IN SENATE

March 5, 2024

Introduced by Sen. MATTERA -- read twice and ordered printed, and when printed to be committed to the Committee on Consumer Protection

AN ACT to amend the general business law, in relation to requiring towers to clean up any debris in the surrounding area resulting from the vehicles they are towing

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. The legislature finds and determines 2 that often the delay caused by investigation and removal process of 3 damaged and disabled motor vehicles from vehicle accident crash scenes 4 results in congestion of traffic and can cause additional accidents.

5 The legislature further finds and determines that it is of vital 6 importance to remove damaged and disabled vehicles from the roads as 7 promptly as possible.

8 The legislature also finds and determines that motor vehicle accident 9 and disablement sites, are often left in an unsafe and unclean condition 10 after tow truck operators and emergency personnel leave the scene.

11 The legislature determines that clean up standards and enforcement are 12 needed to ensure public/vehicle safety is maintained and to ensure that 13 accident and disablement scenes are left free of debris and are safe 14 thoroughfares.

Therefore, the purpose of this law is to ensure that following motor vehicle accidents and disablements, and as part of the towing services involved, that the surrounding area/scene will be swept and left clean and free from debris so as to protect the public and future vehicles traveling in the area.

20 § 2. The general business law is amended by adding a new section 399-21 xxx to read as follows:

22 § 399-xxx. Towing vehicles from an accident or disablement scene. 1.
23 Definitions. As used in this section, the following terms shall have the
24 following meanings:

25 <u>(a) "Accident" shall mean any incident or occurrence in which one or</u> 26 <u>more motor vehicles come in contact with each other or another object</u>, 27 <u>thereby causing damage to a motor vehicle;</u>

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

S. 8739

1	(b) "Debris" shall mean substances, materials, and objects that are
2	foreign to the normal roadway or thoroughfare environment area, includ-
3	ing traffic control debris. Debris may be produced by vehicular or non-
4	vehicular sources;
5	(c) "Disablement" shall mean motor vehicles not involved in accidents
6	but which are disabled and which must be removed from the road via
7	services of a tow truck operator;
8	(d) "Tower" shall mean a person owning or leasing or controlling one
9	or more tow trucks and driving or operating or causing any such vehicle
10	to be operated upon the public highways for hire; and
11	(e) "Tow truck" shall mean a motor vehicle which is designed or
12^{11}	equipped for carrying, lifting or moving another motor vehicle.
13	2. Clean up of debris and surrounding area. (a) All towers called to
14^{13}	the scene of an accident or disablement shall clean up any debris in the
15	surrounding area resulting from the vehicles they are towing to the
16	satisfaction of the police officer or authorized representative on the
17	SCENE.
18	(b) All tow trucks operating in the state shall be equipped for debris
19	clean up including, but not limited to, a shovel, broom and a container
20	to collect debris.
21	(c) Towers shall further clean up any oil, coolant, or gas that the
22	vehicles involved spilled on the road and shall carry a liquid absorbing
23	substance approved by the department of environmental conservation and
24	the department of transportation they can apply and sweep off of the
25	road so that it is clean and dry.
26	(d) The clean up services required by this section shall be included
27	in the towing fee. No additional charge shall be made for this service.
28	(e) Should there be an excess amount of oil or toxic chemicals on the
29	road, the tower may enlist the help of the local fire department or
