IN ASSEMBLY

April 1, 2026

Introduced by M. of A. McMAHON -- read once and referred to the Committee on Mental Health

AN ACT to amend the mental hygiene law, in relation to establishing a workgroup to conduct analysis on the ambulatory patient group rates and commercial insurance rates for behavioral health services

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 7.07 of the mental hygiene law is amended by adding
2 a new subdivision (i) to read as follows:

3 (i) 1. The commissioner of the office of mental health, in collaboration with the commissioner of the department of health and the commissioner of the office of addiction services and supports are directed to convene and jointly chair, either directly or through a designee or designees, a workgroup, which shall include membership that ensures adequate statewide geographic representation selected with equal contributions on such selection from the governor, the speaker of the assembly and temporary president of the senate and be comprised of the following members: (i) professional associations representing substance use, mental health, and/or behavioral health providers; (ii) representatives from professional associations representing providers of peer and recovery-based programs and services; (iii) representatives from professional associations representing medicated assisted treatment providers; (iv) representatives from professional associations representing children's behavioral health providers; (v) representatives from hospital associations; (vi) representatives from associations representing behavioral health consumers and family members; and (vii) any additional stakeholder or expert that the commissioners deem necessary. Members of the workgroup shall serve without compensation, but may be reimbursed for actual costs incurred for participation on such workgroup.

24 2. The workgroup shall conduct an analysis on the ambulatory patient group rates and commercial insurance rates for behavioral health services for the purpose of developing a report that shall provide recommendations on the following: (i) rate adequacy related to the
