vested in the city to fulfill the terms of any agreements  
21 made with such holders pursuant to this act, or in any way impair the  
22 rights and remedies of such holders or the security for such bonds,  
23 notes or other obligations until such bonds, notes or other obligations  
24 together with the interest thereon and all costs and expenses in  
25 connection with any action or proceeding by or on behalf of such hold-  
26 ers, are fully paid and discharged. The city is authorized to include  
27 this pledge and agreement of the state in any agreement with the holders  
28 of such bonds, notes or other obligations. Nothing contained in this act  
29 shall be deemed to (i) obligate the state to make any payments or impose  
30 any taxes to satisfy the debt service obligations of the city, (ii)  
31 restrict any right of the state to amend, modify, repeal or otherwise  
32 alter (A) section 54 of the state finance law or any other provision  
33 relating to state aid, or (B) statutes imposing or relating to taxes or  
34 fees, or appropriations relating thereto, or (iii) create a debt of the  
35 state within the meaning of any constitutional or statutory provisions.  
36 The city shall not include in any resolution, contract or agreement with  
37 holders of such bonds, notes or other obligations any provision which  
38 provides that an event of default occurs as a result of the state exer-  
39 cising its rights described in paragraph (ii) of this subdivision.

40 (b) Any provision with respect to state aid shall be deemed executory  
41 only to the extent of moneys available, and no liability shall be  
42 incurred by the state beyond the moneys available for that purpose, and  
43 any such payment by the state comptroller of state aid shall be subject  
44 to annual appropriation of state aid by the state legislature.

45 § 15. Rights of the state comptroller and bondholders. (a) In the  
46 event that the city shall fail to comply with any provision of this act,  
47 and such non-compliance shall continue for a period of 30 days, (1) the  
48 state comptroller acting alone, or (2) a duly appointed representative  
49 of the holders of at least 25 per centum in aggregate principal amount  
50 of (i) any series of deficit bonds or deficit notes, (ii) any series of  
51 bonds issued to refund such deficit bonds or deficit notes, or (iii) any  
52 other series of notes or bonds issued by the city during the effective  
53 period of this act, by instrument or instruments filed in the office of  
54 the clerk of Chautauqua county and proved or acknowledged in the same  
55 manner as a deed to be recorded, may bring an action or commence a  
56 proceeding in accordance with the civil practice law and rules to (A)

1 require the city to carry out any of its obligations under this act or  
2 (B) enjoin any acts or things which may be unlawful or in violation of  
3 the obligations imposed on the city under this act. In addition, the  
4 duly appointed representative of the bondholders of any such series of  
5 notes or bonds may bring an action or commence a proceeding in accord-  
6 ance with the civil practice law and rules to enforce the rights of the  
7 holders of such series of notes or bonds.

8 (b) The supreme court in the county of Chautauqua shall have jurisdic-  
9 tion of any action or proceeding by the state comptroller or the repre-  
10 sentative of such bondholders.

11 § 16. Severability clause. If any clause, sentence, paragraph, section  
12 or part of this act shall be adjudged by any court of competent juris-  
13 diction to be invalid, such judgment shall not affect, impair or invali-  
14 date the remainder thereof, but shall be confined in its operation to  
15 the clause, sentence, paragraph, section or part involved in the contro-  
16 versy in which such judgment shall have been rendered. The provisions of  
17 this act shall be liberally construed to assist the effectuation of the  
18 public purposes furthered hereby.

19 § 17. This act shall take effect immediately; and shall remain in full  
20 force and effect until the fifteenth anniversary of the date of first  
21 issuance of deficit bonds or deficit notes pursuant to this act, when  
22 upon such date the provisions of this act shall be deemed repealed; and  
23 provided, however, that the state comptroller shall notify the legisla-  
24 tive bill drafting commission upon the occurrence of this act in order  
25 that the commission may maintain an accurate and timely effective data  
26 base of the official text of the laws of the state of New York in furth-  
27 erance of effectuating the provisions of section 44 of the legislative  
28 law and section 70-b of the public officers law.

29 PART EE

30 Section 1. The real property tax law is amended by adding a new  
31 section 421-p to read as follows:

32 § 421-p. Exemption of newly-constructed or converted rental multiple  
33 dwelling. 1. (a) A city, town or village may, by local law, provide  
34 for the exemption of rental multiple dwellings constructed or converted  
35 in a benefit area designated in such local law from taxation and special  
36 ad valorem levies, as provided in this section. Subsequent to the  
37 adoption of such a local law, any other municipal corporation in which  
38 the designated benefit area is located may likewise exempt such property  
39 from its taxation and special ad valorem levies by local law, or in the  
40 case of a school district, by resolution.

41 (b) As used in this section, the term "benefit area" means the area  
42 within a city, town or village, designated by local law, to which an  
43 exemption, established pursuant to this section, applies.

44 (c) The term "rental multiple dwelling" means a structure, other than  
45 a hotel, consisting of ten or more dwelling units, where all of the  
46 units are rented for residential purposes, and twenty-five percent of  
47 such units, upon initial rental and upon each subsequent rental follow-  
48 ing a vacancy during the benefit period, are affordable to and  
49 restricted to occupancy by individuals or families whose household  
50 income does not exceed a weighted average of no less than sixty percent  
51 of the area median income and no more than eighty percent of the area  
52 median income, adjusted for family size, at the time that such house-  
53 holds initially occupy such dwelling units, provided further that all of  
54 the income restricted units upon initial rental and upon each subsequent

1 rental following a vacancy during the restriction period or extended  
2 restriction period, as applicable, shall be affordable to and restricted  
3 to occupancy by individuals or families whose household income does not  
4 exceed one hundred percent of the area median income, adjusted for fami-  
5 ly size, at the time that such households initially occupy such dwelling  
6 units. Provided further, that any local law authorizing an exemption  
7 pursuant to this section may provide for the area median income weighted  
8 average within the amounts set forth in this paragraph. Such restriction  
9 period shall be in effect coterminous with the benefit period, provided,  
10 however, that the tenant or tenants in an income restricted dwelling  
11 unit at the time such restriction period ends shall have the right to  
12 lease renewals at the income restricted level until such time as such  
13 tenant or tenants permanently vacate the dwelling unit.

14 2. Eligible newly-constructed or converted rental multiple dwellings  
15 in a designated benefit area shall be wholly exempt from taxation while  
16 under construction, subject to a maximum of three years. Such property  
17 shall then be exempt for an additional period of twenty-five years,  
18 provided, that the exemption percentage during such additional period of  
19 twenty-five years shall begin at ninety-six percent and shall decrease  
20 by four percent each year thereafter. Provided, however:

21 (a) Taxes shall be paid during the exemption period in an amount at  
22 least equal to the taxes paid on such land and any improvements thereon  
23 during the tax year preceding the commencement of such exemption.

24 (b) No other exemption may be granted concurrently to the same  
25 improvements under any other section of law.

26 3. To be eligible for exemption under this section, any new  
27 construction shall take place on vacant, predominantly vacant or underu-  
28 tilized land, or on land improved with a non-conforming use or on land  
29 containing one or more substandard or structurally unsound dwellings, or  
30 a dwelling that has been certified as unsanitary by the local health  
31 agency. The provisions of this subdivision shall not apply to any new  
32 conversions undertaken pursuant to this section.

33 4. Application for exemption under this section shall be made on a  
34 form prescribed by the commissioner and filed with the assessor on or  
35 before the applicable taxable status date.

36 5. In the case of a newly constructed or converted property which is  
37 used partially as a rental multiple dwelling and partially for commer-  
38 cial or other purposes, the portion of the property that is used as a  
39 rental multiple dwelling shall be eligible for the exemption authorized  
40 by this section if:

41 (a) The square footage of the portion used as a rental multiple dwell-  
42 ing represents at least fifty percent of the square footage of the  
43 entire property;

44 (b) The rental units are affordable to individuals or families as  
45 determined according to the criteria set forth in paragraph (c) of  
46 subdivision one of this section; and

47 (c) The requirements of this section are otherwise satisfied with  
48 respect to the portion of the property used as a rental multiple dwell-  
49 ing.

50 6. (a) For the purposes of this subdivision, the following terms shall  
51 have the following meanings:

52 (i) "Applicant" shall mean an applicant for the exemption authorized  
53 by this section and/or any successor to such applicant.

54 (ii) "Covered building service employer" shall mean any applicant  
55 and/or any employer of building service employees for such applicant

1 including, but not limited to, a property management company or contrac-  
2 tor.

3 (iii) "Building service employee" shall mean any person who is regu-  
4 larly employed at, and performs work in connection with the care or  
5 maintenance of, an eligible multiple dwelling, including, but not limit-  
6 ed to, a watchman, guard, doorman, building cleaner, porter, handyman,  
7 janitor, gardener, groundskeeper, elevator operator and starter, and  
8 window cleaner, but not including persons regularly scheduled to work  
9 fewer than eight hours per week at such eligible multiple dwelling.

10 (iv) "Fiscal officer" shall mean the commissioner of labor.

11 (v) "Eligible multiple dwelling" shall mean any newly-constructed or  
12 converted rental multiple dwellings that receive benefits pursuant to  
13 this section.

14 (b) All building service employees employed by the covered building  
15 service employer at the eligible multiple dwelling shall receive the  
16 applicable prevailing wage in accordance with article nine of the labor  
17 law for the duration of the benefit period, regardless of whether such  
18 benefits are revoked or terminated. Such applicable prevailing wage  
19 shall in no case be lower than the prevailing wage provided to building  
20 service employees for work performed within the respective county under  
21 the collective bargaining agreement covering the largest number of hour-  
22 ly building service employees employed at residential buildings within  
23 such county in each job classification established by the commissioner  
24 of labor. The commissioner of labor shall determine the applicable  
25 prevailing wage rates and prevailing rate of fringe benefits for each  
26 job classification consistent with the corresponding job classifications  
27 covered by such collective bargaining agreements. To determine the  
28 applicable supplement benefit rate, the commissioner of labor shall  
29 identify the applicable hourly, weekly or monthly cost to an employer as  
30 specified under the applicable collective bargaining agreement of  
31 providing such supplements.

32 (c) (i) The fiscal officer shall have the power to enforce the  
33 provisions of this subdivision. In enforcing such provisions, the fiscal  
34 officer shall have the power: (A) to investigate or cause an investi-  
35 gation to be made to determine the prevailing wages for building service  
36 employees, and in making such investigation, the fiscal officer may  
37 utilize wage and fringe benefit data from various sources, including,  
38 but not limited to, data and determinations of federal, state or other  
39 governmental agencies; provided, however, that the provision of a dwell-  
40 ing unit shall not be considered wages or a fringe benefit; (B) to  
41 institute and conduct inspections at the site of the work or elsewhere;  
42 (C) to examine the books, documents and records pertaining to the wages  
43 paid to, and the hours of work performed by, building service employees;  
44 (D) to hold hearings and, in connection therewith, to issue subpoenas,  
45 the enforcement of which shall be regulated by the civil practice law  
46 and rules, administer oaths and examine witnesses; (E) to make a classi-  
47 fication by craft, trade or other generally recognized occupational  
48 category of the building service employees and to determine whether such  
49 work has been performed by the building service employees in such clas-  
50 sification; (F) to require the applicant to file with the fiscal officer  
51 a record of the wages actually paid to the building service employees  
52 and of their hours of work; (G) to delegate any of the foregoing powers  
53 to such fiscal officer's deputy or other authorized representative; (H)  
54 to promulgate rules as such fiscal officer shall consider necessary for  
55 the proper execution of the duties, responsibilities and powers  
56 conferred upon him or her by the provisions of this subdivision; and (I)

1 to prescribe appropriate sanctions for failure to comply with the  
2 provisions of this subdivision.

3 (ii) For each violation of paragraph (b) of this subdivision, the  
4 fiscal officer may require the payment of:

5 (A) back wages and fringe benefits;

6 (B) liquidated damages up to three times the amount of the back wages  
7 and fringe benefits for willful violations; and/or

8 (C) reasonable attorneys' fees. If the fiscal officer finds that the  
9 applicant has failed to comply with the provisions of this subdivision,  
10 such fiscal officer shall present evidence of such non-compliance to the  
11 village, town, or city that enacted a local law pursuant to this  
12 section, or to any municipal agency or entity identified in such local  
13 law.

14 (d) Paragraph (b) of this subdivision shall not be applicable to: (i)  
15 an eligible multiple dwelling containing less than thirty dwelling  
16 units; or (ii) an eligible multiple dwelling whose new construction or  
17 conversion is carried out with the substantial assistance of grants,  
18 loans or subsidies provided by a federal, state or local governmental  
19 agency or instrumentality pursuant to a program for the development of  
20 affordable housing.

