AN ACT in relation to enacting the "parks are growing act"

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as  
2 the "parks are growing act".

3 § 2. 1. The commissioner of parks, recreation and historic preserva-  
4 tion shall, in conjunction with the commissioner of agriculture and  
5 markets and the commissioner of environmental conservation, conduct a  
6 land assessment of New York state parks regarding the current condition  
7 of such state parks, and shall determine cost estimates for the  
8 increased use of such state parks for farming, gardening, and introduc-  
9 tion of pollinator-friendly plant species across the state as provided  
10 under subdivision 2 of this section.

11 2. The land assessment and cost estimates conducted under subdivision  
12 1 of this section shall include, but not be limited to:

13 (a) an assessment of suitable areas of land in each state park for  
14 establishing floral and vegetable garden plots and introducing pollina-  
15 tor-friendly plant species, and cost estimates for establishing such  
16 plots and introducing such species. The following criteria shall be  
17 considered in conducting such assessments and cost estimates:

18 (i) locations easily accessible by walking and/or car;

19 (ii) locations of continuously undisturbed, arable land of at least  
20 half an acre in size;

21 (iii) locations with soil types suitable for growing flowers and  
22 crops;

23 (iv) locations deemed appropriate for plants native to the state,  
24 composed of a variety of nectar and pollen-rich flowers with a wide  
25 range and variety of shapes, sizes, and colors that blossom at various  
26 times throughout the year; and

27 (v) locations that will enhance enjoyment of the park by the general  
28 public;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD14674-02-4

1 (b) a map of each state park deemed to have met the criteria under  
2 subdivision (a) of this section along with a sketch of the area deemed  
3 to have met such criteria and such park's estimated size;

4 (c) for each state park, a list of the native plants and/or crops that  
5 could be expected to grow in each such park, based upon the USDA Plant  
6 Hardiness Zone Map for each region;

7 (d) an estimate of costs associated with the creation and annual main-  
8 tenance of garden plots in each park deemed to have available land; and

9 (e) a list of local organizations which may provide partnership in  
10 service of the annual maintenance of each state park's garden plots.  
11 Such organizations may include but shall not be limited to:

12 (i) boys and girls clubs;

13 (ii) girl scouts and boy scouts groups;

14 (iii) local gardening clubs;

15 (iv) senior living programs;

16 (v) BOCES programs;

17 (vi) Future Farmers of America clubs; or

18 (vii) 4-H gardening clubs.

19 § 3. The commissioner of parks, recreation and historic preservation,  
20 in conjunction with the commissioner of agriculture and markets and the  
21 commissioner of environmental conservation, shall submit the land  
22 assessments and cost estimates conducted pursuant to this act to the  
23 governor, the speaker of the assembly, and the temporary president of  
24 the senate no later than six months following the effective date of this  
25 act.

26 § 4. This act shall take effect immediately.
