February 14, 2024

Introduced by Sen. ASHBY -- read twice and ordered printed, and when printed to be committed to the Committee on Codes

AN ACT to amend the criminal procedure law, in relation to allowing courts to consider the risk of continued substance abuse in certain instances

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 510.10 of the criminal procedure law is amended by
2 adding three new subdivisions 5-a, 5-b and 5-c to read as follows:

3 5-a. Notwithstanding the provisions of subdivisions three and four of
4 this section, the court may, in its discretion, commit the principal to
5 the custody of the sheriff for a period of no more than fifteen days, if
6 such principal has a substantial risk of continued substance abuse and
7 there is a likelihood of serious harm to such principal and there exists
8 no alternative less restrictive means available to confine or supervise
9 such principal in order to prevent the principal's substantial risk of
10 continued substance abuse upon release from custody. Alternative and
11 less restrictive means of confinement and supervision shall mean avail-
12 able immediate commitment of such principal in a state licensed
13 substance abuse treatment center, drug rehabilitation center or mental
14 health facility. In making its determination, the court may consider the
15 following factors, including but not limited to:

16 (a) admission by the principal that he or she is addicted to a
17 controlled substance;

18 (b) requests by the principal's immediate family members to hold the
19 principal in custody to prevent the likelihood of serious harm;

20 (c) a record of the principal's arrests for similar offenses related
21 to substance abuse;

22 (d) documentation of reasons for any failed attempts to complete drug
23 court;

24 (e) the arresting officer's testimony of the principal's intoxication
25 or of witnessing the principal's use of a controlled substance; and

1 5-b. Upon the commitment of such principal to the custody of the sher-
2 iff, or an available, less restrictive means of confinement and super-
3 vision, the court shall order a duly licensed professional to monitor
4 such principal as needed to evaluate the principal's need for treatment
5 and/or medications, and to complete an evaluation for addiction to a
6 controlled substance. Treatment, including but not limited to medica-
7 tions, shall be provided to the principal without unnecessary delay, as
8 recommended by such licensed professional. The principal's complete
9 evaluation, including recommendations for the continued custody of such
10 principal, considerations for participation in a judicial diversion
11 program, immediate release from custody, and any other proposals for the
12 care and treatment of such principal shall be provided to the court
13 without unnecessary delay and within no more than seventy-two hours from
14 the completion of such principal's evaluation. The principal, such prin-
15 cipal's counsel and the district attorney's office shall be provided a
16 copy of the principal's evaluation upon request to the court.

17 5-c. The principal shall be afforded the opportunity for a hearing to
18 request the principal's immediate release from the custody of the sher-
19 iff or confinement in a treatment or mental health facility, prior to
20 his or her arraignment. If within seventy-two hours of the court's
21 receipt of the principal's request for such hearing, the principal is
22 not brought before a local criminal court, the principal shall be imme-
23 diately released from the sheriff's custody or confinement in a treat-
24 ment facility or mental health facility and served an appearance ticket.
25 The principal shall be entitled to introduce his or her controlled
26 substance evaluation including any recommendations made by a licensed
27 physician that principal should not be held in custody of the sheriff or
28 confined at a treatment or mental health facility and that the principal
29 is not in substantial risk for substance abuse, or there is not a like-
30 lihood of the principal inflicting serious harm upon his or her release
31 from custody. The court shall consider the principal's complete evalu-
32 ation including treatment recommendations, record of arrests,
33 convictions and any record of participation in any drug court and shall
34 decide whether to immediately release such principal from the custody of
35 the sheriff or confinement in a treatment facility or mental health
36 facility, or to remand the principal to the custody of the sheriff or
37 confinement in a treatment facility or mental health facility for the
38 remainder of the principal's fifteen day period of custody or confine-
39 ment.