21 (e) The applicant shall submit a sworn affidavit with its application  
22 certifying that it shall ensure compliance with the requirements of this  
23 subdivision or is exempt in accordance with paragraph (d) of this subdivi-  
24 vision. Upon the approval of the village, town, or city that enacted a  
25 local law pursuant to this section, or of any municipal agency or entity  
26 identified in such local law, of such application, the applicant who is  
27 not exempt in accordance with paragraph (d) of this subdivision shall  
28 submit annually a sworn affidavit to the fiscal officer certifying that  
29 it shall ensure compliance with the requirements of this subdivision.

30 (f) The village, town, or city that enacted a local law pursuant to

33 requirements of this subdivision and the affidavits required pursuant to  
34 paragraph (e) of this subdivision.

35 (g) If a covered building service employer has committed three

39 section, or any municipal agency or entity identified in such local law  
40 may revoke any benefits associated with such eligible multiple dwelling  
41 under this section. For purposes of this paragraph, a "violation" of  
42 paragraph (b) of this subdivision will be deemed a finding by the fiscal  
43 officer that a covered building service employer has failed to comply  
44 with paragraph (b) of this subdivision and has failed to cure the defi-  
45 ciency within three months of such finding. Provided, however, that  
46 after a second such violation, the applicant shall be notified that any  
47 further violation may result in the revocation of benefits under this  
48 section and that the fiscal officer shall publish on its website a list  
49 of all applicants with two violations as defined in this paragraph. If  
50 benefits are terminated or revoked for failure to comply with this

3 under penalty of perjury, at such time or times and in such manner as  
4 may be prescribed in the local law adopted by the city, town or village  
5 pursuant to paragraph (a) of subdivision one of this section, or by a  
6 subsequent local law. Such city, town or village may establish such  
7 procedures as it deems necessary for monitoring and enforcing compliance  
8 of an eligible building with the provisions of this section.

9 § 2. The real property tax law is amended by adding a new section  
10 421-pp to read as follows:

11 § 421-pp. Exemption of newly converted or constructed fully income  
12 restricted rental multiple dwellings. 1. (a) A city, town or village  
13 may, by local law, provide for the exemption of rental multiple dwell-  
14 ings constructed or converted in a benefit area designated in such local  
15 law from taxation and special ad valorem levies, as provided in this  
16 section. Subsequent to the adoption of such a local law, any other  
17 municipal corporation in which the designated benefit area is located  
18 may likewise exempt such property from its taxation and special ad valo-  
19 rem levies by local law, or in the case of a school district, by resol-  
20 ution.

21 (b) As used in this section, the term "benefit area" means the area  
22 within a city, town or village, designated by local law, to which an  
23 exemption, established pursuant to this section, applies.

24 (c) As used in this section, the term "rental multiple dwelling" means  
25 a structure, other than a hotel, consisting of ten or more dwelling  
26 units, where all but a maximum of two of the units are rented for resi-  
27 dential purposes, and all of such units, upon initial rental and upon  
28 each subsequent rental following a vacancy during the restriction period  
29 or extended restriction period, as applicable, is affordable to and  
30 restricted to occupancy by individuals or families whose household  
31 income does not exceed a weighted average of no less than sixty percent  
32 of the area median income and no more than eighty percent of the area  
33 median income, adjusted for family size, at the time that such house-  
34 holds initially occupy such dwelling units, provided further that all of  
35 the income restricted units upon initial rental and upon each subsequent  
36 rental following a vacancy during the restriction period or extended  
37 restriction period, as applicable, shall be affordable to and restricted  
38 to occupancy by individuals or families whose household income does not  
39 exceed one hundred percent of the area median income, adjusted for fami-  
40 ly size, at the time that such households initially occupy such dwelling  
41 units. The two residential units that are not income restricted must be  
42 occupied by superintendents, caretakers, managers or other employees to  
43 whom the space is provided as part or all of their compensation without  
44 payment of rent and who are employed for the purpose of rendering  
45 services in connection with the premises of which the housing accommo-  
46 dation is a part. In the event no unit is provided or rented to such an  
47 employee, all units in the building must be income restricted pursuant  
48 to this paragraph. Provided further that any local law authorizing an  
49 exemption pursuant to this section may provide for the area median  
50 income weighted average within the amounts set forth in this paragraph.  
51 Such restriction period shall be in effect coterminous with the benefit  
52 period, provided, however, that the tenant or tenants in an income  
53 restricted dwelling unit at the time such restriction period ends shall  
54 have the right to lease renewals at the income restricted level until  
55 such time as such tenant or tenants permanently vacate the dwelling  
56 unit.

2. Eligible newly-constructed or converted rental multiple dwellings in a designated benefit area shall be wholly exempt from taxation while under construction, subject to a maximum of three years. Such property shall then be exempt for an additional period of thirty years. Provided, however:

(a) Taxes shall be paid during the exemption period in an amount to be determined by the local law providing the exception pursuant to this section, provided, however, that amount shall be no greater than ten per centum of the shelter rent of the eligible rental multiple dwelling exempted pursuant to this section.

(b) No other exemption may be granted concurrently to the same improvements under any other section of law.

3. To be eligible for exemption under this section, any new construction shall take place on vacant, predominantly vacant or underutilized land, or on land improved with a non-conforming use or on land containing one or more substandard or structurally unsound dwellings, or a dwelling that has been certified as unsanitary by the local health agency. The provisions of this subdivision shall not apply to any new conversions undertaken pursuant to this section.

4. Application for exemption under this section shall be made on a form prescribed by the commissioner and filed with the assessor on or before the applicable taxable status date.

5. In the case of newly constructed property which is used partially as a rental multiple dwelling and partially for commercial or other purposes, the portion of the newly constructed property that is used as a rental multiple dwelling shall be eligible for the exemption authorized by this section if:

(a) the square footage of the portion used as a rental multiple dwelling represents at least fifty percent of the square footage of the entire property;

(b) the rental units are affordable to individuals or families as determined according to the criteria set forth in paragraph (c) of subdivision one of this section; and

(c) the requirements of this section are otherwise satisfied with respect to the portion of the property used as a rental multiple dwelling.

6. The exemption authorized by this section shall not be available in a city with a population of one million or more.

7. Any recipient of the exemption authorized by this section or their designee shall certify compliance with the provisions of this section under penalty of perjury, at such time or times and in such manner as may be prescribed in the local law adopted by the city, town or village pursuant to paragraph (a) of subdivision one of this section, or by a subsequent local law. Such city, town or village may establish such procedures as it deems necessary for monitoring and enforcing compliance of an eligible building with the provisions of this section.

§ 3. This act shall take effect immediately.

## PART GG

2 Section 1. Subdivision 10 of section 292 of the executive law, as  
3 added by chapter 340 of the laws of 1955, is amended to read as follows:

4 10. The term "housing accommodation" includes any building, structure,  
5 or portion thereof which is used or occupied or is intended, arranged or  
6 designed to be used or occupied, as the home, residence or sleeping  
7 place of one or more human beings. The term "housing accommodation"  
8 also includes any accessory dwelling unit, defined as any attached or a  
9 detached residential dwelling unit that provides complete independent  
10 living facilities for one or more persons which is located on a lot with  
11 a proposed or existing primary residence and shall include permanent  
12 provisions for living, sleeping, eating, cooking, and sanitation on the  
13 same lot as the single-family or multi-family dwelling.

14 § 2. The real property tax law is amended by adding a new section  
15 421-p to read as follows:

16 § 421-p. Exemption of capital improvements to residential new  
17 construction involving the creation of accessory dwelling units. 1.  
18 Residential buildings reconstructed, altered, improved, or newly  
19 constructed in order to create one or more additional residential dwell-  
20 ing units on the same parcel as a pre-existing residential building to  
21 provide independent living facilities for one or more persons subsequent  
22 to the effective date of a local law or resolution enacted pursuant to  
23 this section shall be exempt from taxation and special ad valorem levies  
24 to the extent provided hereinafter. After a public hearing, the govern-  
25 ing board of a county, city, town or village may adopt a local law and a  
26 school district, other than a school district subject to article fifty-  
27 two of the education law, may adopt a resolution to grant the exemption  
28 authorized pursuant to this section. A copy of such local law or resol-  
29 ution shall be filed with the commissioner and the assessor of such  
30 county, city, town or village who prepares the assessment roll on which  
31 the taxes of such county, city, town, village or school district are  
32 levied.

33 2. (a) Such buildings shall be exempt for a period of five years to  
34 the extent of one hundred per centum of the increase in assessed value  
35 thereof attributable to such reconstruction, alteration, improvement, or  
36 new construction for such additional residential unit or units that  
37 provide independent living facilities for one or more persons, and for  
38 an additional period of five years subject to the following:

39 (i) The extent of such exemption shall be decreased by twenty-five per  
40 centum of the "exemption base" for each of the first three years during  
41 such additional period and shall be decreased by a further ten per  
42 centum of the "exemption base" during each of the final two years of  
43 such additional period. The exemption shall expire at the end of the  
44 extended period. The "exemption base" shall be the increase in assessed  
45 value as determined in the initial year of the term of the exemption,  
46 except as provided in subparagraph (ii) of this paragraph.

47 (ii) In any year in which a change in level of assessment of fifteen  
48 percent or more is certified for a final assessment roll pursuant to the  
49 rules of the commissioner, the exemption base shall be multiplied by a  
50 fraction, the numerator of which shall be the total assessed value of  
51 the parcel on such final assessment roll (after accounting for any phys-  
52 ical or quantity changes to the parcel since the immediately preceding  
53 assessment roll), and the denominator of which shall be the total  
54 assessed value of the parcel on the immediately preceding final assess-  
55 ment roll. The result shall be the new exemption base. The exemption

1 shall thereupon be recomputed to take into account the new exemption  
2 base, notwithstanding the fact that the assessor receives certification  
3 of the change in level of assessment after the completion, verification  
4 and filing of the final assessment roll. In the event the assessor does  
5 not have custody of the roll when such certification is received, the  
6 assessor shall certify the recomputed exemption to the local officers  
7 having custody and control of the roll, and such local officers are  
8 hereby directed and authorized to enter the recomputed exemption certi-  
9 fied by the assessor on the roll. The assessor shall give written notice  
10 of such recomputed exemption to the property owner, who may, if such  
11 property owner believes that the exemption was recomputed incorrectly,  
12 apply for a correction in the manner provided by title three of article  
13 five of this chapter for the correction of clerical errors.

14 (iii) Such exemption shall be limited to two hundred thousand dollars  
15 in increased market value of the property attributable to such recon-  
16 struction, alteration, improvement, or new construction and any increase  
17 in market value greater than such amount shall not be eligible for the  
18 exemption pursuant to this section. For the purposes of this section,  
19 the market value of the reconstruction, alteration, improvement, or new  
20 construction as authorized by subdivision one of this section shall be  
21 equal to the increased assessed value attributable to such recon-  
22 struction, alteration, improvement, or new construction divided by the  
23 class one ratio in a special assessing unit or the most recently estab-  
24 lished state equalization rate or special equalization rate in the  
25 remainder of the state, except where the state equalization rate or  
26 special equalization rate equals or exceeds ninety-five percent, in  
27 which case the increase in assessed value attributable to such recon-  
28 struction, alteration, improvement, or new construction shall be deemed  
29 to equal the market value of such reconstruction, alteration, improve-  
30 ment, or new construction.

31 (b) No such exemption shall be granted for reconstruction, alter-  
32 ations, improvements, or new construction unless:

33 (i) such reconstruction, alteration, improvement, or new construction  
34 was commenced subsequent to the effective date of the local law or  
35 resolution adopted pursuant to subdivision one of this section; and

36 (ii) the value of such reconstruction, alteration, improvement, or new  
37 construction exceeds three thousand dollars; and

38 (iii) such reconstruction, alteration, improvement, or new  
39 construction created one or more additional residential dwelling units  
40 on the same parcel as the pre-existing residential building to provide  
41 independent living facilities for one or more persons.

42 (c) For purposes of this section the terms reconstruction, alteration,  
43 improvement, and new construction shall not include ordinary maintenance  
44 and repairs.

45 3. Such exemption shall be granted only upon application by the owner  
46 of such building on a form prescribed by the commissioner. The applica-  
47 tion shall be filed with the assessor of the city, town, village or  
48 county having the power to assess property for taxation on or before the  
49 appropriate taxable status date of such city, town, village or county.

50 4. If satisfied that the applicant is entitled to an exemption pursu-  
51 ant to this section, the assessor shall approve the application and such  
52 building shall thereafter be exempt from taxation and special ad valorem  
53 levies as herein provided commencing with the assessment roll prepared  
54 on the basis of the taxable status date referred to in subdivision three  
55 of this section. The assessed value of any exemption granted pursuant to  
56 this section shall be entered by the assessor on the assessment roll

1 with the taxable property, with the amount of the exemption shown in a  
2 separate column.

