Introduced by Sen. JACKSON -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT to amend the education law, in relation to requiring a traffic study as part of an application to establish a charter school

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Paragraph (j) of subdivision 2 of section 2851 of the education law, as added by chapter 4 of the laws of 1998, is amended to read as follows:

(j) Information regarding the facilities to be used by the school, including the location of the school, if known, and the means by which pupils will be transported to and from the school. **Such information shall include a traffic study that evaluates the potential impact of the proposed charter school on traffic patterns, safety and congestion in the surrounding area.** If the facilities to be used by the proposed school are not known at the time the application is submitted, the applicant shall notify the charter entity and, if applicable, the board of regents within ten business days of acquiring facilities for such school **and such traffic study required pursuant to this paragraph must be submitted prior to approval of an application**; provided, however, that the charter school must obtain a certificate of occupancy for such facilities prior to the date on which instruction is to commence at the school.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
