3 disallowances or sanctions taken against
4 the district pursuant to the social
5 services law or federal law.

6 Notwithstanding any other provision of law,

8 reimbursing a social services district and
9 a district shall not seek state reimburse-
10 ment for any portion of any state disal-
11 lowance or sanction taken against the
12 social services district, or any federal
13 disallowance attributable to final federal
14 agency decisions or to settlement made, on
15 or after July 1, 1995, when such disallow-
16 ance or sanction results from the failure
17 of the social services district to comply
18 with federal or state requirements,
19 including, but not limited to, failure to
20 document eligibility for federal or state
21 funds in the case record; provided, howev-
22 er, if the office determines that any
23 federal disallowance for services provided
24 between January 1, 1999 and May 31, 1999
25 results solely from the late enactment of
26 the state legislation implementing the
27 federal adoption and safe families act,
28 the state shall be solely responsible for
29 the full amount of the disallowance or
30 sanction; provided, further, however, this
31 provision shall be deemed to apply both
32 prospectively and retroactively regardless
33 of whether such sanctions or disallowances
34 are for services provided or claims made
35 prior to or after April 1, 2024.

36 Notwithstanding any other provision of law,

45 requirements or have not taken the neces-
46 sary actions to ensure compliance with

bility for all title IV-E eligible children within the required time frames; claim title IV-E funding only for cases that meet all of the title IV-E eligibility criteria; and fully implement the social services payment system on or before April 1, 2005 for all direct and voluntary agency foster care services.

Notwithstanding any law to the contrary, the office of children and family services shall impose on social services districts any federal disallowance issued against the state as a result of a federal title IV-E secondary eligibility review regardless of the date the children may have entered foster care, the date the eligibility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest payments on such amount, the office of children and family services is authorized to immediately offset funds otherwise due to each district for a pro rata share of the total disallowed costs based on the percentage of applicable federal title IV-E claims made by that district for the relevant time period as compared to the total applicable statewide title IV-E claims. The amount of the offset against each district will be adjusted, if necessary, upon completion of the disallowance allocation process. The final allocation of the amount of any federal disallowance resulting from a title IV-E secondary eligibility review shall be allocated among the districts so that each district shall be responsible for the amount

1 attributable to each of the district's
2 children or cases that are determined by
3 the federal review to be unallowable. Each
4 district shall also be responsible for a
5 portion of the federal extrapolated disal-
6 lowance amount based on the relative error
7 rate for the district. The city of New
8 York's error rate will be based on the
9 federal sample and federal statistics. For
10 all social services districts other than
11 the city of New York, the error rate will
12 be based on a review conducted by the
13 district of a sample of children and/or
14 cases determined by the office of children
15 and family services and a re-review of a
16 sub-sample by the office of those children
17 and/or cases determined by the office. The
18 office of children and family services
19 will determine what is reasonable in
20 establishing the size of the sample and
21 sub-sample for each district. The office
22 of children and family services shall
23 notify each social services district of
24 the sample of children and/or cases from
25 the federal audit period that the social
26 services district must review. Any child
27 or case from the social services district
28 that was included in the federal sample
29 will automatically be included in the
30 social services district's review sample
31 and the determination made at the federal
32 review regarding that child or case will
33 govern for the purposes of the social
34 services district's review. The social
35 services district must complete and submit
36 the results of its review to the office of
37 children and family services within 60
38 days of receipt of the sample. The error
39 rate for the district will be based on the
40 findings of the district's review and the
41 office of children and family services'
42 re-review. If a social services district
43 does not complete its review within 60
44 days of receiving the sample from the
45 office of children and family services,
46 the office of children and family services
47 shall assign an error rate to the social
48 services district based on the relative
49 percentage of the district's applicable
50 title IV-E claims for the relevant period
51 as compared to applicable statewide title