3 5. For the purposes of this section, a residential building shall mean  
4 any building or structure designed and occupied exclusively for residen-  
5 tial purposes by not more than two families.

6 6. In the event that a building granted an exemption pursuant to this  
7 section ceases to be used primarily for residential purposes, or title  
8 thereto is transferred to other than the heirs or distributees of the  
9 owner, the exemption granted pursuant to this section shall cease.

10 7. (a) A county, city, town or village may, by its local law, or  
11 school district, by its resolution:

12 (i) reduce the per centum of exemption otherwise allowed pursuant to  
13 this section; and

14 (ii) limit eligibility for the exemption to those forms of recon-  
15 struction, alterations, improvements, or new construction as are  
16 prescribed in such local law or resolution.

17 (b) No such local law or resolution shall repeal an exemption granted  
18 pursuant to this section until the expiration of the period for which  
19 such exemption was granted.

20 § 3. This act shall take effect immediately and shall apply to assess-  
21 ment rolls based on taxable status dates occurring on or after such  
22 effective date.

32 ment for each county in New York state in the annual publication  
33 required pursuant to subdivision seven of section two hundred eleven of  
34 this article.

35 § 215. Necessity for good cause. No landlord shall, by action to evict  
36 or to recover possession, by exclusion from possession, by failure to  
37 renew any lease, or otherwise, remove any tenant from housing accommo-  
38 dations covered by section two hundred fourteen of this article except  
39 for good cause as defined in section two hundred sixteen of this arti-  
40 cle.

41 § 216. Grounds for removal of tenants. 1. No landlord shall remove a  
42 tenant from any housing accommodation covered by section two hundred  
43 fourteen of this article, or attempt such removal or exclusion from  
44 possession, notwithstanding that the tenant has no written lease or that  
45 the lease or other rental agreement has expired or otherwise terminated,  
46 except upon order of a court of competent jurisdiction entered in an  
47 appropriate judicial action or proceeding in which the petitioner or  
48 plaintiff has established one of the following grounds as good cause for  
49 removal or eviction:

50 (a) (i) The tenant has failed to pay rent due and owing, provided  
51 however that the rent due and owing, or any part thereof, did not result  
52 from a rent increase which is unreasonable. In determining whether all  
53 or part of the rent due and owing is the result of an unreasonable rent  
54 increase, it shall be a rebuttable presumption that the rent for a  
55 dwelling not protected by rent regulation is unreasonable if said rent  
56 has been increased in any calendar year, after the effective date of

1 this article, or after the effective date of the local law in any  
2 village, town, or city that enacts such local law to apply this article  
3 to such village, town, or city pursuant to subdivision one of section  
4 two hundred thirteen of this article, by an amount greater than the  
5 local rent standard, provided further that no rent increase less than or  
6 equal to the local rent standard shall be deemed unreasonable.

7 (ii) Whenever a court considers whether a rent increase is unreason-  
8 able, the court may consider all relevant facts, including but not  
9 limited to a landlord's costs for fuel and other utilities, insurance,  
10 and maintenance; but in all cases, the court shall consider the land-  
11 lord's property tax expenses and any recent increases thereto; such  
12 relevant facts also shall include whether the landlord, other than in  
13 circumstances governed by paragraph (d) of this subdivision, seeks in  
14 good faith to raise the rent upon a renewal lease to reflect completed  
15 significant repairs to the housing accommodation, or to any other part  
16 of the building or real property in which the housing accommodation is  
17 located, provided that the landlord can establish that the repairs  
18 constituted significant repairs and that such repairs did not result  
19 from the landlord's failure to properly maintain the building or housing  
20 accommodation, and provided further that for the purposes of this  
21 subparagraph, "significantly repair" means the replacement or substan-  
22 tial modification of any structural, electrical, plumbing, or mechanical  
23 system that requires a permit from a governmental agency, or abatement  
24 of hazardous materials, including lead-based paint, mold, or asbestos in  
25 accordance with applicable federal, state, and local laws, and provided  
26 further cosmetic improvements alone, including painting, decorating, and  
27 minor repairs, do not qualify as significant repairs;

28 (b) The tenant is violating a substantial obligation of their tenancy  
29 or breaching any of the landlord's rules and regulations governing said  
30 premises, other than the obligation to surrender possession, and has  
31 failed to cure such violation after written notice that the violation  
32 cease within ten days of receipt of such written notice, provided howev-  
33 er, that the obligation of tenancy for which violation is claimed was  
34 not imposed for the purpose of circumventing the intent of this article  
35 and provided such rules or regulations are reasonable and have been  
36 accepted in writing by the tenant or made a part of the lease at the  
37 beginning of the lease term;

38 (c) The tenant is committing or permitting a nuisance in such housing  
39 accommodation, or elsewhere in the building or on the real property in  
40 which the housing accommodation is located, or is maliciously or by  
41 reason of gross negligence substantially damaging the housing accommo-  
42 dation, or causing substantial damage elsewhere in the building or on  
43 the real property in which the housing accommodation is located; or the  
44 tenant's conduct is such as to interfere with the comfort and safety of  
45 the landlord or other tenants or occupants of the same or another adja-  
46 cent building or structure;

47 (d) Occupancy of the housing accommodation by the tenant is in  
48 violation of or causes a violation of law and the landlord is subject to  
49 civil or criminal penalties therefor; provided however that an agency of  
50 the state or municipality having jurisdiction has issued an order  
51 requiring the tenant to vacate the housing accommodation. No tenant  
52 shall be removed from possession of a housing accommodation on such  
53 ground unless the court finds that the cure of the violation of law  
54 requires the removal of the tenant and that the landlord did not through  
55 neglect or deliberate action or failure to act create the condition  
56 necessitating the vacate order. In instances where the landlord does not

1 undertake to cure conditions of the housing accommodation causing such  
2 violation of the law, the tenant shall have the right to pay or secure  
3 payment in a manner satisfactory to the court, to cure such violation  
4 provided that any tenant expenditures shall be applied against rent to  
5 which the landlord is entitled. In instances where removal of a tenant  
6 is absolutely essential to such tenant's health and safety, the removal  
7 of the tenant shall be without prejudice to any leasehold interest or  
8 other right of occupancy the tenant may have and the tenant shall be  
9 entitled to resume possession at such time as the dangerous conditions  
10 have been removed. Nothing herein shall abrogate or otherwise limit the  
11 right of a tenant to bring an action for monetary damages against the  
12 landlord or to otherwise compel compliance by the landlord with all  
13 applicable state or municipal housing codes;

14 (e) The tenant is using or permitting the housing accommodation, or  
15 elsewhere in the building or on the real property in which the housing  
16 accommodation is located, to be used for an illegal purpose;

17 (f) The tenant has unreasonably refused the landlord access to the  
18 housing accommodation for the purpose of making necessary repairs or  
19 improvements required by law or for the purpose of showing the housing  
20 accommodation to a prospective purchaser, mortgagee or other person  
21 having a legitimate interest therein;

22 (g) The landlord seeks in good faith to recover possession of a hous-  
23 ing accommodation for the landlord's own personal use and occupancy as  
24 the landlord's principal residence, or the personal use and occupancy as  
25 principal residence of the landlord's spouse, domestic partner, child,  
26 stepchild, parent, step-parent, sibling, grandparent, grandchild,  
27 parent-in-law or sibling-in-law, when no other suitable housing accommo-  
28 dation in such building is available, provided that no judgment in favor  
29 of the landlord may be granted pursuant to this paragraph unless the  
30 landlord establishes good faith to recover possession of a housing  
31 accommodation for the landlord's own personal use and occupancy as the  
32 landlord's principal residence, or the personal use and occupancy as a  
33 principal residence of the landlord's spouse, domestic partner, child,  
34 stepchild, parent, step-parent, sibling, grandparent, grandchild,  
35 parent-in-law or sibling-in-law, by clear and convincing evidence. This  
36 paragraph shall not apply to a housing accommodation occupied by a  
37 tenant who is sixty-five years of age or older or who is a disabled  
38 person;

39 (h) The landlord in good faith seeks to demolish the housing accommo-  
40 dation, provided that no judgment in favor of the landlord may be grant-  
41 ed pursuant to this paragraph unless the landlord establishes good faith  
42 to demolish the housing accommodation by clear and convincing evidence;

43 (i) The landlord seeks in good faith to withdraw a housing accommo-  
44 dation from the housing rental market, provided that no judgment in  
45 favor of the landlord may be granted pursuant to this paragraph unless  
46 the landlord establishes good faith to withdraw the housing accommo-  
47 dation from the housing rental market by clear and convincing evidence;  
48 or

49 (j) The tenant fails to agree to reasonable changes to a lease at  
50 renewal, including increases in rent that are not unreasonable as  
51 defined in paragraph (a) of this subdivision, as long as written notice  
52 of the changes to the lease were provided to the tenant at least thirty  
53 days, but no more than ninety days, prior to the expiration of the  
54 current lease.

55 2. A tenant required to surrender a housing accommodation by virtue of  
56 the operation of paragraph (g), (h), or (i) of subdivision one of this

1 section shall have a cause of action in any court of competent jurisdic-  
2 tion for damages, declaratory, and injunctive relief against a landlord  
3 or purchaser of the premises who makes a fraudulent statement regarding  
4 a proposed use, removal from the rental housing market, or demolition of  
5 the housing accommodation. In any action or proceeding brought pursuant  
6 to this subdivision a prevailing tenant shall be entitled to recovery of  
7 actual damages, and reasonable attorneys' fees. Except as provided in  
8 this subdivision, nothing in this article shall create a civil claim or  
9 cause of action by a tenant against a landlord.

10 3. Nothing in this section shall abrogate or limit the tenant's right  
11 pursuant to section seven hundred fifty-one of the real property actions  
12 and proceedings law to permanently stay the issuance or execution of a  
13 warrant or eviction in a summary proceeding, whether characterized as a  
14 nonpayment, objectionable tenancy, or holdover proceeding, the underly-  
15 ing basis of which is the nonpayment of rent, so long as the tenant  
16 complies with the procedural requirements of section seven hundred  
17 fifty-one of the real property actions and proceedings law where appli-  
18 cable.

19 § 217. Preservation of existing requirements of law. No action shall  
20 be maintainable and no judgment of possession shall be entered for hous-  
21 ing accommodations pursuant to section two hundred sixteen of this arti-  
22 cle, unless the landlord has complied with any and all applicable laws  
23 governing such action or proceeding and has complied with any and all  
24 applicable laws governing notice to tenants, including without limita-  
25 tion the manner and the time of service of such notice and the contents  
26 of such notice.

27 § 218. Waiver of rights void. Any agreement by a tenant heretofore or  
28 hereinafter entered into in a written lease or other rental agreement  
29 waiving or modifying their rights as set forth in this article shall be  
30 void as contrary to public policy.

31 § 2. Paragraph (a) of subdivision 1 of section 226-c of the real prop-  
32 erty law, as amended by chapter 789 of the laws of 2021, is amended to  
33 read as follows:

34 (a) Whenever a landlord intends to offer to renew the tenancy of an  
35 occupant in a residential dwelling unit with a rent increase equal to or  
36 greater than five percent above the current rent, or the landlord does  
37 not intend to renew the tenancy, the landlord shall provide written  
38 notice as required in subdivision two of this section. The notice shall  
39 append or contain the notice required pursuant to section two hundred  
40 thirty-one-c of this article, which shall state the following: (i) if  
41 the unit is or is not subject to article six-A of this chapter, the  
42 "good cause eviction law", and if the unit is exempt, such notice shall  
43 state why the unit is exempt from such law; (ii) if the landlord is not  
44 renewing the lease for a unit subject to article six-A of this chapter,  
45 the lawful basis for such non-renewal; and (iii) if the landlord is  
46 increasing the rent upon an existing lease of a unit subject to article  
47 six-A of this chapter above the applicable local rent standard, as  
48 defined in subdivision eight of section two hundred eleven of this chap-  
49 ter, the justification for such increase. If the landlord fails to  
50 provide timely notice, the occupant's lawful tenancy shall continue  
51 under the existing terms of the tenancy from the date on which the land-  
52 lord gave actual written notice until the notice period has expired,  
53 notwithstanding any provision of a lease or other tenancy agreement to  
54 the contrary.

