## IN SENATE

May 16, 2024

Introduced by Sen. STAVISKY -- read twice and ordered printed, and when printed to be committed to the Committee on Higher Education

AN ACT to amend the education law and the social services law, in relation to the licensure of dietitian nutritionists and nutritionists; and to repeal certain provisions of the education law relating thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 8000 of the education law, as added by chapter 635  
2 of the laws of 1991, is amended to read as follows:

3 § 8000. Introduction. This article applies to the [~~use of the titles~~  
4 ~~"certified dietitian" and "certified nutritionist"~~] licensing of dieti-  
5 tian nutritionists and nutritionists. A "licensed dietitian nutrition-  
6 ist" shall mean a person duly licensed under this article as meeting the  
7 requirements of subdivision two of section eight thousand four of this  
8 article to practice dietetics and nutrition, which includes the practice  
9 of medical nutrition therapy. A "licensed nutritionist" shall mean a  
10 person duly licensed under this article as meeting the requirements of  
11 subdivision one of section eight thousand four of this article to prac-  
12 tice nutrition, which includes the practice of medical nutrition  
13 therapy. The general provision for all professions contained in article  
14 one hundred thirty of this title shall apply to this article.

15 § 2. Section 8001 of the education law, as added by chapter 635 of the  
16 laws of 1991, is amended to read as follows:

17 § 8001. [~~Definitions~~] Dietetic and nutrition practice. [~~1. Dietetics~~  
18 ~~and nutrition are herein each defined as the integration and applica-~~  
19 ~~tion of principles derived from the sciences of nutrition, biochemistry,~~  
20 ~~physiology, food management and behavioral and social sciences to~~  
21 ~~achieve and maintain people's health.~~

22 ~~2. Where the title "certified dietitian" or "certified nutritionist"~~  
23 ~~is used in this article it shall mean "certified dietitian", "certified~~  
24 ~~dietician", or "certified nutritionist".~~

25 ~~3. A certified dietitian or certified nutritionist is one who engages~~  
26 ~~in the integration and application of principles derived from the~~

~~1 sciences of nutrition, biochemistry, physiology, food management and  
2 behavioral and social sciences to achieve and maintain people's health,  
3 and who is certified as such by the department pursuant to section eight  
4 thousand four of this article. The primary function of a certified  
5 dietitian or certified nutritionist is the provision of nutrition care  
6 services that shall include:~~

~~7 (a) Assessing nutrition needs and food patterns;~~

~~8 (b) Planning for and directing the provision of food appropriate for  
9 physical and nutrition needs; and~~

~~10 (c) Providing nutrition counseling.]~~

11 1. The practice of dietetics encompasses the practice of nutrition and includes providing advanced  
12 medical nutrition therapy and related support activities including the  
13 development and ordering of therapeutic diets via enteral and parenteral  
14 routes; conducting swallow screens; placing nasogastric or nasoenteric  
15 feeding tubes; implementing prescription drug dose adjustments under  
16 medical staff or prescriber-approved disease treatment protocols; order-  
17 ing or discontinuing use of vitamin, mineral, and other dietary supple-  
18 ments; and developing and managing food service operations for the  
19 management or treatment of disease or medical conditions.

20 2. The practice of nutrition involves the provision of nutrition care  
21 services in-person or via telehealth, including medical nutrition thera-  
22 py, to prevent, manage, or treat diseases or medical conditions and  
23 promote wellness. The practice of nutrition shall include the ordering  
24 of patient diets, including oral therapeutic diets; the ordering of  
25 medical laboratory tests related to nutritional therapeutic treatments;  
26 and the provision of recommendations on vitamin, mineral, and other  
27 dietary supplements.

§ 3. Section 8002 of the education law, as added by chapter 635 of the laws of 1991, is amended to read as follows:

§ 8002. Use of titles. ~~[Only a]~~ 1. No person [certified under this article shall be authorized to use the title "certified dietitian", "certified dietitian", or "certified nutritionist"] may designate or hold such person out as a dietitian nutritionist or use or assume the title "dietitian nutritionist", "licensed dietitian nutritionist", "dietician", or any other title indicating that the person is a licensed dietitian nutritionist or append to or use in conjunction with that person's name the letters "LDN" or "LD" unless such person is licensed as a dietitian nutritionist under this article.

2. No person may use or assume any title indicating that the person is a licensed nutritionist or append to or use in conjunction with that person's name the letters "LN" unless the person is licensed as a nutritionist under this article.

