AN ACT to amend the general business law, in relation to requiring warnings on generative artificial intelligence systems

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The general business law is amended by adding a new section
2 399-zzzzzz to read as follows:

3 § 399-zzzzzz. Warnings on generative artificial intelligence systems.

4 1. As used in this section the following terms shall have the following
5 meanings:

6 (a) "Generative artificial intelligence system" shall mean a combina-
7 tion of computer code and numerical values designed to use artificial
8 intelligence to generate outputs in the form of expressive material such
9 as text, images, audio, or video and is designed for use by consumers.

10 (b) "Artificial intelligence" shall mean an automated system designed
11 to perform a task typically associated with human intelligence or cogni-
12 tive function.

13 2. The owner, licensee or operator of a generative artificial intelli-
14 gence system shall conspicuously display a warning on the system's user
15 interface that is reasonably calculated to consistently apprise the user
16 that the outputs of the generative artificial intelligence system may be
17 inaccurate and/or inappropriate.

18 3. Where such owner, licensee or operator of a generative artificial
19 intelligence system fails to provide the warning required in subdivision
20 two of this section, such owner, licensee or operator shall be assessed
21 a civil penalty of the lesser of twenty-five dollars per user of such
22 system or one hundred thousand dollars. Each calendar year during which
23 a violation continues shall constitute a separate violation.

24 § 2. This act shall take effect on the ninetieth day after it shall
25 have become a law.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