27 LANDLORD'S JUSTIFICATION FOR INCREASING THE RENT ABOVE THE THRESHOLD FOR  
28 PRESUMPTIVELY UNREASONABLE RENT INCREASES? (A rent increase is presump-  
29 tively unreasonable if the increase from the prior rent is greater than  
30 the lower of: (a) 5 percent plus the annual percentage change in the  
31 consumer price index for all urban consumers for all items as published  
32 by the United States Bureau of Labor Statistics for the region in which  
33 the housing accommodation is located, as published not later than August  
34 1st of each year by the Division of Housing and Community Renewal; or

47 4. IF THIS UNIT IS SUBJECT TO ARTICLE 6-A OF THE REAL PROPERTY LAW,  
48 KNOWN AS THE NEW YORK STATE GOOD CAUSE EVICTION LAW, AND THIS NOTICE  
49 SERVES TO INFORM A TENANT THAT THE LANDLORD IS NOT RENEWING A LEASE,  
50 WHAT IS THE GOOD CAUSE FOR NOT RENEWING THE LEASE? (PLEASE MARK ALL  
51 APPLICABLE REASONS)

52 A. This unit is exempt from Article 6-A of the Real Property Law, known  
53 as the New York State Good Cause Eviction Law, for the reasons stated in  
54 response to question 2, above (IF THIS ANSWER IS CHECKED, NO OTHER  
55 ANSWERS TO THIS QUESTION SHOULD BE CHECKED): \_\_\_\_\_;

1 B. The tenant is receiving this notice in connection with a first lease  
2 or a renewal lease, so the landlord does not need to check any of the  
3 lawful reasons listed below for not renewing a lease under Article 6-A  
4 of the Real Property Law, known as the New York State Good Cause  
5 Eviction Law (IF THIS ANSWER IS CHECKED, NO OTHER ANSWERS TO THIS QUES-  
6 TION SHOULD BE CHECKED) \_\_\_\_\_;

7 C. The landlord is not renewing the lease because the unit is sublet and  
8 the sublessor seeks in good faith to recover possession of the unit for  
9 their own personal use and occupancy (exemption under subdivision 3 of  
10 section 214 of the Real Property Law): \_\_\_\_\_;

11 D. The landlord is not renewing the lease because the possession, use or  
12 occupancy of the unit is solely incident to employment and the employ-  
13 ment is being or has been lawfully terminated (exemption under subdivi-  
14 sion 4 of section 214 of the Real Property Law): \_\_\_\_\_;

15 E. The landlord is not renewing the lease because the tenant has failed  
16 to pay rent due and owing, and the rent due or owing, or any part there-  
17 of, did not result from a rent increase which is unreasonable. A rent  
18 increase is presumptively unreasonable if the increase from the prior  
19 rent is greater than the lower of: (a) 5 percent plus the annual  
20 percentage change in the consumer price index for all urban consumers  
21 for all items as published by the United States Bureau of Labor Statis-  
22 tics for the region in which the housing accommodation is located, as  
23 published not later than August 1st of each year by the Division of  
24 Housing and Community Renewal; or (b) 10 percent (good cause for  
25 eviction under paragraph a of subdivision 1 of section 216 of the Real  
26 Property Law): \_\_\_\_\_;

27 F. The landlord is not renewing the lease because the tenant is violat-  
28 ing a substantial obligation of their tenancy or breaching any of the  
29 landlord's rules and regulations governing the premises, other than the  
30 obligation to surrender possession of the premises, and the tenant has  
31 failed to cure the violation after written notice that the violation  
32 must cease within 10 days of receipt of the written notice. For this  
33 good cause to apply, the obligation the tenant violated cannot be an  
34 obligation that was imposed for the purpose of circumventing the intent  
35 of Article 6-A of the Real Property Law, known as the New York State  
36 Good Cause Eviction Law. The landlord's rules or regulations that the  
37 tenant has violated also must be reasonable and have been accepted in  
38 writing by the tenant or made a part of the lease at the beginning of  
39 the lease term (good cause for eviction under paragraph b of subdivision  
40 1 of section 216 of the Real Property Law): \_\_\_\_\_;

41 G. The landlord is not renewing the lease because the tenant is either  
42 (a) committing or permitting a nuisance on the unit or the premises; (b)  
43 maliciously or grossly negligently causing substantial damage to the  
44 unit or the premises; (c) interfering with the landlord's, another  
45 tenant's, or occupants of the same or an adjacent building or struc-  
46 ture's comfort and safety (good cause for eviction under paragraph c of  
47 subdivision 1 of section 216 of the Real Property Law): \_\_\_\_\_;

48 H. The landlord is not renewing the lease because the tenant's occupancy  
49 of the unit violates law and the landlord is subject to civil or crimi-  
50 nal penalties for continuing to let the tenant occupy the unit. For this  
51 good cause to apply, a state or municipal agency having jurisdiction  
52 must have issued an order requiring the tenant to vacate the unit. No  
53 tenant shall be removed from possession of a unit on this basis unless  
54 the court finds that the cure of the violation of law requires the  
55 removal of the tenant and that the landlord did not, through neglect or  
56 deliberate action or failure to act, create the condition necessitating

1 the vacate order. If the landlord does not try to cure the conditions  
2 causing the violation of the law, the tenant has the right to pay or  
3 secure payment, in a manner satisfactory to the court, to cure the  
4 violation. Any tenant expenditures to cure the violation shall be  
5 applied against rent owed to the landlord. Even if removal of a tenant  
6 is absolutely essential to the tenant's health and safety, the tenant  
7 shall be entitled to resume possession at such time as the dangerous  
8 conditions have been removed. The tenant also retains the right to  
9 bring an action for monetary damages against the landlord or to other-  
10 wise compel the landlord to comply with all applicable state or municip-  
11 al housing codes (good cause for eviction under paragraph d of subdivi-  
12 sion 1 of section 216 of the Real Property Law): \_\_\_\_\_;

13 I. The landlord is not renewing the lease because the tenant is using or  
14 permitting the unit or premises to be used for an illegal purpose (good  
15 cause for eviction under paragraph e of subdivision 1 of section 216 of  
16 the Real Property Law): \_\_\_\_\_;

17 J. The landlord is not renewing the lease because the tenant has unrea-  
18 sonably refused the landlord access to the unit for the purposes of  
19 making necessary repairs or improvements required by law or for the  
20 purposes of showing the premises to a prospective purchaser, mortgagee,  
21 or other person with a legitimate interest in the premises (good cause  
22 for eviction under paragraph f of subdivision 1 of section 216 of the  
23 Real Property Law): \_\_\_\_\_;

24 K. The landlord is not renewing the lease because the landlord seeks in  
25 good faith to recover possession of the unit for the landlord's personal  
26 use and occupancy as the landlord's principal residence, or for the  
27 personal use and occupancy as a principal residence by the landlord's  
28 spouse, domestic partner, child, stepchild, parent, step-parent,  
29 sibling, grandparent, grandchild, parent-in-law, or sibling-in-law. The  
30 landlord can only recover the unit for these purposes if there is no  
31 other suitable housing accommodation in the building that is available.  
32 Under no circumstances can the landlord recover the unit for these  
33 purposes if the tenant is (a) 65 years old or older; or (b) a "disabled  
34 person" as defined in subdivision 6 of section 211 of the Real Property  
35 Law. To establish this good cause in an eviction proceeding, the land-  
36 lord must establish good faith to recover possession of a housing accom-  
37 modation for the uses described herein by clear and convincing evidence  
38 (good cause for eviction under paragraph g of subdivision 1 of section  
39 216 of the Real Property Law): \_\_\_\_\_;

40 L. The landlord is not renewing the lease because the landlord in good  
41 faith seeks to demolish the housing accommodation. To establish this  
42 good cause in an eviction proceeding, the landlord must establish good  
43 faith to demolish the housing accommodation by clear and convincing  
44 evidence (good cause for eviction under paragraph h of subdivision 1 of  
45 section 216 of the Real Property Law): \_\_\_\_\_;

46 M. The landlord is not renewing the lease because the landlord seeks in  
47 good faith to withdraw the unit from the housing rental market. To  
48 establish this good cause in an eviction proceeding, the landlord must  
49 establish good faith to withdraw the unit from the rental housing market  
50 by clear and convincing evidence (good cause for eviction under para-  
51 graph i of subdivision 1 of section 216 of the Real Property Law): \_\_\_\_\_;

52 N. The landlord is not renewing the lease because the tenant has failed  
53 to agree to reasonable changes at lease renewal, including reasonable  
54 increases in rent, and the landlord gave written notice of the changes  
55 to the lease to the tenant at least 30 days, but no more than 90 days,  
56 before the current lease expired. A rent increase is presumptively

1 unreasonable if the increase from the prior rent is greater than the  
2 lower of: (a) 5 percent plus the annual percentage change in the consum-  
3 er price index for all urban consumers for all items as published by the  
4 United States Bureau of Labor Statistics for the region in which the  
5 housing accommodation is located, as published by August 1st of each  
6 year by the Division of Housing and Community Renewal; or (b) 10 percent  
7 (good cause for eviction under paragraph j of subdivision 1 of section  
8 216 of the Real Property Law): .

9 § 4. Subdivision 2 of section 711 of the real property actions and  
10 proceedings law, as amended by section 12 of part M of chapter 36 of the  
11 laws of 2019, is amended to read as follows:

12 2. The tenant has defaulted in the payment of rent, pursuant to the  
13 agreement under which the premises are held, and a written demand of the  
14 rent has been made with at least fourteen days' notice requiring, in the  
15 alternative, the payment of the rent, or the possession of the premises,  
16 has been served upon [~~him~~] the tenant as prescribed in section seven  
17 hundred thirty-five of this article. The fourteen-day notice shall  
18 append or contain the notice required pursuant to section two hundred  
19 thirty-one-c of the real property law, which shall state the following:  
20 (i) if the premises are or are not subject to article six-A of the real  
21 property law, the "good cause eviction law", and if the premises are  
22 exempt, such notice shall state why the premises are exempt from such  
23 law; (ii) if the landlord is not renewing the lease for a unit subject  
24 to article six-A of the real property law, the lawful basis for such  
25 non-renewal; and (iii) if the landlord is increasing the rent upon an  
26 existing lease of a unit subject to article six-A of the real property  
27 law above the applicable local rent standard, as defined in subdivision  
28 eight of section two hundred eleven of the real property law, the justi-  
29 fication for such increase. Any person succeeding to the landlord's  
30 interest in the premises may proceed under this subdivision for rent due  
31 [~~his~~] such person's predecessor in interest if [~~he has~~] such person has  
32 a right thereto. Where a tenant dies during the term of the lease and  
33 rent due has not been paid and the apartment is occupied by a person  
34 with a claim to possession, a proceeding may be commenced naming the  
35 occupants of the apartment seeking a possessory judgment only as against  
36 the estate. Entry of such a judgment shall be without prejudice to the  
37 possessory claims of the occupants, and any warrant issued shall not be  
38 effective as against the occupants.

39 § 5. Section 741 of the real property actions and proceedings law is  
40 amended by adding two new subdivisions 5-a and 5-b to read as follows:

41 5-a. Append or incorporate the notice required pursuant to section  
42 two hundred thirty-one-c of the real property law, which shall state the  
43 following: (i) if the premises are or are not subject to article six-A  
44 of the real property law, the "good cause eviction law", and if the  
45 premises are exempt, such petition shall state why the premises are  
46 exempt from such law; (ii) if the landlord is not renewing the lease for  
47 a unit subject to article six-A of the real property law, the lawful  
48 basis for such non-renewal; and (iii) if the landlord is increasing the  
49 rent upon an existing lease of a unit subject to article six-A of the  
50 real property law above the applicable local rent standard, as defined  
51 in subdivision eight of section two hundred eleven of the real property  
52 law, the justification for such increase.

53 5-b. If the petitioner claims exemption from the provisions of article  
54 six-A of the real property law pursuant to subdivision one of section  
55 two hundred fourteen of the real property law, append or incorporate the

1 information required pursuant to subdivision one of section two hundred  
2 fourteen of the real property law.

3 § 6. Severability. If any provision of this act, or any application of  
4 any provision of this act, is held to be invalid, that shall not affect  
5 the validity or effectiveness of any other provision of this act, or of  
6 any other application of any provision of this act, which can be given  
7 effect without that provision or application; and to that end, the  
8 provisions and applications of this act are severable.

9 § 7. This act shall take effect immediately and shall apply to actions  
10 and proceedings commenced on or after such effective date; provided,  
11 however, that:

12 (a) sections two, three, four, and five of this act shall take effect  
13 on the one hundred twentieth day after this act shall have become a law;

14 (b) this act shall expire and be deemed repealed on June 15, 2034; and

15 (c) any local law as may be enacted pursuant to subdivision 1 of 213  
16 of article 6-A of the real property law established by section one of  
17 this act shall remain in full force and effect only until June 15, 2034.

18 Effective immediately, the addition, amendment, and/or repeal of any  
19 rule or regulation necessary for the implementation of this act on its  
20 effective date are authorized to be made and completed on or before such  
21 date.