3. No person may designate or hold such person out as a nutritionist or use or assume the title "nutritionist" unless the person is licensed under this article.

§ 4. The education law is amended by adding a new section 8002-a to read as follows:

§ 8002-a. Definitions. For the purposes of this article, the following terms shall have the following meanings:

1. "Medical nutrition therapy" means the provision of nutrition assessment, nutrition diagnosis, nutrition intervention, or nutrition monitoring and evaluation for the purpose of management or treatment of a disease or medical condition. Only a person licensed or otherwise exempt under this article shall practice medical nutrition therapy or offer to provide such services.

1 2. "Nutrition care services" means any part or all of the following  
2 services provided within a systematic process:

3 (a) assessing and evaluating the nutritional needs of individuals and  
4 groups and determining resources and constraints in a practice setting,  
5 including ordering of nutrition-related laboratory tests to check and  
6 track nutrition status;

7 (b) identifying nutrition problems and establishing priorities, goals,  
8 and objectives that meet nutritional needs and are consistent with  
9 available resources and constraints;

10 (c) creating individualized dietary plans and issuing and implementing  
11 orders to meet nutritional needs of healthy individuals and individuals  
12 in acute and chronic disease states, including ordering therapeutic  
13 diets, and monitoring the effectiveness thereof;

14 (d) determining and providing appropriate nutrition interventions in  
15 health and disease, including nutrition counseling on food and  
16 prescription drug interactions;

17 (e) developing, implementing, and managing nutrition care systems; and

18 (f) evaluating, making changes in, and maintaining appropriate stand-  
19 ards of quality in food and nutrition service.

20 § 5. Section 8003 of the education law, as amended by chapter 282 of  
21 the laws of 1992, is amended to read as follows:

22 § 8003. State board for dietetics and nutrition. A state board for  
23 dietetics and nutrition shall be appointed by the board of regents, on  
24 recommendation of the commissioner, for the purpose of assisting the  
25 board of regents and the department on matters of [~~certification~~] licen-  
26 sure, practice, and professional conduct in accordance with section  
27 sixty-five hundred eight of this [~~chapter~~] title.

28 [~~The~~] All members serving terms on the state board for dietetics and  
29 nutrition on the effective date of the chapter of the laws of two thou-  
30 sand twenty-four which amended this section shall continue to serve out  
31 their respective terms of office until their respective successors are  
32 appointed and qualified. Thereafter, the board shall consist of [~~not~~  
33 ~~less than thirteen~~] eleven members, [~~ten~~] six of whom shall be [~~certi-~~  
34 ~~fied dietitians or certified nutritionists, except that the members of~~  
35 ~~the first board need not be certified but shall be persons who are~~  
36 ~~eligible for certification under the provisions of this article prior to~~  
37 ~~their appointment to the board. The first board, with respect to~~  
38 ~~members representing the profession, shall consist of five members~~  
39 ~~registered by a national dietetic association having registration stand-~~  
40 ~~ards acceptable to the department and five members who are members of or~~  
41 ~~registered by a national nutritional association having membership~~  
42 ~~and/or registration standards acceptable to the department. Thereafter,~~  
43 ~~members of the profession appointed to such board shall be certified~~  
44 ~~pursuant to this article~~] licensed dietitian nutritionists and two of  
45 whom shall be licensed nutritionists pursuant to this article. To the  
46 extent reasonable, the board of regents should insure the state board is  
47 broadly representative of various professional interests within the  
48 dietetic and nutritional community. [~~Three~~] Two members shall be repre-  
49 sentatives of the general public and one member shall be a physician  
50 licensed under article one hundred thirty-one of this title. Such  
51 physician member shall not be a member of or credentialed by a national  
52 dietetic or national nutrition association. An executive secretary to  
53 the board shall be appointed by the board of regents on the recommenda-  
54 tion of the commissioner.

