Such instructions and such training shall ensure usability of the integrated application for low English proficiency voters. Any such designated agency shall take all actions that are necessary and proper for the implementation of this section, including facilitating technological capabilities to allow

transmission of data through an interface with the electronic voter registration transmittal system in a secure manner.

§ 2. The election law is amended by adding a new section 5-901 to read as follows:

§ 5-901. Procedures specific to the department of motor vehicles. 1. The department of motor vehicles shall utilize the automatic voter registration procedures established by this section for each person who submits an application for a motor vehicle driver's license, a driver's license renewal, or an identification card, or any renewal, recertification, or reexamination transaction for such documents, or any change of address or name form for such documents.

2. (a) Except as provided in paragraph (c) of this subdivision, where a person conducts a department of motor vehicles transaction pursuant to subdivision one of this section and such person has provided documentation to the department of motor vehicles conclusively demonstrating United States citizenship and is of sufficient age to register or pre-register to vote, the department of motor vehicles shall promptly transmit electronically to the state board of elections the following information regarding such person:

- (i) such person's name;
- (ii) such person's date of birth;

- (vii) an electronic copy of such person's manual signature that is in the custody of the department of motor vehicles;
- (viii) the date of such person's transaction with the department of motor vehicles;
- (ix) such person's gender, if available;
- (x) such person's telephone number, if available; and
- (xi) such person's e-mail address, if available.

(b) The department of motor vehicles and the state board of elections shall jointly determine which documents acceptable for transactions pursuant to subdivision one of this section conclusively demonstrate United States citizenship.

(c) The department of motor vehicles shall not transmit information pursuant to paragraph (a) of this subdivision for any person who is a program participant in the address confidentiality program pursuant to section one hundred eight of the executive law.

(d) Upon receiving information pursuant to paragraph (a) of this subdivision for a person who is not registered to vote in New York state and who is of sufficient age to register or pre-register to vote, unless the state board of elections has evidence that such person is a program participant in the address confidentiality program pursuant to section one hundred eight of the executive law, the state board of elections shall electronically forward such information to the board of elections of the county or the city of the person's residence address for registration or pre-registration consistent with this chapter.

(e) (i) Upon receiving information pursuant to paragraph (d) of this subdivision, a county or city board of elections shall register or pre-register the person to vote pursuant to section 5-210 of this article effective as of the date of such person's transaction with the department of motor vehicles. The county or city board of elections shall promptly send to such person's mailing address, by non-forwardable mail,

1 a notice that such person has been registered to vote, or pre-registered  
2 to vote, if applicable, that contains a postage paid preaddressed return  
3 form by which such person may decline to be registered or pre-regis-  
4 tered. Such notice shall be combined with the notice required pursuant  
5 to subdivision one of section 5-308 of this article and shall also offer  
6 such person the opportunity to enroll with a party. Such notice shall  
7 also include a statement that, if such person declines to register or  
8 pre-register to vote, the fact that such person has declined registra-  
9 tion or pre-registration will remain confidential and will be used only  
10 for election administration purposes, and a statement that, if such  
11 person does not decline registration or pre-registration, the office at  
12 which such person was registered or pre-registered will remain confiden-  
13 tial and will be used only for election administration purposes. Such  
14 notice shall also provide information and procedures for anyone wishing  
15 to prevent disclosure of their residence address, including information  
16 regarding the address confidentiality program for victims of domestic  
17 violence under section 5-508 of this article. The notice required by  
18 this subparagraph may be combined with the notice provided to newly  
19 registered voters pursuant to subdivision nine of section 5-210 of this  
20 article.