## 22 PART II

23 Section 1. The opening paragraph of section 711 of the real property  
24 actions and proceedings law, as amended by section 12 of part M of chap-  
25 ter 36 of the laws of 2019, is amended to read as follows:

26 A tenant shall include an occupant of one or more rooms in a rooming  
27 house or a resident, not including a transient occupant, of one or more  
28 rooms in a hotel who has been in possession for thirty consecutive days  
29 or longer. A tenant shall not include a squatter. For the purposes of  
30 this section, a squatter is a person who enters onto or intrudes upon  
31 real property without the permission of the person entitled to  
32 possession, and continues to occupy the property without title, right or  
33 permission of the owner or owner's agent or a person entitled to  
34 possession. In the event of a conflict between the provisions regarding  
35 squatters of this section and the provisions of subdivision three of  
36 section seven hundred thirteen of this article, the provisions of  
37 section seven hundred thirteen of this article shall be controlling. No  
38 tenant or lawful occupant of a dwelling or housing accommodation shall  
39 be removed from possession except in a special proceeding. A special  
40 proceeding may be maintained under this article upon the following  
41 grounds:

42 § 2. This act shall take effect immediately.

## 43 PART JJ

44 Section 1. Section 421-a of the real property tax law is amended by  
45 adding a new subdivision 18 to read as follows:

46 18. (a) For the purposes of this subdivision:

47 (i) "Agency" shall have the same meaning as in subparagraph (xvi) of  
48 paragraph (a) of subdivision sixteen of this section.

49 (ii) "Audit" shall mean any audit of an eligible property performed by  
50 the agency under the program created by the agency pursuant to paragraph  
51 (b) of this subdivision.

(iii) "Eligible property" shall mean any eligible multiple dwelling that was granted benefits under the Affordable New York Housing Program pursuant to this section, and any previous iteration of such tax benefit program, on or after January first, two thousand fourteen, and was subject to rent registration, affordability, and/or rent stabilization requirements pursuant to this section on or after January first, two thousand fourteen.

(b) The agency shall create a program to annually audit and review eligible properties to confirm that owners of eligible properties are complying with the rent registration, affordability, and rent stabilization requirements of the applicable subdivision of this section. Any owner of an eligible property subject to an audit shall provide any and all information, data, or documentation within such owner's or an agent of such owner's reasonable possession or control to the agency which the agency requests, in such form or manner as the agency requests, in order to complete an audit. The division of housing and community renewal and the New York city department of finance shall cooperate with the agency to provide such information within their reasonable possession and control to the agency as the agency may request, in such form or manner as the agency requests, to carry out an audit. The initial audit shall be completed on or before December thirty-first, two thousand twenty-five. The agency shall publish the results of the audit annually on or before December thirty-first and shall make the results of any audit publicly available on the agency's website. No more than twenty-five percent of eligible properties shall be subject to an audit each year, and no eligible property shall be subject to an audit in two consecutive audits. The agency shall select properties for an audit through a randomized process to be established and implemented by the agency. Only eligible properties that received benefits and were subject to affordability, rent stabilization, and/or rent registration requirements during the prior year shall be considered eligible.

(c) (i) If an audit finds that any owner of an eligible property is not in compliance with the rent registration, affordability, or rent stabilization requirements of the applicable subdivision of this section, the agency shall, where necessary for enforcement, present evidence of such noncompliance to the division of housing and community renewal and the New York city department of finance of such noncompliance no later than fifteen days after the results of the audit have been published on the agency's website.

(ii) The agency, the division of housing and community renewal, and the New York city department of finance may enforce any noncompliance with the rent registration, affordability, and rent stabilization requirements of the applicable subdivision of this section that are identified pursuant to an audit as authorized under this section or any other law, rule, or regulation.

§ 2. This act shall take effect immediately.

#### PART KK

Section 1. The private housing finance law is amended by adding a new article 32 to read as follows:

#### ARTICLE 32

#### NEW YORK HOUSING FOR THE FUTURE HOMEOWNERSHIP AND RENTAL HOUSING PROGRAMS

Section 1290. New York housing for the future homeownership program.

1291. New York housing for the future rental housing program.

1     § 1290. New York housing for the future homeownership program. 1.  
2     Program establishment. Within amounts appropriated or otherwise avail-  
3     able therefor, the division of housing and community renewal, the hous-  
4     ing trust fund corporation, or the housing finance agency shall develop  
5     and administer a program which shall provide assistance in the form of  
6     payments, grants and loans for the formation of limited equity cooper-  
7     ative housing utilizing funding appropriated for such a purpose as well  
8     as any other funding source or sources which the commissioner may deter-  
9     mine is suitable to support such a program. Such program may utilize any  
10    appropriate site, including, but not limited to, state owned sites,  
11    municipally owned sites, or sites owned by a not-for-profit corporation  
12    or community land trust for the purpose of providing housing pursuant to  
13    this section. Real property may be acquired by a municipality for the  
14    purpose of such program as authorized pursuant to section five hundred  
15    seventy-six-a of this chapter, provided, however, that any acquisitions  
16    or transfers undertaken to further the goals of this article pursuant to  
17    such section shall not be required to be transferred to a housing devel-  
18    opment fund company incorporated and organized pursuant to section five  
19    hundred seventy-three of this chapter. Such program shall provide (a)  
20    housing for households with an income up to one hundred and thirty  
21    percent of area median income at the time of purchase, provided further  
22    that households that are initially eligible for the program at the time  
23    of purchase but realize income gains subsequent to purchase may be  
24    required to pay a surcharge as determined by the division of housing and  
25    community renewal or other supervising agency, as the case may be, (b) a  
26    process in which households shall have the ability to accrue equity over  
27    time, and (c) that housing units created pursuant to this section remain  
28    affordable in perpetuity. The commissioner may also assist prospective  
29    homebuyers to identify funding sources that provide low interest loans  
30    to prospective homebuyers.

31    2. Additional responsibilities. The division of housing and community  
32    renewal, the housing trust fund corporation, or the housing finance  
33    agency shall have the power to issue regulations, plans, guidance docu-  
34    ments, or set terms in regulatory agreements to implement such program  
35    and the process for:

36    (a) homebuyers obtaining a new unit which shall include both confirm-  
37    ing income qualifications as well as a restriction on the maximum amount  
38    of assets any qualified homebuyer may have;

39    (b) selling shares in the cooperative in such a way as the affordabil-  
40    ity of the cooperative is maintained while allowing households to gain  
41    equity over time;

42    (c) prohibiting the use of a fixed percentage appreciation cap for the  
43    purposes of determining an allowable sales price for shares in the coop-  
44    erative;

45    (d) selecting new households eligible to purchase housing which has  
46    been vacated by a previous owner; and

47    (e) the creation of boards of directors for such limited profit hous-  
48    ing companies established by this chapter, provided however that such  
49    boards shall have the powers and be subject to the limitations contained  
50    in the not-for-profit corporation law in the same manner and subject to  
51    the same exceptions as set forth in section thirteen-a of the this chap-  
52    ter.

53    3. Management. All such housing projects shall be managed independent-  
54    ly of the residents of the project by a corporation or not-for-profit  
55    corporation determined qualified by the division of housing and communi-  
56    ty renewal or other supervising agency, as the case may be, provided

1 further that the board of the limited equity cooperative housing corpo-  
2 ration shall have oversight over such qualified corporation or not-for-  
3 profit corporation in accordance with standards or guidelines set by the  
4 division of housing and community renewal or other supervising agency,  
5 as the case may be. Any regulatory agreement that is executed for such  
6 program shall include a requirement that resident maintenance fees  
7 increase by a minimum percentage annually to ensure that such housing  
8 continues to be in good repair.

9 4. Tax exemptions. Housing for such program shall be eligible for tax  
10 exemptions in the same manner as projects under article eleven of this  
11 chapter.

12 5. Wage requirements. Notwithstanding any law, rule, or regulation to  
13 the contrary, any project constructed pursuant to this section shall be  
14 subject to prevailing wage requirements in accordance with sections two  
15 hundred twenty and two hundred twenty-b of the labor law; provided,  
16 however, such requirements shall not apply to construction work  
17 performed under a pre-hire collective bargaining agreement between an  
18 owner or developer and a bona fide building and construction trade labor  
19 organization which has established itself and/or its affiliates as the  
20 collective bargaining representative for all persons who will perform  
21 work on such a project, and which provides that only contractors and  
22 subcontractors who sign a pre-negotiated agreement with the labor organ-  
23 ization can perform work on such a project.

24 § 1291. New York housing for the future rental housing program. 1.  
25 Program establishment. Within amounts appropriated or otherwise avail-  
26 able therefor, the division of housing and community renewal, the hous-  
27 ing trust fund corporation, or the housing finance agency shall develop  
28 and administer a program which shall provide assistance in the form of  
29 payments, grants and loans for the formation of income-limited rental  
30 housing utilizing funding appropriated for such a purpose as well as any  
31 other funding source or sources which the commissioner may determine is  
32 suitable to support such a program. Such program may utilize any appro-  
33 priate site, including, but not limited to, state owned sites, munici-  
34 pally owned sites, or sites owned by a not-for-profit corporation or  
35 community land trust for the purpose of providing housing pursuant to  
36 this section. Real property may be acquired by a municipality for the  
37 purpose of such program as authorized pursuant to section five hundred  
38 seventy-six-a of this chapter, provided, however, that any acquisitions  
39 or transfers undertaken to further the goals of this article pursuant to  
40 such section shall not be required to be transferred to a housing devel-  
41 opment fund company incorporated and organized pursuant to section five  
42 hundred seventy-three of this chapter. Such program shall provide (a)  
43 housing for households with an income up to one hundred and thirty  
44 percent of area median income at the time such household initially occu-  
45 pies a unit, provided further that households that are initially eligi-  
46 ble for the program at the time such household initially occupies a unit  
47 but realize income gains subsequent to occupying such unit may be  
48 required to pay a surcharge as determined by the division of housing and  
49 community renewal or other supervising agency, as the case may be, and  
50 (b) that housing units created pursuant to this section remain afforda-  
51 ble in perpetuity.

52 2. Additional responsibilities. The division of housing and community  
53 renewal, the housing trust fund corporation, or the housing finance  
54 agency shall have the power to issue regulations, plans, guidance docu-  
55 ments, or set terms in regulatory agreements to implement such program  
56 and the process for: (a) renters leasing a unit which shall include

1 both confirming income qualifications as well as a restriction on the  
2 maximum amount of assets any qualified renter may have; (b) selecting  
3 new households eligible to rent housing which has been vacated by a  
4 previous renter; and (c) the creation of boards of directors for such  
5 income-limited rental housing companies established by this chapter,  
6 provided however that such boards shall have the powers and be subject  
7 to the limitations contained in the not-for-profit corporation law in

26 received, provided, or supported health care services under the program  
27 to be identified may be requested or shared.

28 § 2. Severability clause. If any clause, sentence, paragraph, section

5 § 4. Subdivision a of section 1209 of the retirement and social secu-

8 a. For members who first become members of the New York state and  
 9 local police and fire retirement system on or after April first, two  
 10 thousand twelve, a member's final average salary shall be equal to one-  
 11 fifth of the highest total wages earned by such member during any  
 12 continuous period of employment for which the member was credited with  
 13 five years of service credit; provided, however, if the wages earned  
 14 during any year of credited service included in the period used to  
 15 determine final average salary exceeds the average of the wages of the  
 16 previous four years of credited service by more than ten percent, the  
 17 amount in excess of ten percent shall be excluded from the computation  
 18 of final average salary. Provided, however, beginning on or after April  
 19 first, two thousand twenty-four, a member's final average salary shall  
 20 be equal to one-third of the highest total wages earned by such member  
 21 during any continuous period of employment for which the member was  
 22 credited with three years of service credit; provided, however, if the  
 23 wages earned during any year of credited service included in the period  
 24 used to determine final average salary exceeds the average of the wages  
 25 of the previous two years of credited service by more than ten percent,  
 26 the amount in excess of ten percent shall be excluded from the computa-  
 27 tion of final average salary. Wages in excess of the annual salary paid  
 28 to the governor pursuant to section three of article four of the state  
 29 constitution shall be excluded from the computation of final average  
 30 salary for members who first become members of the New York state and  
 31 local police and fire retirement system on or after April first, two  
 32 thousand twelve.

33 § 5. Notwithstanding any other provision of law to the contrary, none  
 34 of the provisions of this act shall be subject to section 25 of the  
 35 retirement and social security law.

36 § 6. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would provide Tier 6 members in the New York State and Local Retirement System a final average salary based on their highest salary earned over three consecutive years, where the salary earned in any year cannot exceed the average of the previous two years by more than 10%. Currently, final average salary for these members is based on their highest salary earned over five consecutive years, where the salary earned in any year cannot exceed the average of the previous four years by more than 10%. The provisions of Section 25 of the Retirement and Social Security Law shall not apply.

Insofar as this bill affects the New York State and Local Employees' Retirement System (NYSLERS), the increased costs would be shared by the State of New York and the local participating employers in the NYSLERS. If this bill were enacted during the 2024 Legislative Session, the increase in the present value of benefits would be approximately \$1.17 billion.

