2 with altered or fraudulent identification.

3 5. Registration of covered vehicles pursuant to this section shall be

26 online seller delivering all terrain vehicles into the state of New
27 York, shall be registered at the time of sale of such vehicle prior to
28 being released to the purchaser of such vehicle. Such registration shall
29 be valid until the thirty-first day of August following the date of such
30 sale; provided, however, that any all terrain vehicle sold after April
31 first of each year shall be issued a registration valid until the thir-
32 ty-first day of August in the year following that in which the all
33 terrain vehicle is sold. Any all terrain vehicle purchased for use
34 exclusively outside of the state of New York shall not require registra-
35 tion at the time of purchase, and the purchaser of such all terrain
36 vehicle shall sign a declaration, provided by the dealer, which shall
37 state that such purchaser understands the conditions under which an all
38 terrain vehicle must be registered and the penalty for violation of such
39 registration provisions. Each signed declaration shall be forwarded by
40 the dealer to the commissioner. The form of such declaration shall be
41 provided by the commissioner to each dealer. Any private sale or other
42 subsequent transfer of an all terrain vehicle shall also be reported to
43 the department in order for the department to maintain a current owner-
44 ship record of such all terrain vehicle.

45 § 4. The vehicle and traffic law is amended by adding a new section
46 2292 to read as follows:

47 § 2292. Identification of illegally operated all terrain vehicle. The
48 identification of an all terrain vehicle registered pursuant to the
49 provisions of this article by its registration number as an all terrain
50 vehicle operated illegally on a public street, sidewalk or other public
51 property shall not be sufficient evidence to establish that the regis-
52 tered owner of such all terrain vehicle was operating such all terrain
53 vehicle. Such owner shall be provided notice that such all terrain vehi-
54 cle was identified being operated illegally on a public street, sidewalk
55 or other public property and an opportunity for a hearing to establish

1 that such all terrain vehicle had been sold, stolen, misidentified or

6 ATV shall be displayed on the vehicle at all times in such a manner as
7 the commissioner may, by regulation, prescribe. No person shall remove,
8 conceal, alter or fraudulently display a registration number, vehicle
9 identification number or serial number of any all terrain vehicle. Law
10 enforcement shall be authorized to impound any all terrain vehicle oper-