1 IV-E claims for that period and other
2 circumstances that the office of children
3 and family services may consider in order
4 to allocate 100 percent of the federal
5 disallowance. The office of children and
6 family services shall apply each social
7 services district's error rate to the
8 total amount of the district's applicable
9 title IV-E claims including associated
10 administrative expenses. The resulting
11 dollar amounts for all of the social
12 services districts will be summed to
13 derive the total amount of title IV-E
14 claims deemed to be in error statewide. To
15 establish a disallowance percentage for
16 each social services district, the amount
17 of the district's title IV-E claims deemed
18 to be in error will be divided by the
19 amount of statewide title IV-E claims
20 deemed to be in error. The resulting
21 disallowance percentage for each district
22 will be applied to the entire title IV-E
23 extrapolated disallowance calculated by
24 the federal review to determine the amount
25 of the extrapolated disallowance for which
26 the district is responsible. Each district
27 will be credited for the amount already
28 disallowed for any individual children or
29 cases found to be in error during the
30 federal review. The exclusive appeal
31 rights for the review of the amount of the
32 federal disallowance assigned to each
33 social services district shall be pursuant
34 to article 78 of the civil practice law
35 and rules; provided, however, that in any
36 such action all of the social services
37 districts shall be joined as necessary
38 parties and the venue of any such action
39 shall be in Rensselaer county. Any social
40 services district that fails to complete

43 shall not be a necessary party to any
44 action brought by another social services
45 district.

20 Local Assistance Account - 10000

21 By chapter 53, section 1, of the laws of 2023:

22 Notwithstanding any inconsistent provision of law, the amount appro-
23 priated herein, shall be available under a foster care block grant
24 for state reimbursement of eligible social services district expend-
25 itures for the provision and administration of foster care services
26 including care, maintenance, supervision, and tuition; for super-
27 vision of foster children placed in federally funded job corps
28 programs; for care, maintenance, supervision, and tuition for adju-
29 dicated juvenile delinquents placed in residential programs operated
30 by authorized agencies and in out-of-state residential programs; for
31 the provision and administration of the kinship guardian assistance
32 program including kinship guardianship assistance payments and
33 payments for non-recurring guardianship expenses and eligible
34 expenditures associated with local compliance with the federal Fami-
35 ly First Prevention Services Act (P.L. 115-123); except that,
36 reimbursement from the amount appropriated herein shall not be
37 available for tuition expenditures for foster children, including
38 persons in need of supervision and adjudicated juvenile delinquents,
39 made by a social services district located within a city having a
40 population of one million or more.

41 Notwithstanding any other provision of law, a portion of the funds are
42 available to reimburse social services districts for the change in
43 the maximum state aid rates established by the office of children
44 and family services for the 2023-24 rate year pursuant to section
45 398-a of the social services law and sections 4003 and 4405 of the
46 education law to reflect the continuation of the cost of living

1 foster parents and for salary and fringe benefit costs and other
2 critical nonpersonal services costs for foster care programs as
3 determined by the office. Social services districts must adjust the
4 amount of payments made for care provided by congregate care and
5 foster boarding home programs and to foster parents to reflect the
6 cost of living adjustments in the manner specified by the office.
7 Each authorized agency operating a congregate care or foster board-
8 ing home program in New York state for which the office sets a maxi-
9 mum state aid rate pursuant to section 398-a of the social services
10 law or section 4003 or 4405 of the education law shall submit, at
11 the time and in a manner to be determined by the office, a written
12 certification, attesting that the funds received for the continua-
13 tion of the cost of living adjustment to the maximum state aid rate
14 that became effective April 1, 2008 for that program will be or were
15 used solely in accordance with the requirements of the cost of
16 living adjustment established by the office.

17 Notwithstanding any inconsistent provision of law except a chapter of
18 the laws of 2023 authorizing a 4.0 percent cost of living adjustment
19 increase for the period commencing on April 1, 2023 and ending March
20 31, 2024, the commissioner shall not apply any other cost of living
21 adjustment for the purpose of establishing rates of payments,
22 contracts or any other form of reimbursement, provided that this
23 shall not prevent the commissioner from applying additional trend or
24 staff retention factors for this program.

