AN ACT to amend the retirement and social security law, in relation to providing certain death benefits to correction officers, correction officer-sergeants, correction officer-captains, assistant wardens, associate wardens or wardens employed by Orange county

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The retirement and social security law is amended by adding  
2 a new section 606-d to read as follows:

3 § 606-d. Death benefits for correction officers employed by Orange  
4 county. a. As used in this section, the term "correction officer" shall  
5 mean a person employed by the Orange county correction department with a  
6 title of correction officer, correction officer-sergeant, correction  
7 officer-captain, assistant warden, associate warden or warden.

8 b. Notwithstanding any provision of law to the contrary, where a  
9 correction officer would have been entitled to a service retirement  
10 benefit at the time of their death and where their death occurs on or  
11 after the effective date of the chapter of the laws of two thousand  
12 twenty-six that added this section, the beneficiary or beneficiaries may  
13 elect to receive, in a lump sum, an amount payable which shall be equal  
14 to the pension reserve that would have been established had the member  
15 retired on the date of such member's death, or the value of the death  
16 benefit and the reserve-for-increased-take-home-pay, if any, whichever  
17 is greater.

18 § 2. All past service costs associated with implementing the  
19 provisions of this act shall be borne by the county of Orange and may be  
20 amortized over a period of ten years.

21 § 3. Notwithstanding any other provision of law to the contrary, none  
22 of the provisions of this act shall be subject to the appropriation  
23 requirement of section 25 of the retirement and social security law.

24 § 4. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD00684-04-6

This bill would modify the in-service death benefit for retirement eligible members of the New York State and Local Employees' Retirement System (NYSLERS) employed by Orange county in certain correction officer titles. The in-service death benefit will be the value of the pension reserve as if the member had retired on their date of death.

We estimate that Orange county's annual contributions will increase \$41,000 beginning FYE 2027. Annual costs will vary but are expected to average 0.1% of salary.

In addition, there will be an immediate past service cost of \$537,000 borne by Orange county as a one-time payment. This cost assumes that payment will be made on February 1, 2027. If Orange county elects to amortize this cost over 10 years, the cost for each year will be \$68,500.

These estimated costs are based on 300 affected members employed by Orange county, with annual salary of approximately \$33 million as of March 31, 2025.