21 (ii) Notwithstanding any other provision of this article, a person of  
22 sufficient age to register to vote whose information is transmitted to a  
23 county or city board pursuant to subparagraph (i) of this paragraph  
24 shall be registered to vote for an election if the date of such person's  
25 transaction with the department of motor vehicles pursuant to subdivi-  
26 sion one of this section occurs by the twelfth day before such election  
27 and such person's information is transmitted to the county or city board  
28 by the tenth day before such election. A person whose transaction with  
29 the department of motor vehicles occurs within thirty days of an  
30 election shall be required to affirm before voting that such person has  
31 resided in such person's county, city, or village for at least thirty  
32 days before such election. Such affirmation shall be available at the  
33 time of voting and at the time of requesting an early mail or absentee  
34 ballot. A voter who signs an affirmation pursuant to this subparagraph  
35 shall not be challenged or required to vote an affidavit ballot on the  
36 grounds that such voter signed such affirmation.

37 (f) (i) If a person returns the notice provided under subparagraph (i)  
38 of paragraph (e) of this subdivision and declines to be registered or  
39 pre-registered to vote, such person's registration or pre-registration  
40 shall be canceled, and such person shall be deemed to have not regis-  
41 tered or pre-registered. However, if such person has voted in an  
42 election after the transmission of such person's information but before  
43 the notice is returned, the returned form shall be of no effect and such  
44 person shall remain registered as of the date of such person's trans-  
45 action with the department of motor vehicles. Information relating to  
46 the return of a notice form declining to be registered or pre-registered  
47 shall not be used for any purpose other than election administration.

48 (ii) Notwithstanding subdivision two of section 5-304 of this article,  
49 if a person returns the notice provided under subparagraph (i) of para-  
50 graph (e) of this subdivision and elects to enroll in a party, such  
51 enrollment shall take effect immediately. However, any pre-registrant's  
52 registration shall remain classified as "pending" until the voter  
53 reaches the age of eligibility.

54 (iii) If a person returns the notice provided under subparagraph (i)  
55 of paragraph (e) of this subdivision but does not select any options,  
56 the returned notice shall be of no force and effect, and such person

1 shall remain registered to vote, or pre-registered to vote, if applica-  
2 ble.

3 3. (a) The department of motor vehicles shall not provide an opportu-  
4 nity to register or pre-register to vote or transmit any information to  
5 the board of elections for purposes of voter registration for any person  
6 who, when conducting a department of motor vehicles transaction pursuant  
7 to subdivision one of this section, provides documentation conclusively  
8 demonstrating that such person is not a United States citizen. The  
9 department of motor vehicles and the state board of elections shall  
10 jointly determine which documents are acceptable for a motor vehicle  
11 driver's license, a driver's license renewal, or an identification card  
12 to conclusively demonstrate that a person is not a United States citi-  
13 zen.

14 (b) For any person who conducts a department of motor vehicles trans-  
15 action pursuant to subdivision one of this section whose information is  
16 not already subject to transmission to the state board of elections  
17 pursuant to paragraph (a) of subdivision two of this section and who  
18 does not provide documentation at the time of such person's transaction  
19 conclusively demonstrating that such person is not a United States citi-  
20 zen, the department of motor vehicles transaction shall provide an inte-  
21 grated voter registration opportunity as part of such transaction. For  
22 purposes of this paragraph, registration shall also include pre-regis-  
23 tration pursuant to section 5-507 of this article.

24 (c) The department shall ensure agency applications pursuant to para-  
25 graph (b) of this subdivision include all of the elements required by  
26 section 5-210 of this article, including the appropriate attestation, so  
27 that persons completing such applications shall be able to also submit  
28 an application to register to vote through the electronic voter regis-  
29 tration transmittal system.

