Introduced by Sen. GIANARIS -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications

AN ACT to amend the public authorities law, in relation to the New York power authority's conferral process

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as  
2 the "public renewables transparency act".

3 § 2. Paragraph (d) of subdivision 27-a of section 1005 of the public  
4 authorities law, as added by section 1 of part QQ of chapter 56 of the  
5 laws of 2023, is amended to read as follows:

6 (d) No later than one hundred eighty days after the effective date of  
7 this subdivision, and annually thereafter, the authority shall confer  
8 with the New York state energy research and development authority, the  
9 office of renewable energy siting, the department of public service,  
10 climate and resiliency experts, labor organizations, and environmental  
11 justice and community organizations concerning the state's progress on  
12 meeting the renewable energy goals established by the climate leadership  
13 and community protection act. At each board of trustees' meeting, there  
14 shall be a public report delivered on the development and implementation  
15 of the authority's renewable energy generation strategic plan. When  
16 exercising the authority provided for in paragraph (a) of this subdivi-  
17 sion, the information developed through such conferral shall be used to  
18 identify projects to help ensure that the state meets its goals under  
19 the climate leadership and community protection act. Any conferral  
20 provided for in this paragraph shall include consideration of the timing  
21 of projects in the interconnection queue of the federally designated  
22 electric bulk system operator for New York state, taking into account  
23 both capacity factors or planned projects and the interconnection  
24 queue's historical completion rate. Any open house meetings conducted  
25 pursuant to this section shall be publicly accessible. A report on the  
26 information developed through such conferral shall be published and made  
27 accessible on the website of the authority, including, but not limited
