

STATE OF NEW YORK

9931

IN SENATE

October 11, 2024

Introduced by Sen. BORRELLO -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the public service law, the general obligations law and the general business law, in relation to regulating the placement of renewable energy sources on public and private land; and providing for the repeal of certain provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 3 of section 142 of the public service law, as
2 added by section 11 of part 0 of chapter 58 of the laws of 2024, is
3 amended to read as follows:

4 3. For any municipality, political subdivision or an agency thereof
5 that has received notice of the filing of an application, pursuant to
6 regulations promulgated in accordance with this article, the munici-
7 pality or political subdivision or agency thereof shall within the time-
8 frames established by this subdivision submit a statement to ORES indi-
9 cating whether the proposed project is designed to be sited, constructed
10 and operated in compliance with applicable local laws and regulations,
11 if any, concerning the environment, or public health and safety. In the
12 event that a municipality, political subdivision or an agency thereof
13 submits a statement to ORES that the proposed project is not designed to
14 be sited, constructed or operated in compliance with local laws and
15 regulations [~~and ORES determines not to hold an adjudicatory hearing on
16 the application, ORES shall hold a non-adjudicatory public hearing in or
17 near one or more of the affected municipalities or political subdivi-
18 sions. In any such adjudicatory hearing, ORES or the department, shall
19 designate members of its staff to represent the public interest, includ-
20 ing with respect to the application of local and state laws~~] such appli-
21 cation shall be denied.

22 § 2. The public service law is amended by adding a new section 142-a
23 to read as follows:

24 § 142-a. Prohibition on conflicts of interest. 1. No application shall
25 be deemed completed if such application provides compensation or a host
26 agreement to a local elected official of a municipality or political

1 subdivision, government employee, or an immediate family member of such
2 a local elected official or government employee.

3 2. Where a municipality or political subdivision is to determine
4 whether a proposed project is designed to be sited, constructed or oper-
5 ated in compliance with applicable local laws and regulations pursuant
6 to section one hundred forty-two of this article, if any individual or
7 individuals who participate in voting on approving such project would
8 receive compensation or a host agreement as a result of such project
9 being approved, such individual or individuals shall be required to
10 recuse themselves from such vote. Furthermore, such individual or indi-
11 viduals shall not participate in any discussions or deliberations on
12 whether such proposed project should be approved.

13 § 3. The public service law is amended by adding a new section 149 to
14 read as follows:

15 § 149. Transparency requirements. The office of renewable energy
16 siting and electric transmissions shall establish and maintain a data-
17 base of all host agreements and land contracts related to major renewa-
18 ble energy facilities built in the state of New York. Such database
19 shall be in an electronic format on the office of renewable energy
20 siting and electric transmissions website and made available to the
21 public. Such host agreements and land contracts shall be unredacted.

22 § 4. Section 144 of the public service law, as added by section 11 of
23 part O of chapter 58 of the laws of 2024, is amended to read as follows:

24 § 144. Powers of municipalities and state agencies and authorities. 1.
25 Applicants shall, prior to filing an application, conduct meetings with
26 the respective chief executive officer of all municipalities in which
27 the proposed major renewable generation facility or major electric tran-
28 smission facility will be located. The applicant shall provide as part
29 of the application presentation materials and a summary of questions
30 raised, and responses provided during such meetings with municipalities.
31 In the event the applicant is unable to secure a meeting with a relevant
32 municipality the application shall contain a detailed explanation of all
33 of the applicant's best efforts and reasonable attempts to secure such
34 meeting, including, but not limited to, written communications between
35 the applicant and the municipality.

36 2. Notwithstanding any other provision of law, including without limi-
37 tation article eight of the environmental conservation law and article
38 VII of this chapter, no other state agency, department or authority, or
39 any municipality or political subdivision or any agency thereof may,
40 except as expressly authorized under this article or the rules and regu-
41 lations promulgated under this article, require any approval, consent,
42 permit, certificate, contract, agreement, or other condition for the
43 development, design, construction, operation, or decommissioning of [~~a~~
44 ~~major renewable energy facility or~~] a major electric transmission facil-
45 ity with respect to which an application for a siting permit has been
46 filed, provided in the case of a municipality, political subdivision or
47 an agency thereof, such entity has received notice of the filing of the
48 application therefor. Notwithstanding the foregoing, the department of
49 environmental conservation shall be the permitting agency for permits
50 issued pursuant to federally delegated or federally approved programs.