55 § 6. Section 8004 of the education law is REPEALED and a new section  
56 8004 is added to read as follows:

1 § 8004. Requirements for professional license. 1. Each applicant for  
2 a license as a licensed nutritionist shall: be at least twenty-one  
3 years of age; submit a completed application upon a form and in such  
4 manner as the board prescribes demonstrating the applicant is capable  
5 and professionally competent, as determined by the board, to safely  
6 engage in the practice of nutrition; submit any fees as required by the  
7 board, and submit proof of all of the following:

8 (a) Education: Have received a master's or doctoral degree in nutri-  
9 tion or a nutrition-related science leading to competence in nutrition,  
10 including medical nutrition therapy, in accordance with the commis-  
11 sioner's regulations;

12 (b) Experience: Have completed a planned, continuous, supervised prac-  
13 tice experience satisfactory to the board and in accordance with the  
14 commissioner's regulations, provided that such experience shall require  
15 demonstration of competence in nutrition, including medical nutrition  
16 therapy and involve at least one thousand hours under direct supervision  
17 in the following practice areas, with a minimum of two hundred hours in  
18 each practice area: conducting nutrition assessment; nutrition inter-  
19 vention; and nutrition monitoring and evaluation. The experience shall  
20 be determined by the board to have prepared the applicant to provide  
21 nutrition care services for various populations of diverse cultures,  
22 genders, and across the life cycle, and to be able to competently formu-  
23 late actionable medical nutrition therapies and interventions, educa-  
24 tion, counseling, and ongoing care for the prevention, modulation, and  
25 management of a range of acute and chronic medical conditions within the  
26 scope of nutrition; and

27 (c) Examination: Passage of a nutrition examination satisfactory to  
28 the board and in accordance with the commissioner's regulations.

29 2. (a) Each applicant for a license as a licensed dietitian nutrition-  
30 ist shall: be at least twenty-one years of age, submit a completed  
31 application upon a form and in such manner as the board prescribes  
32 demonstrating the applicant is capable and professionally competent, as  
33 determined by the board, to safely engage in the practice of dietetics  
34 and nutrition, submit any fees as required by the board, and submit  
35 proof of all of the following:

36 (i) Education: Have received a master's or doctoral degree and satis-  
37 factorily completed a program of study accredited by a national dietet-  
38 ics accrediting body and approved by the department in accordance with  
39 the commissioner's regulations;

40 (ii) Experience: Have completed a planned, continuous, supervised  
41 practice experience accredited by a national dietetics accrediting body,  
42 satisfactory to the board and in accordance with the commissioner's  
43 regulations, provided that such experience shall require demonstration  
44 of competence in dietetics and nutrition, including medical nutrition  
45 therapy, and consist of not less than one thousand hours under the  
46 direct supervision. The experience shall be determined by the board to  
47 have prepared the applicant to provide nutrition care services for vari-  
48 ous populations of diverse cultures, genders, and across the life cycle,  
49 and to be able to competently formulate actionable medical nutrition  
50 therapies and interventions, education, counseling, and ongoing care for  
51 the prevention, modulation, and management of a range of acute and  
52 chronic medical conditions within the scope of dietetics and nutrition;  
53 and

54 (iii) Examination: Passage of a dietitian examination satisfactory to  
55 the board and in accordance with the commissioner's regulations.

1 (b) An application for a dietitian nutritionist license submitted by  
2 individuals, who prior to January first, two thousand twenty-four held  
3 registration as a dietitian by a national dietetic commission that has  
4 registration standards acceptable to the department, and currently holds  
5 such registration, is governed by the provisions of law in effect imme-  
6 diately before the effective date of this section, and the former law is  
7 continued in effect for that purpose.

8 3. All applicants for licensure as a licensed nutritionist or licensed  
9 dietitian nutritionist shall pay a fee for an initial license, and a fee  
10 for each triennial registration period.

11 § 7. Section 8005 of the education law is REPEALED.

12 § 8. Section 8006 of the education law is REPEALED and a new section  
13 8006 is added to read as follows:

14 § 8006. Special conditions. 1. Any person who is licensed as a certi-  
15 fied dietitian or a certified nutritionist on the effective date of the  
16 chapter of the laws of two thousand twenty-four which amended this  
17 section, shall be licensed as a licensed dietitian nutritionist without  
18 meeting any additional requirements so long as they hold registration as  
19 a dietitian by a national dietetic commission that has registration  
20 standards acceptable to the department or have completed:

21 (a) a bachelor's or higher degree from a programmatically accredited  
22 didactic program approved by the department in accordance with the  
23 commissioner's regulations;

24 (b) a supervised practice experience acceptable to the board and in  
25 accordance with the commissioner's regulations, provided that such expe-  
26 rience consisted of satisfactory completion of a nationally accredited  
27 dietetic and nutrition experience approved by the department of not less  
28 than nine hundred hours; and

29 (c) passage of a dietician examination satisfactory to the board and  
30 in accordance with the commissioner's regulations.

