Introduced by Sen. PALUMBO -- read twice and ordered printed, and when printed to be committed to the Committee on Higher Education

AN ACT relating to authorizing the state university of New York at Stony Brook to lease certain lands for the purpose of constructing a facility to support research and development to address the national semiconductor chip shortage and related environmental sustainability issues

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Legislative findings. The legislature finds that the State 2 University of New York at Stony Brook ("Stony Brook") is in need of additional facilities to support the research and development needs of faculty, staff, students, and the community and seeks to use approximately 8 acres of underutilized land on Stony Brook's Research and Development Park to build a facility to address these research and development needs, which may include supporting services to address the national semiconductor chip shortage and related environmental sustainability issues, fulfilling a necessary and vital public purpose. 10 legislature further finds that granting the trustees of the State 11 University of New York the authority and power to lease and otherwise 12 contract to make available grounds and facilities of the campus of the 13 State University of New York at Stony Brook will ensure such land is 14 utilized for the benefit of Stony Brook and the surrounding community.

§ 2. Notwithstanding any other law to the contrary, the State Univer-16 sity of New York trustees are authorized and empowered, without any public bidding, to lease and otherwise contract to make available to a ground lessee a portion of the lands of the university generally described in this act for the purpose of developing, constructing, maintaining and operating a facility to support the research and development 21 needs of faculty, staff, students, and the community, which may include supporting services to address the national semiconductor chip shortage and related environmental sustainability issues. Such lease or contract shall be for a period not exceeding ninety-nine (99) years without any 25 fee simple conveyance and otherwise upon terms and conditions determined

by such trustees, subject to the approval of the director of the division of the budget, the attorney general and the state comptroller. the event that the real property that is the subject of such lease or contract shall cease to be used for the purpose described in this act, such lease or contract shall immediately terminate and the real property and any improvements thereon shall revert to the State University of New York. Any lease or contract entered into pursuant to this act shall provide that the real property that is the subject of such lease or contract and any improvements thereon shall revert to the State Univer-sity of New York on the expiration of such contract or lease. The allo-cation of any and all proceeds related to the leases authorized by this act shall be subject to approval by the state university trustees.

- § 3. Any contract or lease entered into pursuant to this act shall be deemed to be a state contract for purposes of article 15-A of the executive law, and any contractor, subcontractor, lessee or sublessee entering into such contract or lease for the construction, demolition, reconstruction, excavation, rehabilitation, repair, renovation, alteration or improvement authorized pursuant to this act shall be deemed a state agency for the purposes of article 15-A of the executive law and subject to the provisions of such article.
- § 4. Notwithstanding any general, special or local law or judicial decision to the contrary, all work performed on a project authorized by this act where all or any portion thereof involves a lease or agreement for construction, demolition, reconstruction, excavation, rehabilitation, repair, renovation, alteration or improvement shall be deemed public work and shall be subject to and performed in accordance with the provisions of article 8 of the labor law to the same extent and in the same manner as a contract of the state, and compliance with all the provisions of article 8 of the labor law shall be required of any lessee, sublessee, contractor or subcontractor on the project, including the enforcement of prevailing wage requirements by the fiscal officer as defined in paragraph e of subdivision 5 of section 220 of the labor law to the same extent as a contract of the state.
- § 5. Without limiting the determination of the terms and conditions of such contracts or leases, such terms and conditions may provide for leasing, subleasing, construction, reconstruction, rehabilitation, improvement, operation and management of and provision of services and assistance and the granting of licenses, easements and other arrangements with regard to such grounds and facilities by the ground lessee, and parties contracting with the ground lessee, and in connection with such activities, the obtaining of funding or financing, whether public or private, unsecured or secured (including, but not limited to, secured by leasehold mortgages and assignments of rents and leases), by the ground lessee and parties contracting with the ground lessee for the purposes of completing the project described in this act.
- § 6. Such lease shall include an indemnity provision whereby the lessee or sublessee promises to indemnify, hold harmless and defend the lessor against all claims, suits, actions, and liability to all persons on the leased premises, including tenant, tenant's agents, contractors, subcontractors, employees, customers, guests, licensees, invitees and members of the public, for damage to any such person's property, whether real or personal, or for personal injuries arising out of tenant's use or occupation of the demised premises.
- § 7. Any contracts entered into pursuant to this act between the ground lessee and parties contracting with the ground lessee shall be awarded by a competitive process.