40 § 2. The opening paragraph and subparagraphs (i), (xx) and (xxi) of
41 paragraph (b) of subdivision 1 of section 530.20 of the criminal proce-
42 dure law, the opening paragraph as amended by section 6 of subpart A of
43 part VV of chapter 56 of the laws of 2023, subparagraph (i) as amended
44 by section 3 of part UU of chapter 56 of the laws of 2020, subparagraph
45 (xx) as amended and subparagraph (xxi) as added by section 4 of subpart
46 C of part UU of chapter 56 of the laws of 2022, are amended and a new
47 subparagraph (xxii) is added to read as follows:

48 Where the principal stands charged with a qualifying offense, the
49 court, unless otherwise prohibited by law, may in its discretion release
50 the principal pending trial on the principal's own recognizance or under
51 non-monetary conditions, fix bail, order non-monetary conditions in
52 conjunction with fixing bail, or, where the defendant is charged with a
53 qualifying offense [~~which is a felony~~], the court may commit the princi-
54 pal to the custody of the sheriff. The court shall explain its choice of
55 securing order on the record or in writing. A principal stands charged
56 with a qualifying offense when he or she stands charged with:

1 (i) a felony enumerated in section 70.02 of the penal law~~[, other than~~
2 ~~robbery in the second degree as defined in subdivision one of section~~
3 ~~160.10 of the penal law, provided, however, that burglary in the second~~
4 ~~degree as defined in subdivision two of section 140.25 of the penal law~~
5 ~~shall be a qualifying offense only where the defendant is charged with~~
6 ~~entering the living area of the dwelling];~~

7 (xx) any felony or class A misdemeanor involving harm to an identifi-
8 able person or property, or any charge of criminal possession of a
9 firearm as defined in section 265.01-b of the penal law where such
10 charge arose from conduct occurring while the defendant was released on
11 his or her own recognizance, released under conditions, or had yet to be
12 arraigned after the issuance of a desk appearance ticket for a separate
13 felony or class A misdemeanor involving harm to an identifiable person
14 or property, provided, however, that the prosecutor must show reasonable
15 cause to believe that the defendant committed the instant crime and any
16 underlying crime. For the purposes of this subparagraph, any of the
17 underlying crimes need not be a qualifying offense as defined in this
18 subdivision. For the purposes of this paragraph, "harm to an identifi-
19 able person or property" shall include but not be limited to theft of or
20 damage to property. However, based upon a review of the facts alleged in
21 the accusatory instrument, if the court determines that such theft is
22 negligible and does not appear to be in furtherance of other criminal
23 activity, the principal shall be released on his or her own recognizance
24 or under appropriate non-monetary conditions; ~~[ex]~~

25 (xxi) criminal possession of a weapon in the third degree as defined
26 in subdivision three of section 265.02 of the penal law or criminal sale
27 of a firearm to a minor as defined in section 265.16 of the penal
28 law~~[,]; or~~

29 (xxii) a controlled substance offense as defined in article two
30 hundred twenty of the penal law.

31 § 3. Subdivision 1 of section 530.20 of the criminal procedure law is
32 amended by adding three new paragraphs (c), (e) and (f) to read as
33 follows:

34 (c) Notwithstanding the provisions of paragraphs (a) and (b) of this
35 subdivision, the court may, in its discretion, commit the principal to
36 the custody of the sheriff for a period of no more than fifteen days, if
37 such principal has a substantial risk of continued substance abuse and
38 there is a likelihood of serious harm to such principal and there exists
39 no alternative less restrictive means available to confine or supervise
40 such principal in order to prevent the principal's substantial risk of
41 continued substance abuse upon release from custody. Alternative and
42 less restrictive means of confinement and supervision shall mean avail-
43 able immediate commitment of such principal in a state licensed
44 substance abuse treatment center, drug rehabilitation center or mental
45 health facility. In making its determination, the court may consider the
46 following factors, including but not limited to:

47 (i) admission by the principal that he or she is addicted to a
48 controlled substance;

49 (ii) requests by the principal's immediate family members to hold the
50 principal in custody to prevent the likelihood of serious harm;

51 (iii) a record of the principal's arrests for similar offenses related
52 to substance abuse;

53 (iv) documentation of reasons for any failed attempts to complete drug
54 court;

55 (v) the arresting officer's testimony of witnessing the principal's
56 use of a controlled substance; and

1 (vi) the principal's possession of a controlled substance or
2 possession of paraphernalia related thereto.

