(g) if any such child shall die, the date and cause of death and place of burial[~~,~~]**;**

(h) any further disposition or change in care, custody or control of the child[~~,~~]**;**

(i) the date or dates of reception and of any subsequent disposition or change in care, custody or control and, in case of adoption, the name and title of the judge or surrogate making the order of adoption, the date of such order and the date and place of filing of such order[~~,~~]**;**

(j) the reasons for any act performed in reference to such child herein required to be recorded, together with such further information as the department may require; and shall make to the department upon blanks provided by the department reports of each such child placed out, or boarded out, containing the information herein required to be kept; and shall furnish such information to any authorized agency to which any such child shall be committed or otherwise given into custody**; and**

(k) if any such child shall have a developmental disability as defined pursuant to subdivision twenty-two of section 1.03 of the mental hygiene law, and, if so, the type of such developmental disability.

§ 2. The commissioner of the office of children and family services, in consultation with the commissioner of the office for people with developmental disabilities, shall conduct a study to determine the number of children who have been placed in foster care and who have been diagnosed with a developmental disability. Such study shall include, but shall not be limited to, the following:

(a) assessing the demographics of the children in foster care with a developmental disability, including, but not limited to, their county of residence, age, race and gender identity, and determining whether the placement of such individuals in foster care was voluntary or court ordered;

(b) evaluating the current guidelines and regulations used to oversee the placement and treatment of children with a developmental disability; and

(c) analyzing the extent to which such age-appropriate children are prepared for a transition from foster care to an independent living situation.

§ 3. For purposes of this act, "developmental disability" shall have the same meaning as set forth in subdivision 22 of section 1.03 of the mental hygiene law.

§ 4. The commissioner of the office of children and family services and the commissioner of the office for people with developmental disabilities may acquire directly from the head of any department, agency, or instrumentality of the state, available non-identifiable information which the offices consider useful in the discharge of their duties. All departments, agencies, and instrumentalities of the state shall cooperate with the offices with respect to such information and shall furnish all information requested by the offices to the extent permitted by law. Information collected shall not reveal the name, social security number or any other information which may be used to identify the children or the family of the children.

§ 5. The commissioner of the office of children and family services and the commissioner of the office for people with developmental disabilities shall submit a report of the findings of the study, with any personal and identifying information redacted, conducted pursuant to section one of this act, to the governor, the temporary president of the senate, the speaker of the assembly and the minority leaders of the senate and assembly no later than one year following the effective date

of this act. The report shall also include recommendations on how to consistently maintain a record of the number of children who have been placed in foster care who have been diagnosed with a developmental disability, recommendations to improve the placement and treatment of children in foster care and recommendations to further develop existing guidelines and regulations to prepare age-appropriate children who have a developmental disability for a transition to an independent living situation.

§ 6. This act shall take effect immediately.
