2 ary or beneficiaries, if an option election has been filed prior to
3 death, or the beneficiary or beneficiaries designated for the death
4 benefit, if no option election was filed prior to death, shall have the

28 to make application for a vested retirement allowance pursuant to
29 section three hundred seventy-six of this title. Any such member desir-
30 ing to retire shall execute and file with the comptroller an application
31 for retirement, which shall specify the effective date of [~~his or her~~]
32 such member's retirement, which shall be not less than fifteen nor more
33 than ninety days subsequent to such date of filing. An application for
34 service retirement, filed hereunder in accordance with the provisions of
35 subdivision c of section sixty-two or subdivision f of section sixty-

40 section shall be appropriately adjusted. Notwithstanding any other
41 provision of law, for any member who is eligible to retire [~~and~~], who
42 has died while in active service, and who has filed an application for
43 service retirement less than [~~thirty~~] ninety days prior to death, [~~shall~~
44 ~~be deemed to have retired and~~] the member's designated option election
45 beneficiary or beneficiaries, if an option election has been filed prior
46 to death, or the beneficiary or beneficiaries designated for the death
47 benefit, if no option election was filed prior to death, shall have the
48 option to choose the benefit provided by service retirement rather than

3 are multiple death beneficiaries and such beneficiaries cannot agree on
4 the choice between the death benefit or the service retirement under an
5 agreed upon option, the death benefit shall be payable.

6 § 3. Notwithstanding any other provision of law to the contrary, the
7 provisions of this act shall not be subject to section 25 of the retire-
8 ment and social security law.

9 § 4. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow a deceased member's beneficiary the ability to select between the active member death benefit or a survivor's benefit payable under any optional form of payment elected by said beneficiary, provided that the member

1) was eligible to retire as of the day immediately prior to their death,

2) has died in active service, and

3) has **filed** an application for service retirement less than ninety days prior to their death.

If an option election form was filed by the member prior to death, the beneficiary listed on such option election form shall be permitted to select between the active death benefit or a survivor's benefit. If no option election form was filed by the member prior to death, the active death beneficiary shall be permitted to select between the active death benefit or a survivor's benefit.

When the survivor's benefit is selected, the beneficiary will be permitted to file their own option election form determining the survivor's benefit payable and the member will be deemed to have retired the day prior to their death.

Insofar as this bill affects the New York State and Local Employees' Retirement System (NYSLERS), if this bill is enacted during the 2024 Legislative Session, the cost will depend upon the deceased member's age, service, salary, plan, and the optional form elected by the beneficiary. For standard options, there will be an estimated additional cost of five (5) times the salary of the deceased member, including the cost of the post-retirement death benefit. All costs arising would be shared and spread by the State of New York and all participating employers in the NYSLERS.

Insofar as this bill affects the New York State and Local Police and Fire Retirement System (NYSLPFRS), if this bill is enacted during the 2024 Legislative Session, the cost will depend upon the deceased member's age, service, salary, plan, and the optional form elected by the beneficiary. For standard options, no additional cost is expected to arise in NYSLPFRS. Any costs arising would be shared and spread by the State of New York and all participating employers in the NYSLPFRS.

The number of beneficiaries who could be affected by this legislation cannot be readily determined. However, it is estimated that more than 600 beneficiaries could benefit from this provision each year.