3 (e) Upon the commitment of such principal to the custody of the sher-
4 iff, or an available, less restrictive means of confinement and super-
5 vision, the court shall order a duly licensed professional to monitor
6 such principal as needed to evaluate the principal's need for treatment
7 and/or medications, and to complete an evaluation for addiction to a
8 controlled substance. Treatment, including but not limited to medica-
9 tions, shall be provided to the principal without unnecessary delay, as
10 recommended by such licensed professional. The principal's complete
11 evaluation, including recommendations for the continued custody of such
12 principal, immediate release from custody, and any other proposals for
13 the care and treatment of such principal shall be provided to the court
14 without unnecessary delay and within no more than seventy-two hours from
15 the completion of such principal's evaluation. The principal, such prin-
16 icipal's counsel and the district attorney's office shall be provided a
17 copy of the principal's evaluation upon request to the court.

18 (f) The principal shall be afforded the opportunity for a hearing to
19 request the principal's immediate release from the custody of the sher-
20 iff or confinement in a treatment or mental health facility, prior to
21 his or her arraignment. If within seventy-two hours of the court's
22 receipt of the principal's request for such hearing, the principal is
23 not brought before a local criminal court, the principal shall be imme-
24 diately released from the sheriff's custody or confinement in a treat-
25 ment facility or mental health facility and served an appearance ticket.
26 The principal shall be entitled to introduce his or her controlled
27 substance evaluation including any recommendations made by a licensed
28 physician that principal should not be held in custody of the sheriff or
29 confined at a treatment or mental health facility and that the principal
30 is not in substantial risk for substance abuse, or there is not a like-
31 lihood of the principal inflicting serious harm upon his or her release
32 from custody. The court shall consider the principal's complete evalu-
33 ation including treatment recommendations, record of arrests,
34 convictions and any record of participation in any drug court and shall
35 decide whether to immediately release such principal from the custody of
36 the sheriff or confinement in a treatment facility or mental health
37 facility, or to remand the principal to the custody of the sheriff or
38 confinement in a treatment facility or mental health facility for the
39 remainder of the principal's fifteen day period of custody or confine-
40 ment.

41 § 4. Section 530.40 of the criminal procedure law is amended by adding
42 three new subdivisions 5-a, 5-b and 5-c to read as follows:

43 5-a. Notwithstanding the provisions of subdivisions three and four of
44 this section, the court may, in its discretion, commit the principal to
45 the custody of the sheriff for a period of no more than fifteen days, if
46 such principal has a substantial risk of continued substance abuse and
47 there is a likelihood of serious harm to such principal and there exists
48 no alternative less restrictive means available to confine or supervise
49 such principal in order to prevent the principal's substantial risk of
50 continued substance abuse upon release from custody. Alternative and
51 less restrictive means of confinement and supervision shall mean avail-
52 able immediate commitment of such principal in a state licensed
53 substance abuse treatment center, drug rehabilitation center or mental
54 health facility. In making its determination, the court may consider the
55 following factors, including but not limited to:

1 (a) admission by the principal that he or she is addicted to a
2 controlled substance;

3 (b) requests by the principal's immediate family members to hold the
4 principal in custody to prevent the likelihood of serious harm;

5 (c) a record of the principal's arrests for similar offenses related
6 to substance abuse;

7 (d) documentation of reasons for any failed attempts to complete drug
8 court;

9 (e) the arresting officer's testimony of the principal's intoxication
10 or of witnessing the principal's use of a controlled substance; and

11 (f) the principal's possession of a controlled substance or possession
12 of paraphernalia related thereto.

13 5-b. Upon the commitment of such principal to the custody of the sher-
14 iff, or an available, less restrictive means of confinement and super-
15 vision, the court shall order a duly licensed professional to monitor
16 such principal as needed to evaluate the principal's need for treatment
17 and/or medications, and to complete an evaluation for addiction to a
18 controlled substance. Treatment, including but not limited to medica-
19 tions, shall be provided to the principal without unnecessary delay, as
20 recommended by such licensed professional. The principal's complete
21 evaluation, including recommendations for the continued custody of such
22 principal, immediate release from custody, and any other proposals for
23 the care and treatment of such principal shall be provided to the court
24 without unnecessary delay and within no more than seventy-two hours from
25 the completion of such principal's evaluation. The principal, such prin-
26 icipal's counsel and the district attorney's office shall be provided a
27 copy of the principal's evaluation upon request to the court.

