## IN ASSEMBLY

April 14, 2026

Introduced by M. of A. SANTABARBARA -- read once and referred to the  
Committee on Health

AN ACT to amend the public health law, in relation to establishing the  
New York state rural ambulance services task force

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section  
2 3032-a to read as follows:

3 § 3032-a. Rural ambulance services task force. 1. The department is  
4 hereby authorized to establish the New York state rural ambulance  
5 services task force within the bureau of emergency medical services to  
6 examine, evaluate and make recommendations concerning New York state  
7 ambulance services in rural areas.

8 2. (a) Such task force shall be comprised of individuals with exper-  
9 tise in providing emergency medical services and/or providing medical  
10 services in rural areas. The members shall be appointed as follows:

11 (i) two members appointed by the governor;

12 (ii) two members appointed by the temporary president of the senate;

13 (iii) two members appointed by the speaker of the assembly;

14 (iv) one member appointed by the minority leader of the senate;

15 (v) one member appointed by the minority leader of the assembly;

16 (vi) two members appointed by the office of fire prevention and  
17 control;

18 (vii) two members appointed by the bureau of emergency medical  
19 services; and

20 (viii) two members appointed by the commissioner of labor.

21 (b) One of the appointments by the governor shall serve as chairperson  
22 of the task force.

23 (c) The members of the task force shall serve for four years. Members  
24 shall receive no compensation for their services, but shall be allowed  
25 their actual and necessary expenses incurred in the performance of their  
26 services.

27 (d) The task force may collect and shall be provided all relevant  
28 information necessary to carry out its functions from any relevant agen-

1 cy. Members of the task force shall keep any information received in the  
2 course of their duties confidential and shall only use such information  
3 in the course of carrying out their duties on the task force.

4 3. Such task force shall conduct annual studies on the availability of  
5 ambulance services in rural areas, with a particular focus on the unique  
6 challenges they face and their ability to provide services. Utilizing  
7 information obtained from such studies, the task force shall report and  
8 provide recommendations in accordance with subdivision four of this  
9 section, which shall include, but not be limited to the following:

10 (a) an analysis of the total number of ambulance services available in  
11 rural areas of the state, provided by service type and geographic region  
12 they serve and compared to the documented need for such services;

13 (b) assessing current reimbursement structures in place for ambulance  
14 services as well as various methods to fund or otherwise raise revenue  
15 for such services;

16 (c) assessing barriers that currently exist that may have led to a  
17 shortage of available ambulance services to meet the need; and

18 (d) studying any other issue such task force deems relevant.

19 4. Within twelve months of the effective date of this section, and  
20 annually thereafter, the department shall submit a report detailing the  
21 findings of the study to the governor, the temporary president of the  
22 senate, and the speaker of the assembly.

23 § 2. This act shall take effect immediately.
