8820--A

## IN SENATE

March 15, 2024

Introduced by Sens. SEPULVEDA, MAYER, PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Mental Health -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT in relation to establishing a statewide person-centered mental health services work group to improve statewide mental health planning and outcomes to achieve a person-centered, prevention-first integrated and tiered system of care for holistic health and wellness

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Statewide person-centered mental health services work  
2 group. 1. There is hereby created a person-centered mental health  
3 services work group to examine, evaluate, determine, recommend, and  
4 oversee implementation of how to improve statewide mental health plan-  
5 ning and outcomes to achieve a person-centered, prevention-first inte-  
6 grated and tiered system of care for holistic health and wellness.  
7 2. The work group shall consist of ten statewide members, four ex  
8 officio members, and twenty-eight regional representative members,  
9 appointed as follows:  
10 (a) Statewide members. Statewide members shall be appointed within  
11 sixty days of the effective date of this act:  
12 (i) two members shall be appointed by the temporary president of the  
13 senate, one of which must be a peer or consumer representative;  
14 (ii) two members shall be appointed by the speaker of the assembly,  
15 one of which must be a peer or consumer representative;  
16 (iii) one member shall be appointed by the minority leader of the  
17 senate;  
18 (iv) one member shall be appointed by the minority leader of the  
19 assembly; and  
20 (v) four members shall be appointed by the governor, one of which must  
21 be a peer or consumer representative.  
22 (b) Ex officio members. The commissioners of the office of addiction  
23 services and supports, the office of mental health, the department of  
24 health, the New York city department of health and mental hygiene, and

1 the local mental hygiene directors, or their designees, shall serve as  
2 ex officio members of the work group.

3 (c) Regional membership and appointments. (i) For purposes of this  
4 act, there shall be nine regions, consisting of the same geographic  
5 areas and counties as the social care networks described in the January  
6 2024 New York State Department of Health Request for Applications: New  
7 York Health Equity Reform: Social Care Networks:

8 (1) Region 1: Capital;

9 (2) Region 2: Western;

10 (3) Region 3: Hudson Valley;

11 (4) Region 4: New York City;

12 (5) Region 5: Finger Lakes;

13 (6) Region 6: Southern Tier;

14 (7) Region 7: Central;

15 (8) Region 8: Long Island;

16 (9) Region 9: North Country.

17 (ii) There shall be three members from each region, except New York  
18 City, which shall have four.

19 (iii) Regional member candidates shall be selected through a nominat-  
20 ing process conducted by ex officio members of the work group in collab-  
21 oration with a statewide advocacy group with knowledge and expertise in  
22 public policy related to enhancing treatment mental health services and  
23 promoting recovery, rehabilitation, individual rights and full community  
24 inclusion. Regional member candidates must have lived experience as a  
25 person who is currently or was previously in the shelter system, used or  
26 using public housing vouchers, court-involved, and/or in the public  
27 health, substance use and mental health systems.

28 3. Appointments shall be made within one hundred twenty days of the  
29 effective date of this act. Vacancies in the work group shall be filled  
30 in the same manner provided for original appointments.

31 4. The work group membership shall accurately reflect the race and  
32 ethnicity of people who use public health and mental health services.  
33 Following the nominating process and if necessary, the nominating body  
34 under subparagraph (iii) of paragraph (c) of subdivision two of this  
35 section shall select alternative members that will ensure the inclusion  
36 and equity targets described herein.

37 5. Participation by non-voting members encourages the inclusion of  
38 diverse viewpoints but does not dilute the decision-making authority of  
39 the work group members who use mental health services. Non-voting  
40 members may participate in all actions afforded members but may not vote  
41 on any resolutions. If not otherwise selected to be a member of the work  
42 group, the following shall be non-voting members:

43 (a) the director of recipient affairs from any local or state govern-  
44 mental unit;

45 (b) representatives of trade associations representing housing and  
46 service providers, hospital associations, and health insurance compa-  
47 nies;

48 (c) representatives of social justice and legal advocacy organizations  
49 with an established track record of public testimony and/or policy  
50 research related to the provision of mental health service; and

51 (d) additional non-voting members may be added at the discretion of  
52 the work group.