25 Within the amounts appropriated herein, state reimbursement to each
26 social services district for services identified herein that are
27 otherwise reimbursable by the state from April 1, 2023 through March
28 31, 2024 shall be limited to a district allocation, hereinafter
29 referred to as the district's block grant allocation. Notwithstand-
30 ing any other provision of law, such block grant allocation shall be
31 based, in part, on each district's claims for such costs, adjusted
32 by the applicable cost allocation methodology and net of any retro-
33 active payments for the 12 month period ending June 30, 2022 that
34 are submitted on or before January 2, 2023 and, in part, on such
35 other factors as determined by the office of children and family
36 services and approved by the director of the budget. Any portion of
37 a social services district's allocation from funds appropriated
38 herein not claimed by such district during the state fiscal year may
39 be used by such district for expenditures on preventive services
40 provided pursuant to section 409-a of the social services law, inde-
41 pendent living services and aftercare services provided pursuant to
42 regulations of the department of family assistance, claimed by such
43 district during the next state fiscal year up to the amount remain-
44 ing from the district's foster care block grant allocation, provided
45 however, that any claims for such services during the next state
46 fiscal year in excess of such amount shall be subject to 62 percent
47 state reimbursement exclusive of any federal funds made available
48 for such purposes, in accordance with directives of the department
49 of family assistance and subject to the approval of the director of
50 the budget. Any claims submitted by a social services district for
51 reimbursement for a particular state fiscal year for which the

1 social services district does not receive state or federal
2 reimbursement during that state fiscal year may not be claimed
3 against that district's block grant apportionment for the next state
4 fiscal year.

5 The office of children and family services, with the approval of the
6 director of the budget, may reduce a district's block grant allo-
7 cation by the state share decrease related to federal retroactive
8 reimbursement for such foster care services identified herein. The
9 office, with the approval of the director of the budget, may reduce
10 a district's block grant allocation by the state share of disallow-
11 ances or sanctions taken against the district pursuant to the social
12 services law or federal law.

13 Notwithstanding any other provision of law, the state shall not be
14 responsible for reimbursing a social services district and a
15 district shall not seek state reimbursement for any portion of any
16 state disallowance or sanction taken against the social services
17 district, or any federal disallowance attributable to final federal
18 agency decisions or to settlement made, on or after July 1, 1995,
19 when such disallowance or sanction results from the failure of the
20 social services district to comply with federal or state require-
21 ments, including, but not limited to, failure to document eligibil-
22 ity for federal or state funds in the case record; provided, howev-
23 er, if the office determines that any federal disallowance for
24 services provided between January 1, 1999 and May 31, 1999 results
25 solely from the late enactment of the state legislation implementing
26 the federal adoption and safe families act, the state shall be sole-
27 ly responsible for the full amount of the disallowance or sanction;
28 provided, further, however, this provision shall be deemed to apply
29 both prospectively and retroactively regardless of whether such
30 sanctions or disallowances are for services provided or claims made
31 prior to or after April 1, 2023.

32 Notwithstanding any other provision of law, any federal disallowance
33 resulting from a federal title IV-E eligibility review or audit that
34 uses extrapolated statistic techniques shall be passed along by the
35 state to any and all social services districts that the office of
36 children and family services has determined have not complied with
37 the title IV-E eligibility requirements or have not taken the neces-
38 sary actions to ensure compliance with such requirements including,
39 but not limited to, failing to: assess and fully document all the
40 criteria and have readily available all the necessary documents to
41 establish and continue title IV-E eligibility for all title IV-E
42 eligible children within the required time frames; claim title IV-E
43 funding only for cases that meet all of the title IV-E eligibility
44 criteria; and fully implement the social services payment system on
45 or before April 1, 2005 for all direct and voluntary agency foster
46 care services.