31 2. Any person who is licensed as a certified dietitian or a certified  
32 nutritionist and does not meet the requirements provided under subdivi-  
33 sion one of this section on the effective date of the chapter of the  
34 laws of two thousand twenty-four which amend this section, shall be  
35 licensed as a licensed nutritionist without meeting any additional  
36 requirements.

37 3. Any non-exempt person practicing the professions to be licensed  
38 pursuant to this article shall apply for a license within one year of  
39 the effective date of this section.

40 § 9. The education law is amended by adding two new sections 8007 and  
41 8008 to read as follows:

42 § 8007. Exemptions. This article shall not be construed to affect or  
43 prevent:

44 1. A licensed physician from practicing such physician's profession as  
45 defined under articles one hundred thirty-one and one hundred thirty-  
46 one-B of this title; a registered professional nurse or a certified  
47 nurse practitioner practicing such nurse or nurse practitioner's profes-  
48 sion as defined under article one hundred thirty-nine of this title; a  
49 licensed physician assistant from such physician assistant's profession  
50 as defined under article one hundred thirty-one-B of this title; or  
51 qualified members of other professions licensed under this title from  
52 performing work incidental to the practice of their professions, except  
53 that such persons may not hold themselves out under the title authorized  
54 by this article.

55 2. A student, intern or resident from engaging in the practice of  
56 dietetics or nutrition while participating in the education or experi-

1 ence requirements under section eight thousand four of this article, so  
2 long as:

3 (a) The student or trainee who is completing their supervised practice  
4 experience required under section eight thousand four of this article  
5 practices under this subdivision not more than five years after complet-  
6 ing education requirements under section eight thousand four of this  
7 article;

8 (b) The student or trainee practices under this subdivision only while  
9 supervised by a qualified supervisor as approved by the department in  
10 accordance with the commissioner's regulations;

11 (c) The student or trainee does not engage in the unrestricted prac-  
12 tice of medical nutrition therapy; and

13 (d) While practicing under this subdivision, the student or trainee  
14 uses a title that clearly indicates such student trainee's status as a  
15 student, intern, trainee, or supervisee.

16 3. A dietitian nutritionist or nutritionist who is serving in the  
17 armed forces of the United States or any other federal agency from  
18 engaging in the practice of medical nutrition therapy, or using govern-  
19 ment issued titles, provided that such practice or title use is related  
20 to service or employment, provided that such practice is related to  
21 service or employment.

22 4. A person who provides individualized nutrition recommendations for  
23 the wellness and primary prevention of chronic disease, health coaching,  
24 holistic and wellness education, guidance, motivation, behavior change  
25 management, services for non-medical weight control, or other nutrition  
26 care services so long as all of the following apply:

27 (a) The services do not constitute medical nutrition therapy;

28 (b) The person does not represent such person using titles authorized  
29 under this article; and

30 (c) The person does not hold such person out as licensed or qualified  
31 to engage in the practice of medical nutrition therapy.

32 5. A person who disseminates non-individualized, written, general  
33 nutrition information in connection with the marketing and distribution  
34 of dietary supplements, food, herbs, or food materials, including expla-  
35 nations of their federally regulated label claims, any known drug-nu-  
36 trient interactions, their role in various diets, or suggestions as how  
37 to best use and combine them so long as such information does not  
38 constitute medical nutrition therapy and the person does not use titles  
39 authorized under this article or hold such person out as qualified to  
40 engage in the practice of medical nutrition therapy.

41 6. A person who provides medical weight control for persons with  
42 obesity as part of any of the following:

43 (a) An instructional program that has been approved in writing by one  
44 of the following:

45 (i) a dietitian nutritionist or nutritionist licensed in this state;  
46 or

47 (ii) a health care practitioner licensed or certified in this state  
48 whose scope of practice includes medical nutrition therapy; or

49 (b) A plan of care that is overseen by a health professional licensed  
50 in this state whose scope of practice otherwise authorizes the health  
51 professional to provide and delegate medical nutrition therapy, so long  
52 as the medical weight control services are not discretionary and do not  
53 require the exercise of professional judgment.

