provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

1 Section 1. The vehicle and traffic law is amended by adding a new
2 section 1180-i to read as follows:

3 § 1180-i. Owner liability for failure of operator to comply with
4 certain posted maximum speed limits; city of Amsterdam. (a) 1. Notwith-
5 standing any other provision of law, the city of Amsterdam is hereby
6 authorized to establish a demonstration program imposing monetary
7 liability on the owner of a vehicle for failure of an operator thereof
8 to comply with posted maximum speed limits in a school speed zone within
9 such city (i) when a school speed limit is in effect as provided in
10 paragraphs one and two of subdivision (c) of section eleven hundred

16 thirty minutes immediately before and up to thirty minutes immediately
17 after such student activities. Such demonstration program shall empower
18 the city of Amsterdam to install photo speed violation monitoring
19 systems within no more than five school speed zones within such city at

1 student activities at the school and up to thirty minutes immediately
2 before and up to thirty minutes immediately after such student activ-
3 ities. In selecting a school speed zone in which to install and operate
4 a photo speed violation monitoring system, the city shall consider
5 criteria including, but not limited to, the speed data, crash history,
6 and the roadway geometry applicable to such school speed zone.

7 2. No photo speed violation monitoring system shall be used in a
8 school speed zone unless (i) on the day it is to be used it has success-
9 fully passed a self-test of its functions; and (ii) it has undergone an
10 annual calibration check performed pursuant to paragraph four of this
11 subdivision. The city shall install signs giving notice that a photo
12 speed violation monitoring system is in use to be mounted on advance
13 warning signs notifying motor vehicle operators of such upcoming school
14 speed zone and/or on speed limit signs applicable within such school
15 speed zone, in conformance with standards established in the MUTCD.

16 3. Operators of photo speed violation monitoring systems shall have
17 completed training in the procedures for setting up, testing, and oper-
18 ating such systems. Each such operator shall complete and sign a daily
19 set-up log for each such system that such operator operates that (i)
20 states the date and time when, and the location where, the system was
21 set up that day, and (ii) states that such operator successfully
22 performed, and the system passed, the self-tests of such system before
23 producing a recorded image that day. The city shall retain each such
24 daily log until the later of the date on which the photo speed violation
25 monitoring system to which it applies has been permanently removed from
26 use or the final resolution of all cases involving notices of liability
27 issued based on photographs, microphotographs, videotape or other
28 recorded images produced by such system.

29 4. Each photo speed violation monitoring system shall undergo an annu-
30 al calibration check performed by an independent calibration laboratory
31 which shall issue a signed certificate of calibration. The city shall
32 keep each such annual certificate of calibration on file until the final
33 resolution of all cases involving a notice of liability issued during
34 such year which were based on photographs, microphotographs, videotape
35 or other recorded images produced by such photo speed violation monitor-
36 ing system.

37 5. (i) Such demonstration program shall utilize necessary technologies
38 to ensure, to the extent practicable, that photographs, microphoto-
39 graphs, videotape or other recorded images produced by such photo speed
40 violation monitoring systems shall not include images that identify the
41 driver, the passengers, or the contents of the vehicle. Provided, howev-
42 er, that no notice of liability issued pursuant to this section shall be
43 dismissed solely because such a photograph, microphotograph, videotape
44 or other recorded image allows for the identification of the driver, the
45 passengers, or the contents of vehicles where the city shows that it
46 made reasonable efforts to comply with the provisions of this paragraph
47 in such case.

48 (ii) Photographs, microphotographs, videotape or any other recorded
49 image from a photo speed violation monitoring system shall be for the
50 exclusive use of the city for the purpose of the adjudication of liabil-
51 ity imposed pursuant to this section and of the owner receiving a notice
52 of liability pursuant to this section, and shall be destroyed by the
53 city upon the final resolution of the notice of liability to which such
54 photographs, microphotographs, videotape or other recorded images
55 relate, or one year following the date of issuance of such notice of
56 liability, whichever is later. Notwithstanding the provisions of any

1 other law, rule or regulation to the contrary, photographs, microphoto-
2 graphs, videotape or any other recorded image from a photo speed
3 violation monitoring system shall not be open to the public, nor subject
4 to civil or criminal process or discovery, nor used by any court or
5 administrative or adjudicatory body in any action or proceeding therein
6 except that which is necessary for the adjudication of a notice of
7 liability issued pursuant to this section, and no public entity or
8 employee, officer or agent thereof shall disclose such information,
9 except that such photographs, microphotographs, videotape or any other
10 recorded images from such systems:

11 (A) shall be available for inspection and copying and use by the motor
12 vehicle owner and operator for so long as such photographs, microphoto-
13 graphs, videotape or other recorded images are required to be maintained
14 or are maintained by such public entity, employee, officer or agent; and

15 (B) (1) shall be furnished when described in a search warrant issued
16 by a court authorized to issue such a search warrant pursuant to article
17 six hundred ninety of the criminal procedure law or a federal court
18 authorized to issue such a search warrant under federal law, where such
19 search warrant states that there is reasonable cause to believe such
20 information constitutes evidence of, or tends to demonstrate that, a
21 misdemeanor or felony offense was committed in this state or another
22 state, or that a particular person participated in the commission of a
23 misdemeanor or felony offense in this state or another state, provided,
24 however, that if such offense was against the laws of another state, the
25 court shall only issue a warrant if the conduct comprising such offense
26 would, if occurring in this state, constitute a misdemeanor or felony
27 against the laws of this state; and

28 (2) shall be furnished in response to a subpoena duces tecum signed by
29 a judge of competent jurisdiction and issued pursuant to article six
30 hundred ten of the criminal procedure law or a judge or magistrate of a
31 federal court authorized to issue such a subpoena duces tecum under
32 federal law, where the judge finds and the subpoena states that there is
33 reasonable cause to believe such information is relevant and material to
34 the prosecution, or the defense, or the investigation by an authorized
35 law enforcement official, of the alleged commission of a misdemeanor or
36 felony in this state or another state, provided, however, that if such
37 offense was against the laws of another state, such judge or magistrate
38 shall only issue such subpoena if the conduct comprising such offense
39 would, if occurring in this state, constitute a misdemeanor or felony in
40 this state; and

41 (3) may, if lawfully obtained pursuant to this clause and clause (A)
42 of this subparagraph and otherwise admissible, be used in such criminal
43 action or proceeding.

44 (b) If the city of Amsterdam establishes a demonstration program
45 pursuant to subdivision (a) of this section, the owner of a vehicle
46 shall be liable for a penalty imposed pursuant to this section if such
47 vehicle was used or operated with the permission of the owner, express
48 or implied, within a school speed zone in violation of subdivision (c)
49 or during the times authorized pursuant to subdivision (a) of this
50 section in violation of subdivision (b), (d), (f) or (g) of section
51 eleven hundred eighty of this article, such vehicle was traveling at a
52 speed of more than ten miles per hour above the posted speed limit in
53 effect within such school speed zone, and such violation is evidenced by
54 information obtained from a photo speed violation monitoring system;
55 provided however that no owner of a vehicle shall be liable for a penal-
56 ty imposed pursuant to this section where the operator of such vehicle

1 has been convicted of the underlying violation of subdivision (b), (c),
2 (d), (f) or (g) of section eleven hundred eighty of this article.

3 (c) For purposes of this section, the following terms shall have the
4 following meanings:

22 the city of Amsterdam, or a facsimile thereof, based upon inspection of
23 photographs, microphotographs, videotape or other recorded images
24 produced by a photo speed violation monitoring system, shall be prima
25 facie evidence of the facts contained therein. Any photographs, micro-
26 photographs, videotape or other recorded images evidencing such a
27 violation shall include at least two date and time stamped images of the
28 rear of the motor vehicle that include the same stationary object near
29 the motor vehicle and shall be available for inspection reasonably in
30 advance of and at any proceeding to adjudicate the liability for such
31 violation pursuant to this section.

32 (e) An owner liable for a violation of subdivision (b), (c), (d), (f)
33 or (g) of section eleven hundred eighty of this article pursuant to a
34 demonstration program established pursuant to this section shall be
35 liable for monetary penalties in accordance with a schedule of fines and
36 penalties to be promulgated by the parking violations bureau of the city
37 of Amsterdam, or by such other agency authorized by such city to promul-

40 however, that such parking violations bureau, or such other authorized
41 agency, may provide for an additional penalty not in excess of twenty-
42 five dollars for each violation for the failure to respond to a notice
43 of liability within the prescribed time period.

