Introduced by M. of A. PAULIN -- read once and referred to the Committee on Energy

AN ACT to amend the public service law, the general business law and the public authorities law, in relation to requiring utility service providers to disclose planned rate increases to consumers within a certain amount of time

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public service law is amended by adding a new section  
2 28 to read as follows:

3 § 28. Notice of planned rate increase for services. 1. Any gas corpo-  
4 ration, electric corporation, water corporation or municipality, steam  
5 corporation or telephone corporation shall be required to disclose to a  
6 consumer any planned rate increase for services being rendered to such  
7 consumer, within thirty days before such planned rate increase takes  
8 effect.

9 2. (a) Any notification of a planned rate increase pursuant to this  
10 section shall be communicated to the consumer in a clear and conspicuous  
11 method which is sufficient to alert such consumer that such planned rate  
12 increase is occurring.

13 (b) A consumer shall be notified in a separate communication outside  
14 of any billing statement via phone, electronic mail, letter, text  
15 message or any combination thereof that includes a statement of the  
16 following:

17 (i) the amount of the rate increase;

18 (ii) the effective date of the increase; and

19 (iii) where customers can get additional information pertaining to the  
20 rate increase.

21 (c) Inclusion of such notification as part of any billing statement  
22 shall not constitute compliance with this section.

23 3. Any gas corporation, electric corporation, water corporation or  
24 municipality, steam corporation or telephone corporation shall provide  
25 with any notification of a planned rate increase information on how a  
26 consumer can contact the service provider.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

1 § 2. The general business law is amended by adding a new section 399-  
2 ww to read as follows:

3 § 399-ww. Notice of planned rate increases for cable and internet  
4 services. 1. Any cable television company or internet service provider  
5 shall be required to disclose to a consumer any planned rate increase  
6 for services being rendered to such consumer, within thirty but no less  
7 than seven days before such planned rate increase takes effect.

8 2. (a) Any notification of a planned rate increase pursuant to this  
9 section shall be communicated to the consumer in a clear and conspicuous  
10 method which is sufficient to alert such consumer that such planned rate  
11 increase is occurring.

12 (b) A consumer shall be notified in a separate communication outside  
13 of any billing statement via phone, electronic mail, letter, text  
14 message or any combination thereof that includes a statement of the  
15 following:

16 (i) the amount of the rate increase;

17 (ii) the effective date of the increase; and

18 (iii) where customers can get additional information pertaining to the  
19 rate increase.

20 (c) Inclusion of such notification as part of any billing statement  
21 shall not constitute compliance with this section.

22 3. Any cable television company or internet service provider shall  
23 provide with any notification of a planned rate increase information on  
24 how a consumer can contact the service provider and shall also include a  
25 mechanism to allow for a consumer to cancel their service altogether.

26 § 3. Section 1020-cc of the public authorities law is amended by  
27 adding a new subdivision 3 to read as follows:

28 3. Service providers shall be subject to the provisions of section  
29 twenty-eight of the public service law.

30 § 4. This act shall take effect on the one hundred eightieth day after  
31 it shall have become a law.
