6 principal evaluation plans approved by the commissioner pursuant to the
7 provisions of section three thousand twelve-d of this article shall not

31 teacher and principal, where available, on a form and in a manner
32 prescribed by the commissioner. Such data shall be collected and used to
33 the extent necessary to comply with any applicable state and federal
34 statutory requirements.

35 (c) The commissioner and each school district and board of cooperative
36 educational services shall ensure that any release to the public of data
37 collected pursuant to this section, or any other data that is used as a
38 component of performance reviews, does not include personally identify-

40 provided, however, that each school district or board of cooperative
41 educational services shall fully disclose and release to the parents or
42 legal guardians of a student the most recent performance review rating
43 received for each of the teachers and for the principal of the school
44 building to which the student is assigned for the current school year

54 (ii) address each state teaching and educational leadership standard,
55 as developed or adopted by the commissioner;

(iii) consist of multiple measures; provided, however, that one measure shall be classroom observations of classroom teachers and school visits of building principals. (vi) ensure that it is possible for a classroom teacher or building principal to obtain each rating on each teaching or educational leadership standard and as an overall rating. The process by which ratings are assigned shall be transparent and available to those being rated prior to the start of the school year, to the extent practicable; and

(vii) include a process for each classroom teacher and building principal to receive formal support for professional growth each year, provided that teachers and principals who receive an overall rating of Level 1 or 2 shall have a personalized professional development plan, developed by the school district or board of cooperative educational services, consistent with a locally determined growth goal setting process.

Provided, further, that nothing herein shall be construed to prohibit or prevent any other teachers and principals from receiving an overall rating annually.

10 services, as applicable, to terminate a probationary classroom teacher
11 or principal for any statutorily and constitutionally permissible
12 reasons.

13 8. Performance review plans developed pursuant to this section shall
14 be submitted to the commissioner on a form and in a manner prescribed by
15 the commissioner. The commissioner shall review such plan to determine

19 cooperative educational services for revision. Such revisions shall be
20 resolved through collective bargaining, to the extent required under
21 article fourteen of the civil service law. The plan most recently
22 accepted by the commissioner pursuant to this section shall remain in
