Introduced by Sen. PALUMBO -- read twice and ordered printed, and when printed to be committed to the Committee on Higher Education -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT relating to authorizing the state university of New York at Stony Brook to lease certain lands to construct multi-purpose facilities to support housing needs and supporting amenities

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature finds that the state  
2 university of New York at Stony Brook ("Stony Brook") seeks to use  
3 approximately 10 acres of underutilized land on Stony Brook's Southamp-  
4 ton campus to build multi-purpose facilities to support housing needs  
5 and supporting amenities, fulfilling a necessary and vital public  
6 purpose. The legislature further finds that granting the trustees of  
7 the State University of New York ("Trustees") the authority and power to  
8 lease and otherwise contract to make available grounds and facilities of  
9 Stony Brook's campus will ensure such land is utilized for the benefit  
10 of Stony Brook, the surrounding community, and the general public.  
11 § 2. Notwithstanding any other law to the contrary, the trustees are  
12 authorized and empowered, without any public bidding, to lease and  
13 otherwise contract to make available to a ground lessee a portion of the  
14 lands of Stony Brook generally described in this act for the purpose of  
15 developing, constructing, maintaining and operating multi-purpose facil-  
16 ities to support housing needs and supporting amenities. Such lease or  
17 contract shall be for a period not exceeding ninety-nine years without  
18 any fee simple conveyance and otherwise upon terms and conditions deter-  
19 mined by such trustees, subject to the approval of the director of the  
20 division of the budget, the attorney general and the state comptroller.  
21 In the event that the real property that is the subject of such lease or  
22 contract shall cease to be used for the purpose described in this act,  
23 such lease or contract shall immediately terminate and the real property  
24 and any improvements thereon shall revert to the state university of New  
25 York. Any lease or contract entered into pursuant to this act shall

3 sity of New York on the expiration of such contract or lease. Any and  
4 all proceeds related to the leases authorized by this act shall be used  
5 for the benefit of the Stony Brook campus and the allocation of such  
6 proceeds shall be subject to approval by the Trustees.

7 § 3. Any contract or lease entered into pursuant to this act shall be  
8 deemed to be a state contract for purposes of article 15-A of the execu-  
9 tive law, and any contractor, subcontractor, lessee or sublessee enter-  
10 ing into such contract or lease for the construction, demolition, recon-  
11 struction, excavation, rehabilitation, repair, renovation, alteration or  
12 improvement authorized pursuant to this act shall be deemed a state  
13 agency for the purposes of article 15-A of the executive law and subject  
14 to the provisions of such article.

15 § 4. Notwithstanding any general, special or local law or judicial  
16 decision to the contrary, all work performed on a project authorized by  
17 this act where all or any portion thereof involves a lease or agreement  
18 for construction, demolition, reconstruction, excavation, rehabili-  
19 tation, repair, renovation, alteration or improvement shall be subject  
20 to and performed in accordance with the provisions of article 8 of the  
21 labor law to the same extent and in the same manner as a contract of the  
22 state, and compliance with all the provisions of article 8 of the labor  
23 law shall be required of any lessee, sublessee, contractor or subcon-  
24 tractor on the project, including the enforcement of prevailing wage  
25 requirements by the fiscal officer as defined in paragraph e of subdivi-  
26 sion 5 of section 220 of the labor law to the same extent as a contract  
27 of the state.

28 § 5. Notwithstanding any law, rule or regulation to the contrary, the  
29 state university of New York shall not contract out for the instruction  
30 or any pedagogical functions or services, or any administrative  
31 services, and similar professional services currently being performed by  
32 state employees. All such functions and services shall be performed by  
33 state employees pursuant to the civil service law. Nothing in this act  
34 shall result in the displacement of any currently employed state worker  
35 or the loss of position (including partial displacement such as  
36 reduction in the hours of non-overtime, wages or employment benefits),  
37 or result in the impairment of existing contracts for services or  
38 collective bargaining rights pursuant to existing agreements. All posi-  
39 tions currently at the state university of New York in the unclassified  
40 service of the civil service law shall remain in the unclassified  
41 service. No services or work on the property described in this act  
42 currently performed by public employees or future work that is similar  
43 in scope and nature to the work being currently performed by public  
44 employees shall be contracted out or privatized by the state university  
45 of New York or by an affiliated entity or associated entity of the state  
46 university of New York. All such future work shall be performed by  
47 public employees.

50 to be leased as described in section twelve of this act that involves  
51 the design, construction, reconstruction, demolition, excavating, reha-  
52 bilitation, repair, renovation, alteration or improvement of such prop-  
53 erty.

54 (b) "project labor agreement" shall mean a pre-hire collective  
55 bargaining agreement between a contractor and a labor organization,  
56 establishing the labor organization as the collective bargaining repre-

2 which provides that only contractors and subcontractors who sign a pre-  
3 negotiated agreement with the labor organization can perform project  
4 work.

5 § 7. Notwithstanding the provisions of any general, special, or local  
6 law or judicial decision to the contrary, the ground lessee shall  
7 require the use of a project labor agreement, as defined in subdivision

9 tors on the project, consistent with paragraph (a) of subdivision 2 of  
10 section 222 of the labor law.

11 § 8. Nothing in this act shall be deemed to waive or impair any rights  
12 or benefits of employees of the state university of New York that other-  
13 wise would be available to them pursuant to the terms of agreements  
14 between the certified representatives of such employees and the state of  
15 New York pursuant to article 14 of the civil service law; all work  
16 performed on such property that ordinarily would be performed by employ-  
17 ees subject to article 14 of the civil service law shall continue to be  
18 performed by such employees.

20 such contracts or leases, such terms and conditions may provide for  
21 leasing, subleasing, construction, reconstruction, rehabilitation,  
22 improvement, operation and management of and provision of services and  
23 assistance and the granting of licenses, easements and other arrange-  
24 ments with regard to such grounds and facilities by the ground lessee,  
25 and parties contracting with the ground lessee, and in connection with  
26 such activities, the obtaining of funding or financing, whether public  
27 or private, unsecured or secured, including, but not limited to, secured  
28 by leasehold mortgages and assignments of rents and leases, by the  
29 ground lessee and parties contracting with the ground lessee for the  
30 purposes of completing the project described in this act.

31 § 10. Such lease shall include an indemnity provision whereby the  
32 lessee or sublessee promises to indemnify, hold harmless and defend the  
33 lessor against all claims, suits, actions, and liability to all persons  
34 on the leased premises, including tenant, tenant's agents, contractors,  
35 subcontractors, employees, customers, guests, licensees, invitees and  
36 members of the public, for damage to any such person's property, whether  
37 real or personal, or for personal injuries arising out of tenant's use  
38 or occupation of the demised premises.
