Introduced by COMMITTEE ON RULES -- (at request of M. of A. Rosenthal)
-- read once and referred to the Committee on Insurance

AN ACT to amend the insurance law, in relation to requiring insurance coverage for salpingectomy for ovarian cancer prevention

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subsection (i) of section 3216 of the insurance law is amended by adding a new paragraph 42 to read as follows:

(42) (A) Every insurer or nonprofit health service plan that provides coverage for hospital, medical or surgical care on an expense-incurred basis under health insurance policies issued or delivered in this state, and every health maintenance organization that provides coverage for hospital, medical or surgical care under contracts issued or delivered in this state shall provide coverage for salpingectomy for ovarian cancer prevention.

(B) (i) Except as provided in clause (ii) of this subparagraph, salpingectomy coverage for ovarian cancer prevention required by this paragraph shall not be subject to any copayment, coinsurance or deductible requirement.

(ii) If an insured or an enrollee is covered under a high deductible health plan as defined in 26 USC 223, salpingectomy coverage for ovarian cancer prevention required by this paragraph may be subject to the deductible requirement of such high deductible plan.

§ 2. Section 3221 of the insurance law is amended by adding a new subsection (w) to read as follows:

(w) (1) Every insurer or nonprofit health service plan that provides coverage for hospital, medical or surgical care on an expense-incurred basis under health insurance policies issued or delivered in this state, and every health maintenance organization that provides coverage for hospital, medical or surgical care under contracts issued or delivered in this state shall provide coverage for salpingectomy for ovarian cancer prevention.

(2) (A) Except as provided in subparagraph (B) of this paragraph, salpingectomy coverage for ovarian cancer prevention required by this