47 Notwithstanding any law to the contrary, the office of children and
48 family services shall impose on social services districts any feder-
49 al disallowance issued against the state as a result of a federal
50 title IV-E secondary eligibility review regardless of the date the
51 children may have entered foster care, the date the eligibility or

1 payment errors occurred, or the filing date of any federal claims
2 for reimbursement; provided, however, that the state shall be
3 responsible for the disallowed costs and expenditures related to the
4 placement of children in a facility operated by the office of chil-
5 dren and family services, which shall be determined in the same
6 manner as the disallowed costs and expenditures for social services
7 districts other than the city of New York. In order to reimburse the
8 federal government for the full amount of any disallowance imposed
9 on the state by the federal administration for children and families
10 within the timeframes necessary to avoid any potential interest
11 payments on such amount, the office of children and family services
12 is authorized to immediately offset funds otherwise due to each
13 district for a pro rata share of the total disallowed costs based on
14 the percentage of applicable federal title IV-E claims made by that
15 district for the relevant time period as compared to the total
16 applicable statewide title IV-E claims. The amount of the offset
17 against each district will be adjusted, if necessary, upon
18 completion of the disallowance allocation process. The final allo-
19 cation of the amount of any federal disallowance resulting from a
20 title IV-E secondary eligibility review shall be allocated among the
21 districts so that each district shall be responsible for the amount
22 attributable to each of the district's children or cases that are
23 determined by the federal review to be unallowable. Each district
24 shall also be responsible for a portion of the federal extrapolated
25 disallowance amount based on the relative error rate for the
26 district. The city of New York's error rate will be based on the
27 federal sample and federal statistics. For all social services
28 districts other than the city of New York, the error rate will be
29 based on a review conducted by the district of a sample of children
30 and/or cases determined by the office of children and family
31 services and a re-review of a sub-sample by the office of those
32 children and/or cases determined by the office. The office of chil-
33 dren and family services will determine what is reasonable in estab-
34 lishing the size of the sample and sub-sample for each district. The
35 office of children and family services shall notify each social
36 services district of the sample of children and/or cases from the
37 federal audit period that the social services district must review.
38 Any child or case from the social services district that was
39 included in the federal sample will automatically be included in the
40 social services district's review sample and the determination made
41 at the federal review regarding that child or case will govern for
42 the purposes of the social services district's review. The social
43 services district must complete and submit the results of its review
44 to the office of children and family services within 60 days of
45 receipt of the sample. The error rate for the district will be based
46 on the findings of the district's review and the office of children
47 and family services' re-review. If a social services district does
48 not complete its review within 60 days of receiving the sample from
49 the office of children and family services, the office of children
50 and family services shall assign an error rate to the social
51 services district based on the relative percentage of the district's

1 applicable title IV-E claims for the relevant period as compared to
2 applicable statewide title IV-E claims for that period and other
3 circumstances that the office of children and family services may
4 consider in order to allocate 100 percent of the federal disallow-
5 ance. The office of children and family services shall apply each
6 social services district's error rate to the total amount of the
7 district's applicable title IV-E claims including associated admin-
8 istrative expenses. The resulting dollar amounts for all of the
9 social services districts will be summed to derive the total amount
10 of title IV-E claims deemed to be in error statewide. To establish a
11 disallowance percentage for each social services district, the
12 amount of the district's title IV-E claims deemed to be in error
13 will be divided by the amount of statewide title IV-E claims deemed
14 to be in error. The resulting disallowance percentage for each
15 district will be applied to the entire title IV-E extrapolated
16 disallowance calculated by the federal review to determine the
17 amount of the extrapolated disallowance for which the district is
18 responsible. Each district will be credited for the amount already
19 disallowed for any individual children or cases found to be in error
20 during the federal review. The exclusive appeal rights for the
21 review of the amount of the federal disallowance assigned to each
22 social services district shall be pursuant to article 78 of the
23 civil practice law and rules; provided, however, that in any such
24 action all of the social services districts shall be joined as
25 necessary parties and the venue of any such action shall be in Rens-
26 selaer county. Any social services district that fails to complete
27 its sample review in the required time frames shall have no right to
28 appeal and shall not be a necessary party to any action brought by
29 another social services district.

