10 and the payment of the fee hereinafter provided, the commissioner shall  
11 assign to such motor vehicle a distinctive number and, without expense

1 that, with respect to any number plate which is specifically requested  
2 by the applicant, such fee shall be paid to the commissioner upon  
3 approval of such request. In the event of the loss, mutilation or  
4 destruction of any certificate of registration, any number plate or set  
5 of number plates [~~whether with or without a date tag or tags, or any~~  
6 ~~date tag or set of date tags provided for in this article~~], the owner of  
7 a registered motor vehicle may file such statement and proof of the  
8 facts as the commissioner shall require, with a fee of three dollars, in  
9 the office of the commissioner, or, unless and until the commissioner  
10 shall otherwise direct, in the office of the agent who issued the  
11 certificate, plate, or plates[, ~~tag or tags~~] and the commissioner or  
12 [~~his or her~~] their agent, as the case may be, shall issue a duplicate or  
13 substitute. It shall be the duty of every owner holding a certificate of  
14 registration to notify the commissioner in writing of any change of  
15 residence of such person within ten days after such change occurs, and  
16 to inscribe on such certificate, in the place provided by the commis-  
17 sioner, a record of such change of residence.

18 b. During a registration period the commissioner may, upon application  
19 by the owner of a registered motor vehicle and upon payment of a fee of  
20 three dollars and seventy-five cents, change the distinctive number  
21 assigned to such motor vehicle and issue a new set of number plates  
22 provided the original registration and number plates are surrendered.  
23 Notwithstanding any inconsistent provision of this section, the differ-  
24 ence collected between the fees set forth in this subdivision in effect  
25 on and after September first, two thousand nine and the fees set forth  
26 in this subdivision in effect prior to such date shall be deposited to  
27 the credit of the dedicated highway and bridge trust fund.

28 c. The commissioner may waive the payment of fees required by para-  
29 graph a of this subdivision if the applicant is a victim of crime and  
30 the certificate of registration or number plates applied for are a  
31 replacement for those that were lost or destroyed as a result of the  
32 crime.

33 d. In processing any application for a certificate of registration  
34 pursuant to this article or to title eleven of this chapter, the commis-  
35 sioner shall provide the applicant with informational materials describ-  
36 ing the lead-acid battery management, return and collection requirements  
37 set forth in title seventeen of article twenty-seven of the environ-  
38 mental conservation law, and the used oil management, recycling and  
39 disposal requirements set forth in title twenty-three of article twen-  
40 ty-three of the environmental conservation law. Such informational mate-  
41 rials shall be distributed at the first opportunity and periodically  
42 thereafter.

43 e. The certificate of registration or registration renewal stub may be  
44 provided by the commissioner in either paper or electronic form. A  
45 certificate of registration or registration renewal stub issued elec-  
46 tronically shall be sufficient for any requirements under the law for  
47 carrying or producing such documents. For the purposes of this section,  
48 "electronic form" means the display of images on an electronic device,  
49 such as a cellular telephone, tablet, or computer. The use of a cellular  
50 telephone, tablet, computer, or any other electronic device to display  
51 any proof of registration issued by the commissioner shall not consti-  
52 tute consent for a police officer or judge to access any other contents  
53 on the device. Any police officer or judge presented with an electronic  
54 device pursuant to this section shall be immune from any liability  
55 resulting from unintentional damage to such device.

1 f. The commissioner shall promulgate rules and regulations concerning  
2 the issuance, design, and content of the certificates of registration or  
3 registration renewal stubs issued under this section. The commissioner  
4 shall take any actions necessary to deter and detect counterfeit or  
5 fraudulent certificates of registration or registration renewal stubs in  
6 an electronic form.

7 4. Carrying certificate of registration. Any magistrate, motor vehicle  
8 inspector, peace officer, acting pursuant to [~~his~~] their special duties,  
9 or police officer may request that the operator of any motor vehicle  
10 produce for inspection the certificate of registration for such vehicle  
11 and such operator shall furnish to such magistrate, inspector, peace  
12 officer or police officer any information necessary for the identifica-  
13 tion of such vehicle and its owner, and all information required  
14 concerning [~~his~~] their license to operate, if [~~he is~~] they are required  
15 by law to have such a license, and shall, if required, sign [~~his~~] their  
16 name in the presence of such magistrate, inspector, peace officer or  
17 police officer as a further means of identification. The production of a  
18 license to a magistrate, inspector, peace officer or police officer  
19 shall be prima facie evidence in a prosecution for a violation of any  
20 provision of this chapter, other than section three hundred ninety-two  
21 of this chapter, that the person who so produced the license is the  
22 person identified on such license. Provided, however, that a photostatic  
23 copy of the certificate of registration may be produced in lieu of the  
24 original certificate. [~~If a vehicle does not have affixed a validating~~  
25 ~~sticker which indicates the plate number, the vehicle identification~~  
26 ~~number and the expiration date of the registration, the] No vehicle  
27 which was registered under this article shall be required to have a  
28 validating sticker affixed to it in any manner. The failure to produce  
29 the certificate of registration, or a photostatic copy of such certifi-  
30 cate, shall be presumptive evidence of operating a motor vehicle or  
31 trailer which is not registered as required by this article.~~