28 5-c. The principal shall be afforded the opportunity for a hearing to
29 request the principal's immediate release from the custody of the sher-
30 iff or confinement in a treatment or mental health facility, prior to
31 his or her arraignment. If within seventy-two hours of the court's
32 receipt of the principal's request for such hearing, the principal is
33 not brought before a local criminal court, the principal shall be imme-
34 diately released from the sheriff's custody or confinement in a treat-
35 ment facility or mental health facility and served an appearance ticket.
36 The principal shall be entitled to introduce his or her controlled
37 substance evaluation including any recommendations made by a licensed
38 physician that principal should not be held in custody of the sheriff or
39 confined at a treatment or mental health facility and that the principal
40 is not in substantial risk for substance abuse, or there is not a like-
41 lihood of the principal inflicting serious harm upon his or her release
42 from custody. The court shall consider the principal's complete evalu-
43 ation including treatment recommendations, record of arrests,
44 convictions and any record of participation in any drug court and shall
45 decide whether to immediately release such principal from the custody of
46 the sheriff or confinement in a treatment facility or mental health
47 facility, or to remand the principal to the custody of the sheriff or
48 confinement in a treatment facility or mental health facility for the
49 remainder of the principal's fifteen day period of custody or confine-
50 ment.

51 § 5. Subdivision 1 of section 510.30 of the criminal procedure law, as
52 amended by section 4 of subpart A of part VV of chapter 56 of the laws
53 of 2023, is amended to read as follows:

54 1. With respect to any principal, the court in all cases, unless
55 otherwise provided by law, must impose a securing order in accordance
56 with section 510.10 of this article, and shall explain the basis for its

1 determination and choice of securing order on the record or in writ-
2 ing[-], which shall include, but not be limited to, whether the princi-
3 pal has a substantial risk of continued substance abuse and there is a
4 likelihood of serious harm to such principal and there exists no alter-
5 native less restrictive means available to confine or supervise such
6 principal in order to prevent the principal's substantial risk of
7 continued substance abuse upon release from custody. Alternative and
8 less restrictive means of confinement and supervision shall mean avail-
9 able immediate commitment of such principal in a state licensed
10 substance abuse treatment center, drug rehabilitation center or mental
11 health facility. In making its determination, the court may consider the
12 following factors, including but not limited to:

13 (a) admission by the principal that he or she is addicted to a
14 controlled substance;

15 (b) requests by the principal's immediate family members to hold the
16 principal in custody to prevent the likelihood of serious harm;

17 (c) a record of the principal's arrests for similar offenses related
18 to substance abuse;

19 (d) documentation of reasons for any failed attempts to complete drug
20 court;

21 (e) the arresting officer's testimony of witnessing the principal's
22 use of a controlled substance; and

23 (f) the principal's possession of a controlled substance or possession
24 of paraphernalia related thereto.

25 § 6. Section 140.20 of the criminal procedure law is amended by adding
26 a new subdivision 9 to read as follows:

27 9. If after arresting a person, for any offense, a police officer
28 reasonably believes the arrested person is likely addicted to a
29 controlled substance, such arrested person may be temporarily held in
30 custody but must be brought before a local criminal court without unnec-
31 essary delay for a determination of whether the arrested person should
32 be committed to the custody of the sheriff under subdivision five-a of
33 section 510.10, paragraph (c) of subdivision one of section 530.20 or
34 subdivision five-a of section 530.40 of this chapter. In making a deter-
35 mination that the arrested person is likely addicted to a controlled
36 substance and is at substantial risk for continued substance abuse upon
37 release from custody, a police officer may consider the following
38 factors, including but not limited to:

39 (a) the arrested person appears intoxicated, impaired or incapacitated
40 at the time of the arrest, or in the hours following the arrest and
41 while the arrested person is in the custody of the arresting officers or
42 while physically present at the police station;

43 (b) admission by the arrested person that he or she is addicted to a
44 controlled substance;

45 (c) requests by the arrested person's known immediate family members,
46 or fellow residential cohabitants, to hold the arrested person in custo-
47 dy in order to prevent the likelihood of serious harm;

48 (d) knowledge of the arrested person's record of arrests for similar
49 offenses directly related to substance abuse;

50 (e) the arresting officer witnessed the arrested person use a
51 controlled substance; and

52 (f) the arresting officer found the arrested person in possession of a
53 controlled substance or paraphernalia related thereto at the time of the
54 arrest, or upon a search of such arrested person.

55 § 7. This act shall take effect immediately.