30 The money hereby appropriated is to be available for payment of state
31 aid heretofore accrued or hereafter to accrue to municipalities.
32 Subject to the approval of the director of the budget, such funds
33 shall be available to the office net of disallowances, refunds,
34 reimbursements, and credits.

13 determined by the commissioner of health,
14 incurred both prior to and subsequent to

5 expected to become available, in the
6 discretion of the commissioner, under the
7 Affordable Care Act; (4) reductions shall
8 be made uniformly among categories of
9 services and geographic regions of the
10 state, to the extent practicable, and
11 shall be made uniformly within a category
12 of service, to the extent practicable,
13 except where the commissioner determines
14 that there are sufficient grounds for
15 non-uniformity, including but not limited
16 to: the extent to which specific catego-
17 ries of services contributed to department
18 of health medicaid state funds spending in
19 excess of the limits specified herein; the
20 need to maintain safety net services in
21 underserved communities; or the potential

44 (a) The commissioner shall post the medicaid
45 savings allocation adjustment on the
46 department of health's website and shall

12 commissioner need not seek the input
13 described in paragraph (a) of this subdi-

29 potential for such widespread risk of
30 exposure; or (iii) any other event or
31 condition determined by the commissioner
32 to constitute an imminent threat to public
33 health.

34 Nothing in this paragraph shall be deemed to
35 prevent all or part of such medicaid
36 savings allocation adjustment from taking
37 effect retroactively to the extent permit-
38 ted by the federal centers for medicare
39 and medicaid services.

40 In accordance with the medicaid savings

12 The department of health shall prepare a
13 quarterly report that sets forth: (a)
14 known and projected department of health
15 medicaid expenditures as described in
16 subdivision (1) of this section, and

1 for each such period, and if the director
2 of the budget determines that such expend-
3 itures are expected to cause medicaid
4 spending for such period to exceed the
5 aggregate limit specified herein for such
6 period, the state medicaid director, in
7 consultation with the director of the
8 budget and the commissioner of health,
9 shall develop a medicaid savings allo-

42 expected to become available, in the
43 discretion of the commissioner, under the
44 Affordable Care Act; (4) reductions shall
45 be made uniformly among categories of
46 services and geographic regions of the
47 state, to the extent practicable, and

3 excess of the limits specified herein; the
4 need to maintain safety net services in
5 underserved communities; or the potential
6 benefits of pursuing innovative payment
7 models contemplated by the Affordable Care

3 The director of the budget, in consultation
4 with the commissioner of health, shall
5 assess on a quarterly basis known and
6 projected medicaid expenditures by category
7 of service and by geographic region, as
8 determined by the commissioner of health,
9 incurred both prior to and subsequent to
10 such assessment for each such period, and
11 if the director of the budget determines
12 that such expenditures are expected to
13 cause medicaid spending for such period to
14 exceed the aggregate limit specified herein
15 for such period, the state medicaid
16 director, in consultation with the director
17 of the budget and the commissioner of
18 health, shall develop a medicaid savings

21 for such period.

22 Such medicaid savings allocation adjustment
23 shall be designed, to reduce the expenditures
24 authorized by the appropriations
25 herein in compliance with the following
26 guidelines: (1) reductions shall be made
27 in compliance with applicable federal law,
28 including the provisions of the Patient
29 Protection and Affordable Care Act, Public

44 the medicaid savings allocation adjustment
45 that meets the other criteria set forth

48 participation, to the extent practicable,
49 including any federal financial participation
50 that is available or is reasonably expected
51 to become available, in the
52 discretion of the commissioner, under the