54 7. An individual employed by a WIC program as a "competent profes-  
55 sional authority" as defined in 7 C.F.R § 246.2 (1895) from providing  
56 nutrition services within such WIC program. For the purpose of this

1 subdivision the term "WIC program" shall mean a program authorized by 42  
2 U.S.C. § 1786; and

3 8. A person who does not utilize titles authorized under this article  
4 and assists the provision of medical nutrition therapy if the person  
5 performs only support activities that are not discretionary and that do  
6 not require the exercise of professional judgment for their performance,  
7 and the person is directly supervised by a nutritionist or dietitian  
8 nutritionist licensed under this title.

9 § 8008. Limited permit. 1. The department may issue a limited permit  
10 to practice as a provisionally licensed nutritionist or provisionally  
11 licensed dietitian nutritionist to an applicant for licensure who has  
12 met the education and experience requirements for a licensed nutrition-  
13 ist or licensed dietitian nutritionist provided under section eight  
14 thousand four of this article.

15 2. The duration of a limited permit shall not exceed one year from the  
16 time of its first issue and the department may for good cause renew a  
17 limited permit for an additional one year provided that no individual  
18 shall practice under any limited permit for more than a total of two  
19 years.

20 3. All practice under a limited permit shall be under the supervision  
21 of individuals licensed pursuant to this article.

22 4. The fee for a limited permit or the renewal thereof shall be seven-  
23 ty-five dollars.

24 § 10. Subparagraph (i) of paragraph a of subdivision 1 of section  
25 6503-a of the education law, as amended by chapter 554 of the laws of  
26 2013, is amended to read as follows:

27 (i) services provided under article one hundred fifty-four, one  
28 hundred fifty-seven, one hundred sixty-three or one hundred sixty-seven  
29 of this title for which licensure would be required, or

30 § 11. Section 6505-b of the education law, as amended by chapter 10 of  
31 the laws of 2018, is amended to read as follows:

32 § 6505-b. Course work or training in infection control practices.  
33 Every dentist, registered nurse, licensed practical nurse, podiatrist,  
34 optometrist [~~and~~], dental hygienist, licensed nutritionist, and licensed  
35 dietitian nutritionist practicing in the state shall, on or before July  
36 first, nineteen hundred ninety-four and every four years thereafter,  
37 complete course work or training appropriate to the professional's prac-  
38 tice approved by the department regarding infection control, which shall  
39 include sepsis, and barrier precautions, including engineering and work  
40 practice controls, in accordance with regulatory standards promulgated  
41 by the department, in consultation with the department of health, which  
42 shall be consistent, as far as appropriate, with such standards adopted  
43 by the department of health pursuant to section two hundred thirty-nine  
44 of the public health law to prevent the transmission of HIV, HBV, HCV  
45 and infections that could lead to sepsis in the course of professional  
46 practice. Each such professional shall document to the department at the  
47 time of registration commencing with the first registration after July  
48 first, nineteen hundred ninety-four that the professional has completed  
49 course work or training in accordance with this section, provided,  
50 however that a professional subject to the provisions of paragraph (f)  
51 of subdivision one of section twenty-eight hundred five-k of the public  
52 health law shall not be required to so document. The department shall  
53 provide an exemption from this requirement to anyone who requests such  
54 an exemption and who (i) clearly demonstrates to the department's satis-  
55 faction that there would be no need for [~~him or her~~] such dentist,  
56 registered nurse, licensed practical nurse, podiatrist, optometrist,

1 dental hygienist, licensed nutritionist, and licensed dietitian nutri-  
2 tionist to complete such course work or training because of the nature  
3 of [~~his or her~~] such dentist, registered nurse, licensed practical  
4 nurse, podiatrist, optometrist, dental hygienist, licensed nutritionist,  
5 and licensed dietitian nutritionist practice or (ii) that [~~he or she~~]  
6 such dentist, registered nurse, licensed practical nurse, podiatrist,  
7 optometrist, dental hygienist, licensed nutritionist, and licensed  
8 dietitian nutritionist has completed course work or training deemed by  
9 the department to be equivalent to the course work or training approved  
10 by the department pursuant to this section. The department shall consult  
11 with organizations representative of professions, institutions and those  
12 with expertise in infection control and HIV, HBV, HCV and infections  
13 that could lead to sepsis with respect to the regulatory standards  
14 promulgated pursuant to this section.