32 a. Where a motor vehicle registered under this article requires regis-  
33 tration in another class because of a change in its form or use, an  
34 application for the correct registration may be granted upon the surren-  
35 dering of the [~~certificate of registration and~~] number plates and the  
36 payment of a fee of one dollar, together with the excess, if any, of the  
37 fee for the correct registration over the fee for the registration in  
38 the class in which the vehicle is registered, both fees to be computed  
39 as of the date of granting the correct registration; provided, however,  
40 that if the vehicle has already been registered in more than one class  
41 during the year, the class requiring the highest fee shall be taken as  
42 the basis in determining the additional fee, if any, to be paid instead  
43 of the class in which the vehicle is registered at the time of the  
44 application.

45 § 2. Section 404-a of the vehicle and traffic law is amended by adding  
46 a new subdivision 8 to read as follows:

47 8. Form of certificate of registration. The certificate of registra-  
48 tion or registration renewal stub may be provided by the commissioner in  
49 either paper or electronic form. A certificate of registration or regis-  
50 tration renewal stub issued electronically shall be sufficient for any  
51 requirements under the law for carrying or producing such documents.  
52 For the purposes of this section, "electronic form" means the display of  
53 images on an electronic device, such as a cellular telephone, tablet, or  
54 computer. The use of a cellular telephone, tablet, computer, or any  
55 other electronic device to display any proof of registration issued by  
56 the commissioner shall not constitute consent for a police officer or

1 judge to access any other contents on the device. Any police officer or  
2 judge presented with an electronic device pursuant to this section shall  
3 be immune from any liability resulting from unintentional damage to such  
4 device. The commissioner shall promulgate rules and regulations concern-  
5 ing the issuance, design, and content of the certificates of registra-  
6 tion or registration renewal stubs issued under this section. The  
7 commissioner shall take any actions necessary to deter and detect coun-  
8 terfeit or fraudulent certificates of registration or registration  
9 renewal stubs in an electronic form.

10 § 3. Subdivision 3 of section 410 of the vehicle and traffic law, as  
11 amended by chapter 466 of the laws of 2013, is amended to read as  
12 follows:

13 3. Certificate of registration. a. Upon the filing of such application  
14 and the payment of the fee hereinafter provided, the commissioner shall  
15 assign to such motorcycle a distinctive number and, without expense to  
16 the applicant, issue and deliver in such manner as the commissioner may  
17 select to the owner a certificate of registration, in such form as the  
18 commissioner may prescribe, and a number plate at a place within the  
19 state of New York named by the applicant in [~~his~~] their application. In  
20 the event of the loss, mutilation or destruction of any certificate of  
21 registration or number plate, the owner of a registered vehicle may file  
22 such statement and proof of the facts as the commissioner shall require,  
23 with a fee of three dollars, in the office of the commissioner, or,  
24 unless and until the commissioner shall otherwise direct, in the office  
25 of the agent who issued the certificate or plate and the commissioner or  
26 [~~his~~] their agent, as the case may be, shall issue a duplicate or  
27 substitute. No application for registration shall be accepted unless the  
28 applicant is at least sixteen years of age.

29 b. Upon the issuance of a certificate of registration, the commission-  
30 er shall provide the owner of such vehicle with a notice regarding the  
31 laws governing unidentifiable motorcycle parts, in such form and manner  
32 as the commissioner may prescribe.

33 c. The certificate of registration or registration renewal stub may be  
34 provided by the commissioner in either paper or electronic form. A  
35 certificate of registration or registration renewal stub issued elec-  
36 tronically shall be sufficient for any requirements under the law for  
37 carrying or producing such documents. For the purposes of this section,  
38 "electronic form" means the display of images on an electronic device,  
39 such as a cellular telephone, tablet, or computer. The use of a cellular  
40 telephone, tablet, computer, or any other electronic device to display  
41 any proof of registration issued by the commissioner shall not consti-  
42 tute consent for a police officer or judge to access any other contents  
43 on the device. Any police officer or judge presented with an electronic  
44 device pursuant to this section shall be immune from any liability  
45 resulting from unintentional damage to such device.

46 d. The commissioner shall promulgate rules and regulations concerning  
47 the issuance, design, and content of the certificates of registration or  
48 registration renewal stubs issued under this section. The commissioner  
49 shall take any actions necessary to deter and detect counterfeit or  
50 fraudulent certificates of registration or registration renewal stubs in  
51 an electronic form.

49 the department's online verification system so that such persons can  
50 ascertain whether a vehicle is properly insured or not insured;

22 with the commissioner.

23 (b) The owner of such motor vehicle shall maintain proof of financial

33 the matter, and any necessary response by such court or acknowledgement  
34 of the production of such proof may also be made by mail. When insurance