NYSLERS	Increase in present value benefits	Increase in required contributions
Tiers 1 - 5	\$0	\$220 million
Tier 6	\$1.17 billion	\$950 million

Total                      \$1.17 billion                      \$1.17 billion

In the NYSLERS, this benefit improvement will be funded by increasing the billing rates charged annually to cover both retrospective and prospective benefit increases. The annual contribution required of all participating employers in NYSLERS is 0.4% of billable salary, or approximately \$51 million to the State of New York and approximately \$76 million to the local participating employers. This permanent annual cost will increase as Tier 6 salary grows and will vary by employer based upon the plan coverage and salary reported in Tier 6.

Insofar as this bill affects the New York State and Local Police and Fire Retirement System (NYSLPFRS), the increased costs would be shared by the State of New York and the local participating employers in the NYSLPFRS. If this bill were enacted during the 2024 Legislative Session, the increase in the present value of benefits would be approximately \$341 million.

NYSLPFRS	Increase in present value benefits	Increase in required contributions
Tiers 1 - 5	\$0	\$33 million
Tier 6	\$341 million	\$308 million
Total	\$341 million	\$341 million

In the NYSLPFRS, this benefit improvement will be funded by increasing the billing rates charged annually to cover both retrospective and prospective benefit increases. The annual contribution required of all participating employers in the NYSLPFRS is 0.70% of billable salary, or approximately \$6.0 million to the State of New York and approximately \$25 million to the local participating employers. The permanent annual cost will increase as Tier 6 salary grows and will vary by employer based upon the plan coverage and salary reported in Tier 6.

These estimated costs are based on 265,533 Tier 6 members in the NYSLERS and 16,599 Tier 6 members in the NYSLPFRS, with annual salary of approximately \$12 billion and \$1.5 billion, respectively, as of March 31, 2023.

Membership data as of March 31, 2023 was used in measuring the impact of the proposed change, the same data used in the April 1, 2023 actuarial valuation. Distributions and other statistics can be found in the 2023 Report of the Actuary and the 2023 Annual Comprehensive Financial Report.

The actuarial assumptions and methods used are described in the 2023 Annual Report to the Comptroller on Actuarial Assumptions, and the Codes, Rules and Regulations of the State of New York: Audit and Control.

The Market Assets and GASB Disclosures are found in the March 31, 2023 New York State and Local Retirement System Financial Statements and Supplementary Information.

This fiscal note does not constitute a legal opinion on the viability of the proposed change nor is it intended to serve as a substitute for the professional judgment of an attorney.

This estimate, dated February 2, 2024, and intended for use only during the 2024 Legislative Session, is Fiscal Note No. 2024-118, prepared by the Actuary for the New York State and Local Retirement System.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

As it relates to the New York State Teacher's Retirement System, this bill would amend subdivisions a and b of Section 608 of the Retirement and Social Security Law to change the definition of final average salary for Tier 6 members to be the same as that for Tier 3, 4 and 5 members. The final average salary for Tier 6 members would be based on any three consecutive years which produce the highest average salary. Currently, the final average salary for Tier 6 members is based on the salaries earned during any five consecutive years which provide the highest average salary. Additionally, under the bill, as in Tier 3, 4 and 5, if the salary for any year used in the period exceeds that of the average of the prior two years by more than 10%, the amount in excess of 10% shall be excluded from the computation. Currently, under Tier 6, if the salary for any year used in the period exceeds that of the average of the prior four years by more than 10%, the amount in excess of 10% is excluded from the computation.

The annual cost to the employers of members of the New York State Teachers' Retirement System for this benefit is estimated to be \$23.1 million or 0.12% of payroll if this bill is enacted.

The System's "new entrant rate", a hypothetical employer contribution rate that would occur if we started a new Retirement System without any assets, is equal to 5.31% of pay under the current Tier 6 benefit structure. This can be thought of as the long-term expected employer cost of Tier 6, based on current actuarial assumptions. For the proposed change to the Tier 6 benefit structure under this bill, this new entrant rate is estimated to increase to 5.55% of pay, an increase of 0.24% of pay.

Member data is from the System's most recent actuarial valuation files as of June 30, 2023, consisting of data provided by the employers to the Retirement System. The most recent data distributions and statistics can be found in the System's Annual Report for fiscal year ended June 30, 2023. System assets are as reported in the System's financial statements and can also be found in the System's Annual Report. Actuarial assumptions and methods are provided in the System's Actuarial Valuation Report as of June 30, 2023.

IMPACT ON MEMBER BENEFITS: Currently, Final Average Salary (FAS) is based on a five-year average, with each year's salary limited to 110% of the average of the prior four year's salaries for the following groups:

\* Tier 3 and Tier 6 members who joined NYCERS on or after April 1, 2012, and

\* Tier 3 enhanced members of POLICE and FIRE who retire for disability.

Under the proposed legislation, the FAS for such members would be based on a three-year average, with each year's salary limited to 110% of the average of the prior two year's salaries (prior four year's salaries for NYCERS and BERS).

The five-year FAS for enhanced disability benefits for Corrections and Sanitation members of NYCERS is provided as part of an agreement under Retirement and Social Security Law Article 25 and is assumed to remain unchanged by this proposed legislation.

ASSUMPTIONS AND METHODS: The estimates presented herein have been calculated based on the Revised 2021 Actuarial Assumptions and Methods of the impacted retirement systems. In addition:

\* New entrants were assumed to replace exiting members so that total payroll increases by 3% each year for impacted groups. New entrant demographics were developed based on data for recent new hires and actuarial judgement.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the actuarial assumptions, methods, and models used, demographics of the impacted population, and other factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Quantifying these risks is beyond the scope of this Fiscal Note.

This Fiscal Note is intended to measure pension-related impacts and does not include other potential costs (e.g., administrative and Other Postemployment Benefits).

We are members of NYCERS but do not believe it impairs our objectivity and we meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein. To the best of our knowledge, the results contained herein have been prepared in accordance with generally accepted actuarial principles and procedures and with the Actuarial Standards of Practice issued by the Actuarial Standards Board.

FISCAL NOTE IDENTIFICATION: This Fiscal Note 2024-10 dated February 2, 2024 was prepared by the Chief Actuary for the New York City Retirement Systems and Pension Funds. This estimate is intended for use only during the 2024 Legislative Session.

## 10 PART SS

11 Section 1. Legislative findings. The legislature finds that a historic  
12 windmill is located on the Southampton campus of the state university of  
13 New York at Stony Brook ("Stony Brook").

14 The Windmill was constructed in 1714 and has been at its current  
15 location in Shinnecock Hills since 1888, when it was saved from  
16 destruction from its location in the Village of Southampton by Janet  
17 Hoyt, the wife of William Hoyt, the builder of the Shinnecock Inn. Janet  
18 Hoyt, together with Samuel Parrish, founded the Summer School of Art. It  
19 is the only windmill of three in Southampton Village that survived. It  
20 has been in its current location for 136 years.

21 In the summer of 1957, Tennessee Williams resided there when he wrote  
22 the play "The Day on Which a Man Dies" about the death of his friend  
23 Jackson Pollock. The Library Association of America officially desig-  
24 nated the Windmill, at its current location, as a literary landmark in  
25 2013.

26 In 1963, when Long Island University established Southampton College,  
27 the Windmill became the symbol of the new campus. The Windmill is  
28 beloved by thousands of former students, faculty, and administrators who  
29 rightly associate it with the very identity of the school. The College  
30 newspaper was aptly named "The Windmill". The Windmill has been on  
31 everything related to the college including sports uniforms, yearbooks,  
32 apparel, and assorted memorabilia.

33 In 2006, Stony Brook University acquired the campus and has continued  
34 the legacy of providing quality education to the residents of eastern  
35 Long Island. In 2009, Stony Brook led the effort to rehabilitate the  
36 Windmill. The Windmill and the adjacent water view quad have been in  
37 continuous use hosting innumerable events, readings, receptions, orien-  
38 tations, celebrations, workshops, and fundraising dinners. The annual  
39 Windmill Lighting during the holiday season continues to be an East End  
40 tradition.

41 The current president of Stony Brook University recently stated that  
42 "the Stony Brook University campus community is proud to be the caretak-  
43 er of the Windmill, a cherished historical icon that has existed in its  
44 current location for over a century".

45 However, in recent years, the Windmill has fallen into disrepair due  
46 to lack of maintenance and was condemned by the New York State fire  
47 marshal in 2023. It is imperative that this historic structure be reha-  
48 bilitated and restored so that it can continue to be the "cherished  
49 historical icon" and symbol of the Southampton campus.

50 The legislature further finds that the best alternative to secure the  
51 future of the Windmill is through a partnership with the town of South-  
52 ampton by providing funds for the rehabilitation and restoration of the  
53 Windmill through the town community preservation fund. To accomplish

1 this partnership the legislature further finds that granting the trustees of the State University of New York ("trustees") the authority and power to lease and otherwise contract with the Town of Southampton to make available certain grounds and facilities of Stony Brook's campus will best affect this partnership for the benefit of Stony Brook, the surrounding community, and the general public.

2 § 2. Notwithstanding any other law to the contrary, the state university trustees are hereby authorized and empowered, without any public bidding, to lease and otherwise contract to make available to the town of Southampton, a municipal corporation (the "ground lessee"), a portion of the lands of the university on its Southampton campus, generally described in this act for the purpose of rehabilitating and restoring the historic Windmill located on such campus. Such lease or contract shall be for a period not exceeding 100 years without any fee simple conveyance and otherwise upon terms and conditions determined by such trustees, subject to the approval of the director of the division of the budget, the attorney general and the state comptroller. If the real property that is the subject of such lease or contract shall cease to be used for the purpose described in this act, such lease or contract shall immediately terminate, and the real property and any improvements thereon shall revert to the state university of New York. Any lease or contract entered into pursuant to this act shall provide that the real property that is the subject of such lease or contract and any improvements thereon shall revert to the state university of New York on the expiration of such contract or lease.

3 § 3. Any contract or lease entered into pursuant to this act shall be deemed to be a state contract for purposes of article 15-A of the executive law, and any contractor, subcontractor, lessee or sublessee entering into such contract or lease for the construction, demolition, reconstruction, excavation, rehabilitation, repair, renovation, alteration or improvement authorized pursuant to this act shall be deemed a state agency for the purposes of article 15-A of the executive law and subject to the provisions of such article.

4 § 4. Notwithstanding any general, special or local law or judicial decision to the contrary, all work performed on a project authorized by this act where all or any portion thereof involves a lease or agreement for construction, demolition, reconstruction, excavation, rehabilitation, repair, renovation, alteration or improvement shall be deemed public work and shall be subject to and performed in accordance with the provisions of article 8 of the labor law to the same extent and in the same manner as a contract of the state, and compliance with all the provisions of article 8 of the labor law shall be required of any lessee, sublessee, contractor or subcontractor on the project, including the enforcement of prevailing wage requirements by the fiscal officer as defined in paragraph e of subdivision 5 of section 220 of the labor law to the same extent as a contract of the state.

5 § 5. Notwithstanding any law, rule or regulation to the contrary, the state university of New York shall not contract out to the town of Southampton or any subsidiary for the instruction or any pedagogical functions or services, or any administrative services, and similar professional services currently being performed by state employees. All such functions and services shall be performed by state employees pursuant to the civil service law. Nothing in this act shall result in the displacement of any currently employed state worker or the loss of position (including partial displacement such as reduction in the hours of nonovertime, wages or employment benefits), or result in the impairment

1 of existing contracts for services or collective bargaining rights  
2 pursuant to existing agreements. All positions currently at the state  
3 university of New York in the unclassified service of the civil service  
4 law shall remain in the unclassified service. No services or work on the  
5 property described in this act currently performed by public employees  
6 or future work that is similar in scope and nature to the work being  
7 currently performed by public employees shall be contracted out or  
8 privatized by the state university of New York or by an affiliated enti-  
9 ty or associated entity of the state university of New York. All such  
10 future work shall be performed by public employees.

11 § 6. For the purposes of this act:

12 (a) "project" shall mean work at the property authorized by this act  
13 to be leased to the town of Southampton as described in section twelve  
14 of this act that involves the design, construction, reconstruction,  
15 demolition, excavating, rehabilitation, repair, renovation, alteration  
16 or improvement of such property.

17 (b) "project labor agreement" shall mean a pre-hire collective  
18 bargaining agreement between a contractor and a labor organization,  
19 establishing the labor organization as the collective bargaining repre-  
20 sentative for all persons who will perform work on the project, and  
21 which provides that only contractors and subcontractors who sign a pre-  
22 negotiated agreement with the labor organization can perform project  
23 work.