53 6. Work group members shall receive no compensation for their efforts  
54 and services as members for the actual and necessary expenses incurred  
55 in the performance of their duties.

1 7. A quorum shall consist of a majority of members of the work group  
2 entitled to vote on the matter under consideration. Approval of any  
3 matter shall require the affirmative vote of a majority of the members  
4 voting thereon. The quorum must include a proportionate number of  
5 members with lived experiences that is equal to or greater than the  
6 proportion of the work group as a whole.

7 8. The work group shall be authorized to adopt by-laws for the manage-  
8 ment and regulation of its affairs.

9 9. The statewide person-centered mental health services work group  
10 shall develop the recommendations for:

11 (a) A regional and statewide mental health planning system to:

12 (i) Establish regional short and long-range strategic goals and strat-  
13 egies that integrate behavioral health and physical health;

14 (ii) Ensure that persons with lived experiences have a leadership role  
15 in the development of these goals;

16 (iii) Ensure adoption through a community consensus process;

17 (iv) Identify measurable outcomes, accountability, and funding for the  
18 strategic goals; and

19 (v) Ensure there is a transparent annual evaluation and quality  
20 improvement process that is consistent across all regions.

21 (b) Establishing a statewide clearinghouse of best practices to be  
22 posted publicly, regularly updated, and on the office of mental health,  
23 the office of addiction services and supports, the department of health,  
24 and the New York city department of health and mental hygiene websites  
25 to ensure the implementation of programs that have proved effective in  
26 one region could be scaled up across the entire system.

27 (c) Establishing an annual budgeting system to ensure regional-identi-  
28 fied priorities are adequately funded.

29 10. In carrying out its functions, the work group shall foster  
30 discussions among, and conduct formal public hearings with requisite  
31 public notice to solicit input from, local stakeholders' interests. It  
32 will conduct research and evaluate strategic planning tools and tech-  
33 niques used in the public sphere that have proven to be effective in  
34 soliciting and incorporating meaningful community input into comparable  
35 regional plans and meet the requirements described in paragraph (a) of  
36 subdivision nine of this section.

37 11. (a) The commissioners of the office of mental health, the office  
38 of addiction services and supports, the department of health, and the  
39 New York city department of health and mental hygiene shall designate a  
40 sufficient number of employees of their offices as are reasonably neces-  
41 sary to provide support services to the statewide work group and its  
42 efforts.

43 (b) The commissioners of the office of mental health, the office of  
44 addiction services and supports, the department of health, and local  
45 county health care agencies shall appoint representatives of their  
46 respective offices to serve as a liaison between their offices and the  
47 work group. All state agencies, public authorities and public benefit  
48 corporations shall provide such assistance as may be reasonably  
49 requested.

50 12. Deliberations, meetings and other proceedings of the work group,  
51 and any committees thereof, shall be governed by article 7 of the public  
52 officers law. Any one or more members of the work group may participate  
53 in a meeting by means of a conference telephone, conference video or  
54 similar communications equipment allowing all persons participating in  
55 the meeting to hear each other at the same time. Participation by such  
56 means shall constitute presence in person at a meeting. At any meetings

1 of the work group conducted by means of a conference telephone, confer-  
2 ence video or similar communications equipment, other than executive  
3 sessions, the public shall be given an opportunity to listen. If a  
4 meeting other than an executive session is to be conducted by means of a  
5 conference telephone, conference video or similar communications equip-  
6 ment, the public notice for the meeting shall inform the public that  
7 such equipment will be used and identify the means by which the public  
8 may listen to such meeting.

9 13. (a) Upon consideration of factors identified in subdivision nine  
10 of this section, the work group shall develop recommendations for reform  
11 of the state's local mental health planning process to ensure it is  
12 informed by consumers and reflective of local needs.

13 (b) The work group shall transmit a report containing these specific  
14 recommendations to the governor and the legislature on or before Novem-  
15 ber 1, 2025. The report and recommendations shall simultaneously be  
16 posted on the websites of the office of mental health, the office of  
17 addiction services and supports, and the department of health, as well  
18 as distributed to the public via the same media channels used to  
19 announce major program or policy changes, or procurement opportunities.

20 § 2. This act shall take effect immediately.
