AN ACT to amend the public health law, in relation to requiring residential health care facilities to maintain hospice agreements to ensure access to hospice services for eligible residents

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public health law is amended by adding a new section 2808-g to read as follows:

§ 2808-g. Residential health care facility hospice agreements. 1. Each residential health care facility shall enter into and maintain one or more written agreements with hospice programs licensed pursuant to article forty of this chapter to ensure access to hospice services for residents who are eligible for and elect the hospice benefit.

2. Such agreements shall provide for coordination of care between the residential health care facility and the hospice program and shall, at a minimum, address:

(a) timely hospice evaluation and referral;

(b) roles and responsibilities of facility staff and hospice personnel;

(c) interdisciplinary care planning and symptom management;

(d) medication management and clinical oversight;

(e) after-hours communication and emergency response; and

(f) documentation and information sharing, consistent with applicable law.

3. The department shall provide guidance and technical assistance to residential health care facilities and hospice programs to support implementation of this section, including model contract provisions and best practice recommendations.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
