FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

This bill would allow any Tier 6 member who is a uniformed court officer or peace officer employed by the unified court system to retire without early age reduction upon attaining 30 years of creditable service and age 55. It would also reduce the normal retirement age from 63 to 62 and lessen the reductions in benefits for those who retire prior to normal retirement age.

Insofar as this bill affects the New York State and Local Employees' Retirement System (NYSLERS), the increased costs would be borne entirely by the State of New York. If this bill were enacted during the 2024 Legislative Session, the increase in the present value of benefits would be approximately \$34.2 million.

In the NYSLERS, this benefit improvement will be funded by (1) billing a past service cost to cover retrospective benefit increases and (2) increasing the billing rates charged annually to cover prospective benefit increases, as follows:

(1) To fund retrospective costs, the State of New York will be required to pay \$18.9 million as of March 1, 2025.

(2) To fund prospective costs, the annual contribution required of the State of New York will include a separate itemized charge equal to 1.0% of billable salary reported to the NYSLERS for the affected members, or approximately \$2.2 million beginning in fiscal year ending March 31, 2025. This <u>permanent annual cost will increase</u> as Tier 6 salary grows and will vary in subsequent billing cycles with changes in the billing rate.

These estimated costs are based on 2,207 affected members employed by New York State, with annual salary of approximately \$166 million as of March 31, 2023.
