IN ASSEMBLY

March 13, 2026

Introduced by M. of A. ZINERMAN -- read once and referred to the Committee on Governmental Employees

AN ACT to amend the retirement and social security law, in relation to prior police service with an accredited police agency outside of the state of New York

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision c of section 381-b of the retirement and social
2 security law is amended by adding a new paragraph 3 to read as follows:

3 (3) (i) Prior police service with an accredited police agency outside
4 of the state of New York. A member, upon application to the retirement
5 system, may obtain a total of up to three years of service credit for
6 prior police service performed as a paid police officer within the
7 United States but outside of the state, provided such service was
8 performed with an accredited police agency. To obtain such credit, a
9 member shall pay the retirement system, for deposit in the fund used to
10 accumulate employer contributions, a sum equal to the product of the
11 number of years being claimed and the applicable contribution rate of
12 such member's current tier status earned during the twelve months of
13 credited service immediately preceding the date that the member made
14 application for credit pursuant to this paragraph. To be eligible to
15 receive prior service credit under this paragraph, a member shall make
16 application prior to the effective date of such member's retirement.

17 (ii) A member shall have at least five years of credited service (not
18 including service granted hereunder) to be eligible to receive credit
19 under this paragraph.

20 § 2. This act shall take effect on the one hundred twentieth day after
21 it shall have become a law. Effective immediately, the addition, amend-
22 ment and/or repeal of any rule or regulation necessary for the implemen-
23 tation of this act on its effective date are authorized to be made and
24 completed on or before such effective date.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow any State Trooper to purchase up to three years of service credit in the New York State and Local Police and Fire

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

Retirement System for paid employment as a police officer with an "accredited police agency" in another state.

Except for military service credit, current law only allows for crediting prior service for periods of paid employment with a participating employer in a New York State public retirement system.

We estimate that the past service cost will average 32 percent of the member's annual salary for each year of additional service that is credited. This cost will be reduced by member contributions, estimated to be 0 percent for Tier 2, 3 percent for Tier 5, and 6 percent for Tier 6 members. All remaining costs will be billed to the state of New York annually, based on those benefiting from this provision.

Further, we anticipate significant administrative costs to implement the provisions of this legislation.

The number of current and future members who could be affected by this legislation cannot be readily determined.
