Introduced by Sen. GALLIVAN -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the environmental conservation law, in relation to requiring hydrofluorocarbon substance standards conform with the United States environmental protection agency rules and regulations

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 19-0301 of the environmental conservation law is amended by adding a new subdivision 6 to read as follows:

6. Any rules or regulations relating to hydrofluorocarbon substances established or implemented by the department shall conform with, and shall not exceed, any applicable rules or regulations set forth by the United States environmental protection agency relating to hydrofluorocarbon substances. For the purposes of this subdivision, "hydrofluorocarbon substances" shall mean any substances used in air conditioning and refrigeration equipment, aerosol propellants and foam end-uses.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
