AN ACT to amend the vehicle and traffic law, in relation to certain equipment and reporting requirements for certain businesses that utilize bicycles with electric assist

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The vehicle and traffic law is amended by adding a new section 1244 to read as follows:

§ 1244. Speed and location tracking for bicycles with electric assist. 1. Any business that utilizes bicycles with electric assist as defined in section one hundred two-c of this chapter and rents such bicycles with electric assist to customers shall equip such bicycles with electric assist with speed and location tracking technology. Such businesses shall revoke the customer account of any such customer if such customer is found to have traveled over the speed limit or against the flow of traffic.

2. On a biannual basis, such businesses shall report to the department any revocations of customer accounts pursuant to subdivision one of this section. Such report shall include, but shall not be limited to:

(a) the reasons for such revocations; and

(b) the area in which each customer committed such offense.

3. The department shall promulgate rules and regulations to carry out the provisions of this chapter.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