DEPARTMENT OF HEALTH

1 Affordable Care Act; (4) reductions shall
2 be made uniformly among categories of
3 services and geographic regions of the
4 state, to the extent practicable, and
5 shall be made uniformly within a category
6 of service, to the extent practicable,
7 except where the commissioner determines
8 that there are sufficient grounds for
9 non-uniformity, including but not limited
10 to: the extent to which specific categories
11 of services contributed to department
12 of health medicaid state funds spending in
13 excess of the limits specified herein; the
14 need to maintain safety net services in
15 underserved communities; or the potential
16 benefits of pursuing innovative payment
17 models contemplated by the Affordable Care
18 Act, in which case such grounds shall be
19 set forth in the medicaid savings allocation
20 adjustment; and (5) reductions
21 shall be made in a manner that does not

25 The commissioner shall seek the input of the

40 department of health's website and shall
41 provide written copies of such plan to the
42 chairs of the senate finance and the
43 assembly ways and means committees at
44 least 30 days before the date on which
45 implementation is expected to begin.

46 (b) The commissioner may revise the medicaid

48 to the provisions of notice and prior to
49 implementation but needs to provide a new
50 notice pursuant to subparagraph (i) of
51 this paragraph only if the commissioner

4 (a) and (b) of this subdivision, the
5 commissioner need not seek the input
6 described in paragraph (a) of this subdivi-
7 sion or provide notice pursuant to para-
8 graph (b) of this subdivision if, in the
9 discretion of the commissioner, expedited
10 development and implementation of a medi-

17 significantly increases the immediate need
18 for health care personnel in an area of
19 the state; (ii) an event or condition that
20 creates a widespread risk of exposure to a
21 serious communicable disease, or the
22 potential for such widespread risk of
23 exposure; or (iii) any other event or
24 condition determined by the commissioner
25 to constitute an imminent threat to public
26 health.

27 Nothing in this paragraph shall be deemed to
28 prevent all or part of such medicaid
29 savings allocation adjustment from taking
30 effect retroactively to the extent permit-
31 ted by the federal centers for medicare
32 and medicaid services.

33 In accordance with the medicaid savings
34 allocation adjustment, the commissioner of
35 the department of health shall reduce

5 The department of health shall prepare a
6 quarterly report that sets forth: (a)
7 known and projected department of health
8 medicaid expenditures as described in
9 subdivision (1) of this section, and
10 factors that could result in medicaid
11 disbursements for the relevant state
12 fiscal year to exceed the projected

14 ments in the enacted budget financial plan
15 pursuant to subdivision 3 of section 23 of
16 the state finance law, including spending

28 geographic region of the state. Each such
29 quarterly report shall be provided to the
30 chairs of the senate finance and the

3 The commissioner shall seek the input of the
4 legislature, as well as organizations
5 representing health care providers,

10 all or part of such adjustment, in the
11 discretion of the commissioner, is likely
12 to have a material impact on the overall
13 medicaid program, particular categories of
14 service or particular geographic regions
15 of the state.

16 (a) The commissioner shall post the medicaid
17 savings allocation adjustment on the
18 department of health's website and shall

43 For purposes of this section, a public
44 health emergency is defined as: (i) a
45 disaster, natural or otherwise, that
46 significantly increases the immediate need

5 prevent all or part of such medicaid
6 savings allocation adjustment from taking
7 effect retroactively to the extent permit-

9 and medicaid services.

10 In accordance with the medicaid savings
11 allocation adjustment, the commissioner of
12 the department of health shall reduce
13 department of health state funds medicaid
14 spending by the amount of the projected
15 overspending through, actions including,

Such projections may be adjusted by the director of the budget to account for increased or expedited department of health state funds medicaid expenditures as a result of a natural or other type of disaster, including a governmental declaration of emergency.

The director of the budget, in consultation with the commissioner of health, shall assess on a quarterly basis known and projected medicaid expenditures by category of service and by geographic region, as determined by the commissioner of health, incurred both prior to and subsequent to such assessment for each such period, and if the director of the budget determines that such expenditures are expected to cause medicaid spending for such period to exceed the aggregate limit specified herein for such period, the state medicaid director, in consultation with the director of the budget and the commissioner of health, shall develop a medicaid savings allocation adjustment to limit such spending to the aggregate limit specified herein for such period.

