

STATE OF NEW YORK

8617

IN SENATE

February 21, 2024

Introduced by Sen. PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications

AN ACT in relation to directing the state energy planning board to conduct a study on the time frames for replacing or upgrading battery energy storage systems at renewable energy facilities

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. 1. For the purposes of this act, "renewable energy facility"
2 ty" shall have the same meaning as renewable energy systems as defined
3 in section 66-p of the public service law.
- 4 2. The state energy planning board is hereby directed to conduct a
5 study on preparing renewable energy facilities for the distribution of
6 clean energy.
- 7 3. Such study shall include, but not be limited to:
- 8 (a) time frames for replacing or upgrading battery energy storage
9 systems at renewable energy facilities;
- 10 (b) the intake and distribution capacity of all major and minor renew-
11 able energy facilities in the state;
- 12 (c) inspection of each renewable energy storage facility and resulting
13 recommendations on maintenance, operation, and labor requirements for
14 each such facility; and
- 15 (d) time frames for enacting such recommendations to ensure a smooth
16 transition to clean energy storage and distribution across the state.
- 17 4. No later than six months after the completion of the study, the
18 state energy planning board shall prepare and submit a report containing
19 the findings of the study to the New York state energy research and
20 development authority, the governor, the temporary president of the
21 senate, and the speaker of the assembly.
- 22 5. Such report shall be published on the New York state energy
23 research and development website.
- 24 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
