district to receive assistance for an additional three years

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. Section 1 of subpart H of part C of chapter 20 of the laws  
2 of 2015, relating to appropriating money for certain municipal corpo-  
3 rations and school districts, as amended by section 1 of part XX of  
4 chapter 55 of the laws of 2021, is amended to read as follows:

5 Section 1. Contingent upon available funding, and not to exceed  
6 \$140,000,000 moneys from the urban development corporation shall be  
7 available for a local government entity, which for the purposes of this  
8 section shall mean a county, city, town, village, school district or  
9 special district, where (i) on or after June 25, 2015, an electric  
10 generating facility located within such local government entity has  
11 ceased operations, and (ii) the closing of such facility has caused a  
12 reduction in the real property tax collections or payments in lieu of  
13 taxes of at least twenty percent owed by such electric generating facil-  
14 ity. Such moneys attributable to the cessation of operations, shall be  
15 paid annually on a first come, first served basis by the urban develop-  
16 ment corporation to such local government entity within a reasonable  
17 time upon confirmation from the state office of real property tax  
18 services or the local industrial development authority established  
19 pursuant to titles eleven and fifteen of article eight of the public  
20 authorities law, or the local industrial development agency established  
21 pursuant to article eighteen-A of the general municipal law that such  
22 cessation has resulted in a reduction in the real property tax  
23 collections or payments in lieu of taxes, provided, however, that the  
24 urban development corporation shall not provide assistance to such local  
25 government entity for more than seven years, and shall award payments  
26 reflecting the loss of revenues due to the cessation of operations as  
27 follows:

8 A local government entity shall be eligible for only one payment of  
9 funds hereunder per year. A local government entity may seek assistance  
10 under the electric generation facility cessation mitigation fund once a  
11 generator has submitted its notice to the federally designated electric  
12 bulk system operator (BSO) serving the state of New York of its intent  
13 to retire the facility or of its intent to voluntarily remove the facil-  
14 ity from service subject to any return-to-service provisions of any  
15 tariff, and that the facility also is ineligible to participate in the  
16 markets operated by the BSO. The date of submission of a local govern-  
17 ment entity's application for assistance shall establish the order in  
18 which assistance is paid to program applicants, except that in no event  
19 shall assistance be paid to a local government entity until such time  
20 that an electric generating facility has retired or become ineligible to  
21 participate in the markets operated by the BSO. For purposes of this  
22 section, any local government entity seeking assistance under the elec-  
23 tric generation facility cessation mitigation fund must submit an attes-  
24 tation to the department of public service that a facility is no longer  
25 producing electricity and is no longer participating in markets operated  
26 by the BSO. After receipt of such attestation, the department of public  
27 service shall confirm such information with the BSO. In the case that  
28 the BSO confirms to the department of public service that the facility  
29 is no longer producing electricity and participating in markets operated  
30 by such BSO, it shall be deemed that the electric generating facility  
31 located within the local government entity has ceased operation. The  
32 department of public service shall provide such confirmation to the  
33 urban development corporation upon receipt. The determination of the  
34 amount of such annual payment shall be determined by the president of  
35 the urban development corporation based on the amount of the differen-  
36 tial between the annual real property taxes and payments in lieu of  
37 taxes imposed upon the facility, exclusive of interest and penalties,  
38 during the last year of operations and the current real property taxes  
39 and payments in lieu of taxes imposed upon the facility, exclusive of  
40 interest and penalties. The total amount awarded from this program shall  
41 not exceed \$140,000,000.

42 Notwithstanding any other law, rule or regulation to the contrary, in  
43 the case of the Barker central school district, located in the county of  
44 Niagara, if such district is otherwise eligible for assistance under  
45 this section, the urban development corporation shall provide assistance  
46 for a period not to exceed ten years following the cessation of oper-  
47 ations of an electric generating facility located within such district.  
48 The maximum potential award for years eight, nine and ten, shall be no  
49 more than twenty percent of the loss of revenues as calculated pursuant  
50 to this section. All other provisions of this section shall remain  
51 applicable.

52 § 2. This act shall take effect immediately.