24 § 7. Notwithstanding the provisions of any general, special, or local  
25 law or judicial decision to the contrary: (a) the town of Southampton  
26 may require a contractor awarded a contract, subcontract, lease, grant,  
27 bond, covenant or other agreement for a project to enter into a project  
28 labor agreement during and for the work involved with such project when  
29 such requirement is part of the ground lessee's request for proposals  
30 for the project and when the state university of New York at Stony Brook  
31 determines that the record supporting the decision to enter into such an  
32 agreement establishes that the interests underlying the competitive  
33 bidding laws are best met by requiring a project labor agreement includ-  
34 ing obtaining the best work at the lowest possible price; preventing  
35 favoritism, fraud and corruption; the impact of delay; the possibility  
36 of cost savings; and any local history of labor unrest.

37 (b) If the state university of New York at Stony Brook does not  
38 require a project labor agreement, then any contractor, subcontractor,  
39 lease, grant, bond, covenant or other agreements for a project shall be  
40 awarded pursuant to section 135 of the state finance law.

41 § 8. Nothing in this act shall be deemed to waive or impair any rights  
42 or benefits of employees of the state university of New York that other-  
43 wise would be available to them pursuant to the terms of agreements  
44 between the certified representatives of such employees and the state of  
45 New York pursuant to article 14 of the civil service law; all work  
46 performed on such property that ordinarily would be performed by employ-  
47 ees subject to article 14 of the civil service law shall continue to be  
48 performed by such employees.

49 § 9. Without limiting the determination of the terms and conditions of  
50 such contracts or leases, such terms and conditions may provide for  
51 leasing, subleasing, construction, reconstruction, rehabilitation,  
52 improvement, operation and management of and provision of services and  
53 assistance and the granting of licenses, easements and other arrange-  
54 ments with regard to such grounds and facilities by the ground lessee,  
55 and parties contracting with the ground lessee, and in connection with  
56 such activities, the obtaining of funding or financing, whether public

1 or private, unsecured or secured, including, but not limited to, secured  
2 by leasehold mortgages and assignments of rents and leases, by the  
3 ground lessee and parties contracting with the ground lessee for the  
4 purposes of completing the project described in this act.

5 § 10. Such lease shall include an indemnity provision whereby the  
6 lessee or sublessee promises to indemnify, hold harmless and defend the  
7 lessor against all claims, suits, actions, and liability to all persons  
8 on the leased premises, including tenant, tenant's agents, contractors,  
9 subcontractors, employees, customers, guests, licensees, invitees and  
10 members of the public, for damage to any such person's property, whether  
11 real or personal, or for personal injuries arising out of tenant's use  
12 or occupation of the demised premises.

13 § 11. Any contracts entered into pursuant to this act between the  
14 ground lessee and parties contracting with the ground lessee shall be  
15 awarded by a competitive process.

16 § 12. The property authorized by this act to be leased to the ground  
17 lessee is generally described as that parcel of real property with  
18 improvements thereon consisting of a total of .2296 acres situated on  
19 the Southampton campus of the state university of New York at Stony  
20 Brook.

21 The description in this section of the parcel to be made available  
22 pursuant to this act is not meant to be a legal description, but is  
23 intended only to identify the parcel:

#### PART UU

Section 1. Subdivision 5-a of section 1204 of the public authorities law, as amended by chapter 931 of the laws of 1984, is amended to read as follows:

5-a. To make, amend and repeal rules governing the conduct and safety of the public as it may deem necessary, convenient or desirable for the use and operation of the transit facilities under its jurisdiction, including without limitation rules relating to the protection or maintenance of such facilities, the conduct and safety of the public, the payment of fares or other lawful charges for the use of such facilities, the presentation or display of documentation permitting free passage, reduced fare passage or full fare passage on such facilities and the protection of the revenue of the authority. Violations of such rules shall be an offense punishable by a fine of not exceeding twenty-five dollars or by imprisonment for not longer than ten days, or both, or may be punishable by the imposition by the transit adjudication bureau established pursuant to the provisions of this title of a civil penalty in an amount for each violation not to exceed one hundred dollars or, in the case of certain repeat violations relating to the payment of fares in accordance with subdivision eleven of section twelve hundred nine-a of this title, not to exceed one hundred fifty dollars (in each case exclusive of supplemental penalties, interest or costs assessed thereon), in accordance with a schedule of such penalties as may from time to time be established by rules of the authority. Such schedule of penalties may provide for the imposition of [additional] supplemental penalties, not to exceed a total of fifty dollars for each violation, upon the failure of a respondent in any proceeding commenced with respect to any such violation to make timely response to or appearance in connection with a notice of violation of such rule or to any subsequent notice or order issued by the authority in such proceeding. There shall be no penalty or increment in fine by virtue of a respondent's timely exercise of [his] their right to a hearing or appeal. The rules may provide, in addition to any other sanctions, for the confiscation of tokens, tickets, cards or other fare media that have been forged, counterfeited, improperly altered or transferred, or otherwise used in a manner inconsistent with such rules. The authority shall not use, or arrange for the use, of biometric identifying technology, including but not limited to facial recognition technology, to enforce rules relating to the payment of fares.

§ 2. Subdivisions 2, 3, 4, 5, 6, 7 and 10 of section 1209-a of the public authorities law, subdivisions 2, 4, 5, 6, 7 and 10 as amended by chapter 379 of the laws of 1992, subdivision 3 and paragraphs b and i of subdivision 4 as amended by chapter 460 of the laws of 2015, are amended, and three new subdivisions 11, 12 and 13 are added to read as follows:

2. Hearing officers. The president of the authority shall appoint hearing officers who shall preside at hearings for the adjudication of charges of transit or railroad infractions, as hereinafter defined and the adjudication of allegations of liability for violations of the rules and regulations of the triborough bridge and tunnel authority in accordance with section two thousand nine hundred eighty-five of this chapter, and who, as provided below, may be designated to serve on the appeals board of the bureau. Every hearing officer shall have been admitted to the practice of law in this state for a period of at least three years, and shall be compensated for [his] their services on a per diem basis determined by the bureau.

18 accordance with the provisions of section twelve hundred sixty-six of

20 violations of the rules and regulations of the triborough bridge and  
21 tunnel authority shall be known for purposes of this section as transit  
22 or railroad infractions, as applicable. Nothing herein shall be  
23 construed to divest jurisdiction from any court now having jurisdiction  
24 over any criminal charge or traffic infraction relating to any act  
25 committed in a transit or toll facility, or to impair the ability of a  
26 police officer to conduct a lawful search of a person in a transit or  
27 railroad facility. The criminal court of the city of New York shall  
28 continue to have jurisdiction over any criminal charge or traffic

50 in subdivisions eleven and twelve of this section and subdivision four  
51 of section twelve hundred sixty-six of this article, except that penal-

54 board of health of the city of New York, and penalties for violations of  
55 the noise code of the city of New York shall be in accordance with the  
56 penalties established for such violations by law, and civil penalties

14 time of entering pleas, the conduct of hearings, and the amount and  
15 manner of payment of penalties;

19 f. To compile and maintain complete and accurate records relating to  
20 all warnings, charges and dispositions, which records shall be deemed  
21 exempt from disclosure under the freedom of information law as records  
22 compiled for law enforcement purposes, and provided that, in the absence  
23 of an additional violation, records of a warning issued to an individual

25 shall be sealed or expunged as of the date that is four years after the

35 that the conduct by hearing officers of hearings and of appeals may not  
36 be performed by outside contractors, and that biometric identifying  
37 technology, including but not limited to facial recognition technology,  
38 may not be used or arranged for use by outside contractors to enforce or  
39 process transit and railroad infractions relating to the payment of

49 empowered by law, rule and regulation to serve such notices. The form  
50 and wording of the notice of violation shall be prescribed by the execu-  
51 tive director, and it may be the same as any other notice of violation  
52 or summons form already in use if said form meets the requirements here-

8 the facts contained therein. Said notice of violation shall contain  
9 information advising the person charged of the manner and the time with-  
10 in which such person may either admit or deny the offense charged in the  
11 notice. Such notice of violation shall also contain a warning to advise  
12 the person charged that failure to plead in the manner and within the  
13 time stated in the notice may result in a default decision and order  
14 being entered against such person, and the imposition of supplemental  
15 penalties as provided in subdivision five-a of section twelve hundred  
16 four or subdivision four of section twelve hundred sixty-six of this  
17 chapter. A notice of violation shall not be deemed to be a notice of  
18 liability issued pursuant to section two thousand nine hundred eighty-  
19 five of this chapter.

20 6. Defaults. Where a respondent has failed to plead to a notice of  
21 violation or to a notice of liability issued pursuant to section two  
22 thousand nine hundred eighty-five of this chapter within the time  
23 allowed by the rules of said bureau or has failed to appear on a desig-  
24 nated hearing date or a subsequent date following an adjournment, such  
25 failure to plead or appear shall be deemed, for all purposes, to be an  
26 admission of liability and shall be grounds for rendering a default  
27 decision and order imposing a penalty in such amount as may be  
28 prescribed by the authority or the metropolitan transportation authority  
29 or a subsidiary thereof.

30 7. Hearings. a. (1) A person charged with a transit or railroad

37 content of which shall be prescribed by the executive director or in a  
38 manner prescribed in section two thousand nine hundred eighty-five of  
39 this chapter. Any such notification shall contain a warning to advise  
40 the person charged that failure to appear on or by the date designated,  
41 or any subsequent rescheduled or adjourned date, shall be deemed for all  
42 purposes, an admission of liability, and that a default judgment may be  
43 rendered and penalties may be imposed. Where notification is given in a  
44 manner other than in the notice of violation, the bureau shall deliver  
45 such notice to the person charged, either personally or by registered or  
46 certified mail.

47 (2) Whenever a person charged with a transit or railroad infraction or  
48 alleged to be liable in accordance with the provisions of section two  
49 thousand nine hundred eighty-five of this chapter returnable to the  
50 bureau requests an alternate hearing date and is not then in default as  
51 defined in subdivision six of this section, the bureau shall advise such  
52 person personally, or by registered or certified mail, of the alternate  
53 hearing date on or by which ~~[he or she]~~ such person must appear to  
54 answer the charge or allegation at a hearing. The form and content of  
55 such notice of hearing shall be prescribed by the executive director,  
56 and shall contain a warning to advise the person charged or alleged to

1 be liable that failure to appear on or by the alternate designated hear-  
2 ing date, or any subsequent rescheduled or adjourned date, shall be  
3 deemed for all purposes an admission of liability, and that a default  
4 judgment may be rendered and penalties may be imposed.

5 (3) Whenever a person charged with a transit or railroad infraction or  
6 alleged to be liable in accordance with the provisions of section two  
7 thousand nine hundred eighty-five of this chapter returnable to the  
8 bureau appears at a hearing and obtains an adjournment of the hearing  
9 pursuant to the rules of the bureau, the bureau shall advise such person  
10 personally, or by registered or certified mail, of the adjourned date on  
11 which [~~he or she~~] such person must appear to answer the charge or alle-

13 continued hearing shall be prescribed by the executive director, and  
14 shall contain a warning to advise the person charged or alleged to be  
15 liable that failure to appear on the adjourned hearing date shall be  
16 deemed for all purposes an admission of liability, and that a default  
17 judgment may be rendered and penalties may be imposed.

18 b. Every hearing for the adjudication of a charge of a transit or  
19 railroad infraction or an allegation of liability under section two  
20 thousand nine hundred eighty-five of this chapter hereunder shall be  
21 held before a hearing officer in accordance with the rules and regu-  
22 lations promulgated by the bureau.

23 c. The hearing officer shall not be bound by the rules of evidence in

26 d. The hearing officer may, in [~~his or her~~] their discretion, or at  
27 the request of the person charged or alleged to be liable on a showing  
28 of good cause and need therefor, issue subpoenas to compel the appear-  
29 ance of any person to give testimony, and issue subpoenas duces tecum to  
30 compel the production for examination or introduction into evidence of  
31 any book, paper or other thing relevant to the charges.

32 e. In the case of a refusal to obey a subpoena, the bureau may make  
33 application to the supreme court pursuant to section twenty-three  
34 hundred eight of the civil practice law and rules, for an order requir-  
35 ing such appearance, testimony or production of materials.

36 f. The bureau shall make and maintain a sound recording or other  
37 record of every hearing.

38 g. After due consideration of the evidence and arguments, the hearing  
39 officer shall determine whether the charges or allegations have been  
40 established. No charge may be established except upon proof by clear and  
41 convincing evidence except allegations of civil liability for violations  
42 of triborough bridge and tunnel authority rules and regulations will be  
43 established in accordance with the provisions of section two thousand  
44 nine hundred eighty-five of this chapter. Where the charges have not  
45 been established, an order dismissing the charges or allegations shall  
46 be entered. Where a determination is made that a charge or allegation  
47 has been established or if an answer admitting the charge or allegation  
48 has been received, the hearing officer shall set a penalty in accordance  
49 with the penalty schedule established by the authority or the metropol-

53 penalty amount applicable to such violation pursuant to the schedule of  
54 such penalties as may from time to time be established by rules of the  
55 authority in accordance with paragraphs a through c of this subdivision

1 (exclusive of supplemental penalties, interest or costs assessed there-  
2 on).

