§ 112. Separability of congressional districts. Each congressional district created by this article shall be deemed a separate district for the purpose of apportionment of the entire state into congressional districts. If one or more congressional districts created by this article are judicially found not to be in compliance with the decisions and mandates of a court of competent jurisdiction, only the defective district or districts and those immediately adjacent or contiguous thereto shall be reapportioned. All other districts shall be deemed to be properly created.

§ 2. Construction. a. This act shall be liberally construed to effectuate the purposes thereof and to apportion and district this state in compliance with constitutional and statutory requirements.

b. It is intended that this act and the congressional districts described herein completely encompass all the area of the state. It is also intended that such districts apportioned on the basis of 2020 population, contain the whole number of persons in this state. It is further intended that the apportionment and districting provided for in this act result in the creation of districts containing equal population as nearly as practicable. It is also intended that no district shall include any of the area included within the description of any other district.

§ 3. Saving clause. a. If the districts described in the act do not carry out the purposes thereof, because of unintentional omissions; duplications; overlapping areas; erroneous nomenclature; lack of adequate maps or descriptions of political subdivisions, wards, or other divisions thereof, or of their boundary lines; street closings, changes in names of streets, or other changes of public places; alteration of the boundary or courses of waters or waterways, filling in of lands underwater, accretion or other changes in shorelines or alteration of courses, rights of way, or lines of public utilities or other conditions, then the state board of elections, at the request of any person or candidate, aggrieved thereby, shall, by order, correct such omissions, overlappings, erroneous nomenclature, or other defects in the description of districts so as to accomplish the purposes and objectives of this act.

b. In promulgating such orders, the state board of elections, in addition to achieving equality in the population of districts and ensuring that all areas of the state are completely and accurately encompassed in such districts, shall be guided by the following standards:

1 (1) Gaps in the description of any district shall be completed in a
2 manner which results in a total description of that district consonant
3 with the description of adjacent districts and results in complete
4 contiguity of districts.

5 (2) Areas of the state included within the descriptions of more than
6 one district shall be allocated to the district having the lowest popu-
7 lation.

8 (3) Areas of the state not included within the descriptions of any
9 district shall be allocated to the adjacent district having the lowest
10 population.

11 (4) In the event that the area subject to corrected description or
12 allocation as provided in paragraphs one, two or three of this subdivi-
13 sion, is of such size or contains such population that its inclusion as
14 a unit in any district would result in substantial disparity in the
15 size, shape or population of such district, then the state board of
16 elections may allocate portions of such area to two or more districts.

17 (5) In any allocation of area or correction of a description made
18 pursuant to this section, the state board of elections shall, consistent
19 with the foregoing standards, preserve the contiguity and compactness of
20 districts and avoid the unnecessary division of political subdivisions.

21 c. Copies of such orders shall be filed by the state board of
22 elections in its own office and in the office of the affected boards of
23 election. A copy of each such order shall also be filed by the state
24 board with the legislative bill drafting commission to facilitate it in
25 performing its functions under section 70-b of the public officers law.
26 In addition, a copy of such order shall be served upon the person or
27 candidate, if any, who instituted the application for such an order. The
28 state board of elections may adopt reasonable rules regulating the
29 procedure for applications for orders under this section in the manner
30 of serving and filing any notice or copy of orders relating thereto.

31 d. Upon the filing of such an order, the description of any affected
32 district shall be deemed to have been corrected in the manner provided
33 in such order to the full extent as if such correction had been
34 contained in the original description set forth in this act.

35 e. In furtherance of effectuating the provisions of subdivision d of
36 this section, the legislative bill drafting commission, upon receipt
37 from the state board of elections of an order promulgated pursuant to
38 subdivision b of this section, and upon the approval of the temporary
39 president of the senate and the speaker of the assembly, shall cause the
40 description of a congressional district altered pursuant to any such
41 order to be revised accordingly within its data base of the laws of the
42 state of New York so that such altered district may be contained in a
43 publication of the state law and be certified to as a correct transcript
44 of the text of law relating thereto such district in the manner author-
45 ized by section 70-b of the public officers law.

46 f. If any part or provision of this act relating to any congressional
47 district shall be adjudged invalid by a court of competent jurisdiction,
48 such judgment shall: (1) be confined in its operation to the part or
49 provision of this act or the district or districts described herein
50 directly involved in the controversy in which such judgment shall have
51 been rendered, and (2) not affect or impair the validity of the remain-
52 ing parts, provisions or districts described in this act or elsewhere.

53 g. The congressional districts of this state, as existing immediately
54 prior to the effective date of this act, shall continue to be the
55 congressional districts of the state for the purpose of filling vacan-

1 cies in the office of representative in congress at any special election
2 held prior to the general election of the year 2024.

3 h. The congressional districts of this state, from and after the
4 effective date of this act, shall be the congressional districts of the
5 state for the purpose of designating and nominating candidates for
6 representatives in congress, and for electing district delegates and
7 alternate district delegates to national party conventions.

8 i. In order to provide for an orderly election of members of the
9 congress from the state of New York and in recognition of the constitu-
10 tional mandate that congressional districts shall be created by law
11 subject to judicial review under such reasonable regulations as the
12 legislature may prescribe, it is hereby determined and declared that no
13 order of the court invalidating this act or part thereof shall be
14 entered in a manner which will deprive the legislature of an opportunity
15 to discharge its constitutional mandate. In any proceeding for judicial
16 review of the provisions of this act, the determination of the court
17 shall be embodied in a tentative order which shall become final 30 days
18 after service of copies thereof upon the parties unless the court shall,
19 in the interval, on application of any party, resettle its order.

20 j. If any clause, sentence, paragraph, section or part of this act
21 shall be adjudged by any court of competent jurisdiction to be invalid,
22 such judgment shall not affect, impair or invalidate the remainder ther-
23 eof, but shall be confined in its operation to the clause, sentence,
24 paragraph, section or part thereof directly involved in the controversy
25 in which such judgment shall have been rendered.

26 § 4. Separability. If any clause, sentence, paragraph, section or part
27 of this act shall be adjudged by any court of competent jurisdiction to
28 be invalid, such judgment shall not affect, impair or invalidate the
29 remainder thereof, but shall be confined in its operation to the clause,
30 sentence, paragraph, section or part thereof directly involved in the
31 controversy in which such judgment shall have been rendered.

32 § 5. This act shall take effect immediately.