30 (d) The integrated voter registration opportunity shall:

31 (i) include a statement of the eligibility requirements for voter  
32 registration and shall require an applicant to attest that such appli-  
33 cant meets such requirements under penalty of perjury;

34 (ii) inform an applicant, in print identical to that used in the  
35 attestation section, of the following:

36 (A) voter eligibility requirements;

37 (B) penalties for submission of a false registration application;

38 (C) that the office where such applicant applies for registration  
39 shall remain confidential and the voter registration information shall  
40 be used only for voter registration purposes;

41 (D) that if such applicant applies to register to vote electronically,  
42 such applicant thereby consents to the use of an electronic copy of such  
43 applicant's manual signature that is in the custody of the department of  
44 motor vehicles, as such applicant's voter registration exemplar signa-  
45 ture;

46 (E) if such applicant signs the application and affirmatively selects  
47 the voter registration option, such applicant thereby consents to the  
48 use of any information required to complete the voter registration  
49 application; and

50 (F) if such applicant declines to register, such applicant's declina-  
51 tion shall remain confidential and be used only for voter registration  
52 purposes;

53 (iii) require an applicant who attests to the eligibility requirements  
54 for voter registration to either affirmatively select or affirmatively  
55 decline voter registration as a necessary condition to complete the  
56 application pursuant to subdivision one of this section;

(iv) include the following warning statement, or its substantial equivalent, in prominent type, "IF YOU ARE NOT A CITIZEN OF THE UNITED STATES, DO NOT SELECT THE OPTION TO REGISTER TO VOTE. NON-CITIZENS WHO REGISTER OR PRE-REGISTER TO VOTE MAY BE SUBJECT TO CRIMINAL PENALTIES AND SUCH VOTER REGISTRATION OR PRE-REGISTRATION MAY RESULT IN DEPORTATION OR REMOVAL, EXCLUSION FROM ADMISSION TO THE UNITED STATES, OR DENIAL OF NATURALIZATION.";

(v) include a space for an applicant to indicate such applicant's choice of party enrollment, with a clear alternative provided for such applicant to decline to affiliate with any party and the following statement, or its substantial equivalent, in prominent type "ONLY ENROLLED MEMBERS OF A POLITICAL PARTY MAY VOTE IN THAT PARTY'S PRIMARIES."; and

(vi) include a statement that if an applicant is a victim of domestic violence or stalking, such applicant may contact the state board of elections before or after registering or pre-registering to vote in order to receive information regarding the address confidentiality program for victims of domestic violence under section 5-508 of this article.

(e) For each person who completes an application to register to vote pursuant to paragraph (d) of this subdivision, who attests to the eligibility requirements for voter registration, and affirmatively selects voter registration pursuant to subparagraph (iii) of paragraph (d) of this subdivision, the department of motor vehicles shall electronically transmit to the state board of elections through an interface with the electronic voter registration transmittal system established and maintained by the state board of elections such portion of the application that includes voter registration information. If such person is not already registered to vote in New York state, the state board of elections shall electronically forward such application to the applicable board of elections of each county or the city of New York for registration consistent with this chapter. The department shall not transmit to the state board of elections an application for registration for a person who indicates on the integrated personal voter registration application that such person does not meet the eligibility requirements for registration.

(f) An integrated voter registration application submitted to the department of motor vehicles in an electronic format shall be transmitted to the state board of elections through the electronic voter registration transmittal system and shall include all of the voter registration data elements, including electronic signature, as applicable, and record of attestation of the accuracy of the voter registration information and any relevant document images.

(g) An integrated voter registration form submitted to the department of motor vehicles in paper format shall be transmitted to the state board of elections through the electronic voter registration transmittal system by converting the paper form to an image file or a portable document format file which shall thereafter be deemed the original form for voter registration and enrollment purposes. The department shall retain the complete original paper application for no less than two years. The transmittal of the converted paper application may include or be accompanied by data elements and transmittal information as required by the rules and regulations of the state board of elections.

(h) The department shall redact or remove from the completed integrated application to be transmitted to the state board of elections any information solely applicable to the agency application.

1 (i) Information from an applicant relevant to both voter registration  
2 and the department application shall be entered by the applicant only  
3 once upon an electronic application.

4 (j) Information concerning the citizenship status of individuals, when  
5 collected and transmitted pursuant to this subdivision, shall not be  
6 retained, used, or shared for any other purpose except as may be  
7 required by law.