3 e. Notwithstanding paragraphs a through d of this subdivision, the  
4 bureau shall forgive penalties or any portion of penalties imposed on a  
5 respondent for a violation of the rules of the authority or of the MTA  
6 bus company relating to the payment of fares on the condition that the

28 remain in effect only as long as the suspension entered pursuant to this  
29 paragraph remains in effect.

39 vehicle and may deny a registration or renewal application for any other  
40 motor vehicle registered in the name of the applicant where the commis-  
41 sioner has determined that such registrant's intent has been to evade  
42 the purposes of this paragraph and where the commissioner has reasonable  
43 grounds to believe that such registration or renewal will have the  
44 effect of defeating the purposes of this paragraph. Such denial shall  
45 remain in effect only as long as the suspension entered pursuant to this  
46 paragraph remains in effect.

47 § 6. Subdivision 8 of section 2985 of the public authorities law, as

55 consent of both parties, in any county within New York city in which the  
56 public authority operates or maintains a facility, and in the same

1 manner as charges of other regulatory violations of such public authori-  
2 ty or pursuant to the rules and regulations of such administrative

12 failure to pay tolls, fees, or other charges or the failure to have such  
13 tolls, fees or other charges dismissed or transferred in response to  
14 three or more notices of violation issued within a five year period  
15 charging the registrant of a motor vehicle with a violation of toll  
16 collection regulations, and to enforce such judgments, without court  
17 proceedings, in the same manner as the enforcement of money judgments in  
18 civil actions in any court of competent jurisdiction or any other place

30 contain a warning to advise the person that failure to pay the applica-

32 such notice will result in the enforcement of a judgment against them,  
33 and shall further contain information about the process to dispute such  
34 liabilities, consistent with this section or section twenty-nine hundred  
35 eighty-five-a of this title, as applicable.

36 § 7. This act shall take effect September 1, 2024; provided, however,

20 4. In the case of an owner who does not pay a toll incurred under the  
21 tolls by mail program on a cashless facility at the place and time and  
22 in the manner established for collection of such toll in the second toll  
23 bill, a notice of violation shall be sent notifying the owner that the  
24 toll is unpaid and administrative violation fees are being imposed. The  
25 notice of violation shall be sent to the owner by first class mail, and  
26 may additionally be sent by electronic means of communication upon the

39 access time-stamped photographs or footage of each toll incurred by  
40 electronic means, (vii) information related to the availability of the  
41 toll payer advocate to discuss payment options, and (viii) other infor-  
42 mation required by law or by the public authority. Each notice of  
43 violation shall identify the date, time, location, license plate number,  
44 and jurisdiction of the license plate for each unpaid toll that has been  
45 incurred.

46 5. Any fee or administrative violation fee that is assessed on a  
47 notice of violation pursuant to subdivision four of this section shall  
48 be dismissed if the notice of violation was not sent within ninety days  
49 of the second toll bill, provided that any toll or tolls incurred remain  
50 due and payable and provided further that such dismissal shall not apply  
51 in the event that exceptional circumstances, including but not limited  
52 to technological failures, have delayed the timely mailing of the notice  
53 of violation and the public authority has posted notice of such circum-  
54 stances prominently on its website within a reasonable time of becoming  
55 aware of such circumstances, which shall be adequate record of such  
56 circumstances.

1 6. Any toll bill or notice of violation required to be sent pursuant  
2 to this section by first class mail may also be sent, with consent of  
3 the owner, by electronic means of communication by or on behalf of the  
4 public authority. It shall be the sole responsibility of the owner to  
5 provide and update the address used for electronic means of communi-  
6 cation to the owner by the public authority. A manual or automatic  
7 record of electronic communications prepared in the ordinary course of  
8 business shall be adequate record of electronic notice.

9 7. Any owner who incurs an obligation to pay a toll under the tolls by  
10 mail program at a public authority's cashless tolling facility shall  
11 have an option to receive alerts by electronic means of communication  
12 that a toll has been incurred. Such alerts shall be provided to the  
13 owner who has elected to receive such alerts no more than seventy-two  
14 hours after the owner is identified. Each public authority shall create  
15 an online registration for an electronic means of communication alert  
16 that a toll has been incurred under the tolls by mail program at a cash-  
17 less tolling facility. In the event an owner chooses to receive an elec-  
18 tronic means of communication alert of a toll incurred, it shall be the  
19 owner's sole responsibility to provide and update any mobile numbers,  
20 electronic mail addresses, or any other addresses used for electronic  
21 means of communication to which alerts are sent. A manual or automatic  
22 record of electronic communications prepared in the ordinary course of  
23 business shall be adequate record of electronic notice.

24 8. If an owner receives a notice of violation pursuant to this section  
25 for any time period during which the vehicle was reported to the police  
26 department as having been stolen, it shall be a valid defense to an  
27 allegation of liability for a violation of toll collection regulations  
28 that the vehicle had been reported to the police as stolen prior to the  
29 time the violation occurred and had not been recovered by such time. If  
30 an owner receives a notice of violation pursuant to this section for any  
31 time period during which the vehicle was stolen, but not as yet reported  
32 to the police as having been stolen, it shall be a valid defense to an  
33 allegation of liability for a violation of toll collection regulations  
34 pursuant to this section that the vehicle was reported as stolen within  
35 two hours after the discovery of the theft by the owner. For purposes of  
36 asserting the defense provided by this subdivision it shall be suffi-  
37 cient that a certified copy of the police report on the stolen vehicle  
38 be sent by first class mail to the court or other entity having juris-  
39 isdiction.

40 9. An owner who is a lessor of a vehicle to which a notice of  
41 violation was issued pursuant to subdivision four of this section shall  
42 not be liable for the violation of the toll collection regulations  
43 provided the owner sends to the public authority serving the notice of  
44 violation and to the court or other entity having jurisdiction a copy of  
45 the rental, lease or other such contract document covering such vehicle  
46 on the date of the violation, with the name and address of the lessee  
47 clearly legible, within thirty days after receiving the original notice  
48 of violation. Failure to send such information within such thirty-day  
49 time period shall render the lessor liable for the penalty prescribed by  
50 this section. Where the lessor complies with the provisions of this  
51 subdivision, the lessee of such vehicle on the date of such violation  
52 shall be deemed to be the owner of such vehicle for purposes of this  
53 section and shall be subject to liability for the violation of the toll  
54 collection regulations, provided that the public authority mails a  
55 notice of violation to the lessee within ten business days after the  
56 public authority deems the lessee to be the owner. For purposes of this

1 subdivision the term "lessor" shall mean any person, corporation, firm,  
2 partnership, agency, association or organization engaged in the business  
3 of renting or leasing vehicles to any lessee under a rental agreement,  
4 lease or otherwise wherein the said lessee has the exclusive use of said  
5 vehicle for any period of time. For purposes of this subdivision, the  
6 term "lessee" shall mean any person, corporation, firm, partnership,  
7 agency, association or organization that rents, leases or contracts for  
8 the use of one or more vehicles and has exclusive use thereof for any  
9 period of time.

10 10. Except as provided in subdivision nine of this section, if a  
11 person receives a notice of violation pursuant to this section it shall  
12 be a valid defense to an allegation of liability for a violation of toll  
13 collection regulations that the individual who received the notice of  
14 violation pursuant to this section was not the owner of the vehicle at  
15 the time the violation occurred. If the owner liable for a violation of  
16 toll collection regulations pursuant to this section was not the opera-  
17 tor of the vehicle at the time of the violation, the owner may maintain  
18 an action for indemnification against the operator.

19 11. Any public authority that operates a cashless tolling facility  
20 shall: (i) maintain a website and toll-free phone number for any person  
21 to receive updated information on any tolls or fees which are outstand-  
22 ing; and (ii) establish procedures for owners to dispute any tolls and  
23 violation fees incurred in connection with toll bills, including a  
24 requirement that written determinations in such disputes shall be issued  
25 within forty-five days of receipt of the owner's declaration of dispute.  
26 Such information shall be prominently displayed on such public authori-  
27 ty's toll bills, notices of violation and website.

28 12. Every public authority that operates a cashless tolling facility  
29 shall develop policies and procedures for the establishment on a case-  
30 by-case basis of a written payment plan agreement for an owner's unpaid  
31 tolls and administrative violation fees incurred at a cashless tolling  
32 facility, subject to the availability of sufficient resources for the  
33 public authority to administer such payment plans. Information related  
34 to payment plans shall be made available upon the owner's request to the  
35 public authority's customer service center. The public authority shall  
36 not charge any additional amount or fee for enrollment in a payment plan  
37 agreement. Owners shall fully comply with all payment plan agreement  
38 terms and conditions and shall be subject to payment plan agreement  
39 default provisions.

40 13. Every public authority that operates a cashless tolling facility  
41 shall establish an office of such authority's toll payer advocate,  
42 designed to further assist owners who remain unsatisfied after first  
43 attempting resolution in writing of their concern with, and receiving  
44 written determination from, such authority's customer service center.  
45 The office of the toll payer advocate shall also endeavor to identify  
46 any systemic issues and recommend reasonable improvements regarding the  
47 use of and process involved with the payment of tolls under the tolls by  
48 mail program at cashless tolling facilities to the public authority.

49 14. A public authority that operates a cashless tolling facility,  
50 including the officers, employees, contractors and agents of such public  
51 authority, shall not report to a consumer reporting agency, as defined  
52 in 15 U.S.C. § 1681a, any toll, fee, penalty or other obligation  
53 incurred by an owner related to use of a cashless tolling facility.

54 15. Nothing in this section shall prohibit a public authority from  
55 collecting any toll or fee in the event that an owner does not properly  
56 register a vehicle pursuant to the laws, rules and regulations of this

1 state, or any other state, territory, district, province, nation or  
2 other jurisdiction.

3 16. Nothing in this section shall require a public authority to  
4 perform any action or forbear from performing any action that would in  
5 the public authority's sole discretion impair any covenant with the  
6 holders of any of the public authority's bonds, notes or other obli-  
7 gations.

8 § 3. No later than 90 days after the effective date of this act, every  
9 public authority that operates a cashless tolling facility shall under-  
10 take a public awareness campaign to educate motorists regarding the  
11 tolls by mail program, of their right to access the office of the rele-  
12 vant toll payer advocate and information related to the ability of that  
13 office to discuss payment options, of the importance of updating their  
14 license and vehicle registration information with the department of  
15 motor vehicles, the potential consequences for failure to pay tolls or  
16 respond to toll bills, of the benefits of becoming an E-ZPass customer  
17 and opportunities available to monitor tolls by mail balances, and  
18 potential options for unbanked individuals and individuals who do not  
19 have a credit card to obtain an E-ZPass. The outreach campaign may  
20 include, among other materials, print, electronic and mobile cellular  
21 technology resources, and may be made publicly available via public  
22 authority-sponsored communication methods.

23 § 4. This act shall take effect September 1, 2024. Effective imme-  
24 diately, the addition, amendment and/or repeal of any rule or regulation  
25 necessary for the implementation of this act on its effective date are  
26 authorized to be made on or before such date. With respect to the Port  
27 Authority of New York and New Jersey, this act shall take effect upon  
28 the enactment into law by the state of New Jersey of legislation having  
29 an identical effect with this act upon the Port Authority of New York  
30 and New Jersey; but if the state of New Jersey shall have already  
31 enacted such legislation, this act shall take effect immediately;  
32 provided, that the chair of the port authority shall notify the legisla-  
33 tive bill drafting commission upon the occurrence of the enactment of  
34 the legislation provided for in section two of this act in order that  
35 the commission may maintain an accurate and timely effective data base  
36 of the official text of the laws of the state of New York in furtherance  
37 of effectuating the provisions of section 44 of the legislative law and  
38 section 70-b of the public officers law.

39 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-  
40 sion, section, or subpart of this part shall be adjudged by any court of  
41 competent jurisdiction to be invalid, such judgment shall not affect,  
42 impair, or invalidate the remainder of that subpart or this part, but  
43 shall be confined in its operation to the clause, sentence, paragraph,  
44 subdivision, section, or subpart directly involved in the controversy in  
45 which such judgment shall have been rendered. It is hereby declared to  
46 be the intent of the legislature that this part and each subpart herein  
47 would have been enacted even if such invalid provisions had not been  
48 included herein.

49 § 3. This act shall take effect immediately; provided, however, that  
50 the applicable effective dates of Subparts A through B of this act shall  
51 be as specifically set forth in the last section of such Subparts.