11 Public Law No. 111-152 (collectively
12 "Affordable Care Act") and any subsequent
13 amendments thereto or regulations promul-
14 gated thereunder; (2) reductions shall be
15 made in a manner that complies with the
16 state medicaid plan approved by the feder-
17 al centers for medicare and medicaid
18 services, provided, however, that the
19 commissioner of health is authorized to
20 submit any state plan amendment or seek

1 natural or other type of disaster, including a governmental declara-
2 tion of emergency.

3 The director of the budget, in consultation with the commissioner of
4 health, shall assess on a quarterly basis known and projected medi-
5 caid expenditures by category of service and by geographic region,
6 as defined by the commissioner, incurred both prior to and subse-
7 quent to such assessment for each such period, and if the director
8 of the budget determines that such expenditures are expected to
9 cause medicaid spending for such period to exceed the aggregate
10 limit specified herein for such period, the state medicaid director,
11 in consultation with the director of the budget and the commissioner
12 of health, shall develop a medicaid savings allocation adjustment to
13 limit such spending to the aggregate limit specified herein for such
14 period.

15 Such medicaid savings allocation adjustment shall be designed, to
16 reduce the expenditures authorized by the appropriations herein in
17 compliance with the following guidelines: (1) reductions shall be
18 made in compliance with applicable federal law, including the
19 provisions of the Patient Protection and Affordable Care Act, Public
20 Law No. 111-148, and the Health Care and Education Reconciliation
21 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
22 Act") and any subsequent amendments thereto or regulations promul-

24 complies with the state medicaid plan approved by the federal
25 centers for medicare and medicaid services, provided, however, that
26 the commissioner of health is authorized to submit any state plan
27 amendment or seek other federal approval, including waiver authori-
28 ty, to implement the provisions of the medicaid savings allocation
29 adjustment that meets the other criteria set forth herein; (3)
30 reductions shall be made in a manner that maximizes federal finan-
31 cial participation, to the extent practicable, including any federal
32 financial participation that is available or is reasonably expected
33 to become available, in the discretion of the commissioner, under
34 the Affordable Care Act; (4) reductions shall be made uniformly
35 among categories of services and geographic regions of the state, to
36 the extent practicable, and shall be made uniformly within a cate-
37 gory of service, to the extent practicable, except where the commis-
38 sioner determines that there are sufficient grounds for non-uniform-
39 ity, including but not limited to: the extent to which specific
40 categories of services contributed to department of health medicaid
41 state funds spending in excess of the limits specified herein; the
42 need to maintain safety net services in underserved communities; or
43 the potential benefits of pursuing innovative payment models contem-
44 plated by the Affordable Care Act, in which case such grounds shall
45 be set forth in the medicaid savings allocation adjustment; and (5)
46 reductions shall be made in a manner that does not unnecessarily
47 create administrative burdens to medicaid applicants and recipients
48 or providers.

49 The commissioner shall seek the input of the legislature, as well as
50 organizations representing health care providers, consumers, busi-
51 nesses, workers, health insurers, and others with relevant exper-

6 adjustment on the department of health's website and shall provide

11 adjustment subsequent to the provisions of notice and prior to

14 his or her discretion, that such revisions materially alter the
15 adjustment.

16 Notwithstanding the provisions of paragraphs (a) and (b) of this
17 subdivision, the commissioner need not seek the input described in
18 paragraph (a) of this subdivision or provide notice pursuant to
19 paragraph (b) of this subdivision if, in the discretion of the

21 savings allocation adjustment is necessary due to a public health
22 emergency.

27 exposure to a serious communicable disease, or the potential for
28 such widespread risk of exposure; or (iii) any other event or condi-
29 tion determined by the commissioner to constitute an imminent threat
30 to public health.

