If the application for registration is denied or withdrawn, one-half of the registration fee provided herein shall be returned to the applicant.

§ 1034. Duties of model management companies. A model management company shall:

(b) not be presented as a necessary condition of entering into an agreement with the model management company;

(c) be subject to termination by the model at any time and for any reason;

(d) not violate the provisions of subdivision one of section one thousand thirty-four of this article and extend only to matters directly related to the provision of modeling services, with the exclusion of the use of the model's digital replica.

2. Any power of attorney agreement that violates this section shall be considered void as a matter of public policy.

2. Any model management company that has failed to comply within the time specified by law with an order issued by the commissioner to comply with the registration requirements of section one thousand thirty-two of this article shall be deemed to have violated this article.

3. (a) The commissioner may impose a civil penalty upon a model management company that has been deemed to have violated this article, for no more than three thousand dollars for the initial violation, and for no more than five thousand dollars for a second or subsequent violation.

(b) The order imposing such civil penalty may be served personally or by certified mail at the last known mailing address of the person being served. Such order shall be in writing and shall describe the nature of the violation, including reference to the provisions of subdivisions one, two and three of this section alleged to have been violated.

4. An order issued under this section shall be final and not subject to review by any court or agency unless a review is had pursuant to section one hundred one of this chapter. Provided that no proceeding for administrative or judicial review as provided in this chapter shall then be pending and the time for initiation of such proceeding shall have expired, the commissioner may file with the county clerk of the county where the person against whom the penalty has been imposed has a place of business the order of the commissioner or the decision of the industrial board of appeals containing the amount of the civil penalty. The filing of such order or decision shall have the full force and effect of a judgment duly docketed in the office of such clerk. The order or decision may be enforced by and in the name of the commissioner in the same manner, and with like effect, as that prescribed by the civil practice law and rules for the enforcement of a money judgment.

5. If any model management company has failed to comply within twenty days of an order by the commissioner to register or renew registration, the commissioner may seek to enjoin such unlawful activity, pursuant to the civil practice law and rules.

6. The attorney general may bring and maintain an action in a court of competent jurisdiction to enforce the provisions of this article when the attorney general has determined there is reasonable cause to believe that a model management company has engaged in repeated fraudulent or

illegal acts or otherwise demonstrates persistent fraud or illegality in the carrying on, conducting, or transacting of business.

7. (a) A model who is aggrieved by a violation of this article may file a complaint with the commissioner within six years after the acts alleged to have violated this article occurred. The commissioner shall prescribe the form of the complaint, which shall include, at a minimum:

(i) the name and mailing address of the model and of the person or entity alleged to have violated this article;

(ii) a statement detailing the terms of the model's contract, including a copy of such contract if available;

(iii) the model's occupation;

(iv) a statement detailing the alleged violations of this article; and

(v) a signed affirmation that all facts alleged in the complaint are true.

(b) (i) Within twenty days of receiving a complaint alleging a violation of this article, the commissioner shall send the person or entity named in the complaint a written notice of complaint. The commissioner shall send such notice by certified mail and shall bear the cost of sending such notice.

(ii) Notice shall include:

(3) materials informing the person or entity that twenty days after receiving the notice of complaint, the person or entity identified in the complaint must answer; and

(c) The response shall include:

(i) a written statement that the model has been paid in full and proof of such payment; or

(ii) a written statement that the model has not been paid in full and the reasons for the failure to provide such payment.

(d) (i) Within twenty days of receiving the written response, the commissioner shall send the model a copy of:

(1) the response;

(2) any enclosures submitted to the commissioner with the response; and

(3) any other information about the status of the complaint.

(ii) If the commissioner receives no response from the person or entity alleged to have violated this article to the notice of complaint within the time provided by this subdivision, then there shall be a rebuttable presumption that such person or entity committed the violations alleged in the complaint. The commissioner shall mail a notice of non-response to both the model and the person or entity named in the complaint by regular mail and shall include with such notice proof that the commissioner previously mailed the notice of complaint to the person or entity named in the complaint by certified mail.

8. An aggrieved model may bring and maintain an action in a court of competent jurisdiction to enforce the provisions of sections one thousand thirty-four and one thousand thirty-five of this article. A model management company that violates these sections shall be liable for actual damages to any model that has suffered damages due to such violation, reasonable attorneys' fees and costs, and, unless the employ-

er proves a good faith basis to believe that its actions were in compliance with the law, an additional amount as liquidated damages in an amount of no more than one hundred percent of the total amount of actual damages, except such liquidated damages may be up to three hundred percent if found that the actions were willful.

§ 1039. Other legal requirements. Nothing in this article shall diminish the rights, privileges, wages, working conditions or remedies of any employee under any applicable collective bargaining agreement.

§ 2. This act shall take effect on the one hundred eightieth day after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