15 § 11-a. Section 6505-b of the education law, as amended by chapter 733  
16 of the laws of 2023, is amended to read as follows:

17 § 6505-b. Course work or training in infection control practices.  
18 Every dentist, registered nurse, licensed practical nurse, podiatrist,  
19 optometrist, athletic trainer, [~~and~~] dental hygienist, and licensed  
20 nutritionist, and licensed dietitian nutritionist practicing in the  
21 state shall, on or before July first, nineteen hundred ninety-four and  
22 every four years thereafter, complete course work or training appropri-  
23 ate to the professional's practice approved by the department regarding  
24 infection control, which shall include sepsis, and barrier precautions,  
25 including engineering and work practice controls, in accordance with  
26 regulatory standards promulgated by the department, in consultation with  
27 the department of health, which shall be consistent, as far as appropri-  
28 ate, with such standards adopted by the department of health pursuant to  
29 section two hundred thirty-nine of the public health law to prevent the  
30 transmission of HIV, HBV, HCV and infections that could lead to sepsis  
31 in the course of professional practice. Each such professional shall  
32 document to the department at the time of registration commencing with  
33 the first registration after July first, nineteen hundred ninety-four  
34 that the professional has completed course work or training in accord-  
35 ance with this section, provided, however that a professional subject to  
36 the provisions of paragraph (f) of subdivision one of section twenty-  
37 eight hundred five-k of the public health law shall not be required to  
38 so document. The department shall provide an exemption from this  
39 requirement to anyone who requests such an exemption and who (i) clearly  
40 demonstrates to the department's satisfaction that there would be no  
41 need for [~~him or her~~] such dentist, registered nurse, licensed practical  
42 nurse, podiatrist, optometrist, dental hygienist, licensed nutritionist,  
43 and licensed dietitian nutritionist to complete such course work or  
44 training because of the nature of [~~his or her~~] such dentist, registered  
45 nurse, licensed practical nurse, podiatrist, optometrist, dental hygien-  
46 ist, licensed nutritionist, and licensed dietitian nutritionist practice  
47 or (ii) that [~~he or she~~] such dentist, registered nurse, licensed prac-  
48 tical nurse, podiatrist, optometrist, dental hygienist, licensed nutri-  
49 tionist, and licensed dietitian nutritionist has completed course work  
50 or training deemed by the department to be equivalent to the course work  
51 or training approved by the department pursuant to this section. The  
52 department shall consult with organizations representative of  
53 professions, institutions and those with expertise in infection control  
54 and HIV, HBV, HCV and infections that could lead to sepsis with respect  
55 to the regulatory standards promulgated pursuant to this section.

1 § 12. Paragraph a of subdivision 3 of section 6507 of the education  
2 law, as amended by chapter 479 of the laws of 2022, is amended to read  
3 as follows:

4 a. Establish standards for preprofessional and professional education,  
5 experience and licensing examinations as required to implement the arti-  
6 cle for each profession. Notwithstanding any other provision of law, the  
7 commissioner shall establish standards requiring that all persons apply-  
8 ing, on or after January first, nineteen hundred ninety-one, initially,  
9 or for the renewal of, a license, registration or limited permit to be a  
10 physician, chiropractor, dentist, registered nurse, podiatrist, optome-  
11 trist, psychiatrist, psychologist, licensed master social worker,  
12 licensed clinical social worker, licensed creative arts therapist,

4 training shall be obtained from an institution or provider which has  
5 been approved by the department to provide such coursework or training.  
6 The coursework or training shall include information regarding the phys-  
7 ical and behavioral indicators of child abuse and maltreatment and the  
8 statutory reporting requirements set out in sections four hundred thir-  
9 teen through four hundred twenty of the social services law, including  
10 but not limited to, when and how a report must be made, what other  
11 actions the reporter is mandated or authorized to take, the legal  
12 protections afforded reporters, and the consequences for failing to  
13 report. Such coursework or training may also include information regard-  
14 ing the physical and behavioral indicators of the abuse of individuals  
15 with developmental disabilities and voluntary reporting of abused or  
16 neglected adults to the office for people with developmental disabili-  
17 ties or the local adult protective services unit. Each applicant shall  
18 provide the department with documentation showing that [~~he or she~~] such  
19 applicant has completed the required training. The department shall  
20 provide an exemption from the child abuse and maltreatment training  
21 requirements to any applicant who requests such an exemption and who  
22 shows, to the department's satisfaction, that there would be no need  
23 because of the nature of [~~his or her~~] such applicant's practice for [~~him~~  
24 ~~or her~~] such applicant to complete such training;