44 (f) An imposition of liability under the demonstration program estab-
45 lished pursuant to this section shall not be deemed a conviction as an
46 operator and shall not be made part of the operating record of the
47 person upon whom such liability is imposed nor shall it be used for
48 insurance purposes in the provision of motor vehicle insurance coverage.

49 (g) 1. A notice of liability shall be sent by first class mail to each
50 person alleged to be liable as an owner for a violation of subdivision
51 (b), (c), (d), (f) or (g) of section eleven hundred eighty of this arti-

53 owner is a resident of this state and within forty-five business days if
54 such owner is a non-resident. Personal delivery on the owner shall not

16 shall also contain a prominent warning to advise the person charged that
17 failure to contest in the manner and time provided shall be deemed an
18 admission of liability and that a default judgment may be entered there-
19 on.

20 4. The notice of liability shall be prepared and mailed by the city of
21 Amsterdam, or by any other entity authorized by the city to prepare and
22 mail such notice of liability.

23 (h) Adjudication of the liability imposed upon owners of this section
24 shall be by the city of Amsterdam parking violations bureau, or by any
25 other agency authorized by such city to adjudicate the liability of such
26 matters.

27 (i) If an owner receives a notice of liability pursuant to this
28 section for any time period during which the vehicle or the number plate

30 having been stolen, it shall be a valid defense to an allegation of
31 liability for a violation of subdivision (b), (c), (d), (f) or (g) of
32 section eleven hundred eighty of this article pursuant to this section
33 that the vehicle or the number plate or plates of such vehicle had been
34 reported to the police as stolen prior to the time the violation
35 occurred and had not been recovered by such time. For purposes of
36 asserting the defense provided by this subdivision, it shall be suffi-
37 cient that a certified copy of the police report on the stolen vehicle
38 or number plate or plates of such vehicle be sent by first class mail to
39 the city of Amsterdam parking violations bureau or by any other entity

41 (j) 1. An owner who is a lessor of a vehicle to which a notice of
42 liability was issued pursuant to subdivision (g) of this section shall
43 not be liable for the violation of subdivision (b), (c), (d), (f) or (g)
44 of section eleven hundred eighty of this article pursuant to this
45 section, provided that:

46 (i) prior to the violation, the lessor has filed with such parking
47 violations bureau, or other authorized agency, in accordance with the
48 provisions of section two hundred thirty-nine of this chapter; and

49 (ii) within thirty-seven days after receiving notice from such bureau,
50 or other authorized agency, of the date and time of a liability, togeth-
51 er with the other information contained in the original notice of
52 liability, the lessor submits to such bureau, or other authorized agen-
53 cy, the correct name and address of the lessee of the vehicle identified
54 in the notice of liability at the time of such violation, together with
55 such other additional information contained in the rental, lease or
56 other contract document, as may be reasonably required by such bureau,

1 or other authorized agency, pursuant to regulations that may be promul-

7 this subdivision, the lessee of such vehicle on the date of such
8 violation shall be deemed to be the owner of such vehicle for purposes
9 of this section, shall be subject to liability for such violation pursu-
10 ant to this section and shall be sent a notice of liability pursuant to
11 subdivision (g) of this section.

12 (k) 1. If the owner liable for a violation of subdivision (c) or (d)
13 of section eleven hundred eighty of this article pursuant to this

20 out the consent of the owner at the time such operator operated such
21 vehicle in violation of subdivision (b), (c), (d), (f) or (g) of section
22 eleven hundred eighty of this article. For purposes of this subdivision
23 there shall be a presumption that the operator of such vehicle was oper-
24 ating such vehicle with the consent of the owner at the time such opera-
25 tor operated such vehicle in violation of subdivision (b), (c), (d), (f)
26 or (g) of section eleven hundred eighty of this article.

27 (l) Nothing in this section shall be construed to limit the liability
28 of an operator of a vehicle for any violation of subdivision (c) or (d)
29 of section eleven hundred eighty of this article.

30 (m) If the city adopts a demonstration program pursuant to subdivision
31 (a) of this section it shall conduct a study and submit an annual report
32 on the results of the use of photo devices to the governor, the tempo-
33 rary president of the senate and the speaker of the assembly on or