51 3. In the case of a major renewable energy facilities agreements with
52 a municipality or political subdivision, such municipality or political
53 subdivision may require any approval, consent, permit, certificate,
54 contract, agreement, or other condition for the development, design,
55 construction, operation, or decommissioning of a major renewable energy
56 facility prior to giving approval for an application. Such municipality

1 or political subdivision shall hire and retain independent attorneys to
 2 review such agreements and applicants for a major renewable energy
 3 facility that provides wind or solar power shall be prohibited from
 4 providing attorneys to such municipality or political subdivision.

5 4. This section shall not impair or abrogate any federal, state or
 6 local labor laws or any otherwise applicable state law for the
 7 protection of employees engaged in the construction and operation of a
 8 major renewable energy facility or major electric transmission facility.

9 ~~[4-]~~ 5. ORES and the department shall monitor, enforce and administer
 10 compliance with any terms and conditions set forth in a siting permit
 11 issued pursuant to this article and in doing so may use and rely on
 12 authority otherwise available under this chapter.

13 § 5. The general obligations law is amended by adding a new section
 14 5-338 to read as follows:

15 § 5-338. Agreements concerning the siting of major renewable energy
 16 facilities. Every undertaking or promise, whether written or oral,
 17 express or implied, constituting or contained, in any contract or agree-
 18 ment of hiring or employment between any individual, firm, company,
 19 association or corporation and any municipality or political subdivision
 20 and private landowner for the sale of land for the siting of a major
 21 renewable energy facility as contemplated by article eight of the public
 22 service law shall not contain a clause requiring the forfeiture of
 23 mineral rights.

 25 to read as follows:

26 ARTICLE 45-A

27 RENEWABLE ENERGY SOLICITORS

28 Section 1510. Definitions.

29 1511. Prohibited practices.

30 1512. Violations and penalties.

31 § 1510. Definitions. As used in this article, unless the context or
 32 subject matter otherwise requires:

33 1. "Renewable energy resources" shall have the same meaning as defined
 34 in section 1-103 of the energy law.

35 2. "Renewable energy resources agency" shall mean a person, firm or
 36 corporation engaged in business, the principal purpose of which is to
 37 solicit public agencies, municipalities, or private individuals to
 38 purchase a renewable energy resource power plant.

39 3. "Communication" shall mean the conveying of information regarding
 40 renewable energy resources directly or indirectly to any person through
 41 any medium.

42 4. "Renewable energy resources solicitor" means an individual who, as
 43 part of such individual's job, to solicit agencies, municipalities, or
 44 private individuals to purchase a renewal energy resource power plant.

45 § 1511. Prohibited practices. No renewable energy resources agency as
 46 defined by this article, or such agency's agent shall:

47 1. Simulate in any manner a law enforcement officer, or a represen-
 48 tative of any governmental agency of the state of New York or any of its
 49 political subdivisions;

50 2. Communicate with agencies, municipalities, or private individuals,
 51 including, but not limited to, any private individuals' family or house-
 52 hold members, with such frequency or at such unusual hours or in such a
 53 manner as can reasonably be expected to abuse or harass the agency,
 54 municipality or private individual; or

55 3. Use a communication which simulates in any manner legal or judicial
 56 process, or which gives the appearance of being authorized, issued, or

1 approved by a government, governmental agency, or attorney at law when
2 it is not.

3 § 1512. Violations and penalties. 1. Except as otherwise provided by
4 law, any person who violates the terms of section fifteen hundred eleven
5 of this article is guilty of a misdemeanor, and each such violation
6 shall be deemed a separate offense.

7 2. The attorney general or the district attorney of any county may
8 bring an action in the name of the people of the state to restrain or
9 prevent any violation of this article or any continuance of any such
10 violation.

11 § 7. This act shall take effect immediately; provided, however, the
12 amendments to article 8 of the public service law made by sections one,
13 two, three and four of this act shall not affect the repeal of such
14 article and shall be deemed repealed therewith; and provided further,
15 that sections five and six of this act shall expire and be deemed
16 repealed on the same date and in the same manner as section 11 of part 0
17 of chapter 58 of the laws of 2024.