8 (k) For each person who attests to the eligibility requirements for  
9 voter registration, but who does not affirmatively select voter regis-  
10 tration pursuant to subparagraph (iii) of paragraph (d) of this subdivi-  
11 sion, the department of motor vehicles shall electronically transmit to  
12 the state board of elections through an interface with the electronic  
13 voter registration transmittal system established and maintained by the  
14 state board of elections such portion of the application that includes  
15 voter registration information with a clear designation that such infor-  
16 mation shall be used only for the purpose of updating existing registra-  
17 tion records.

18 4. (a) If information is received by the state board of elections from  
19 the department of motor vehicles pursuant to paragraph (a) of subdivi-  
20 sion two or paragraph (e) or (k) of subdivision three of this section  
21 for a person who is already registered or pre-registered to vote in New  
22 York state, the state board of elections shall determine whether the  
23 information provided to the department of motor vehicles indicates a  
24 different name, residence address, or mailing address from that on such  
25 person's registration record.

26 (b) If information provided to the department of motor vehicles pursu-  
27 ant to paragraph (a) of subdivision two or paragraph (e) or (k) of  
28 subdivision three of this section indicates a different name, residence  
29 address, or mailing address for a registered or pre-registered voter  
30 from that on such person's registration record, the state board of  
31 elections shall electronically transmit the updated name or address for  
32 such person to the appropriate board of elections for such person's  
33 residence. If such person has changed residence from one county to  
34 another, the state board of elections shall electronically transmit such  
35 information to both the board of the previous county or city of resi-  
36 dence and the new county or city of residence. The board of elections in  
37 such person's county or city of residence shall use the information  
38 transmitted by the board to update such person's existing voter regis-  
39 tration record, transfer the person's registration, if inactive, to  
40 active status, and send to such person's address of record the notice  
41 required under subdivision five of section 5-208 of this article. The  
42 board of elections in any previous county or city of residence shall  
43 update such person's voter registration record to reflect that such  
44 person has moved to a different county.

45 (c) If a person returns the notice required under paragraph (b) of  
46 this subdivision and indicates that the change to such person's regis-  
47 tration record was in error, the appropriate boards of elections,  
48 including the board of the previous county or city of residence, shall  
49 promptly correct such person's previously updated information in the  
50 statewide voter registration list.

51 (d) Any application pursuant to subdivision one of this section shall  
52 inform the applicant that if such applicant is already registered or  
53 pre-registered to vote in New York state, the name, residence address,  
54 and mailing address provided on the application shall be used to update  
55 such person's registration record and that such person shall receive

1 notice of any update by mail, along with information on how to correct  
2 such update, if needed.

3 5. The state board of elections shall prepare and distribute to the  
4 department of motor vehicles written instructions as to the implementa-  
5 tion of this section and shall be responsible for establishing training  
6 programs for employees of the department of motor vehicles. Such  
7 instructions and such training shall ensure usability of the integrated  
8 application in subdivision three of this section for low-English profi-  
9 ciency voters. The department of motor vehicles shall take all actions  
10 that are necessary and proper for the implementation of this section,  
11 including facilitating technological capabilities to allow transmission  
12 of data through an interface with the electronic voter registration  
13 transmittal system in a secure manner.

14 6. The state board of elections may promulgate rules and regulations  
15 for the administration of this section.

16 7. Nothing in this section shall be construed to require documentary  
17 proof of citizenship for voter registration. Nothing in this section  
18 shall be construed to authorize or require the department of motor vehi-  
19 cles to request documentation establishing an applicant's citizenship  
20 solely for the purposes of voter registration.

21 8. The state board of elections shall publicly release data reports,  
22 as described in this subdivision, on a monthly basis. Such data reports  
23 shall not include any personally identifying information, shall be  
24 subcategorized by gender and age of the individuals included, and shall  
25 include all of the following information:

26 (a) The number of individuals registered to vote or pre-registered to  
27 vote under the procedures in subdivision two of this section.