31 Nothing in this paragraph shall be deemed to prevent all or part of
32 such medicaid savings allocation adjustment from taking effect
33 retroactively to the extent permitted by the federal centers for
34 medicare and medicaid services.

35 In accordance with the medicaid savings allocation adjustment, the
36 commissioner of the department of health shall reduce department of

48 and 3614 of the public health law, section 18 of chapter 2 of the
49 laws of 1988, and 18 NYCRR 505.14(h).

provided below and state share medicaid spending, in the aggregate, for the period April 1, 2024 through [~~March 31~~] September 15, 2025, shall not exceed [~~\$31,020,880,000~~] \$31,634,010,000, but in no event shall department of health state funds medicaid spending for the period April 1, 2023 through [~~March 31~~] September 15, 2025 exceed [~~\$50,130,651,000~~] \$59,743,781,000 provided, however, such aggregate limits may be adjusted by the director of the budget to account for any changes in the New York state federal medical assistance percentage amount established pursuant to the federal social security act, increases in provider revenues, reductions in local social services district payments for medical assistance administration, minimum wage increases and beginning April 1, 2012 the operational costs of the New York state medical indemnity fund, pursuant to chapter 59 of the laws of 2011, and state costs or savings from the essential plan program. Such projections may be adjusted by the director of the budget to account for increased or expedited department of health state funds medicaid expenditures as a result of a natural or other type of disaster, including a governmental declaration of emergency.

The director of the budget, in consultation with the commissioner of health, shall assess on a quarterly basis known and projected medicaid expenditures by category of service and by geographic region, as determined by the commissioner of health, incurred both prior to and subsequent to such assessment for each such period, and if the director of the budget determines that such expenditures are expected to cause medicaid spending for such period to exceed the aggregate limit specified herein for such period, the state medicaid director, in consultation with the director of the budget and the commissioner of health, shall develop a medicaid savings allocation adjustment to limit such spending to the aggregate limit specified herein for such period.

Such medicaid savings allocation adjustment shall be designed, to reduce the expenditures authorized by the appropriations herein in compliance with the following guidelines: (1) reductions shall be made in compliance with applicable federal law, including the provisions of the Patient Protection and Affordable Care Act, Public Law No. 111-148, and the Health Care and Education Reconciliation Act of 2010, Public Law No. 111-152 (collectively "Affordable Care Act") and any subsequent amendments thereto or regulations promulgated thereunder; (2) reductions shall be made in a manner that complies with the state medicaid plan approved by the federal centers for medicare and medicaid services, provided, however, that the commissioner of health is authorized to submit any state plan amendment or seek other federal approval, including waiver authority, to implement the provisions of the medicaid savings allocation adjustment that meets the other criteria set forth herein; (3) reductions shall be made in a manner that maximizes federal financial participation, to the extent practicable, including any federal financial participation that is available or is reasonably expected to become available, in the discretion of the commissioner, under the Affordable Care Act; (4) reductions shall be made uniformly among categories of services and geographic regions of the state, to

1 the extent practicable, and shall be made uniformly within a category of service, to the extent practicable, except where the commissioner determines that there are sufficient grounds for non-uniformity, including but not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation adjustment; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers. The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

21 (a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such plan to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

26 (b) The commissioner may revise the medicaid savings allocation adjustment subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the plan.

32 Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid savings allocation adjustment is necessary due to a public health emergency.

39 For purposes of this section, a public health emergency is defined as:

40 (i) a disaster, natural or otherwise, that significantly increases the immediate need for health care personnel in an area of the state; (ii) an event or condition that creates a widespread risk of exposure to a serious communicable disease, or the potential for such widespread risk of exposure; or (iii) any other event or condition determined by the commissioner to constitute an imminent threat to public health.

47 Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation adjustment from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

51 In accordance with the medicaid savings allocation adjustment, the commissioner of the department of health shall reduce department of

19 such medicaid savings allocation adjustment from taking effect
20 retroactively to the extent permitted by the federal centers for
21 medicare and medicaid services.