28 (b) The number of individuals registered to vote or pre-registered to  
29 vote under the procedures in subdivision three of this section.

30 (c) The number of individuals who declined voter registration or pre-  
31 registration under the procedures in subdivision two of this section.

32 (d) The number of individuals who declined voter registration or pre-  
33 registration under the procedures in subdivision three of this section.

34 (e) The number of individuals whose voter registration or pre-regis-  
35 tration was updated pursuant to the procedures in subdivision four of  
36 this section.

37 § 3. The election law is amended by adding a new section 5-901-a to  
38 read as follows:

39 § 5-901-a. Procedures specific to Medicaid enrollment. 1. Subject to  
40 any modifications necessary to comply with applicable federal laws and

44 following information to the state board of elections for purposes of  
45 voter registration and pre-registration for each person who applies for

52 (d) such person's residence address, and mailing address if different  
53 from the residence address;

54 (e) such person's county of residence;

55 (f) such person's citizenship status;

5 (i) such person's gender, if available;

6 (j) such person's telephone number, if available; and

7 (k) such person's e-mail address, if available.

8 2. If necessary to comply with federal law, before transmitting a  
9 person's information to the state board of elections for purposes of  
10 voter registration pursuant to subdivision one of this section, the  
11 department of health and county and city departments of social services  
12 or their designees shall, within fifteen days of such person's applica-  
13 tion or re-enrollment transaction, notify by mail such person whose data  
14 is subject to transmission pursuant to subdivision one of this section  
15 and provide such person an opportunity to decline transmission. Such  
16 notice shall be sent to such person's mailing address by non-forwardable  
17 mail, notify such person that such person's information will be shared  
18 with election officials for purposes of keeping voter registration  
19 records complete and accurate, and contain a postage paid preaddressed  
20 return form by which such person may decline transmission of such  
21 person's data to the state board of elections. If such person returns  
22 such notice within seventeen days of mailing and declines transmission  
23 of such person's information, such person's information shall not be  
24 transmitted to the state board of elections for purposes of voter regis-  
25 tration. If such person does not return the notice provided under this  
26 subdivision and declines transmission of such person's information with-  
27 in seventeen days of mailing, such person's information shall be trans-  
28 mitted to the state board of elections within three days for purposes of  
29 voter registration.

30 3. In processing information received the department of health and  
31 county and city departments of social services pursuant to subdivision  
32 one of this section, the state board of elections and boards of  
33 elections for each county or the city of New York shall comply with the  
34 requirements established in subdivisions two and four of section 5-901  
35 of this title. Provided that, a person of sufficient age to register to  
36 vote whose information is transmitted to a county or city board pursuant  
37 to this section shall be registered to vote for an election if the  
38 information is transmitted to the county or city board by the tenth day  
39 before such election.

40 § 4. Section 5-902 of the election law, as amended by chapter 37 of  
41 the laws of 2021, is amended to read as follows:

42 § 5-902. Failure to receive exemplar signature not to prevent regis-  
43 tration. If a voter registration exemplar signature is not received from  
44 an applicant who submits a voter registration or pre-registration appli-  
45 cation or is otherwise registered or pre-registered to vote pursuant to  
46 this title and such signature exemplar is not otherwise available from  
47 the statewide voter registration database or a state or local agency,  
48 the local board of elections shall, absent another reason to reject the  
49 application, proceed to register or pre-register and, as applicable,  
50 enroll the applicant. Within ten days of such action, the board of

52 elections to the voter whose record lacks an exemplar signature, requir-

2 the electronic voter registration transmittal system. If such voter does  
3 not provide the required exemplar signature, when the voter appears to  
4 vote the voter shall be entitled to vote by affidavit ballot.

5 § 5. The opening paragraphs of subdivisions 1 and 2 of section 5-904  
6 of the election law, as amended by chapter 37 of the laws of 2021, are  
7 amended to read as follows:

8 Notwithstanding subdivision six of section 5-210 of this article or
